Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number. **operly come before the Annual Meeting. This Proxy Statement and the accompanying proxy are first being sent to stockholders on or about May 14, 2004.**

The record of stockholders entitled to notice of and to vote at the Annual Meeting was taken as of the close of business on April 16, 2004 (the Record Date). On the Record Date, there were outstanding and entitled to vote 45,134,865 shares of Common Stock, par value \$.01 per share (the Sylvan Common Stock).

The presence, in person or by proxy, of the holders of a majority of the shares of Sylvan Common Stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum at the meeting. In the election of directors, each share of Sylvan Common Stock may be voted for as many individuals as there are directors to be elected. Votes may be cast FOR the election of a director; cumulative voting is not permitted. Those individuals receiving the highest number of votes FOR election to the Board of Directors shall be considered duly elected. A proxy marked WITHHOLD AUTHORITY with respect to the election of one or more directors will not be counted in the election of directors although it will be counted for purposes of determining whether a quorum is present. For all matters except the election of directors, each share is entitled to one vote. The affirmative vote of a majority of the shares of Sylvan Common Stock present in person or represented by proxy at the Annual Meeting is required for approval and/or ratification of all matters (other than the election of directors) being submitted to the stockholders for their consideration. An automated system administered by Sylvan s transfer agent will be used to tabulate the votes. Abstentions,

Edgar Filing: Williams David Lyle Jr. - Form 4

votes against or withholding approval and broker non-votes will be counted to determine whether a quorum is present. Abstentions and votes against or withholding approval will be counted as votes against any given proposal, whereas broker non-votes will not be counted in determining whether a particular proposal has been approved by the stockholders.

This solicitation is being made primarily by mail, but Sylvan directors, officers and employees may also engage in the solicitation of proxies by telephone. Sylvan is paying the cost of soliciting proxies. Sylvan will not pay compensation in connection with the solicitation of proxies, except as reimbursement to brokers, custodians, nominees and other record holders for their reasonable out-of-pocket expenses in forwarding proxy material to beneficial owners.

Voting By Proxy

The Board of Directors has selected Douglas L. Becker to act as proxy with full power of substitution. Any stockholder executing a proxy has the power to revoke the proxy at any time before it is voted at the Annual Meeting. This right of revocation is not limited or subject to compliance with any formal procedure. Any stockholder may attend the meeting and vote in person, whether or not he or she has previously given a proxy.

With respect to the proposal regarding election of directors, stockholders may (a) vote in favor of all nominees, (b) withhold their votes as to all nominees or (c) withhold their votes as to specific nominees by so indicating in the appropriate space on the enclosed proxy card. With respect to the proposal to approve and ratify the appointment of Ernst & Young LLP as Sylvan's independent auditors for the year ending December 31, 2004, stockholders may (i) vote for, (ii) vote against or (iii) abstain from voting as to such matter. All properly executed proxy cards delivered by stockholders and not revoked will be voted at the Annual Meeting in accordance with the directions given. **If no specific instructions are given with regard to the matters to be voted upon, the shares represented**

by a properly executed proxy card will be voted FOR the election of each of management's nominees for director and ratification of the appointment of Ernst & Young LLP as Sylvan's independent auditors. Management knows of no other matters that may come before the Annual Meeting for consideration by the stockholders. However, if any other matters properly come before the Annual Meeting, the person named in the enclosed proxy card as proxy will vote upon such matters in accordance with his judgment.

Stockholders who do not expect to attend the Annual Meeting in person are urged to execute and return the enclosed proxy card promptly. Any stockholder delivering a proxy has the power to revoke it at any time before it is voted by giving written notice of revocation to the Secretary of Sylvan, by executing and delivering to the Secretary a proxy card bearing a later date, or by voting in person at the Annual Meeting. Any stockholder also may be represented by another person at the Annual Meeting by executing a form of proxy designating such person to act on the stockholder's behalf at the Annual Meeting.

