PART C

OTHER INFORMATION

Item 15. Indemnification.

Pursuant to the Registrant's Amended and Restated Agreement and Declaration of Trust ("DOT"), the Registrant shall indemnify, out of any and all property, real or personal, tangible or intangible, which is owned or held by or for the account of the Registrant, or one or more of any series thereof, to the fullest extent permitted under applicable law, any natural person, partnership, limited partnership, limited liability company, trust, estate, association, corporation, organization, custodian, nominee or any other individual or entity in its own or any representative capacity, in each case, whether domestic or foreign, and a statutory trust or a foreign statutory or business trust (each a "Person") who was or is a party or is threatened to be made a party to any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative (each a "Proceeding") by reason of the fact that such Person is or was a Trustee, officer, employee or other agent of the Registrant or is or was serving at the request of the Registrant as a trustee, director, officer, employee or other agent of another foreign or domestic corporation, partnership, joint venture, trust or other enterprise of the Registrant, against expenses (which include, without limitation, attorneys' fees and any expenses of establishing a right to indemnification under Article VII of the Registrant's DOT), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such Proceeding if such Person acted in good faith or in the case of a criminal proceeding, had no reasonable cause to believe the conduct of such Person was unlawful. The termination of any Proceeding by judgment, order, settlement, conviction or plea of nolo contendere or its equivalent shall not of itself create a presumption that the Person did not act in good faith or that the Person had reasonable cause to believe that the Person's conduct was unlawful.

Insofar as indemnification for liability arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
