PROXY STATEMENT

Questions and Answers Regarding This Proxy Statement

When is the annual meeting and where will it be located? The meeting will take place on Monday, June 30, 2008, at 10:00 a.m., local time, at the offices of Herrick, Feinstein LLP, 2 Park Avenue, New York, New York 10016.

Who is soliciting your proxy? The proxy solicitation is being made by the Board of Directors of Sielox, Inc. (When we use the terms "we", "us", "our", "Sielox" and "the Company", we are referring to Sielox, Inc.) Proxies may also be solicited by our officers and employees, but such persons will not be specifically compensated for such services. Original solicitation of proxies by mail may be supplemented by telephone, telegram or other electronic means.

When will the proxy statement be mailed to stockholders? This proxy statement will first be mailed to stockholders on or about May 30, 2008.

What is the record date and who may attend the annual meeting? Our Board of Directors has selected the close of business on May 20, 2008 as the record date for determining the stockholders of record who are entitled to attend and vote at the annual meeting. This means that all stockholders of record as of the close of business on May 20, 2008 may vote their shares of common stock at the Annual Meeting. If your shares are held through a broker and you would like to attend, please bring a copy of your brokerage account statement reflecting your ownership of our shares on the record date or an omnibus proxy (which you can get from your broker) and we will permit you to attend the annual meeting.

Who is paying for the solicitation of proxies? We will pay all expenses of preparing and soliciting proxies. We may also reimburse brokerage houses, nominees, custodians and fiduciaries for expenses in forwarding proxy materials to the beneficial owners of shares of our common stock held of record.

Who may vote at the annual meeting? If you are a holder of common stock as of the close of business on May 20, 2008, you will have one vote for each share of common stock that you hold on each matter that is presented for action at the annual meeting. If you have common stock that is registered in the name of a broker, your broker will forward your proxy materials and will vote your shares as you indicate. You may receive more than one proxy card if your shares are registered in different names or are held in more than one account.

How do you vote? Sign and date each proxy card you receive and return it in the prepaid envelope. Stockholders who hold their shares through a bank or broker can also vote via the Internet if this option is offered by the bank or broker. Any stockholder may revoke his or her proxy, whether he or she votes by mail or the Internet, at any time before the annual meeting by written notice to such effect received by us at the address set forth above, attn: corporate secretary, by delivery of a subsequently dated proxy or by attending the annual meeting and voting in person.

How will your shares be voted? All properly completed and unrevoked proxies that are received prior to the close of voting at the annual meeting will be voted in accordance with the instructions made. If a properly executed, unrevoked written proxy card does not specifically direct the voting of shares covered, the proxy will be voted in favor of the proposals set forth in the notice attached to this proxy statement.

If a stockholder indicates on its proxy card that it wishes to abstain from voting, including a broker holding its customers' shares of record who cause abstentions to be recorded, these shares are considered present and entitled to vote at the annual meeting. These shares will count toward determining whether or not a quorum is present. However, these shares will not be taken into account in determining the outcome of the election of directors. Abstentions will, in effect, be votes against the proposal for ratification of the selection of our independent registered public accounting firm, as well as against any other proposals properly submitted for consideration at the annual meeting. Broker non-votes are proxies received from brokers who, in the absence of specific voting instructions from beneficial owners of shares held in brokerage name, have declined to vote such shares in those instances where discretionary voting by brokers is permitted. A broker non-vote will have no effect on the outcome of any of the proposals.

Is your vote confidential? Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to the transfer agent and are handled in a manner that protects your voting privacy. Your vote will not be disclosed except as needed to permit the transfer agent to tabulate and certify the vote and as required by law. Additionally, all comments written on the proxy card or elsewhere will be forwarded to management. Your identity will be kept confidential, unless you ask that your name be disclosed.

What constitutes a quorum? The presence at the annual meeting, in person or by proxy, of holders of a majority of the issued and outstanding shares of common stock as of the record date is considered a quorum for the transaction of business. If you submit a properly completed proxy or if you appear at the annual meeting to vote in person, your shares of common stock will be considered part of the quorum. Directions to withhold authority to vote for any director, abstentions, and broker non-votes will be counted as present to determine if a quorum for the transaction of business is present. Once a quorum is present, voting on specific proposals may proceed. In the absence of a quorum, the annual meeting shall be adjourned.

As of the close of business on April 25, 2008, 35,982,295 shares of common stock were issued and outstanding. We do not expect our number of issued and outstanding shares to change materially as of the record date. The common stock is our only class of securities entitled to vote, each share being entitled to one non-cumulative vote.