IF YOU DECIDE TO VOTE BY PROXY, YOUR PROXY CARD WILL BE VALID ONLY IF YOU SIGN, DATE AND RETURN IT BEFORE THE ANNUAL MEETING.

I. ELECTION OF SYLVAN DIRECTORS

The Board of Directors is comprised of nine persons separated into three classes, with each class serving a three-year term. Douglas L. Becker, James H. McGuire and Richard W. Riley currently serve in Class I and are subject to re-election for a three-year term beginning at the 2004 Annual Meeting. Messrs. Becker, McGuire and Riley are nominated for re-election. Three directors serve in Class II and will be subject to re-election for a three-year term beginning at the 2005 Annual Meeting. Three directors serve in Class III and will be subject to re-election for a three-year term beginning at the 2006 Annual Meeting.

On June 30, 2003, the Company and Educate Inc. (Educate), a company newly formed by Apollo Management, L.P. (Apollo), completed the sale to Educate of substantially all of the Company's K-12 segment, including eSylvan Inc. and Connections Academy, Inc., which were investments previously held by Sylvan Ventures (Principal K-12 Disposal Group). The consideration for the sale of the assets comprising the Principal K-12 Disposal Group consisted of the following at closing:

\$108,770,000 cash plus deferred payments of \$3,000,000.

A subordinated note in the face amount of \$55,000,000, bearing interest at 12% per annum and maturing in 2009, with an estimated fair value of \$41,552,000 as of June 30, 2003.

Edgar Filing: Williams David Lyle Jr. - Form 4

The surrender of the Company's outstanding convertible debentures held by Apollo Management, with a face value of approximately \$50,569,000.

The assumption of trade accounts payable of the Principal K-12 Disposal Group, and other specified liabilities.

Apollo's preferred interest in Sylvan Ventures.

Up to \$10,000,000 of additional consideration if Connections Academy exceeds specified levels of earnings prior to December 31, 2007.

The transaction resulted in the elimination of various consent and governance rights that had been held by Apollo Management. One of the Apollo representatives, Laurence M. Berg, continues to serve on the Sylvan Board of Directors.

Each of the nominees has agreed to serve as a director if elected. If any nominee cannot serve for any reason (which is not anticipated), the Board of Directors may designate a substitute nominee. If that happens, the Company will vote all valid proxies for the election of the substitute nominee. The Board of Directors may also decide to leave the Board seat or seats vacant until a suitable candidate is located, or the Board may decide to reduce the size of the Board.

The individuals receiving the highest number of votes FOR election to the Board of Directors will be considered duly elected.

The Board of Directors unanimously recommends that stockholders vote FOR the three nominees for directors.

Information Regarding the Sylvan Board, Committees and Remuneration

During calendar year 2003, there were four regular meetings and three special meetings of the Board of Directors. Mr. Wilson and Mr. Becker attended the 2003 Annual Meeting. Each director attended at least 86% of the total number of meetings of the Board and Board Committees of which he was a member. The Sylvan Board has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. In September 2002, the Sylvan Board formed a Special Committee of Independent Directors, which was disbanded following the June 30, 2003 transaction. Each member of the Audit, Compensation, Nominating and Corporate Governance and Special Committees is independent as defined under current Nasdaq listing standards.

The Audit Committee meets with Sylvan's independent auditors to: (i) review whether satisfactory accounting procedures are being followed by Sylvan and whether its internal accounting controls are adequate, (ii) monitor audit and non-audit services performed by the independent auditors, (iii) and approve fees charged by the independent auditors. The Audit Committee also reviews the performance of the independent auditors and selects annually the firm of independent auditors to recommend to the shareholders to audit the Company's financial statements. During 2003, independent directors Dave A. Wilson, James H. McGuire, and John A. Miller were the members of the Audit Committee. There were seven meetings of the Audit Committee during 2003. The report of the Audit Committee required by the rules of the Securities and Exchange Commission is included in this Proxy Statement. The revised Audit Committee Charter is also included in this Proxy Statement as Exhibit A and is available on the Sylvan website at www.sylvan.net.

