Report of Independent Registered Public Accounting Firm

The Board of Directors
CenturyTel, Inc.:

We have audited the accompanying statements of net assets available for benefits of CenturyTel Security Systems, Inc. 401(k) Plan and Trust as of December 31, 2005 and 2004, and the related statement of changes in net assets available for benefits for the year ended December 31, 2005. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of CenturyTel Security Systems, Inc. 401(k) Plan and Trust as of December 31, 2005 and 2004, and the changes in net assets available for benefits for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets (held at end of year) is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

(1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND PROVISIONS OF THE PLAN

Basis of Presentation

The CenturyTel Security Systems Inc., 401(k) Plan and Trust (the Plan) was established on June 1, 1997. The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits. The Plan has made estimates in preparing the accompanying financial statements in accordance with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

The assets of the Plan are invested by the Trustee in various investment programs (funds) which are described in Note 2.

The following description of the Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

Participation

Participation in the Plan is available to each employee of CenturyTel Security Systems, Inc. (the Company), other than those who are classified as temporary employees or employees covered under a collective bargaining agreement.

In order to participate in the Plan, an employee must execute a Salary Deferral Agreement with the Company. In the Salary Deferral Agreement, which is executed on-line or by telephone, an employee agrees to a deferral of between one percent and twenty-five percent of compensation; however, the total amount contributed to the Plan cannot exceed \$14,000 for 2005 (as adjusted from year to year in accordance with Federal Law). The percentage of compensation a participant elects to defer applies to the participant's W-2 earnings not in excess of \$210,000 for 2005 (as adjusted in accordance with Federal Law) excluding severance pay, disability pay, reimbursements or other expense allowances, fringe benefits, moving expenses, deferred compensation, and welfare benefits. The amount of compensation deferred by each participant is credited to an account (Elective Deferral Account) maintained for each participant by the Trustee. The Elective Deferral Account is self-directed.

As of the end of each payroll period, the Company contributes to an account (Employer Match Account) for each participant a contribution equal to 10% of each such participant's contribution during such payroll period; however, this matching contribution applies only to the first 6% of such participant's compensation contributed to the Plan. The Company may, at its discretion, elect to contribute an additional amount to participants' accounts (Additional Match Account). During 2005, the Company contributed \$1,669 to the Plan, all of which related to contributions made to the Employer Match Account.

Participants age 50 years or older are allowed to make an additional contribution to the Plan each year in excess of the otherwise prescribed limits. The amount of the allowable additional contribution for a participant in 2005 was \$4,000; this amount will increase by \$1,000 to a maximum of \$5,000 in 2006 (which will thereafter be adjusted annually).

An employee is permitted to transfer to the Plan as a contribution his interest in another plan qualified under Section 401(k) of the Internal Revenue Code, as amended (the Code). Such contribution must qualify as a "rollover"

contribution described in Section 402(c) or 408 (d)(3) of the Code. Such a rollover will be credited to a rollover account on behalf of the participant (the Rollover/Transfer Account).

The interest of a participant in his Elective Deferral Account, his Rollover/Transfer Account, his Employer Match Account, and his Additional Match Account is fully vested and non-forfeitable at all times.

Reports to Participants

All participants are furnished with quarterly statements which set forth the status of their accounts in the Plan.

Distributions

If the employment of a participant with the employer ceases because of death, retirement, disability, termination of employment or for any other reason, the participant's entire interest in the Plan may be distributed to him or to his beneficiary in a lump sum or in periodic installments. If the participant dies without designating a beneficiary, his beneficiary shall be, in the order listed, (i) his spouse, (ii) his children, or (iii) his estate.

Withdrawals

A participant who is an employee and over age 59½ may make withdrawals from his vested accounts prior to meeting normal distribution requirements. A participant may make withdrawals from his Rollover/Transfer Account at any time. In addition, a hardship withdrawal may be made from an Elective Deferral Account only as a result of financial hardship related to unreimbursable educational expenses, medical expenses which are not reimbursable by insurance, the need to pay for the funeral expenses of a family member, the purchase of a principal residence of the Participant, or the prevention of eviction or foreclosure from the Participant's principal residence. The determination of the existence of a financial hardship and the amount required to be distributed to meet the need created by the hardship shall be made uniformly and without discrimination at the sole discretion of the Plan Administrator.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to change, suspend or terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974.

Loans to Participants

The Plan has a provision whereby a participant can borrow from his Elective Deferral Account or Rollover/Transfer Account. The maximum loan is \$50,000 reduced by the excess, if any, of the highest outstanding loan balance during the previous year over the outstanding loan balance on the date of the new loan or 50% of the account balance. The loans are repaid through payroll deductions and the interest rate is the prime rate published in the Wall Street Journal for the last business day of the previous quarter plus 1%. The loan repayment period may not exceed five years except for loans for the purchase of the participant's principal residence which may be for any period not to exceed fifteen years.

Trustee

The Trustee of the Plan, as of December 31, 2005, was T. Rowe Price Trust Company (T. Rowe Price). The Company may remove the Trustee and appoint a successor trustee. The Company and the Trustee have entered into a Trust Agreement which provides for the establishment of a Trust for the purpose of holding and investing the contributions to the Trust pursuant to the provisions of the Plan.

Administration

The Company has appointed a committee to administer the Plan. The individuals who administer the Plan serve at the discretion of the Company and may be removed by the Company at any time. The administrative costs of the Plan are paid by the Company.

However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.