How many votes are needed to approve each proposal? Directors will be elected by a plurality of the votes of the shares of our common stock that are present in person or by proxy at the annual meeting. The approval of the measure to ratify our independent auditors requires the affirmative vote of the holders of a majority of the voting power of our common stock that are present in person or by proxy at the annual meeting.

PROPOSAL 1

ELECTION OF DIRECTORS

At the annual meeting, you will elect five individuals to our Board of Directors. Each director will hold office until the next annual meeting and until his respective successor is elected and qualified. In the event that any nominee for director withdraws or for any reason is not able to serve as a director, we will vote your proxy for the remainder of those nominated for director (except as otherwise indicated in your proxy) and for any replacement nominee designated by our Board of Directors.

Our Nominating and Corporate Governance Committee has nominated the five individuals listed below to serve as directors of the Company. Three of the five nominees are currently members of our Board of Directors. Steven Berns and Edward Rollins each decided not to stand for re-election at the annual meeting for reasons other than a disagreement with the Company relating to its operations, policies or practices. Mr. Berns and Mr. Rollins shall remain in office through the date of the annual meeting or until their respective successors are duly elected and qualified.

Board of Directors and Committees of the Board of Directors

Our business is managed under the direction of our Board of Directors. The Board consists of a single class of directors who are elected for a term of one year, such term beginning and ending at each annual meeting of stockholders. There are no family relationships among any of our directors or executive officers.

Audit Committee. We have a separately designated standing audit committee. The current members of our Audit Committee are Steven Berns, Rory Cowan and Edward Rollins. Our Board of Directors has determined that each member is independent, using the standards described in the Nasdaq Marketplace Rules and the applicable rules of the SEC, that each member is financially literate and that Mr. Berns qualifies as an Audit Committee Financial Expert under the applicable rules of the SEC. Following the annual meeting and the replacement of Messrs. Berns and Rollins as members of the Board of Directors, we expect the Board of Directors to consider and elect new members of the Audit Committee.

The Audit Committee hires our independent accountants and is charged with the responsibility of overseeing our financial reporting process. In the course of performing its functions, the Audit Committee reviews, with management and the independent accountants, our internal accounting controls, the annual financial statements, the report and recommendations of the independent accountants, the scope of the audit and the qualifications and independence of the auditors. A copy of the Audit Committee charter is attached to this Proxy Statement as Annex A.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee currently consists of Edward Rollins, Steven Berns and Rory Cowan. Our Board of Directors has determined that each member is independent using the standards described in the Nasdaq Marketplace Rules. Following the annual meeting and the replacement of Messrs. Berns and Rollins as members of the Board of Directors, we expect the Board of Directors to consider and elect new members of the Nominating and Corporate Governance Committee.

The Committee is responsible for identifying individuals who are qualified to become directors, recommending nominees for membership on the Board and committees of the Board, promulgating minimum qualifications that it believes must be met by director nominees, establishing policies for considering director candidates recommended by stockholders, implementing procedures for stockholders in submitting recommendations for director candidates and developing and recommending to the Board corporate governance guidelines.

The Committee has established the following minimum qualifications for prospective nominees: (1) high accomplishments in his or her respective field, with superior credentials and recognition, (2) if applicable, a demonstrated history of actively contributing at board meetings, (3) high personal and professional integrity, exceptional ability and judgment, and effectiveness, in conjunction with the other nominees to the Board, in serving the long-term interests of the stockholders and (4) sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve. In addition, the Committee may consider a variety of other qualities and skills, including whether the nominee has direct experience in the industry or in the markets in which we operate and the definition of independence within the meaning of Rule 4200 of the Nasdaq Marketplace Rules. Nominees must also meet any applicable requirements of the SEC's regulations, state law and our charter and by-laws.

The Committee has established a process for identifying and evaluating nominees for director. The Committee may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate. The Committee will then, without regard to the source of the initial recommendation of such proposed director candidate, review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate. Upon identifying individuals qualified to become members of the Board, consistent with the minimum qualifications and other criteria approved by the Board from time to time, and provided that we are not legally required to provide third parties with the ability to nominate individuals for election as a member of the Board, the Committee will then recommend that the Board select the director nominees for election at each annual meeting of stockholders.

