PROXY STATEMENT FOR 2015

ANNUAL MEETING OF SHAREHOLDERS

This proxy statement and the accompanying form of proxy are first being sent to our shareholders on or about March 16, 2015 in connection with the solicitation by our Board of Directors of proxies to be used at our 2015 annual meeting of shareholders (the "Annual Meeting"). The Annual Meeting will be held on Friday, May 1, 2015, at 12:00 p.m., (Local Time) at the offices of Superior Uniform Group, Inc. (the "Company," "we," "our," and "us"), 10055 Seminole Boulevard, Seminole, Florida 33772.

Our Board of Directors has designated Michael Benstock and Alan Schwartz, and each or any of them, as proxies to vote the shares of common stock solicited on its behalf. If you sign and return the accompanying form of proxy, you may nevertheless revoke it at any time before it is exercised by (1) giving timely written notice to our Corporate Secretary, (2) timely delivering a later dated proxy, or (3) attending the Annual Meeting and voting in person. The shares represented by your proxy will be voted unless the proxy is mutilated or otherwise received in such form or at such time as to render it not votable. Proxies will be tabulated by Alliance Advisors.

If the Annual Meeting is adjourned for any reason, at any subsequent reconvening of the Annual Meeting all proxies may be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have been properly revoked or withdrawn).

The close of business on February 25, 2015 has been designated as the record date for the determination of shareholders entitled to receive notice of and to vote at the Annual Meeting (the "Record Date"). As of February 25, 2015, 13,599,969 shares of the Company's common stock, par value \$.001 per share (the "Common Stock"), were issued and outstanding. Each shareholder will be entitled to one vote for each share of Common Stock registered in his or her name on the books of the Company on the close of business on the Record Date for the Annual Meeting on all matters that come before the Annual Meeting.

INTERNET AVAILABILITY OF PROXY MATERIALS

Under rules approved by the Securities Exchange Commission (“SEC”), the Company is furnishing proxy materials on the Internet in addition to mailing paper copies of the materials to each shareholder of record. Instructions on how to access and review the proxy materials on the Internet can be found on the proxy card and on the Notice of Internet Availability of Proxy Materials (the “Notice”) sent to shareholders who hold their shares in “street name” (i.e. in the name of a broker, bank or other record holder). The Notice will also include instructions for shareholders who hold their shares in street name on how to access the proxy card to vote over the Internet. Voting over the Internet will not affect your right to vote in person if you decide to attend the Annual Meeting.

All shareholders should refer to their proxy card or their Notice for their viewing, voting and hard copy ordering needs, which may include Internet and telephone voting options.

INTERNET ACCESS OR ELECTRONIC DELIVERY OF FUTURE PROXY MATERIALS

If you have previously signed up to receive shareholder materials, including proxy statements and annual reports by mail, you may choose to receive these materials by accessing the Internet in the future, which can help us achieve a substantial reduction in our printing and mailing costs as well as be environmentally friendly. If you choose to receive your proxy materials by accessing the Internet, then before next year’s annual meeting, you will receive a Notice when the proxy materials and annual report are available over the Internet.

Your election to receive your proxy materials by accessing the Internet will remain in effect for all future shareholder meetings unless you revoke it before the meeting by contacting Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida 33772, phone: (727) 397-9611, ext. 1309.

If you hold your shares in an account at a brokerage firm or bank participating in a “street name” program, you can sign up for delivery of proxy materials in the future by contacting your broker.

HOUSEHOLDING

The Securities and Exchange Commission’s rules permit us to deliver a single set of annual meeting materials to one address shared by two or more of our shareholders. This delivery method is referred to as “householding” and can result in significant cost savings. To take advantage of this opportunity, we have delivered only one Notice or proxy statement and annual report, as applicable, to multiple shareholders who share an address, unless we received contrary instructions from the impacted shareholders prior to the mailing date. We agree to deliver promptly, upon written or oral request, a separate copy of the Notice, proxy statement or annual report, as applicable, to any shareholder at a shared address to which a single copy of those documents was delivered. If you prefer to receive separate copies of the Notice, proxy statement or annual report (with respect to the Annual Meeting or in the future), contact Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida, 33772, phone: (727) 397-9611, ext. 1309.

If you are currently a shareholder sharing an address with another shareholder and wish to receive only one copy of future Notices, proxy statements or annual reports for your household, please contact Joan Petronella at our offices at 10055 Seminole Boulevard, Seminole, Florida 33772, phone: (727) 397-9611, ext. 1309.

