Item 7.01 Regulation FD Disclosure.

This Current Report on Form 8-K/A of Hovnanian Enterprises, Inc. (“Hovnanian”) amends Hovnanian’s Current Report on Form 8-K filed on December 28, 2017 (the “Initial 8-K”). This amendment is being furnished solely to correct certain typographical errors in slide 7 of Hovnanian’s slide presentation entitled “Refinancing Transaction” (the “Presentation”) and filed as Exhibit 99.5 to the Initial 8-K filing.

Due to typographical error, in the final bullet under “5.0% Unsecured Notes” on slide 7, the Presentation erroneously stated “thereafter callable in year 3 at half the coupon . . . .” This statement should read “thereafter callable in year 3 at par plus half the coupon. . . .” There are no changes to the Presentation other than these corrective changes to slide 7 and all other content and information contained in the Initial 8-K filing remains the same as that which was contained in the Initial 8-K filing. This Amendment supersedes in its entirety the Initial 8-K filing with respect to the Presentation only. A copy of the corrected Presentation is attached as Exhibit 99.5.

The information furnished pursuant to Item 7.01 in this report on Form 8-K/A shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liability of that section, unless Hovnanian specifically states that the information is to be considered “filed” under the Exchange Act or incorporates it by reference into a filing under the Securities Act of 1933, as amended, or the Exchange Act.

By their nature, forward-looking statements: (i) speak only as of the date they are made, (ii) are not guarantees of future performance or results and (iii) are subject to risks, uncertainties and assumptions that are difficult to predict or quantify. Therefore, actual results could differ materially and adversely from those forward-looking statements as a result of a variety of factors. Such risks, uncertainties and other factors include, but are not limited to, (1) changes in general and local economic, industry and business conditions and impacts of a sustained homebuilding downturn; (2) adverse weather and other environmental conditions and natural disasters; (3) levels of indebtedness and restrictions on the Company’s operations and activities imposed by the agreements governing the Company’s outstanding indebtedness; (4) the

Company's sources of liquidity; (5) changes in credit ratings; (6) changes in market conditions and seasonality of the Company's business; (7) the availability and cost of suitable land and improved lots; (8) shortages in, and price fluctuations of, raw materials and labor; (9) regional and local economic factors, including dependency on certain sectors of the economy, and employment levels affecting home prices and sales activity in the markets where the Company builds homes; (10) fluctuations in interest rates and the availability of mortgage financing; (11) changes in tax laws affecting the after-tax costs of owning a home; (12) operations through joint ventures with third parties; (13) government regulation, including regulations concerning development of land, the home building, sales and customer financing processes, tax laws and the environment; (14) product liability litigation, warranty claims and claims made by mortgage investors; (15) levels of competition; (16) availability and terms of financing to the Company; (17) successful identification and integration of acquisitions; (18) significant influence of the Company's controlling stockholders; (19) availability of net operating loss carryforwards; (20) utility shortages and outages or rate fluctuations; (21) geopolitical risks, terrorist acts and other acts of war; (22) increases in cancellations of agreements of sale; (23) loss of key management personnel or failure to attract qualified personnel; (24) information technology failures and data security breaches; (25) legal claims brought against the Company and not resolved in the Company's favor; and (26) certain risks, uncertainties and other factors described in detail in the Company's Annual Report on Form 10-K for the fiscal year ended October 31, 2017 and subsequent filings with the Securities and Exchange Commission.