The Committee will consider director candidates recommended by our stockholders. A stockholder wishing to propose a nominee should submit a recommendation in writing to our Secretary at least 120 days before the mailing date for proxy material applicable to the annual meeting for which such nomination is proposed for submission, setting forth, among other things required by the Committee's charter, (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee for the past five years, (iii) the consent of the proposed director candidate to be named in the proxy statement relating to our annual meeting of stockholders and to serve as a director if elected at such annual meeting and (iv) any additional information regarding director nominees pursuant to the rules of the SEC. The Committee anticipates that it would use these sources as well as stockholder recommendations to identify candidates in the future.

Copies of the Nominating and Corporate Governance Committee charter and the Corporate Governance Guidelines are attached to this Proxy Statement as Annex B.

Compensation Committee. The Compensation Committee currently consists of Rory Cowan, Steven Berns and Edward Rollins. The Board has determined that each member is independent using the standards described in the Nasdaq Marketplace Rules. Following the annual meeting and the replacement of Messrs. Berns and Rollins as members of the Board of Directors, we expect the Board of Directors to consider and elect new members of the Compensation Committee.

The Compensation Committee sets the compensation of our Chief Executive Officer and other senior executives, administers our stock option plans and executive compensation programs, determines eligibility for, and awards under, such plans and programs, and makes recommendations to the Board with regard to the adoption of new employee benefit plans, stock option plans and executive compensation plans. A copy of the Compensation Committee charter is attached to this Proxy Statement as Annex C.

Meetings of the Board of Directors and Committees

During our fiscal year ended December 31, 2007, our Board of Directors held one meeting and took action by unanimous written consent on three occasions. Furthermore, our independent directors held three meetings and took action by unanimous written consent on three occasions, our audit committee held four meetings and took action by unanimous written consent on three occasions and our compensation committee took action by unanimous written consent on three occasions. Each director attended all of the meetings of our Board of Directors and all of the meetings held by committees on which such director served.

Independence of Majority of Board of Directors

Our Board of Directors has determined that Messrs. Cowan, Berns and Rollins, who collectively constitute a majority of our Board of Directors, meets the general independence criteria set forth in the Nasdaq Marketplace Rules.

Section 16(A) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file reports of ownership and changes in ownership with the SEC and to furnish copies to us.

Based upon a review of the Forms 3, 4 and 5 furnished to us and certain representations made to us, we believe that, for the fiscal year ended December 31, 2007, all reports required by Section 16(a) of the Exchange Act to be filed by our officers and directors and 10% beneficial owners were filed on a timely basis, other than Mr. Rollins, who failed to timely file a Form 3 upon being appointed to our Board of Directors, relating to one transaction.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics which applies to our directors, officers, senior management and certain other of our employees, including our principal executive officer, principal financial officer, principal accounting officer or controller or persons performing similar functions. We shall provide a copy of our Code of Business Conduct and Ethics to any person without charge, upon request. Requests for a copy of the Code of Business Conduct and Ethics can be made in writing to the following address: Sielox, Inc., 170 East Ninth Avenue, Runnemede, New Jersey 08078. Attn: Secretary.

Stockholder Communication with Board Members

We maintain contact information for stockholders, both telephone and email, on our website under the heading Contact Us. By following the Contact Us link, a stockholder will be given access to our telephone number and mailing address, as well as links for providing email correspondence to our management. Communications specifically marked as a communication for our Board of Directors will be forwarded to the board or specific members of the board as directed in the stockholder communication. In addition, communications sent directly to us via telephone, facsimile or email for our Board of Directors will be forwarded to the board by an officer.

Board Member Attendance at Annual Meetings

Our Board of Directors does not have a formal policy regarding attendance of directors at our annual stockholder meetings. All of the five members of our Board of Directors in 2007 attended our special meeting of stockholders on July 26, 2007. We did not have a 2007 annual meeting of stockholders.

REPORT OF THE AUDIT COMMITTEE

The committee has adopted a written charter that has been approved by the Company's Board of Directors.

Management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting and for assessing the effectiveness of internal control over financial reporting. The independent auditors are responsible for auditing those financial statements in accordance with standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The committee's responsibility is to oversee the financial reporting process on behalf of the Board of Directors and to report the result of their activities to the Board of Directors.

The committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the committee's charter. To carry out its responsibilities, the committee met four times and acted three times by unanimous written consent.