VOTING SECURITIES

Quorum

The Company’s Bylaws provide that the holders of a majority of the shares of the Company’s common stock issued and outstanding on the Record Date and entitled to vote must be present in person or by proxy at the Annual Meeting in order to have a quorum for the transaction of business. Abstentions will be counted as present for purposes of determining the presence of a quorum. Shares held by brokers, banks or other nominees for beneficial owners (which we refer to as “brokers”) will also be counted for purposes of determining whether a quorum is present if the broker has the discretion to vote on at least one of the matters presented, even though the broker may not exercise discretionary voting power with respect to other matters and even though voting instructions have not been received from the beneficial owner (a “broker non-vote”). Brokers have discretionary voting power with respect to the ratification of the appointment of Mayer Hoffman McCann P.C. as independent auditors for 2015.

Votes Required

If a quorum is present, the six nominees for director receiving the highest number of affirmative votes of the shares present or represented and entitled to be voted for them shall be elected as directors. Abstentions and broker non-votes will not affect the outcome of the vote on such proposal.

In order to ratify the appointment of Mayer Hoffman McCann P.C. as independent auditors for 2015, abstentions will be disregarded and will not be counted as votes for or against such proposal. However, since brokers may exercise discretionary voting power with respect to this proposal, a shareholder's failure to provide voting instructions will not prevent a broker vote and can therefore affect the outcome of the auditor ratification proposal.

We note that your broker will NOT be able to vote your shares with respect to the election of directors if you have not provided voting instructions to your broker. We strongly encourage you to complete and submit your proxy card and exercise your right to vote as a shareholder.

ELECTION OF DIRECTORS (Proposal 1)

The Bylaws of the Company set the size of the Board of Directors at not less than three nor more than nine members. The size of the Board of Directors is currently set at six members. As described below, the Board of Directors is nominating six (6) Directors to be elected at the Annual Meeting. The Board of Directors determined to maintain its current size of six members, and, as it deems appropriate, seek to fill the vacancies resulting from nominating fewer nominees than authorized by the Company's Bylaws. Directors generally hold their positions until the annual meeting at which time their term expires and their respective successors are duly elected and qualified.

The Board of Directors recommends that six (6) Directors be elected at the Annual Meeting to hold office until the Company's annual meeting in 2016 and until their successors are duly elected and qualified or until their earlier resignation, removal from office or death. The persons designated as nominees for election as director to serve the term described above are Sidney Kirschner, Michael Benstock, Alan D. Schwartz, Robin M. Hensley, Paul Mellini and Todd Siegel. See "Management - Directors and Executive Officers" for further information on such nominees. In the event any of the nominees should be unable to serve, which is not anticipated, the Board of Directors may designate substitute nominees, in which event the persons named in the enclosed proxy will vote for such other person or persons for the office of Director as the Board of Directors may recommend.

Shareholders may vote for up to six (6) nominees and the six (6) nominees receiving the highest number of votes shall be elected. Shareholders may not vote cumulatively in the election of Directors.

The Board of Directors recommends a vote "FOR" each of the nominees.

The following family relationships exist between the Company's Directors, nominees and executive officers. Michael Benstock and Peter Benstock are sons of Gerald M. Benstock, and Alan D. Schwartz is his son-in-law.

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Board does not have a policy on whether or not the roles of Chief Executive Officer and Chairperson of the Board should be separate and, if they are to be separate, whether the Chairperson of the Board should be selected from the non-employee Directors or be an employee. The Board believes that it should be free to make a choice from time to time in any manner that is in the best interests of the Company and its shareholders.

Effective June 30, 2012, Gerald M. Benstock stepped down from his position as Chairperson of the Board. He was replaced in that role by Sidney Kirschner, effective July 1, 2012. Michael Benstock continues to serve as a Director and Chief Executive Officer. The Board of Directors believes this is the most appropriate structure for the Company at this time because it makes the best use of both individuals' skills and experiences.

Companies face a variety of risks, including credit risk, liquidity risk, and operational risk. In fulfilling its risk oversight role, the Board focuses on the adequacy of the Company's risk management process and overall risk management system. The Board believes an effective risk management system will (1) adequately identify the material risks that the Company faces in a timely manner, (2) implement appropriate risk management strategies that are responsive to the Company's risk profile and specific material risk exposures, (3) integrate consideration of risk and risk management into business decision-making throughout the Company, and (4) include policies and procedures that adequately transmit necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant committee.

