### **OTHER EVENTS**

On November 20, 2014 the Company entered into a nonbinding letter of intent with Prodeco Technologies, LLC ( Prodeco ), a manufacturer of electric bicycles, located in Fort Lauderdale, Florida, for the acquisition of Prodeco in a stock for membership interest transaction. For the year ended December 31, 2013, on an unaudited basis, Prodeco operated at a loss, with gross sales of approximately 5.0 million. The Company, currently a minority interest holder in Prodeco, will issue approximately 53.4 million shares of common stock in exchange for the remaining 80.6% interest of Prodeco. Simultaneously with the closing of the transaction, all of the Company s currently outstanding convertible debt will be converted to approximately 5.3 million shares of the Company s common stock. In addition, the Company may also assume certain of Prodeco s outstanding debt, subject to mutually agreeable terms and conditions.

The closing of the transaction is subject to a number of conditions precedent, including, but not limited to: (1) the satisfactory completion of due diligence on each company by the other company, (2) the execution of a binding acquisition agreement by the parties, and (3) requisite approval of the transaction by the members of Prodeco.

We expect to promptly begin the due diligence process and our target closing date for the transaction, assuming the satisfaction of the conditions precedent to closing, is within the next 90 to 120 days. However, as a result of the number of conditions precedent to close, investors should not place undue reliance on the execution of the letter of intent and there are no assurances that this transaction will ultimately be consummated.
