### ITEM 2.02. RESULTS OF OPERATIONS AND FINANCIAL CONDITION.

On December 21, 2006, we announced our financial position and results of operations as of and for the thirteen and thirty-nine week periods ended December 2, 2006. The press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference. The announcement includes a non-GAAP financial measure, "Adjusted EBITDA." Adjusted EBITDA represents net income (loss) from operations excluding the impact of income taxes, interest expense, depreciation and amortization, LIFO adjustments, charges or credits for store closing and impairment, inventory write-downs related to closed stores, stock-based compensation expense, debt modifications and retirements, litigation proceeds, litigation expense, expense of the defense against litigation related to prior management's business practices and the defense of prior management, incremental costs related to the acquisition of Jean Coutu, USA, sales of assets and investments, and non-recurring items. We reference this non-GAAP financial measure frequently in our decision-making because it provides supplemental information that facilitates internal comparisons to historical operating performance of prior periods and external comparisons to competitors' historical operating performance. In addition, incentive compensation is based on Adjusted EBITDA and we base our forward-looking estimates on Adjusted EBITDA to facilitate quantification of planned business activities and enhance subsequent follow-up with comparisons of actual to planned Adjusted EBITDA. We include this non-GAAP financial measure in our earnings announcement in order to provide transparency to investors and enable investors to compare our operating performance with the operating performance of our competitors.