In overseeing the preparation of the Company's financial statements, the committee met with both the Company's management and its independent registered public accounting firm to review and discuss its audited financial statements prior to their issuance and to discuss significant accounting issues, including its judgments as to the quality, not just the acceptability, of the Company's accounting principles. The Company's management advised the committee that all financial statements were prepared in accordance with generally accepted accounting principles, and the committee discussed the statements with both management and independent auditors. The committee also met in executive session with the Company's independent auditors. The committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), other standards of the Public Company Accounting Oversight Board (United States), rules of the Securities and Exchange Commission, and other applicable regulations and laws, including the Sarbanes-Oxley Act of 2002.

The committee also reviewed management's report on its assessment of the effectiveness of the Company's internal control over financial reporting.

With respect to the Company's independent registered public accounting firm, the committee, among other things, discussed with Rothstein Kass & Company, P.C., matters relating to its independence, including the disclosures made to the committee as required by the Independence Standards Board Standard No. 1 (Discussions with Audit Committee) and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

On the basis of these reviews and discussions, the committee recommended to the Company's Board of Directors, and the board has approved, the Company's audited financial statements and management's assessment of the effectiveness of the Company's internal control over financial reporting be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2007 for filing with the Securities and Exchange Commission.

2000 Stock Option and Incentive Plan

In February 2000, our Board of Directors and stockholders approved the 2000 Stock Option and Incentive Plan (the 2000 Plan), which provides for the issuance of up to 4,017,250 shares of common stock. The 2000 Plan provides for awards in the form of Incentive Stock Options (ISOs), Non-Qualified Stock Options, restricted stock awards and other forms of awards to officers, directors, employees and consultants of the Company. At April 25, 2008, there were 3,357,814 shares available for issuance under the 2000 Plan.

The Board of Directors determines the term of each option, the option price, the number of shares for which each option is granted and the times at which each option vests. For holders of 10% or more of our outstanding common stock, ISOs may not be granted at less than 110% of the fair market value of the common stock at the date of grant.

Change of Control. In the case of and subject to the consummation of any of the following (each a Change of Control Event): (a) the dissolution or liquidation of the Company; (b) the sale of all or substantially all of the assets of the Company on a consolidated basis to an unrelated person or entity; a merger, reorganization or consolidation in which the outstanding shares of Company stock are converted into or exchanged for a different kind of securities of the successor entity and the holders of the Company s outstanding voting power immediately prior to such transaction do not own a majority of the outstanding voting power of the successor entity immediately upon completion of such transaction; or (d) the sale of all of the stock of the Company to an unrelated person or entity, then upon the effective time of the Change of Control Event, the 2000 Plan and all outstanding awards granted thereunder shall terminate, unless provision is made in connection with such Change of Control Event in the sole discretion of the parties to such Change of Control Event for the assumption or continuation of awards theretofore granted, or the substitution for such awards with new awards of the successor entity to the Company in such Change of Control Event or any parent or subsidiary thereof (or its successor) (each, a Successor Entity), with such adjustment as to the number and kind of shares and the per share exercise prices as the parties to such Change of Control Event shall agree. If the parties to such Change of Control Event shall agree to assume or continue the awards, then the vesting of awards shall accelerate (a) by one year if the grantee continues to be employed by a Successor Entity (or its successor) on the anniversary date of the closing of the Change of Control Event, effective as of the date of such anniversary, or (B) by two years less the amount of time the grantee has been employed by a Successor Entity if the grantee s employment with the Company and its subsidiaries or the Successor Entity is terminated by the Company or its subsidiaries or the Successor Entity without Cause (as defined below) or by the grantee for Good Reason (as defined below), effective as of the date of such termination of employment.

If no provision is made for the assumption or continuation of outstanding Awards in connection with a Change of Control Event, then all outstanding Awards shall become fully vested and exercisable immediately prior to the closing of the Change of Control Event and shall terminate upon the closing of the Change of Control Event. In the event of such termination, each grantee shall be permitted, within a specified period of time prior to the consummation of the Change of Control Event as determined by the Administrator, to exercise all outstanding Awards held by such grantee, including those that will become exercisable upon the consummation of the Change of Control Event; provided, however, that the exercise of Awards not exercisable prior to the Change of Control Event shall be subject to the consummation of the Change of Control Event.