The Compensation Committee establishes the compensation for executive officers of Sylvan and generally reviews benefits and compensation for all officers and employees. It also administers Sylvan's stock option plans. During 2003, independent directors James H. McGuire, John A. Miller and Wolf H. Hengst, who joined the committee in September 2003, were the members of the Compensation Committee. Prior to June 30, 2003, Laurence M. Berg was a member of the Compensation Committee. There were two meetings of the Compensation Committee during 2003. The report of the Compensation Committee required by the rules of the Securities and Exchange Commission is included in this Proxy Statement. The Compensation Committee Charter is available on the Sylvan website at www.sylvan.net.

The Nominating and Corporate Governance Committee screens and evaluates candidates for vacancies on the Sylvan Board of Directors and committees thereof, reviews Board compensation matters and reviews and monitors corporate governance matters. During 2003, independent directors Richard Riley and R. William Pollock were the members of the Nominating and Corporate Governance Committee, which met on one occasion. The Nominating and Corporate Governance Committee Charter is available on the Sylvan website at www.sylvan.net.

In evaluating and determining whether to nominate a candidate for a position on Sylvan's Board, the Nominating Committee will consider the criteria outlined in the Company's corporate governance policy, which includes high professional ethics and values, relevant management and/or educational experience and a commitment to enhancing shareholder value. In evaluating candidates for nomination, the Committee utilizes a variety of methods. Sylvan regularly assesses the size of the Board, whether any vacancies are expected due to retirement or otherwise, and the need for particular expertise on the Board. Candidates may come to the attention of the Committee from current Board members, shareholders, professional search firms, officers or other persons. The Committee will review all candidates in the same manner regardless of the source of the recommendation.

Edgar Filing: Williams David Lyle Jr. - Form 4

Under our Bylaws, nominations for director may be made only by the Board of Directors or a committee thereof or by a stockholder of record who delivers notice along with the additional information and materials required by our Bylaws to our corporate Secretary not less than 90 days and no more than 120 days before the first anniversary date of the mailing date for the preceding year's annual meeting. For our annual meeting in 2005, the Company must receive this notice between January 14, 2005 and February 13, 2005. You may obtain a copy of our Bylaws by writing to our General Counsel/Corporate Secretary at Sylvan Learning Systems, Inc., 1001 Fleet Street, Baltimore, Maryland 21202. A copy of our Bylaws has been filed with the SEC.

The Special Committee consisted of independent directors James H. McGuire, John A. Miller, R. William Pollock and David A. Wilson. The purpose of the Special Committee was to represent the rights and interests of the public holders of Sylvan Common Stock with respect to the disposal of assets of Sylvan Ventures LLC and the sale of Sylvan's Principal K-12 Disposal Group to Apollo Management LLP. There were five meetings of the Special Committee in 2003.

Sylvan has adopted a code of ethics and conduct that applies to all of its directors, officers (including its chief executive officer, chief financial officer, controller and any person performing similar functions) and employees. Sylvan has made the Code of Ethics available on its website at www.sylvan.net.