The full Board also periodically receives information about the Company's risk management system and the most significant risks that the Company faces. This is principally accomplished through management reports to the Board. The Board strives to generate serious and thoughtful attention to the Company's risk management process and system, the nature of the material risks the Company faces, and the adequacy of the Company's policies and procedures designed to respond to and mitigate these risks.

The Board encourages management to promote a corporate culture that understands risk management and incorporates it into the overall corporate strategy and day-to-day business operations. The Company's risk management structure also includes an ongoing effort to assess and analyze the most likely areas of future risk for the Company. As a result, the Board periodically asks the Company's executives to discuss the most likely sources of material future risks and how the Company is addressing any significant potential vulnerability.

DIRECTOR COMMITTEES AND MEETINGS

The Board of Directors held five meetings during 2014. In 2014, each incumbent Director who was a director in 2014 attended at least 75% of all meetings of the Board and of each committee of which he/she was a member. The Company expects all members of the Board to attend the Company's annual meeting of shareholders barring other significant commitments or special circumstances. All of the Company's Board members who were directors at the time attended the Company's 2014 annual meeting of shareholders.

The Board has a standing Audit Committee, Compensation Committee and Corporate Governance, Nominating & Ethics Committee. The Board also has a standing Executive Committee.

The Board has determined that Mr. Sidney Kirschner, Ms. Robin M. Hensley, Mr. Paul Mellini, and Mr. Todd Siegel are independent, as that term is defined by the applicable rules of the Securities and Exchange Commission and The NASDAQ Stock Market LLC® ("NASDAQ"). The Board has further determined that all members of the Audit, Compensation, and Corporate Governance, Nominating & Ethics Committees are independent and satisfy the relevant

Securities and Exchange Commission and NASDAQ independence requirements and other requirements for members of such committees.

The Board conducts an annual self-evaluation and an annual evaluation of the Audit Committee.

Audit Committee

The current members of the Audit Committee are Ms. Robin Hensley, Chairperson, and Messrs. Sidney Kirschner and Paul Mellini. The Audit Committee, which was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, assists the Board of Directors in fulfilling the Board's responsibilities relating to safeguarding of assets and oversight of the quality and integrity of the accounting, auditing and reporting practices of the Company. The Board of Directors has determined that each member of the Audit Committee is independent, as that term is defined in NASDAQ listing standards applicable to audit committee members. The Board has also determined that Robin Hensley qualifies as an "audit committee financial expert," as defined in the rules of the Securities and Exchange Commission. The Audit Committee met four times during 2014. The Audit Committee has a charter, which may be found on our website at www.superioruniformgroup.com under Investor Information.

The Audit Committee conducts an annual self-evaluation.

Compensation Committee

The current members of the Compensation Committee are Messrs. Sidney Kirschner, Chairperson, and Paul Mellini. The Board of Directors has determined that each member of the Compensation Committee is independent as defined by NASDAQ listing standards applicable to compensation committee members. The Compensation Committee met five times during 2014. The Compensation Committee has a charter, which can be found on our website at www.superioruniformgroup.com under Investor Information.

The duties and responsibilities of the Compensation Committee include to:

determine and approve the compensation of the Company's Chief Executive Officer;

make recommendations to the Board with respect to executive compensation for executive officers other than the Chief Executive Officer;

review, approve, and administer incentive compensation plans and equity-based plans for executive officers, staff vice presidents, and director level employees;

review the Company's incentive compensation arrangements to determine whether they encourage excessive risk-taking, to review and discuss at least annually the relationship between risk management policies and practices and compensation, and to evaluate compensation policies and practices that could mitigate any such risk; and

report regularly to the Board regarding its actions and make recommendations to the Board as appropriate.

Our Chief Executive Officer currently initiates the compensation discussions with the Compensation Committee, providing requests and seeking approval from the Committee and the Board of Directors before employment arrangements or bonus plans related to executives of the Company are finalized. The Compensation Committee approves the annual incentive award for the Chief Executive Officer and each officer below the Chief Executive Officer level based on the Chief Executive Officer's recommendations. During 2014, the Committee utilized the assistance of a compensation consultant retained by the Committee and selected in accordance with the procedures specified in the Compensation Committee Charter. The consultant was tasked by the Committee to advise on the compensation of the independent members of the Board and of the Chief Executive Officer, Chief Financial Officer, and President of the Company; these Company executive officers were afforded an opportunity to provide input to the

consultant concerning how compensation was structured. For additional information regarding the Compensation Committee's processes and procedures for determining executive and director compensation, please see the footnotes to the Summary Compensation Table and Director Compensation for 2014 in the section entitled "Executive and Director Compensation" below.