As used above, Cause means a vote of the Board of Directors of the Company or the Successor Entity, as the case may be, resolving that the grantee should be dismissed as a result of: (i) any material breach by the grantee of any employment agreement between the grantee and the Company or the Successor Entity, as the case may be; (ii) the

conviction of or plea of nolo contendere by the grantee to a felony or any crime involving moral turpitude; or (iii) any material misconduct or willful and deliberate non-performance (other than by reason of disability) by the grantee of the grantee's duties to the Company or its subsidiaries or Successor Entity, as the case may be. As used above, Good Reason means the occurrence of any of the following events: (i) a substantial adverse change or diminution in the nature or scope of the grantee's responsibilities, authorities, title, powers, functions or duties; (ii) a reduction in the grantee's annual base salary except for an across-the-board salary reduction similarly affecting all or substantially all employees, or any material failure of the Company or any Successor Entity to provide the grantee with such other employee benefits to which the grantee was entitled immediately prior to the Change of Control Event, except for an across-the-board change in benefits affecting all or substantially all employees; or (iii) the relocation of the offices at which the grantee is principally employed to a location more than 50 miles from such offices.

2000 Employee Stock Option and Incentive Plan

In October 2000, our Board of Directors approved the 2000 Employee Stock Option and Incentive Plan (the "2000 Employee Plan"), which originally provided for the issuance of up to 1,500,000 shares of common stock, under NSOs to our employees and key persons other than any member of our Board of Directors or any other individual who is subject to the reporting and other provisions of Section 16 of the Securities Exchange Act of 1934. In January 2001, in connection with the one-time employee option exchange incentive program, the Board of Directors amended this plan to increase the number of shares of common stock available for issuance under the plan to 2,654,750. At April 25, 2008, there were 2,250,374 shares available for issuance under this plan. The Board of Directors determines the term of each option, the option price, the number of shares for which each option is granted and the times at which each option vests.

The Company calculates the fair value of each option grant at the date of grant using the Black-Scholes option pricing method, as set forth in SFAS No. 123(R), using the following assumptions:

The Company agreed to pay Barington a fee of \$100,000 as compensation for its services, as well as reimburse Barington for all of its reasonable and documented out-of-pocket expenses. Such \$100,000 payment was subsequently reduced to \$75,000 and was paid in shares of our common stock.

On March 30, 2007, the Company entered into an amendment to the administrative services agreement with Barington, effective as of January 1, 2007. Under the amended agreement, which ran through December 31, 2007, Barington was paid a fee of \$7,500 per month for performing certain administrative, accounting and other services on behalf of the Company until the closing of the transactions contemplated by the merger with L Q Corporation, at which point the fee was increase to a rate of \$10,000 per month.

On May 18, 2007, the Company entered into an amendment to the administrative services agreement with Barington. The amendment provides for the termination of the administrative services provided by Barington on behalf of the Company under the administrative services agreement (as well as the termination of the monthly payments made by the Company to Barington for such services) immediately following the closing of the transactions contemplated by the merger with L Q Corporation. Notwithstanding the termination of the administrative services provided by Barington following the closing of the merger, the administrative services agreement continued to run until December 31, 2007, therefore permitting us to continue to have access to legal and financial advisory services from Barington on an as requested basis. There was no requirement under the administrative services agreement, however, for the Company to utilize such services.

On December 31, 2007, our Board of Directors, by unanimous written consent of the Board, including each independent director, approved an amendment to the administrative services agreement with Barington, extending the term of the administrative services agreement through December 31, 2008.

Pursuant to a letter agreement dated February 26, 2007, Barington agreed to vote, and to cause its affiliates to vote, all of our shares owned by Barington and its affiliates in favor of our merger with L Q Corporation.

L Q Corporation, Inc.

From April 2006 through the consummation of our merger with L Q Corporation, L Q Corporation's principal executive offices were in an office maintained by Barington.

L Q Corporation entered into a services agreement with Barington dated as of November 18, 2004, which ran through June 30, 2006. Under this agreement, as amended as of May 10, 2006, L Q Corporation agreed to pay Barington \$10,000 per month for providing certain administrative, accounting and other services on our behalf and a fee of \$175 per hour for any legal services provided by Barington. L Q Corporation also agreed that in the event Barington identified a business transaction and provided L Q Corporation with financial consulting services in connection with such business transaction, L Q Corporation would pay Barington a fee of two percent of the amount of the consideration paid in the transaction.

On July 12, 2006, the Board of Directors of L Q Corporation approved an amendment to the services agreement, dated as of June 30, 2006, to extend the terms of the agreement until December 31, 2007. The agreement was previously set to expire by its terms on June 30, 2006. The services agreement with L Q Corporation was terminated upon the consummation of our merger with L Q Corporation.

