**ATTACHMENT 1 TO  
FORM 12b-25  
NOTIFICATION OF LATE FILING**

For the nine months ended July 31, 2007, the Company had an increase in general and administrative expenses, and therefore a greater net loss from operations compared to the nine months ended July 31, 2006. Since the beginning of the current fiscal year, the Company received funding from one private placement that closed in March 2007. The funding provided the Company with financial resources necessary to increase its operations and drilling projects, and to increase its exploration-related expenditures. As a result, the Company's operations for the nine months ended July 31, 2007 are greater than the nine months ended July 31, 2006. This resulted in a net loss for the nine months ended July 31, 2007 of approximately 1.7 times the net loss for the nine months ended July 31, 2006.