As part of its decision-making process, the Compensation Committee reviews compensation practices at peer companies in an effort to set total compensation levels that it believes are reasonably competitive.

The Compensation Committee conducts an annual self-evaluation.

Corporate Governance, Nominating & Ethics Committee

The current members of the Corporate Governance, Nominating & Ethics Committee are Messrs. Paul Mellini, Chairperson, and Sidney Kirschner, and Mr. Todd Siegel. The Board of Directors has determined that each member of the Corporate Governance, Nominating & Ethics Committee is independent as defined by NASDAQ listing standards applicable to nominating committee members.

The Corporate Governance, Nominating & Ethics Committee develops and recommends to the Board of Directors a set of corporate governance principles applicable to the Company. It also assists in identifying qualified individuals to become directors and recommends to the Board candidates for all director positions to be filled by the Board or by shareholders of the Company. The Corporate Governance, Nominating & Ethics Committee held four meetings during 2014. The Corporate Governance, Nominating & Ethics Committee has a charter, which can be found on our website at www.superioruniformgroup.com under Investor Information.

The Corporate Governance, Nominating & Ethics Committee has recommended the candidates to be nominated to stand for election to the Board of Directors at the Annual Meeting.

The Corporate Governance, Nominating & Ethics Committee conducts an annual self-evaluation.

Executive Committee

The current members of the Executive Committee are Messrs. Sidney Kirschner, Chairperson, Michael Benstock, and Alan D. Schwartz. The Executive Committee is authorized to act in place of the Board of Directors during periods between Board meetings. The Executive Committee did not hold any formal meetings during 2014. The Executive Committee acted by unanimous written consent on six occasions during 2014. Each action taken by the Executive Committee pursuant to a unanimous written consent was subsequently reviewed and ratified by the Board of Directors.

Nominations of Directors

The Board selects the director nominees to stand for election at the Company's annual meetings of shareholders and to fill vacancies occurring on the Board based on the recommendations of the Corporate Governance, Nominating & Ethics Committee. In identifying and evaluating potential nominees to serve as directors, the Corporate Governance, Nominating & Ethics Committee will examine each nominee on a case-by-case basis regardless of who recommended the nominee and take into account all factors it considers appropriate. However, the Corporate Governance, Nominating & Ethics Committee believes the following minimum qualifications must be met by a director nominee to be recommended to the Board:

Each director must display high personal and professional ethics, integrity and values.
Each director must have the ability to exercise sound business judgment.

Each director must be highly accomplished in his or her respective field, with broad experience at the executive and/or policy-making level in business, government, education, technology or public interest.

Each director must have relevant expertise and experience, and be able to offer advice and guidance based on that expertise and experience.

Each director must be able to represent all shareholders of the Company and be committed to enhancing long-term shareholder value.

Each director must have sufficient time available to devote to activities of the Board and to enhance his or her knowledge of the Company's business.

The Board also believes the following qualities or skills are necessary for one or more directors to possess:

At least one independent director should have the requisite experience and expertise to be designated as an "audit committee financial expert" as defined by applicable rules of the Securities and Exchange Commission and which results in the director's "financial sophistication" as defined by the rules of the NASDAQ Stock Market.

One or more of the directors generally should be active or former chief executive officers of public or private companies or leaders of major organizations, including commercial, scientific, government, educational and other similar institutions.

Directors should be selected so that the Board is a diverse body.

The Company believes that it is important for its Board to be comprised of individuals with diverse backgrounds, skills and experiences, and to ensure a fair representation of shareholder interests. To maintain a diverse mix of individuals, primary consideration is given to the depth and breadth of members' business and civic experience in leadership positions, as well as their ties to the Company's markets and other similar factors. The Corporate Governance, Nominating & Ethics Committee does not have a formal diversity policy. It identifies qualified potential candidates without regard to any candidate's race, color, disability, gender, national origin, religion or creed.