On January 5, 2007, L Q Corporation entered into a letter agreement with Barington with respect to the engagement of Barington by the L Q Corporation Special Committee to provide assistance with respect to the merger between us and L Q Corporation. L Q Corporation agreed to pay Barington a fee of \$100,000 as compensation for its services, as well as reimburse Barington for all of its reasonable and documented out-of-pocket expenses. Such \$100,000 payment was subsequently reduced to \$75,000 and was paid in shares of our common stock.

Review, Approval or Ratification of Transactions with Related Persons

Pursuant to the Charter of the Audit Committee, the Audit Committee is charged, on behalf of the Board, with conducting an appropriate review of all related party transactions for potential conflict of interest situations on an ongoing basis, and the approval of the Audit Committee is required for all such transactions.

B-1

C.

Selection of New Directors

Recommend to the Board criteria for Board and committee membership, which shall include a description of any specific, minimum qualifications that the Nominating Committee believes must be met by a Nominating Committee-recommended nominee, and a description of any specific qualities or skills that the Nominating Committee believes are necessary for one or more of the Company's directors to possess, and annually reassess the adequacy of such criteria and submit any proposed changes to the Board for approval. The current criteria for Board membership are attached to this Charter as Exhibit A.

Establish a policy with regard to the consideration of director candidates recommended by stockholders. The current policy is that the Nominating Committee will review and consider any director candidates who have been recommended by stockholders in compliance with the procedures established from time to time by the Nominating Committee and set forth in this Charter.

Establish a process for identifying and evaluating nominees for the Board, including nominees recommended by stockholders. The current process for identifying and evaluating nominees for the Board is as follows:

1.

The Nominating Committee may solicit recommendations from any or all of the following sources: non-management directors, the Chief Executive Officer, other executive officers, third-party search firms or any other source it deems appropriate.

2.

The Nominating Committee will review and evaluate the qualifications of any such proposed director candidate, and conduct inquiries it deems appropriate.

3.

The Nominating Committee will evaluate all such proposed director candidates in the same manner, with no regard to the source of the initial recommendation of such proposed director candidate.

4.

In identifying and evaluating proposed director candidates, the Nominating Committee may consider, in addition to the minimum qualifications and other criteria for Board membership approved by the Board from time to time, all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board.

Upon identifying individuals qualified to become members of the Board, consistent with the minimum qualifications and other criteria approved by the Board from time to time, recommend that the Board select the director nominees for election at each annual meeting of stockholders; provided that, if the Company is legally required by contract or otherwise to provide third parties with the ability to nominate individuals for election as a member of the Board (pursuant, for example, to the rights of holders of preferred stock to elect directors upon a dividend default or in accordance with shareholder agreements or management agreements), the selection and nomination of such director nominees shall be governed by such contract or other arrangement and shall not be the responsibility of the Nominating Committee.

Consider recommendations in light of the requirement that a majority of the Board be comprised of directors who meet the independence requirements set forth in Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc.

Recommend that the Board select directors for appointment to committees of the Board.

.

The Nominating Committee may perform such other functions as may be requested by the Board from time to time.

B-4

EXHIBIT A

Board Membership Criteria

The Nominating Committee believes that it is in the best interests of the Company and its stockholders to obtain highly qualified individuals to serve on the Board.

At a minimum, the Nominating Committee must be satisfied that each Nominating Committee-recommended nominee meets the following minimum qualifications:

.

The nominee shall have the highest personal and professional integrity, shall have demonstrated exceptional ability and judgment, and shall be most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the stockholders.

.

The nominee shall be highly accomplished in his or her respective field, with superior credentials and recognition.

.

The nominee shall have sufficient time and availability to devote to the affairs of the Company, particularly in light of the number of boards on which the nominee may serve.

.

To the extent such nominee serves or has previously served on other boards, the nominee shall have a demonstrated history of actively contributing at board meetings.

In addition to the minimum qualifications for each nominee set forth above, the Nominating Committee shall recommend that the Board select persons for nomination to help ensure that:

.

A majority of the Board shall be independent in accordance with the standards established pursuant to Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc.

.

Each of its Audit, Compensation and Nominating Committees shall be comprised entirely of independent directors.

.

At least one member of the Audit Committee shall have such experience, education and other qualifications necessary to qualify as an audit committee financial expert as defined by the rules of the Securities and Exchange Commission.

Finally, in addition to any other standards the Nominating Committee may deem appropriate from time to time for the overall structure and composition of the Board, the Nominating Committee may consider the following factors when recommending that the Board select persons for nomination:

.

