Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Appointment of Richard Corredera as Chief Operating Officer

On May 1, 2014, the Board of Directors of the Registrant appointed Richard Corredera as the Registrant’s Chief Operating Officer, effective May 1, 2014.

Mr. Corredera has approximately 18 years of experience in software engineering, systems design and business development. From April 2012 to the present, Mr. Corredera has served as President and Chief Operating Officer of Plaor where he manages the business operations of Plaor including business development, compliance, and accounting in addition to overseeing its strategic technology development. Prior to Plaor, Richard co-founded DoubleTap Games and was a technical director at THQ’s Helixe development studio and Sony Online Entertainment from 2002 to 2012. Mr. Corredera is an enrolled agent and admitted to practice before the Internal Revenue Service. Mr. Corredera is not an officer or director of any other reporting company.

Mr. Corredera’s long term of service in software engineering, systems design and business development, and experience with Plaor were material considerations that led the Board of the Directors to conclude that Mr. Corredera should serve as the Registrant’s Chief Operating Officer.

Mr. Corredera does not beneficially own any shares of the Registrant’s common stock. Mr. Corredera currently serves as the President and Chief Operating Officer of Plaor and will receive approximately 2,360,830 shares of the Registrant’s common stock pursuant to the Merger if and when the Merger Agreement closes. Mr. Corredera will receive base compensation of \$200,000 per annum. Mr. Corredera is also eligible to receive a discretionary annual bonus at the sole discretion of the Registrant’s Board of Directors based on the achievement of certain milestones and the overall operational and financial performance of the Registrant. In the event Mr. Corredera’s employment by the Registrant is terminated without Good Cause, the Registrant will pay Mr. Corredera a severance of three months base salary. A termination shall be for “Good Cause” if the officer, in the subjective good faith opinion of the Registrant,

shall:

1. Commit and act of fraud, moral turpitude, misappropriation of funds or embezzlement;
2. Breach his/her fiduciary duty to the Registrant, including, but not limited to, acts of self-dealing (whether or not for personal profit);
3. Materially breach this agreement, the confidentiality agreement, or the Registrant's written Code of Ethics as adopted by the Board of Directors;
4. Willful, reckless or grossly negligent violation of any applicable state or federal law or regulation; or
5. Fail to or refuse (whether willful, reckless or negligent) to substantially perform the responsibilities and duties specified herein (other than a failure caused by temporary disability); provided, however, that no termination shall occur on that basis unless the Registrant first provides his/her with written notice to cure; the notice to cure shall reasonably specify the acts or omissions that constitute his/her failure or refusal to perform his/her duties, and he/she shall have reasonable opportunity (not to exceed 10 days after the date of notice to cure) to correct his/her failure or refusal to perform his/her duties; termination shall be effective as of the date of written notice to cure.

Item 7.01 Regulation FD Disclosure.

On May 5, 2014, the Registrant issued a press release to announce that it had entered into the Merger Agreement, as discussed above. A copy of the release is attached as Exhibit 99.1.

This information in Exhibit 99.1 shall not be deemed “filed” for purposes of Section 18 of the Securities and Exchange Act 1934, as amended, and is not incorporated by reference into any filing of the Registrant, whether made before or after the date of this report, regardless of any general incorporation language in the filing.
