TALEN ENERGY CORPORATION
Common Stock

This prospectus supplement supplements the prospectus dated November 3, 2015, (as supplemented to date, the “Prospectus”) which forms a part of our Registration Statement on Form S-1 (Registration No. 333-207033). This prospectus supplement is being filed to update and supplement the information in the Prospectus with information contained in our current report on Form 8-K, filed with the Securities and Exchange Commission on December 21, 2015 (the “Current Report”). Accordingly, we have attached the Current Report to this prospectus supplement.

The Prospectus and this prospectus supplement relate solely to the offer and sale from time to time of up to 44,974,658 shares of Talen Energy Corporation common stock, \$0.001 par value per share, by the selling stockholders identified in the Prospectus. See “Selling Stockholders” in the Prospectus. The registration of the shares of common stock to which the Prospectus and this prospectus supplement relates does not require the selling stockholders to sell any of their shares of our common stock nor does it require us to issue any shares of common stock.

This prospectus supplement should be read in conjunction with the Prospectus. This prospectus supplement updates and supplements the information in the Prospectus. If there is any inconsistency between the information in the Prospectus and this prospectus supplement, you should rely on the information in this prospectus supplement.

Our common stock is listed on the New York Stock Exchange, or NYSE, under the symbol “TLN.” On December 21, 2015, the closing sales price of our common stock as reported on the NYSE was \$6.58 per share.

Because all of the shares of our common stock offered under this prospectus are being offered by the selling stockholders, we cannot currently determine the price or prices at which our shares may be sold under this prospectus. Investing in our common stock involves risks. Before making a decision to invest in our common stock, you should carefully consider the matters described under “Risk Factors” beginning on page 22 of the Prospectus and page 79 of our quarterly report on Form 10-Q for the quarterly period ended September 30, 2015.

Neither the Securities and Exchange Commission (“SEC”) nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus supplement is December 22, 2015.

Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

The information set forth in Item 2.03 of this Form 8-K is incorporated herein by reference.

Section 2 - Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 15, 2015, Talen Energy Supply, LLC (“Talen Energy Supply”), an indirect wholly owned subsidiary of Talen Energy Corporation (the “Company”), and Talen Energy Marketing, LLC (“Talen Energy Marketing”), a direct wholly owned subsidiary of Talen Energy Supply, entered into the Secured Energy Marketing and Trading Facility Amended and Restated Common Agreement (the “Amended Agreement”) among Talen Energy Marketing, Talen Energy Supply, Brunner Island, LLC (“Brunner Island”), Montour, LLC (“Montour”), Wilmington Trust, National Association, as agent, and the secured counterparties thereto.

The Amended Agreement amends and restates the Secured Energy Marketing and Trading Facility Common Agreement, dated as of November 1, 2010, among Talen Energy Marketing (f/k/a PPL EnergyPlus, LLC), Talen Energy Supply (f/k/a PPL Energy Supply, LLC), Brunner Island (f/k/a PPL Brunner Island, LLC), Montour (f/k/a PPL Montour, LLC), Wilmington Trust FSB, as collateral agent, and the secured counterparties thereto (the “Original Agreement”).

The Original Agreement represented an \$800 million secured energy marketing and trading facility (the “Facility”) whereby Talen Energy Marketing received credit to be applied to satisfy collateral posting obligations related to its energy marketing and trading activities with counterparties participating in the Facility. The credit amount was guaranteed by Talen Energy Supply, Brunner Island and Montour and secured by certain mortgages and letters of credit. The Original Agreement would have expired in November 2020.

Under the terms of the Amended Agreement, among other things (i) the capacity under the Facility has been increased from \$800 million to \$1.3 billion, (ii) Brunner Island and Montour have been released as parties and (iii) the security interests previously granted under the Original Agreement have been released in favor of the security interests discussed below. The credit amount remains guaranteed by Talen Energy Supply. The initial term of the Amended Agreement expires on December 15, 2020, provided that the term thereafter will automatically renew for successive five-year periods each year until otherwise terminated in accordance with the provisions of the Amended Agreement.

The Amended Agreement contains certain customary representations and warranties, affirmative covenants and events of default. If an event of default occurs, the collateral agent under the Amended Agreement will be entitled to take various actions, including the demand for payment of amounts due under secured counterparty ISDA agreements and the Amended Agreement and all actions permitted to be taken by a secured creditor under such agreements.

The Amended Agreement is secured by security interests in the same collateral that secures Talen Energy Supply’s \$1.85 billion syndicated revolving credit facility following the November 13, 2015 amendment of (the “First Amendment”), and the December 15, 2015 execution of an accession agreement to (the “Accession Agreement”), the Collateral Trust and Intercreditor Agreement, dated as of June 1, 2015, among Talen Energy Supply, the subsidiary guarantors party thereto from time to time and Citibank, N.A., as administrative agent and as collateral trustee.

Edgar Filing: Talen Energy Corp - Form 424B4

The above summary of the Amended Agreement is qualified in its entirety by the terms of the Amended Agreement, which is attached to this Form 8-K as Exhibit 10.1 and incorporated by reference herein. Copies of the First Amendment and the Accession Agreement are attached to this Form 8-K as Exhibit 10.2 and Exhibit 10.3, respectively, and are incorporated by reference herein.

Forward-Looking Statements

All statements contained herein other than statements of historical fact are “forward-looking” statements for purposes of the U.S. federal and state securities laws. Although the Company and Talen Energy Supply believe that the expectations and assumptions reflected in these forward-looking statements are reasonable, these statements are subject to a number of risks and uncertainties, and actual results may differ materially from the results discussed in the statements. Among the important factors that could cause actual results to differ materially from the forward-looking statements are: operating performance and the length of scheduled and unscheduled outages at generating plants; weather conditions affecting customer energy usage and/or the availability of fuel for the plants; volatility in the availability and/or price of electric transmission and/or fuel transmission and delivery services; the effect of any business, industry or market restructuring; and new accounting requirements or new interpretations or applications of existing requirements. Any such forward-looking statements should be considered in light of such important factors and in conjunction with the risk factors and other disclosures included in the Company’s and Talen Energy Supply’s filings with the Securities and Exchange Commission that are available at www.sec.gov.
