PART III – NARRATIVE

TerraForm Global, Inc. (the "Company") is unable to timely file its Annual Report on Form 10-K for the year ended December 31, 2016 (the "2016 10-K") without unreasonable effort and expense. The Company's delay in filing the 2016 10-K is due principally to the need to complete all steps and tasks necessary to finalize the Company's annual financial statements and other disclosures required to be in the filing.

As previously disclosed, the Company had experienced delays in the filing of its Annual Report on Form 10-K for the year ended December 31, 2015 (the "2015 10-K") and its Quarterly Reports on Form 10-Q for the quarters ended March 31, 2016 (the "1Q16 10-Q"), June 30, 2016 (the "2Q16 10-Q") and September 30, 2016 (the "3Q16 10-Q" and, together with the 2015 10-K, 1Q16 10-Q, 2Q16 10-Q and 3Q16 10-Q, the "Completed Filings"). The delays in filing the Completed Filings were primarily the result of the failure of the Company's controlling stockholder, SunEdison, Inc. ("SunEdison"), to complete its financial statements for the year ended December 31, 2015 and the amount of time required for the Company to complete a review of its internal control over financial reporting following SunEdison's bankruptcy filing on April 21, 2016. The Company filed the 2015 10-K on December 21, 2016, the 1Q16 10-Q on December 23, 2016, the 2Q16 10-Q on January 31, 2017 and the 3Q16 10-Q on February 21, 2017. However, due to the time and resources required to complete and file the Completed Filings, the Company has experienced delays in its ongoing efforts to complete all steps and tasks necessary to finalize the Company's annual financial statements and other disclosures required to be in the 2016 10-K.

As disclosed in the 2015 10-K, as of December 31, 2015 the Company did not maintain an effective control environment primarily attributable to the material weaknesses specified therein. As disclosed in the 3Q16 10-Q, the Company carried out an evaluation as of September

---

30, 2016, under the supervision and with the participation of its management, including its Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of its disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended. Based upon that evaluation, the Company's Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures were ineffective as of September 30, 2016 due to previously identified material weaknesses which continued to exist as of September 30, 2016. The Company is working to remediate these issues as promptly as practicable.

(2) Have all other periodic reports required under Section 13 or 15(d) or the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes  No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company expects the results of its operations for the fiscal year ended December 31, 2016 to be different from the fiscal year ended December 31, 2015. Among the reasons for such anticipated differences are (i) the Company's initial public offering, which was completed on August 5, 2015, (ii) the increase of the Company's fleet of renewable energy facilities from December 31, 2015 to December 31, 2016 and (iii) increased expenses, in particular costs of external advisors, due to contingency planning in connection with SunEdison's bankruptcy filing on April 21, 2016 and the Company's previously announced exploration of strategic alternatives which resulted in the Company entering into a definitive merger agreement with affiliates of Brookfield Asset Management Inc. on March 6, 2017. A copy of the merger agreement and a description of its material terms are included in the Company's Current Report on Form 8-K filed on March 7, 2017.

Because of the delay in the completion of the 2016 10-K, the Company is unable to provide a reasonable estimate of the anticipated changes in its results of operations from the fiscal year ended December 31, 2015.
