Item 1.01 Entry into a Material Definitive Agreement.

On April 23, 2019, Parsley Energy, Inc. (the “Company”), Parsley Energy, LLC (“Parsley LLC”), as borrower, certain subsidiaries of Parsley LLC (the “Guarantors”), Wells Fargo Bank, National Association, as administrative agent (the “Administrative Agent”), and the other lenders party thereto entered into the Seventh Amendment to Credit Agreement (the “Seventh Amendment”). The Seventh Amendment amends the Credit Agreement, dated as of October 28, 2016 (as previously amended and as further amended by the Seventh Amendment, the “Credit Agreement”), by and among the Company, Parsley LLC, the Guarantors, the Administrative Agent, JPMorgan Chase Bank, N.A., as syndication agent, BMO Harris Bank, N.A., as documentation agent, and the other lenders party thereto.

The Seventh Amendment, among other things, modified the terms of the Credit Agreement to (i) increase the borrowing base under the Credit Agreement from \$2.3 billion to \$2.7 billion (although the aggregate elected commitments of the lenders under the Credit Agreement remained at \$1.0 billion), (ii) increase the Aggregate Maximum Credit Amounts (as defined in the Credit Agreement) from \$2.5 billion to \$5.0 billion, (iii) reduce the minimum title coverage requirement from 85% to 80% of the total value of each of (a) Parsley LLC’s and its restricted subsidiaries’ proved oil and gas properties and (b) Parsley LLC’s and its restricted subsidiaries’ proved, developed and producing reserves, in each case, as evaluated in the most recent reserve report, (iv) provide additional flexibility, subject to certain conditions, to redeem any senior notes or permitted refinancing debt and to make restricted payments, (v) provide additional flexibility, subject to certain conditions, to incur any senior notes or permitted refinancing debt in a principal amount in excess of the aggregate principal amount of senior notes or refinanced debt refinanced with such permitted refinanced debt without a reduction in the borrowing base; (vi) provide enhanced flexibility, subject to certain conditions, to make investments in and dispose of certain midstream assets; (vii) remove certain affirmative covenants; and (viii) provide, subject to certain conditions, for additional cash netting in determining Parsley LLC’s and its subsidiaries’ compliance with the consolidated leverage ratio financial covenant under the Credit Agreement.

The Administrative Agent, the other lenders party to the Credit Agreement, and their respective affiliates have from time to time performed, and may in the future perform, various financial advisory, commercial banking and investment banking services for the Company and its affiliates in the ordinary course of business for which they have received and would receive customary compensation. In addition, in the ordinary course of their various business activities, such parties and their respective affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers, and such investments and securities activities may involve the Company’s securities and/or instruments.

The foregoing description of the Seventh Amendment is qualified in its entirety by reference to the Seventh Amendment, a copy of which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
