Amendment to Transaction Agreement and Pre-acceptances

As previously disclosed, on August 13, 2017, Transocean Ltd., a Swiss corporation (“Transocean”), Transocean Inc., a Cayman Islands exempted company and wholly owned subsidiary of Transocean (“TINC”), and Songa Offshore SE, a European public company limited by shares (or *societas Europaea*) existing under the laws of Cyprus (“Songa Offshore”), entered into a transaction agreement, which was subsequently amended on September 15, 2017 (as amended, the “Transaction Agreement”), pursuant to which Transocean will, subject to certain conditions, offer to acquire (the “Offer”) all of the outstanding shares of Songa Offshore (the “Transaction”). As previously disclosed, in connection with the execution of the Transaction Agreement, each of Perestroika AS, Asia Research & Capital Management Ltd., York Capital Management and Songa’s directors executed an irrevocable pre-acceptance agreement, which were subsequently amended on September 15, 2017 (collectively, and as amended, the “Pre-acceptances”), pursuant to which such parties unconditionally agreed to exchange all of their respective shares of Songa Offshore in the public voluntary exchange offer contemplated by the Transaction Agreement. On December 19, 2017, based on discussions between the parties to the Transaction Agreement, Transocean entered into an amendment to the Transaction Agreement (the “Transaction Agreement Amendment”) and each of the Pre-acceptances (collectively, the “Amendments to the Pre-acceptances”) to extend the “Long Stop Date” in the Transaction Agreement and the Pre-acceptances from January 31, 2018 to February 15, 2018.

The Transaction Agreement and the Pre-acceptances, as amended, remain in full force and effect. The foregoing description of the Transaction Agreement Amendment and the Amendments to the Pre-acceptances are only a summary, do not purport to be complete and are qualified in their entirety by reference to the full text of the Transaction Agreement Amendment and the form of Amendment to the Pre-acceptances, which are attached hereto as Exhibit 2.1 and Exhibit 10.1, respectively, and incorporated in their entirety herein by reference. The Transaction Agreement Amendment and the form of Amendment to the Pre-acceptances have been included to provide investors with information regarding their terms. They are not intended to provide any other factual information about Transocean or Songa Offshore or their respective subsidiaries or affiliates or to modify or supplement any factual disclosures about Transocean in its public reports filed with the Securities and Exchange Commission (“SEC”) or in Songa’s reports made publicly available.

Item 3.02 Unregistered Sales of Equity Securities.

On December 15, 2017, TINC entered into private exchange agreements to issue approximately USD 273.5 million aggregate principal amount of 0.5% Exchangeable Senior Bonds due 2023, which are exchangeable into an aggregate of approximately 26.6 million shares of Transocean, par value CHF 0.10 per share (the “Exchangeable Bonds”), in exchange for certain outstanding indebtedness previously issued by Songa Offshore. In particular, TINC agreed to purchase an aggregate of approximately NOK 1.206 billion of Songa Offshore’s outstanding SONG04 Bonds from three bondholders at a price of 103.5% per bond (plus accrued and unpaid interest) and an aggregate of approximately NOK 587.0 million of Songa Offshore’s outstanding SONG05 Bonds from two bondholders at a price of 101% per bond (plus accrued and unpaid interest). TINC has also agreed to purchase from Perestroika its USD 50 million loan to Songa Offshore for Exchangeable Bonds at a price of 100% of the principal amount of the loan (plus accrued and unpaid interest). These transactions are collectively referred to as the “Private Exchange Offers.” All of the Private Exchange Offer purchases are conditioned on and will close at approximately the same time as the settlement of the Offer. Transocean intends to call all remaining SONG04 Bonds and SONG05 Bonds for cash following the completion of the Transaction.

The approximate aggregate principal amount of Exchangeable Bonds and approximate number of Transocean shares issued in exchange therefor is estimated based on (i) a NOK/USD exchange rate of 8.3179, which was the closing price at 4:00 p.m. CET as determined by Norges Bank on December 13, 2017, (ii) settlement of the exchange on or about January 30, 2018 and (iii) an initial exchange rate of approximately 97.29756 Transocean shares per USD 1,000 principal amount of Exchangeable Bonds. The actual amount of Exchangeable Bonds to be issued in connection with the Private Exchange Offers, however, will depend on the amount of accrued and unpaid interest on such indebtedness as of the time the purchase occurs. As a result, TINC may issue more Exchangeable Bonds than the approximate value listed above. In addition, the actual amount of Exchangeable Bonds to be issued in the Private Exchange Offers will depend on the NOK/USD closing price, as determined by Norges Bank on the trading day immediately prior to the settlement of the purchase. As a result, TINC may issue more Exchangeable Bonds than the approximate value listed above to the extent the NOK/USD closing price used to complete the purchase varies from the NOK/USD exchange rate of 8.3719.

The exchange rate of the Exchangeable Bonds can also be adjusted upon the occurrence of certain anti-dilution events, tax event or certain fundamental changes such as a change in control of TINC or Transocean. As a result of these terms, Transocean may be required to issue more Transocean shares than the approximate number listed above.

The Exchangeable Bonds will be issued a private placement exempt from registration pursuant to Section 4(a)(2) of the Securities Act of 1933, as amended. A complete description of the terms of the Exchangeable Bonds, including the terms regarding the exchange of Exchangeable Bonds for Transocean shares, can be found at and is incorporated by reference to the section "Description of Transocean Exchangeable Bonds" in the Registration Statement on Form S-4 (File No. 333-220791) filed by Transocean and TINC.