Whether the nominee has direct experience in the industry or in the markets in which the Company operates.

.

Whether the nominee, if elected, assists in achieving a mix of Board members that represents a diversity of background and experience.

SIELOX, INC.

CORPORATE GOVERNANCE GUIDELINES

The Board of Directors (the Board) of Sielox, Inc. (the Company) has adopted the corporate governance guidelines set forth below to assist and guide the Board in the exercise of its responsibilities. These guidelines should be interpreted in accordance with any requirements imposed by applicable federal or state law or regulation and the Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws of the Company. The Board may review and amend these guidelines from time to time.

I.

DIRECTOR QUALIFICATION STANDARDS

Director Criteria: The Board of Directors shall consider and approve from time to time the criteria that it deems necessary or advisable for prospective Director candidates. The Board of Directors shall have full authority to modify such criteria from time to time as it deems necessary or advisable.

The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility for developing and recommending to the Board of Directors for its consideration and approval such criteria for prospective Director candidates as the Nominating and Corporate Governance Committee deems necessary or advisable. The Nominating and Corporate Governance Committee will recommend to the Board of Directors from time to time such criteria for its consideration and approval. The Board of Directors may, however, rescind this delegation to the Nominating and Corporate Governance Committee and thereafter the Board of Directors shall have the responsibility for developing and approving from time to time such criteria for prospective Director candidates as it deems necessary or advisable.

Process For Identifying and Selecting Directors: The Board of Directors has delegated to the Nominating and Corporate Governance Committee the responsibility of identifying suitable candidates for nomination to the Board of Directors (including candidates to fill any vacancies that may occur) and assessing their qualifications in light of the policies and principles in these corporate governance guidelines and the committee's charter. The Nominating and Corporate Governance Committee will recommend prospective Director candidates for the Board's consideration and review the prospective candidates' qualifications with the Board. The Board of Directors shall retain the ultimate authority to nominate a candidate for election by the stockholders as a Director or to fill any vacancy that may occur.

In identifying prospective Director candidates, the Nominating and Corporate Governance Committee may consider all facts and circumstances that it deems appropriate or advisable, including, among other things, the skills of the prospective Director candidate, his or her depth and breadth of business experience or other background characteristics, his or her independence and the needs of the Board.

Independence: At least a majority of the members of the Board of Directors shall meet the definition of independence set forth in Rule 4200(a)(15) of the Marketplace Rules of the National Association of Securities Dealers, Inc..

At least annually, the Board will evaluate all relationships between the Company and each Director in light of relevant facts and circumstances for the purposes of determining whether a material relationship exists that might signal a

potential conflict of interest or otherwise interfere with such Director's ability to satisfy his or her responsibilities as an independent Director.

Limit on Number of Other Boards: Carrying out the duties and fulfilling the responsibilities of a Director require a significant commitment of an individual's time and attention. The Board does not believe, however, that explicit limits on the number of other boards of directors on which the Directors may serve, or on other activities the Directors may pursue, are appropriate. The Board, however, recognizes that excessive time commitments can interfere with an individual's ability to perform his or her duties effectively. In connection with its assessment of Director candidates for nomination, the Nominating and

Corporate Governance Committee will assess whether the performance of any Director has been or is likely to be adversely impacted by excessive time commitments, including service on other boards of directors. Directors must notify the Chairman of the Nominating and Corporate Governance Committee in connection with accepting a seat on the board of directors of another business corporation so that the potential for conflicts or other factors compromising the Director's ability to perform his duties may be fully assessed.

Term and Age Limits: The Board does not believe that arbitrary limits on the number of consecutive terms a Director may serve or on the Directors' ages are appropriate in light of the substantial benefits resulting from a sustained focus on the Company's business, strategy and industry over a significant period of time. Each individual's performance will be assessed by the Nominating and Corporate Governance Committee in light of relevant factors in connection with assessments of candidates for nomination to be Directors.

Succession: The Nominating and Corporate Governance Committee shall be responsible for developing succession plans for the Board as appropriate in light of relevant facts and circumstances.

II.

DIRECTOR RESPONSIBILITIES

Role of Directors: The business and affairs of the Company are managed by or under the direction of the Board of Directors, acting on behalf of the stockholders. The Board has delegated to the officers of the Company the authority and responsibility for managing the Company's everyday affairs. The Board of Directors has an oversight role and is not expected to perform or duplicate the tasks of the CEO or senior management.

