Item 1.01. Entry into a Material Definitive Agreement.

On October 31, 2014, Rocket Fuel Inc., a Delaware corporation (the “Company”), entered into a Second Amendment (the “Amendment”) to its Amended and Restated Revolving Credit and Term Loan Agreement, dated as of December 20, 2013 (as amended, the “Credit Agreement”), by and among the Company, the lenders that are parties thereto and Comerica Bank, as administrative agent for the lenders.

The amendment permits the Company to dispose of its interests in its subsidiary Wireless Developer, Inc. and waives the Company’s requirements to cause this subsidiary to provide a secured guaranty of the Company’s obligations under the Credit Agreement. In addition, the amendment amends the minimum EBITDA covenant and the limitation on capital expenditure covenant. The amendments described above are effective as of September 30, 2014.

The lenders and their affiliates have engaged in, and may in the future engage in, banking and other commercial dealings in the ordinary course of business with the Company or the Company’s affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions.

Additional details of the Credit Agreement were previously disclosed in the Company’s Current Reports on Form 8-K filed with the Securities and Exchange Commission on December 26, 2013 and July 7, 2014 and are incorporated herein by reference.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
