Item 8.01. Other Events

On December 22, 2016, the Commonwealth of Virginia (the “Commonwealth”) announced that it selected, through a competitive procurement, Magellan Complete Care of Virginia (“MCC of VA”), a subsidiary of Magellan Health, Inc. (“Magellan”), to participate statewide in the Commonwealth Coordinated Care Plus (“CCC Plus”) program. On February 13, 2017, Magellan announced that MCC of VA has entered into a contract with the Commonwealth to participate in the CCC Plus program. MCC of VA is one of six companies to contract with the Commonwealth for the CCC Plus program. The CCC Plus program is the Commonwealth’s initiative around Managed Long Term Services and Supports (“MLTSS”), and will serve approximately 214,000 individuals with complex care needs through an integrated care model. The CCC Plus program will phase in MLTSS members by region from August through December 2017. The Aged, Blind, and Disabled individuals currently enrolled in the Medallion 3.0 program will transition to the CCC Plus program on January 1, 2018. Expenditures under the current program are approximately \$3.5 billion. The Commonwealth is in the process of determining the allocation of members among the six companies, and there can be no assurance that the business will be allocated equally between the six companies.

On February 13, 2017, Magellan issued a press release announcing the execution of the contract. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
