Guaranty Financial Group Inc. (the "Company") is filing this Notification of Late Filing on Form 12b-25 with respect to the Company's Annual Report on Form 10-K for the year ended December 31, 2008 (the "Form 10-K"). The Company is unable, without unreasonable effort and expense, to timely file the Form 10-K because the Company has not completed its financial statements for the fiscal year ended December 31, 2008. The Company is continuing to analyze and to discuss with its independent registered public accountants the appropriate valuation for balance sheet purposes of its mortgage-backed securities portfolio, including the extent of other than temporary impairment of this portfolio. The outcome of this analysis could affect, among other things, the adequacy of the Company's capital and the extent to which additional capital will be appropriate. The Company is also discussing the extent, and potential terms and conditions, of required new capital with its board of directors and its principal stockholders, as well as with government authorities. The Company currently expects to file the Form 10-K no later than the fifteenth calendar day following the prescribed due date.