Directors who are not employees of Sylvan receive compensation of \$15,000 per year for service on the Sylvan Board, \$10,000 per year for service as the Chairman of the Compensation and Audit Committee, \$5,000 per year for service as the Chairman of the Nominating and Corporate Governance Committee, \$1,200 per regular meeting of the Board held in the USA, \$2,400 per regular meeting of the Board held outside the USA, \$1,200 per committee meeting and \$600 per committee meeting attended via telephone (currently Mr. Pollock does not receive compensation from Sylvan). The Special Committee Chairman received a monthly retainer of \$10,000; each committee member received \$4,000 for each in person meeting and \$1,500 for each telephonic meeting and an hourly rate of \$200 for any additional time spent. All directors are reimbursed for their out-of-pocket expenses in connection with attending meetings. Under the 1998 Stock Incentive Plan, each independent director, upon appointment, election or re-election to the Sylvan Board, and continuation of service on the Sylvan Board as of January 1 of each year as long as he or she continues as a director, is granted a vested option to purchase 6,500 shares of Sylvan Common Stock at an exercise price equal to the fair market value of the stock on the date of the grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Based upon the Company's records and other information, the Company believes all of its Directors and Executive Officers and other stockholders who may own 10% or more of Sylvan Common Stock have complied with the requirements of the Securities and Exchange Commission to report ownership and transactions which change ownership, except Mr. Becker and Mr. Dennis, each of whom had one late Form 4 filing.

Certain Relationships and Related Transactions

As part of the transaction for the sale of the Principal K-12 Disposal Group, the Board of Directors, with the assistance of an investment banking firm, based on a formula, exchanged all of the previously granted and outstanding options in Sylvan International B.V. (SIBV) which were part of Sylvan's 1998 Sylvan Option Plan into Sylvan options. Messrs. Becker and Hoehn-Saric converted into 605,683 options to purchase Sylvan stock at an exercise price of \$3.59 per share. Mr. Appadoo converted into 504,740 options to purchase Sylvan stock at an exercise price of \$3.33. Mr. Dennis converted into 179,776 options to purchase Sylvan stock at an exercise price of \$5.95.

6

Also as part of the transaction for the sale of the Principal K-12 Disposal Group, the minority interests in Sylvan Ventures, LLC (Sylvan Ventures) were purchased by Sylvan for restricted Common Stock of Sylvan at a price determined by the Special Committee, as advised by independent valuation experts. Messrs. Becker and Hoehn-Saric were investors in one of the partnerships which were minority owners of Sylvan Ventures and each received 68,845 shares of restricted Sylvan stock in this transaction upon the dissolution of the partnership. Mr. Becker's brother, Eric Becker, was also an investor in this minority owner and received 68,845 shares of restricted Sylvan stock in the transaction. The Membership Profit Interest Plan of Sylvan Ventures in which Messrs. Becker and Hoehn-Saric were participants was terminated with no payout being made.

Mr. Hoehn-Saric's employment contract was terminated on June 30, 2003, when he became the Chairman of Educate, Inc. The Board approved a full year 2003 bonus of \$385,000 to Mr. Hoehn-Saric for his contribution to the completion of the sale of the Principal K-12 Disposal Group.

Also included as part of the sale of the Principal K-12 Disposal Group, Sylvan entered into a management services agreement with Educate for the receipt of accounting, benefits, IT, human resources, purchasing and payroll services for a period of three years. Sylvan will provide certain

Edgar Filing: Williams David Lyle Jr. - Form 4

tax and treasury services to Educate. The annual net amount payable under this agreement by Sylvan is approximately \$3 million. Messrs. Hoehn-Saric and Berg are officers and shareholders of Educate.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Compensation Committee consists of Messrs. Hengst, McGuire and Miller. Mr. Miller was an investor in a limited liability company from which Sylvan previously purchased learning centers in 2001 located in Boston, Atlanta and Pittsburgh and to whom Sylvan made a final payment in 2003 on a contractual earn-out from that transaction. Neither of the other two directors on the Compensation Committee was a party to any transaction with Sylvan which requires disclosure under applicable regulations of the SEC.

Employment Contracts

Mr. Becker has an employment contract with Sylvan with a term ending June 30, 2004, which is in the process of being renegotiated and extended. This agreement provides for Mr. Becker's employment by Sylvan as Chairman and Chief Executive Officer. Mr. Hoehn-Saric's employment contract was terminated on June 30, 2003 when Mr. Hoehn-Saric became Chief Executive Officer of Educate, Inc.

