

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangement of Certain Officers

Appointment of Eric Kalamaras as Chief Financial Officer. Effective July 11, 2016, Eric T. Kalamaras was appointed Chief Financial Officer and Senior Vice President of American Midstream Partners, LP (the “Partnership”) and American Midstream GP, LLC, the general partner of the Partnership (the “General Partner”). In connection with Mr. Kalamaras’ appointment as Chief Financial Officer and Senior Vice President, Mr. Kalamaras will be paid an annual base salary of \$285,000. He will be eligible to participate in the General Partner’s Short Term Incentive Plan (“STIP”), which provides for a discretionary annual bonus based on performance with respect to goals set by the General Partner’s Board of Directors (the “Board”). For the fiscal year ending in December 31, 2016, Mr. Kalamaras will be eligible under the STIP for a target bonus amount of 75% of his annual base salary, prorated at 6 months, and payable in cash or units in the discretion of the Board. Beginning in 2017, Mr. Kalamaras will be eligible to participate in the General Partner’s Long Term Incentive Plan (“LTIP”), with a target award of 150% of his annual base salary. The LTIP vests over a four-year period: 25% on the first anniversary date of the LTIP grant agreement and the remaining 75% in 25% increments on each succeeding anniversary date. Subsequent LTIP opportunities will be subject to guidelines set by the Board. Mr. Kalamaras will also receive, within the first 30 days of employment, equity awards under the LTIP of 40,000 phantom units and 30,000 option units (with a strike price equal to the AMID NYSE common unit closing price on the last trading day prior to the date of grant). The awards will vest or be exercisable on the third anniversary date of the agreements evidencing the grants. Mr. Kalamaras’ participation in the incentive plans will be subject to his continued employment at the time of payment or the scheduled date of vesting, as applicable.

Mr. Kalamaras is entitled to a \$50,000 miscellaneous expense allowance to facilitate his relocation, as well as reimbursement of moving and relocation costs. If Mr. Kalamaras’ position is terminated other than for cause prior to July 11, 2017, he will be entitled to receive a one-time payment equivalent to twelve months of his base salary plus the amount, if any, he received under the STIP for the 2016 calendar year. This payment will be subject to the execution of a release agreement and compliance with certain confidentiality, non-competition and non-solicitation requirements set out by the Partnership, for a one-year period.