The Company has a mandatory retirement policy for its directors. The policy states that: No person shall be nominated by the Board of Directors to serve as a director after he or she has passed his or her 72nd birthday; except that anyone serving on the Board as of February 6, 2015, the date this policy is adopted, may remain on the Board until completion of the term that encompasses his or her 74th birthday or completion of the term that concludes at least five but no more than six years after this policy is adopted, whichever will result in a longer Board tenure.

The Corporate Governance, Nominating & Ethics Committee will consider recommendations for directorships submitted by shareholders. Recommendations for consideration by the Corporate Governance, Nominating & Ethics Committee, including recommendations from shareholders of the Company, should be sent in writing to the Board of Directors, care of the Secretary of the Company, at the Company's headquarters. Such nominations must include a description of the specific qualifications the candidate possesses and a discussion as to the effect on the composition and effectiveness of the Board.

Compensation Committee Interlocks and Insider Participation

Messrs. Sidney Kirschner and Paul Mellini served as members of the Compensation Committee during the fiscal year ended December 31, 2014. Neither of these individuals is or has ever been an officer or employee of the Company or any of its subsidiaries. In addition, neither of these individuals has had any relationship requiring disclosure by the Company under any paragraph of Item 404 of SEC Regulation S-K. During the fiscal year ended December 31, 2014, none of the Company's executive officers served as a member of the board of directors or the compensation committee (or other board committee performing equivalent functions) of any other entity that had one or more executive officers serving as members of our Board of Directors or Compensation Committee.

(3) Stock-settled stock appreciation rights (“SARs”) and options for our executive officers and other key employees are granted annually in conjunction with the review of the individual performance of our executive officers. All such awards are granted with an exercise price equal to the closing price of the common stock on the date of grant as reported on NASDAQ.

(4) The amounts in this column include incentive bonuses earned during the respective calendar year. These amounts are paid during February of the following year.

(5) The Company provides the named executive officers with certain group life, health, medical and other non-cash benefits generally available to all salaried employees and not included in this column pursuant to SEC guidance, because they do not discriminate in scope, terms or operation in favor of executive officers. The amounts shown in this column include the following: matching contributions on 401(k) deferrals, insurance premiums for a Supplemental Medical Plan, which is a fully insured hospital and medical expense reimbursement plan covering certain key management employees and their dependents, and personal automobile use.

Executive Incentive Bonuses

Our annual executive incentive bonuses are intended to compensate officers for achieving our annual financial goals at corporate levels (and for achieving measurable individual annual performance objectives). Our annual incentive bonus plan provides for a cash bonus, dependent upon the level of achievement of the stated corporate goals (and personal performance goals), calculated as a percentage of the officer's base salary. The annual incentive bonus ties incentive compensation to net earnings per share as reported in the Company's audited financial statements adjusted for certain items ("BEPS"). Under this plan, the Compensation Committee establishes a minimum BEPS target that must be reached before any bonuses are earned. The target BEPS is based upon the annually established financial growth plan and goal. The Compensation Committee also establishes for each participant in the Plan, including executive officers, individual incentive amounts ("TIA") that may be earned, in whole or in part, depending upon whether the minimum BEPS target is reached and by how much it is exceeded during the fiscal year. At the minimum target BEPS level, the plan participants will earn a bonus equal to 20% of the TIA. For 2015, the target incentive awards (as a percentage of base salary) will be as follows: Chief Executive Officer, 50%; Chief Financial Officer, 40%; President, 40% and Executive Vice President, 40%. These targets are consistent with the 2014 and 2013 percentages, except for the Chief Executive Officer's percentage which was 40% in 2014 and 2013. The payout continues to increase as BEPS increases and there is no maximum bonus payment. The BEPS level for 100% payout of the TIA in 2015 is equal to \$0.72 per share. The Company's BEPS was \$0.99 for the year ended December 31, 2014 and \$0.71 for the year ended December 31, 2013.

Pension Benefits/Retirement Plans

Since 1942, the Company has had a retirement plan (the "Basic Plan") which has been qualified under the Internal Revenue Code. The Basic Plan is a "defined benefit" plan, with benefits normally beginning at age 65, is non-contributory by an employee, and the Company's contributions are not allocated to the account of any particular employee. All domestic employees of the Company (except employees included in a retirement plan negotiated as part of a union contract) are eligible to participate in the Basic Plan prior to June 30, 2013. After June 30, 2013, benefits are provided under a Defined Contribution Plan and the Basic Plan benefit accruals are frozen. The Company also commenced, effective November 1, 1994, the Superior Uniform Group, Inc. Supplemental Pension Plan (the "Supplemental Plan") which is available to certain eligible employees of the Company, including certain of its executive officers. Retirement benefits available under the Supplemental Plan are based on the same provisions as in the qualified plan but ignore the salary limitations imposed by the Internal Revenue Service (\$260,000 in 2014). The Supplemental Plan is not frozen.