The Employment Agreement provided for an initial annual base salary of \$350,000 for Mr. Becker, subject to annual review by the Sylvan Board or its Compensation Committee. The Employment Agreement also provides for an annual target bonus of up to 100% of base salary, with the bonus criteria being determined annually by the Sylvan Board.

In addition to the base salary, bonus and profit interests, the Employment Agreement provides that Mr. Becker is entitled to participate in all benefit programs, plans or arrangements made available by Sylvan to its executives and key management employees. Mr. Becker is also entitled to a \$2.5 million life insurance policy during his period of employment.

If Mr. Becker's employment is terminated as a result of death or Total Disability (as defined), Sylvan must pay all amounts accrued under the Employment Agreement prior to termination. If Mr. Becker's employment is terminated by Sylvan for Good Cause, or by Mr. Becker without a Good Reason, Sylvan must pay all amounts accrued under the Employment Agreement prior to termination.

If Mr. Becker is terminated by Sylvan without Good Cause, or by Mr. Becker for a Good Reason, Sylvan must continue to pay the base salary (at the rate in effect during the year of termination) until the earlier of June 30, 2004 or the third anniversary of the date of termination (the Severance Period). In addition, to the extent permitted by law or the applicable insurance contracts, Sylvan must permit Mr. Becker to continue to participate in Sylvan's insurance programs on the same basis as other executives until the earlier of the end of the Severance Period or the first anniversary of the date of termination. In lieu of the annual bonus described above, Sylvan must pay an annual Assumed Bonus for each year during the Severance Period, with the Assumed Bonus for a termination after 2001 being the average of the actual bonuses paid to such officer for the two years immediately preceding the termination.

In the Employment Agreement, Mr. Becker has agreed not to disclose or use, except as required by law or court order, any of Sylvan's Trade Secrets or Confidential or Proprietary Information. In addition, during the term of employment and for a period of one year after the termination or expiration thereof, Mr. Becker has agreed not to engage, directly or indirectly, in specified activities and businesses that are competitive with Sylvan and not to solicit or hire, directly or indirectly, the employees of Sylvan. These restrictions are subject to several exceptions, including that Mr. Becker is permitted to hold certain passive investments. The scope of restricted competition is limited after termination of employment by Sylvan without Good Cause, by Mr. Becker for a Good Reason or following a Change of Control, or if the employment term is not extended upon its expiration.

Compensation Committee Report

Introduction. The Compensation Committee consists of three independent directors, none of whom has ever been an officer or employee of Sylvan. The function of the Compensation Committee is to recommend to the Board of Directors policies regarding Sylvan's compensation of, and to recommend specific compensation for, Sylvan's executive officers. The Compensation Committee's responsibilities also include administering Sylvan's stock option plans and making decisions regarding option grants to officers and other key employees. The Compensation Committee also periodically reviews Sylvan's employee benefit plans that are intended to qualify under Section 401 of the Internal Revenue Code to determine whether any changes to those plans may be appropriate. The Compensation Committee meets at least once a year to review management performance and compensation, to approve compensation increases, bonus and option grants for the CEO and to review the compensation increases and bonuses of executive officers and to establish performance objectives for each officer. The Compensation Committee also meets on an as-needed basis to recommend compensation for newly created or expanded executive positions.

Edgar Filing: Williams David Lyle Jr. - Form 4

Compensation Philosophy and Approach. The principal elements of Sylvan's Executive Compensation Program consist of both annual and long-term compensation, including base salary and annual incentive cash bonuses and, at appropriate times, long-term incentive compensation in the form of equity compensation. The Committee has put primary emphasis on long-term equity compensation based upon its belief that Mr. Becker and

10

the Executive Officers should have a significant portion of their compensation contingent upon increases in the market price of Sylvan Common Stock. Aided by the review of a compensation consulting firm, the Compensation Committee continues to believe that this approach and philosophy is appropriate.

