Section 1 Registrant's Business and Operations

Item 1.01 Entry Into Material Definitive Agreements

On October 15, 2008, Veramark Technologies, Inc. (the Registrant) entered into an Amended Salary Continuation Agreement (the Agreement), effective as of October 10, 2008, with Ronald C. Lundy, Vice President of Finance and Chief Financial Officer (the Employee), which amended a Salary Continuation Agreement (the Original Agreement) dated October 14, 1998. A copy of the Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K.

Pursuant to the terms of the Agreement, the Original Agreement was amended in its entirety and replaced with the Agreement. The principal provision of the Agreement was the deletion of the formula based retirement benefit, which the Employee was eligible to receive at Retirement Age under the Original Agreement. In its place, the Agreement established a fixed amount payable when the Employee reaches Retirement Age.

The material terms of the Agreement include:

If Employee lives to Retirement Age and has completed the requisite number of years of service, the Registrant will pay a retirement benefit to the Employee, or his Designated Beneficiary, beginning at Retirement Age and continuing for a minimum of ten (10) years and thereafter until Employee's death.

The retirement benefit is fixed at \$43,680 per annum irrespective of any additional years of employment beyond the date of the Agreement.

The retirement benefit can be forfeited in the event the Employee engages in identified prohibited acts, including a prohibition from competition.
