Item 2.01. Completion of Acquisition or Disposition of Assets.

On February 28, 2017, EchoStar Corporation (“EchoStar”) completed the previously announced share exchange (the “Share Exchange”) whereby (i) EchoStar has received all of the shares of EchoStar Tracking Stock (defined below) owned by DISH Network L.L.C. (“DNLLC”), a wholly-owned subsidiary of DISH Network Corporation (“DISH”), in exchange for 100% of the equity interests of EchoStar Technologies Holding Corporation (“ET Corp”), formerly a direct wholly-owned subsidiary of EchoStar, which held that portion of the EchoStar Technologies business segment of EchoStar that (a) designed, developed and distributed secure end-to-end video technology solutions including digital set-top boxes and related products and technology, primarily for satellite TV service providers and telecommunications companies, (b) provided TV Anywhere technology through Slingbox® units directly to consumers via retail outlets and online, as well as to the pay-TV operator market, and (c) included EchoStar’s over-the-top, Streaming Video on Demand platform business, which includes assets acquired from Sling TV Holding L.L.C. (formerly DISH Digital Holding L.L.C.) and primarily provided support services to DISH’s Sling TV™ operations, and (ii) EchoStar Broadcasting Holding Parent L.L.C. (“EB LLC”), formerly an indirect subsidiary of EchoStar and a direct wholly owned subsidiary of Hughes Satellite Systems Corporation (“HSS”), received all of the shares of HSS Tracking Stock (defined below) owned by DISH Operating L.L.C. (“DOLLC”), a wholly-owned subsidiary of DISH, in exchange for 100% of the equity interests of EchoStar Broadcasting Holding Corporation (“EB Corp”), formerly a direct wholly owned subsidiary of EB LLC, which held EchoStar’s business of providing online video delivery and satellite video delivery for broadcasters and pay-TV operators, including satellite uplinking/downlinking, transmission services, signal processing, conditional access management and other services. The Share Exchange was structured in a manner to be a tax-free exchange for each of EchoStar and DISH and their respective subsidiaries. Subsequent to the Share Exchange, EB LLC merged with and into HSS.

Prior to consummation of the Share Exchange, EchoStar completed steps necessary for the transferring assets and liabilities to be owned by ET Corp and EB Corp and their respective subsidiaries. As part of these steps, HSS issued additional shares of common stock to a subsidiary of EchoStar and such shares were then distributed as a dividend to EchoStar. Certain data center assets were not included in the Share Exchange and remained owned by EB LLC and will be pledged as collateral to support HSS’s obligations under its indentures.

In March 2014, EchoStar and its subsidiary HSS each issued shares of preferred stock (the “EchoStar Tracking Stock” and “HSS Tracking Stock,” respectively, and together, the “Tracking Stock”) to DNLLC and DOLLC, respectively. The Tracking Stock tracked the economic performance of the residential retail satellite broadband business of our Hughes segment, including certain operations, assets and liabilities attributed to such business (collectively, the “Hughes Retail Group” or “HRG”), and represented in the aggregate an 80.0% economic interest in the Hughes Retail Group (the EchoStar Tracking Stock represented a 51.89% economic interest in the Hughes Retail Group and the HSS Tracking Stock represented a 28.11% economic interest in the Hughes Retail Group). As a result of the Share Exchange, the Tracking Stock has been retired and all agreements, arrangements and policy statements with respect to the Tracking Stock have been terminated and are of no further effect.

In connection with the Share Exchange, EchoStar and DISH and certain of their subsidiaries (i) have entered into certain customary agreements covering, among other things, matters relating to taxes, employees, intellectual property and the provision of transitional services, (ii) terminated certain previously existing agreements, and (iii) entered into agreements for new transactions pursuant to which EchoStar and DISH will obtain certain products, services and rights from each other.

A substantial majority of the voting power of EchoStar and DISH is owned beneficially by Charles W. Ergen, EchoStar’s Chairman, and by certain trusts established by Mr. Ergen for the benefit of his family. In addition, EchoStar and DISH and their subsidiaries are parties to certain agreements pursuant to which they obtain certain products, services and rights from each other. For more information, see Note 19 to the consolidated financial statements in EchoStar’s Annual Report on Form 10-K for the year ended December 31, 2016.