Base Salaries. Sylvan's executive officer base salary levels are submitted by the CEO for approval by the Compensation Committee. Historically, in establishing compensation for Messrs. Becker and Hoehn-Saric, the Compensation Committee utilized recommendations of a compensation consulting firm. Based on the consulting firm's analysis of executive compensation, the base salary of Mr. Becker was set at \$425,000 in 2003, \$425,000 in 2002, \$385,000 in 2001 and \$350,000 in 2000. Mr. Appadoo's base salary was \$400,000 in 2003, \$262,500 in 2002 and \$250,000 in 2001. Mr. Dennis' base salary was \$375,000 in 2003 and \$243,000 prior to 2003.

Annual Incentive Cash Bonus. In addition to base salaries, executive officers of Sylvan are eligible to receive annual cash bonuses, at the discretion of the Board of Directors. Cash bonuses are determined on the basis of (a) the overall financial performance of Sylvan and (b) annual personal performance objectives for each officer, established by the Compensation Committee at the beginning of the year.

Long-term Incentive Awards. Options and restricted stock are granted to executive officers and other key employees whom the Compensation Committee determines to be important to the future growth and profitability of Sylvan. Based upon performance criteria similar to those applicable to cash bonuses for executives, the Compensation Committee determines the employees to whom options or restricted stock will be granted, the number of shares covered by each grant and the exercise price and vesting period for each grant. The Compensation Committee typically grants stock options and restricted stock with relatively long vesting periods, creating strong incentives for recipients to remain employees.

Mr. Becker had been entitled to annual stock option grants under Sylvan's 1993 Management Stock Option Plan based on Sylvan's performance compared to profitability targets established by the Compensation Committee. In 1996, the 1993 Management Stock Option Plan was discontinued, and in 1996 and 1997 Mr. Becker received grants from the stockholder-approved 1996 Senior Management Stock Option Plan. In 1998, Mr. Becker received grants from the 1998 Stock Incentive Plan.

In June 2000, Mr. Hoehn-Saric forfeited all of his unvested Sylvan options upon taking the position of Chairman and CEO of Sylvan Ventures. In September 2001, the Compensation Committee cancelled 75,000 unvested options of Mr. McGee and converted another 75,000 options to three-year vesting. The 150,000 options were subject to performance vesting requirements, which were no longer achievable due to the sale of the Prometric business.

Mr. Becker had 252,000 unvested options subject to the same performance vesting, and these options were converted to a four-year vesting schedule with accelerated vesting by the Board based on Sylvan's achieving its year-end earnings per share goals beginning December 2001. In December 2001, the Board awarded Mr. Becker additional options to purchase 100,000 shares of Sylvan Common Stock subject to four-year vesting schedule, but subject to accelerated vesting on the same earnings per share criteria.

Equity Position in Sylvan's International B.V. In June of 1999, Messrs. Hoehn-Saric and Becker were each granted fully vested options to purchase approximately 3.5% of the Common Stock of SIBV at a total exercise price of \$1,716,750. In 2003, these were exchanged for 605,683 fully vested options to purchase Sylvan Common Stock at an exercise price of \$ 3.59 per option.

Mr. Appadoo was granted options to purchase approximately 3.0% of the Common Stock of SIBV, subject to a five-year vesting schedule, at a total exercise price of \$1,299,375. In 2003, these were exchanged for options to purchase 504,740 shares of Sylvan Common Stock subject to the same vesting schedule at an exercise price of \$ 3.33 per option. Mr. Dennis was granted 13.52 options to purchase Common Stock of SIBV, subject to a three-year vesting schedule, at a total exercise price of \$935,070. In 2003, these were exchanged for options to purchase 179,776 shares of Sylvan Common Stock subject to the same vesting schedule at an exercise price of \$5.95 per option.

All options in Sylvan International B.V. were exchanged for Sylvan options on April 1, 2003. The exchange of options did not increase the aggregate intrinsic value of the options or reduce the ratio of the exercise price per share of the options to the per share fair value of Common Stock on the date of exchange as determined by the Special Committee of the Board of Directors, as advised by independent valuation experts.