Attendance at Meetings: Each member of the Board is expected to make reasonable efforts to attend regularly scheduled meetings of the Board and to participate in telephone conference meetings or other special meetings of the Board. In the event that Directors are unable to make at least 75% of those regular or special meetings (together with the meetings of committees on which such Director serves), the Company will be required to disclose that fact in its annual proxy statement. In addition, attendance and participation at meetings is an important component of the Directors' duties and, as such, attendance rates will be taken into account by the Nominating and Corporate Governance Committee in connection with assessments of Director candidates for renomination as Directors.

Time Commitment; Advance Distribution and Review of Materials: Directors are expected to spend the time needed and meet as frequently as the Board deems necessary or appropriate to discharge their responsibilities. Senior management is responsible for distributing information and data that are important to the Board's understanding of the business to be conducted at a Board or Committee meeting to the Directors. Directors should review these materials in advance of the meeting when reasonably practicable.

III.

BOARD STRUCTURE

Size of Board: The Board presently has 5 members. It is the sense of the Board that a board consisting of between 5 and 10 members is an appropriate size for the Company; however, the Board reserves the right to increase or decrease the size of the Board, subject to any relevant provisions in the Company's by-laws, depending on an assessment of the Board's needs and other relevant circumstances at any given time.

Committees: The Board intends at all times to have an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. Each of these standing committees will have a written charter that sets forth the responsibilities of such committee and the qualifications for committee membership. The Board may from time to time establish additional committees as necessary or appropriate.

Executive Sessions: The independent Directors will meet at regularly scheduled executive sessions, at least twice each year, without management participation.

B-7

IV.

DIRECTOR ACCESS TO MANAGEMENT AND INDEPENDENT ADVISORS

In carrying out its responsibilities, the Board of Directors, and each committee thereof, shall be entitled to rely on the advice and information that it receives from management and such experts, advisors and professionals with whom the Board, or any such committee, may consult. The Board of Directors, and each committee thereof, shall have the authority to request that any officer or employee of the Company, the Company's outside legal counsel, the Company's independent auditor or any other professional retained by the Company to render advice to the Company, attend a meeting of the Board, or such committee, or meet with any members of or advisors to the Board. The Board or any committee thereof shall also have the authority to engage legal, accounting or other advisors to provide it with advice and information in connection with carrying out its or their responsibilities.

V.

DIRECTOR COMPENSATION

The form and amount of Director compensation will be reviewed periodically, but at least annually, by the Compensation Committee, which shall make recommendations to the Board based on such review. The Board shall retain the ultimate authority to determine the form and amount of Director compensation.

The Company's executive officers shall not receive additional compensation for their service as directors.

VI.

DIRECTOR ORIENTATION AND CONTINUING EDUCATION

The Company will conduct an orientation program for each new Director within three months following the meeting at which the Director is elected. The orientation will include presentations by senior management designed to familiarize the new Director with the Company's business and strategic plans, key policies and practices, principal officers and management structure, auditing and compliance processes and its code of business conduct and ethics.

The Company's senior management will be responsible for periodically providing materials or briefing sessions for continuing Directors on topics that will assist them in discharging their duties.

VII.

MANAGEMENT SUCCESSION

The Nominating and Corporate Governance Committee shall be responsible for developing a CEO succession plan for consideration by the Board and reporting on such plan to the Board.

VIII.

ANNUAL PERFORMANCE EVALUATION OF THE BOARD AND COMMITTEES

.

The Nominating and Corporate Governance Committee will oversee the evaluation of the Board and its committees and will conduct a self-evaluation at least annually for the purpose of determining whether it is functioning effectively. These evaluations will consider the performance of the board or the committee, as the case may be, as a unit.

IX.

MISCELLANEOUS

.

The Board believes that the management should be responsible for communications with the press, media and other outside parties made on behalf of the Company, though individual Board members may, at the request of management or of the Board, communicate with outside parties on behalf of the Company.

.

These guidelines are not intended to modify, extinguish or in any other manner limit the indemnification, exculpation and similar rights available to the Directors of the Company under applicable law and/or the Company's certificate of incorporation and/or its by-laws.

.

Although these corporate governance guidelines have been approved by the Board, it is expected that these guidelines will evolve over time as customary practice and legal requirements change. In particular, guidelines that encompass legal, regulatory or exchange requirements as they currently exist will be deemed to be modified as and to the extent such legal, regulatory or exchange requirements are modified. In addition, the guidelines may also be amended by the Board at any time as it deems appropriate.