The Supplemental Plan provides benefits based on years of service and earnings above and below the Covered Compensation Base (the wage bases on which maximum Social Security taxes are payable). The normal monthly retirement benefit is 17.5% of an employee's average monthly compensation during the highest paid five years of the ten years immediately preceding retirement up to his Covered Compensation Base plus 32.5% of such average monthly compensation in excess of his Covered Compensation Base, reduced in the event such employee has less than 25 years of service. An employee's compensation includes overtime pay, commissions and any bonus received and therefore includes executive officers' compensation as described in the Salary and Bonus columns of the Summary Compensation Table shown above. There is no offset in retirement benefits for Social Security benefits or other retirement plans or statutory benefits. The Basic Plan was amended as of November 1, 1989. Prior to the amendment, the Basic Plan provided benefits based on years of service and earnings in excess of the Covered Compensation Base. Benefits accrued prior to November 1, 1989 under the Basic Plan would be paid, if higher than the sums set forth above.

Nonqualified Deferred Compensation

The Company has no nonqualified defined contribution or other nonqualified deferred compensation plans.

Termination or Change in Control Provisions

We have entered into retention agreements with each of our named executive officers. The retention agreements generally provide that, if within 24 months following a change in control the executive officer's employment is terminated for reasons other than for cause (as defined in the retention agreement) or by the executive for good reason (as defined in the retention agreement, including the ability for the executive to make an election within a forty-five day period beginning 180 days after a change in control), we will make a lump-sum cash payment to the executive officer equal to two times the sum of the executive officer's annual base salary at the rate in effect at the termination date or, if greater, the highest rate in effect at any time during the ninety day period prior to a change in control and the average of the annual cash bonuses paid to the executive during the three full fiscal years prior to the termination date or, if greater, the three full fiscal years immediately prior to the change in control date. The retention agreements also provide that, under such circumstances, we will continue to provide benefits to each executive for a period of two years after the date of his or her termination. Additionally, the agreements provide for each executive to be paid additional amounts under the Company's defined benefit plans and defined contribution plans as though they were employed for an additional two years. The current agreements expire on November 23, 2015, but are subject to automatic one-year extensions unless we give the executive officer prior notification. The retention agreements are intended to promote stability and continuity of management should the Company consider a change in control transaction.

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS (Proposal 2)

Although the Audit Committee has the sole authority to appoint the independent auditors, the Audit Committee continues its long-standing practice of recommending that the Board ask the shareholders, at the Annual Meeting, to ratify the appointment of the independent auditors. The Audit Committee has appointed Mayer Hoffman McCann P.C., independent registered public accountants, to audit the financial statements of the Company for the year ending December 31, 2015.

Shareholder ratification of the Company's independent registered public accountants is not required by the Company's Bylaws or otherwise. The Audit Committee and the Board of Directors have elected to seek such ratification as a matter of good corporate practice. If the shareholders do not ratify this appointment, the Audit Committee will consider the appointment of other auditors, but may also decide to retain Mayer Hoffman McCann P.C. as independent auditors for 2015. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders.

The Company expects representatives of Mayer Hoffman McCann P.C. to be present and available to respond to appropriate questions at the 2015 Annual Meeting. Representatives of Mayer Hoffman McCann P.C. will have the opportunity to make a statement if they so desire.

Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee pre-approved all of such services. The Audit Committee has established pre-approval policies and procedures with respect to audit and non-audit services to be provided by its independent auditors. Pursuant to these policies and procedures, the Audit Committee may form, and delegate authority to, subcommittees consisting of one or more members when appropriate to grant such pre-approvals, provided that decisions of such subcommittee to grant pre-approvals are presented to the full Audit Committee at its next scheduled meeting. The Audit Committee's pre-approval policies do not permit the delegation of the Audit Committee's responsibilities to management.

Compensation of Independent Auditors' Employees

Mayer Hoffman McCann P.C. leases substantially all of its personnel, who work under the control of Mayer Hoffman McCann P.C. shareholders, from wholly-owned subsidiaries of CBIZ, Inc., in an alternative practice structure.