Sylvan recorded a non-cash compensation expense of \$21,901,000 in 2003 and expects to record additional compensation expense of \$1,898,000 in 2004 and \$197,000 in each of 2005 and 2006 as a result of the exchange.

CEOs and President's Compensation. Mr. Becker served as President of Sylvan from April 1993 until June 2003, and served as CEO of the Sylvan Learning Center division of Sylvan from February 1991 to April 1993. In December 1995, Mr. Becker was named Co-Chief Executive Officer of Sylvan. In June 2000, Mr. Becker became Chairman and Chief Executive Officer of Sylvan.

Under Mr. Becker's employment agreement, the Compensation Committee approved a cash bonus of \$318,750 for Mr. Becker in March 2003 for previously established 2003 performance objectives. In March 2002, the Compensation Committee recommended, and the Board of Directors approved, a cash bonus for Mr. Becker of \$385,000. These bonuses were based on Sylvan's financial performance and accomplishment of specific objectives established by the Compensation Committee in the years as described above. In 2001 Mr. Becker was paid a bonus of \$315,000 for the 2000 objectives. No bonus payment was made to Mr. Becker in 2000 for the 1999 objectives.

Mr. Appadoo's 2003 compensation was a base amount of \$400,000 with an incentive bonus target of 100% of his base compensation based 50% on Sylvan's financial performance, 25% on campus-based financial results and 25% on criteria established by the CEO. Mr. Appadoo's bonus award in 2003 for 2002 performance was \$281,000 and his 2002 base compensation was \$262,500.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to Sylvan's audited consolidated financial statements for the fiscal year ended December 31, 2003, which include the consolidated balance sheets as of December 31, 2003 and 2002, and the related consolidated statements of operations, stockholders' equity (deficit) and cash flows for each of the three years ending on or before December 31, 2003, and the notes thereto. The information contained in this report shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended, except to the extent that it is specifically incorporated by reference in such filing.

The Audit Committee operates under a written charter adopted by the Board of Directors. The independent directors who are members of the Audit Committee are James H. McGuire, John A. Miller and David A. Wilson. All have extensive financial knowledge, and the Chairman, Mr. Wilson, is an audit committee financial expert (as defined in the Sarbanes-Oxley Act of 2002). The revised Audit Committee Charter is included in this Proxy statement as Exhibit A and is also available on Sylvan's website at www.sylvan.net.

The Audit Committee met with management periodically during the year to consider the adequacy of the Company's internal controls, the objectivity of its financial reporting and all critical accounting policies and practices. The Audit Committee discussed these matters with the Company's independent auditors and with appropriate Company financial personnel. The Audit Committee also discussed with the Company's senior management and independent auditors the process used for certifications by the Chief Executive Officer and Chief Financial Officer required by the Sarbanes-Oxley Act of 2002 for certain of the Company's filings with the SEC. Management has primary responsibility for the Company's financial statements and the overall reporting process, including the Company's system of internal records.

E&Y audited the annual financial statements prepared by management, expressed an opinion as to whether those financial statements fairly present the financial position, results of operations and cash flows of the Company in conformity with generally accepted accounting principles and discussed with the Audit Committee any issues they believed should be raised with the Audit Committee.

The Audit Committee reviewed with management and E&Y, the Company's independent auditors, the Company's audited financial statements and met separately with both management and E&Y to discuss and review those financial statements and reports prior to issuance. Management has represented, and E&Y has confirmed, to the Audit Committee that the financial statements were prepared in accordance with generally

Edgar Filing: Williams David Lyle Jr. - Form 4

accepted accounting principles. The Audit Committee reviewed with E&Y their judgments as to the quality, not just the acceptability of the Company's accounting principles, and also discussed with management and E&Y their assessments of the Company's internal records. The Audit Committee met privately with the independent auditors, Ernst & Young LLP (E&Y), who have unrestricted access to the Audit Committee.

