Item 1.01 Entry in to a Material Definitive Agreement.

On September 6, 2018, Loral Space & Communications Inc. ("Loral" or the "Company"), along with Telesat Canada ("Telesat"), the Public Sector Pension Investment Board ("PSP") and 4440480 Canada Inc., an indirect wholly-owned subsidiary of the Company (the "Special Purchaser"), entered into a grant agreement (the "Grant Agreement") with Erwin C. Hudson (the "Participant"). The Participant is an executive of Telesat, which is owned principally by the Company together with its Canadian partner, PSP. The Grant Agreement documents a grant previously approved by the Telesat Board of Directors in March 2017 when Mr. Hudson was hired by Telesat.

The Grant Agreement, the terms of which are similar to grant agreements previously entered into with certain Telesat executives in 2011, 2013 and 2016, confirms a grant of Telesat stock options (including tandem SAR rights) to the Participant and provides for certain rights, obligations and restrictions related to such stock options, which include, among other things: (w) the possible obligation of the Special Purchaser to purchase the shares in the place of Telesat should Telesat be prohibited by applicable law or under the terms of any credit agreement applicable to Telesat from purchasing such shares, or otherwise default on such purchase obligation, pursuant to the terms of the Grant Agreement; (x) the obligation of the Special Purchaser to purchase shares upon exercise by Telesat of its call right under Telesat's Management Stock Incentive Plan in the event of a Participant's termination of employment; (y) the right of the Participant to require the Special Purchaser or Loral to purchase a portion of the shares in Telesat owned by him in the event of exercise after termination of employment to cover taxes that are greater than the minimum withholding amount; and (z) the right of the Participant to require Telesat to cause the Special Purchaser or Loral to purchase a portion of the shares in Telesat owned by him, or that are issuable to him under Telesat's Management Stock Incentive Plan at the relevant time, in the event that more than 90% of Loral's common stock is acquired by an unaffiliated third party that does not also purchase all of PSP's and its affiliates' interest in Telesat.

The Grant Agreement further provides that, in the event the Special Purchaser is required to purchase shares, such shares, together with the obligation to pay for such shares, shall be transferred to a subsidiary of the Special Purchaser, which subsidiary shall be wound up into Telesat, with Telesat agreeing to the acquisition of such subsidiary by Telesat from the Special Purchaser for nominal consideration and with the purchase price for the shares being paid by Telesat within ten (10) business days after completion of the winding-up of such subsidiary into Telesat.

The foregoing description of the Grant Agreement is not intended to be complete and is qualified in its entirety by reference to the Grant Agreement, a copy of which is filed as Exhibit 10.1 hereto.
