PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference.

The Registrant hereby incorporates by reference into this Registration Statement the documents listed below. In addition, all documents subsequently filed pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act"), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents:

1. The Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2010;
2. The Registrant's Quarterly Report on Form 10-Q for the quarters ended March 31, 2011, June 30, 2011 and September 30, 2011;
3. All other reports filed pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended, since December 31, 2010, and
4. The description of common stock is as follows:

The Registrant is authorized to issue up to 150,000,000 shares of common stock, \$0.001 par value, and 1,500 shares of preferred stock, \$0.001 par value, of which 1,000 shares of have been designated as Series B Convertible Preferred Stock ("Series B Preferred"), and 500 shares have been designated as Series C Convertible Preferred Stock ("Series C Preferred"). As of September 30, 2011, there were 74,171,996 shares of its common stock, 103.3 shares of its Series B Preferred, and 125 shares of its Series C Preferred issued or outstanding. The following is a summary of the material rights and privileges of our common stock.

The shares of our common stock presently outstanding, and any shares of our common stock issues upon exercise of stock options and/or warrants, will be fully paid and non-assessable. Each holder of common stock is entitled to one vote for each share owned on all matters voted upon by shareholders, and a majority vote is required for all actions to be taken by shareholders. In the event we liquidate, dissolve or wind-up our operations, the holders of the common stock are entitled to share equally and ratably in our assets, if any, remaining after the payment of all our debts and liabilities and the liquidation preference of any shares of preferred stock that may then be outstanding. The common

stock has no preemptive rights, no cumulative voting rights, and no redemption, sinking fund, or conversion provisions. Since the holders of common stock do not have cumulative voting rights, holders of more than 50% of the outstanding shares can elect all of our Directors, and the holders of the remaining shares by themselves cannot elect any Directors. Holders of common stock are entitled to receive dividends, if and when declared by the Board of Directors, out of funds legally available for such purpose, subject to the dividend and liquidation rights of any preferred stock that may then be outstanding.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 78.502 of the Nevada Revised Statutes ("NRS") provides that a corporation may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the corporation, by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another entity, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with the action, suit or proceeding if he acted in good faith and in a manner which he reasonably believe to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. With respect to actions or suits by or in the right of the corporation, Section 78.7502 of the NRS provides that a corporation may indemnify those serving in the capacities mentioned above against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred in connection with the defense or settlement of the action or suit, provided that such person acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. To the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding, or in defense of any claim, issue or matter therein, the corporation shall indemnify him against expenses, including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Section 78.751 of the NRS provides that the articles of incorporation, the by-laws or an agreement made by the corporation may provide that the expenses of officers and directors incurred in defending an action, suit or proceeding must be paid by the corporation in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the director or officer to repay the amount if it is ultimately determined that he is not entitled to be indemnified by the corporation. Section 78.751 further provides that indemnification and advancement of expense provisions contained in the NRS shall not be deemed exclusive of any rights to which a director, officer, employee or agent may be entitled, whether contained in the articles of incorporation or any by-law, agreement, vote of stockholders or disinterested directors or otherwise, provided, however, that no indemnification may be made to or on behalf of any director or officer if a final adjudication establishes that his acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and was material to the cause of action.

The Registrant's articles of incorporation and by-laws limit the liability of its directors and officers to the fullest extent permitted by Nevada law. This is intended to allow the Registrant's directors and officers the benefit of Nevada law which provides that directors and officers of Nevada corporations may be relieved of liabilities for damages for breach of their fiduciary duties as directors and officers, except under certain circumstances, including (i) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law, or (ii) the willful or grossly negligent payment of unlawful distributions. The Registrant's articles of incorporation and by-laws also permit the Registrant to advance expenses to its directors and officers to the fullest extent permitted by Nevada law upon receipt of an undertaking by or on behalf of such director or officer to repay such amount if it should be ultimately determined that they are not entitled to indemnification by the Registrant.

In addition, the Registrant has entered into indemnification agreements with each of its directors and executive officers which provide for indemnification to the fullest extent permitted by Nevada law and which require the Registrant to advance expenses to them upon the receipt of the proper undertaking. The Registrant has obtained officer and director liability insurance for its officers and directors with respect to liabilities arising out of certain matters.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Securities and Exchange Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(4) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