The Audit Committee appointed E&Y as the Company's independent auditors after reviewing that firm's performance and its independence, to be ratified by shareholders.

The Audit committee received from and discussed with E&Y the written disclosure and the letter required by Independence Standards Board Standard No.1 (Independence Discussions with Audit Committees). These items relate to the firm's independence from the Company. The Audit Committee also discussed with E&Y matters required to be discussed by the Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended by Statement on Auditing Standards No. 90, of the Auditing Standards Board of the American Institute of Certified Public Accounts to the extent applicable.

Conclusion

In reliance on these reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003 to be filed with the SEC.

Stock Performance Graph

Under the rules of the Securities and Exchange Commission, Sylvan is required to provide a five-year comparison of the cumulative total stockholder return on Sylvan Common Stock with that of a broad equity market index and either a published industry index or a Sylvan-constructed peer group index.

The following graph compares the cumulative total stockholder return on Sylvan Common Stock from December 31, 1998 through December 31, 2003, with the cumulative total return of the Total Return Index for the NASDAQ Stock Market (US Companies), and a Sylvan-constructed peer group index. The companies included in the peer group index are Strayer Education, Inc. (STRA), Apollo Group, Inc. (APOL), DeVry, Inc. (DV), Career Education Corp. (CECO), Corinthian Colleges, Inc. (COCO), Education Management Corp. (EDMC) and ITT Educational Services (ESI). These companies are all in the post-secondary education business. The comparison assumes \$100 was invested on December 31, 1998 in Sylvan Common Stock and each other index. It also assumes reinvestment of any dividends.

Sylvan does not make, nor does it endorse, any predictions as to future stock performance.

II. AUDITOR RATIFICATION

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP (E&Y) to serve as Sylvan's independent auditors for the year ending December 31, 2004. E&Y has served as independent auditors of Sylvan since 1991. A partner of the firm is expected to be present at the Annual Meeting and available to respond to appropriate questions and will have an opportunity to make a statement if he or she desires to do so.

Fees for professional services provided by our independent auditors in each of the last two fiscal years, in each of the following categories are:

	2003	2002
	(in millions)	
Audit Services	\$2.0	\$1.6
Audit-Related Services	\$1.3	\$1.5
Tax Services	\$0.8	\$1.0
All Other Fees	\$0.1	\$0.1

In the above table, fees paid to Ernst & Young in 2002 and 2003 are set forth in accordance with the new rules and regulations of the Securities and Exchange Commission (SEC). The 2002 fees reported in the Proxy Statement for last year were overstated by \$600,000 due to a currency translation error. Audit Services are fees Sylvan paid to E&Y for the audit of Sylvan's annual consolidated financial statements, reviews of Sylvan's quarterly consolidated financial statements, assistance with and review of documents filed with the SEC, consent procedures, accounting consultations related to transactions and the adoption of new accounting pronouncements that impact the audited financial

Edgar Filing: Williams David Lyle Jr. - Form 4

statements, statutory audits required internationally, and audit of subsidiaries required by state or regulation. Audit-Related Services principally consist of audit services for other Sylvan subsidiaries required to be audited and professional services related to financial due diligence for Sylvan's acquisitions of other businesses. Other services provided to Sylvan related to non-audit related consultations. The Audit Committee considered whether E&Y providing non-audit services was compatible with their maintaining independence.

The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditors. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditors are engaged to perform it. The Audit Committee has delegated to the Chair of the Audit Committee authority to approve permitted services provided that the Chair reports any decisions to the Committee at its next scheduled meeting.

The affirmative vote of a majority of the shares of Sylvan Common Stock present in person or represented by proxy at the Annual Meeting is required for ratification of the selection of E&Y as Sylvan's independent auditors.

The Board of Directors unanimously recommends that the stockholders vote FOR the ratification of the selection of E&Y as Sylvan's Independent Auditors.
