Amendment No. 1

On April 21, 2008, Intelligent Systems Corporation (the Company) filed a Current Report on Form 8-K reporting that effective April 16, 2008, the Company and two subsidiaries, VISAer, Inc. and VISAer (UK) Limited (collectively, VISAer) completed the sale of substantially all the assets related to VISAer's business. In the Form 8-K filed on April 21, 2008, the Company indicated that the pro forma financial information required under Item 9.01 would be filed no later than 71 days after the date on which the Current Report on Form 8-K was required to be filed. This Current Report on Form 8-K/A amends and supplements the Current Report on Form 8-K to include the required pro forma financial information for the transaction.

Item 2.01 Completion of Acquisition or Disposition of Assets

Sale of VISAer Business Effective April 16, 2008, the Company and VISAer completed the sale of substantially all the assets related to VISAer's business pursuant to the terms of an asset purchase agreement (the Asset Purchase Agreement) between IBS Technics, Inc. (IBS Technics) and the Company and VISAer. IBS Technics is a subsidiary of IBS Software Services, Inc. (IBS), a software services company that had previously provided certain software development services to VISAer as an independent third party contractor.

The purchase price consisted of \$3,025,000 paid in cash at closing plus future earn-out and contingent payments to be paid over four years based on certain performance metrics of the VISAer business following the sale, with guaranteed minimum payments aggregating \$1,500,000 (discounted to \$1,261,000), payable in cash in three equal installments in 2010, 2011 and 2012. In addition, IBS Technics assumed liabilities of VISAer of approximately \$250,000 related to employee vacation benefits and \$437,000 owed to IBS for prior software development services. IBS hired the VISAer employees as of the effective date of the transaction and assumed all customer contracts, including the ongoing liabilities and obligations associated with performance of such contracts. VISAer retained the remainder of the liabilities of the VISAer business along with cash and accounts receivable aggregating approximately \$450,000 as of the closing date. The Company will classify the VISAer operation as discontinued operations in all future reporting periods.

Item 9.01. Financial Statements and Exhibits

(b) Unaudited Pro Forma Financial Information

The following unaudited pro forma financial statements give effect to the sale of the VISAer business in accordance with Article 11 of Regulation S-X and are based upon currently available information and certain assumptions management considered reasonable under the circumstances. Based on the carrying value of the assets and liabilities involved in the VISAer sale on the closing date and the estimated costs and expenses incurred in connection with the sale, the Company anticipates that it will record a net gain of \$3.1 million on the VISAer sale. The unaudited pro forma statements of operations presented herein exclude this anticipated gain.

The unaudited pro forma condensed balance sheet assumes the VISAer sale occurred as of March 31, 2008. Such pro forma information is based on the consolidated historical unaudited balance sheet data of the Company and VISAer as of March 31, 2008. The unaudited pro forma balance sheet is not necessarily indicative of the results that would have been reported had the VISAer sale actually occurred on that date, nor is it necessarily indicative of the Company's future financial position. The unaudited pro forma condensed statement of operations for the three months ended March 31, 2008 gives effect to the VISAer sale as if the sale had occurred on January 1, 2008. The unaudited pro forma condensed statement of operations for the year ended December 31, 2007 gives effect to the VISAer sale as if the sale had occurred on January 1, 2007. The unaudited pro forma financial statements provided herein do not include any amounts related to potential contingency payments (which are in excess of the guaranteed future

payments) which may be paid to the Company in future periods since the amount of such payments, if any, is not determinable at this time.

The unaudited pro forma financial statements are based on and should be read in conjunction with, and are qualified in their entirety by, the historical consolidated financial statements and notes thereto of the Company.
