NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(Unaudited)

1. BASIS OF PRESENTATION

The accompanying consolidated financial statements and notes thereto have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission. Accordingly, certain disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") have been omitted. The accompanying consolidated financial statements and notes thereto should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's 2000 Annual Report on Form 10-K. The Company expects to amend its 2000 Annual Report on Form 10-K in the near future to reflect the change in accounting for commission advance receivables described below.

The consolidated financial statements include the financial statements of the Company and its wholly owned subsidiaries. All significant intercompany balances and transactions have been eliminated in consolidation.

In the opinion of management, the accompanying unaudited financial statements as of September 30, 2001, and for the three and nine months ended

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

September 30, 2000 and 2001, reflect adjustments (which were normal and recurring) which, in the opinion of management, are necessary for a fair statement of the financial position and results of operations of the interim periods presented. Results for the three and nine months ended September 30, 2001, are not necessarily indicative of results expected for the full year.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Change in Accounting for Commission Advance Receivables

As previously reported, in January 2001 and May 2001, the staff of the Division of Corporation Finance of the Securities and Exchange Commission ("SEC") reviewed the Company's 1999 and 2000 Forms 10-K, respectively. On May 11, 2001, the Company received a letter from the staff of the Division of Corporation Finance advising that, after reviewing the Company's Forms 10-K, it was the position of the Division that the Company's accounting for commission advance receivables was not in accordance with GAAP. The Company subsequently appealed this decision to the Chief Accountant of the SEC. On July 25, 2001, the Company announced that the Chief Accountant concurred with the prior staff opinion of the Division of Corporation Finance. The Company subsequently announced that it would not pursue any further appeals and that it would amend its previously filed SEC reports to restate the Company's financial statements to reflect the SEC's position that the Company's advance commission payments should be expensed when paid. As previously disclosed, the change in accounting treatment reduced total assets from \$247 million at December 31, 2000 to \$93 million, reduced total liabilities from \$100 million to \$48 million (due to the elimination of deferred taxes related to the receivables) and therefor reduced stockholders' equity from \$147 million to \$45 million. The elimination of the receivables reduced 2000 net income from \$43.6 million, or \$1.92 per diluted share, to \$20.5 million, or \$.90 per diluted share. The accompanying financial statements reflect the change in accounting treatment for advance payments made to associates. A summary of the effects of the restatement on previously reported results of operations follows:

2. CONTINGENCIES

Subsequent to December 31, 2000, the Company and various other executive officers were named in multiple putative securities class action complaints filed in both the United States District Courts for the Eastern and Western Districts of Oklahoma seeking damages on the basis of allegations that the Company issued false and misleading financial information, primarily related to the method the Company uses to account for commission advance receivables from sales associates. These complaints have been transferred to the Western District of Oklahoma and have been consolidated into a single proceeding. The amended and consolidated complaint, which adds the Company's former outside auditors as defendants, was filed on June 14, 2001, and the Company filed a motion to dismiss the complaint on July 24, 2001. Under the Private Securities Litigation Reform Act of 1995, discovery is stayed during the pendency of a motion to dismiss. While the outcome of these cases is uncertain, the Company believes these actions are without merit and will vigorously defend these actions. However, an unfavorable decision in this litigation could have a material adverse effect on the Company's financial condition, results of operations and cash flows.

In January 2001, the Company received inquiries from the Division of Enforcement of the SEC requesting information relating primarily to the Company's accounting policies for commission advance receivables from sales associates. The Division of Enforcement's inquiries were informal and did not constitute a formal investigation or proceeding. The Company is unable to determine the ultimate outcome of this inquiry, including whether the Division of Enforcement will continue the inquiry subsequent to the Company's decision to restate its financial statements.

On June 7, 2001 and August 3, 2001, shareholder derivative actions were filed by alleged company shareholders, Bruce A. Hansen and Donna L. Hansen, and Roger Strykowski, respectively, against all of the directors of the Company seeking unspecified actual and punitive damages on behalf of the Company based on allegations of breach of fiduciary duty, corporate waste and mismanagement by the defendant directors. The derivative actions are in the preliminary pleading stage. The complaints allege that the defendant directors caused the Company to violate generally accepted accounting principles and federal securities laws by allegedly improperly capitalizing commission expenses, caused the Company to allegedly pay increased salaries and bonuses based upon financial performance which was allegedly improperly inflated and caused the Company to expend significant dollars in connection with the defense of its accounting policy, including cost incurred in connection with the defense of the securities class actions described above, and in connection with repurchase of its own shares on the open market at allegedly artificially inflated prices. The Company believes that these derivative actions are related to the securities class actions described above and may be intended to circumvent the restrictions on the securities class actions imposed by the Private Securities Litigation Reform Act of 1995. While the outcome of these cases is uncertain, based on the information currently available to the Company, it appears that the complaints should be dismissed because the plaintiffs failed to make or excuse the requisite demand that the Company pursue the claims of alleged misconduct.

In the second quarter of 2001 and through August 24, 2001, multiple lawsuits were filed against the Company, certain sales associates and other unnamed defendants in Alabama state courts by current or former members seeking unspecified actual and punitive damages for alleged breach of contract and fraud in connection with the sale of memberships. As of October 31, 2001, the Company was aware of 17 separate lawsuits involving approximately 110 plaintiffs that have been filed in multiple counties in Alabama and it is possible that

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

additional cases will be filed. These cases make allegations similar to allegations made in cases previously filed against the Company in Alabama state courts by multiple plaintiffs which was previously settled for a payment of \$1.5 million to settle claims by 97 separate claimants. Based on the Company's preliminary investigation of the new cases, the facts involved are in many respects significantly different from the facts involved in the case the company previously settled. These cases are all in the preliminary stages and the ultimate outcome is not determinable.

On June 29, 2001, an action was filed in the District Court of Canadian County, Oklahoma by Gina Cotwitz against the Company. This action is a putative class action on behalf of all sales associates of the Company and alleges violations of the Oklahoma Consumer Protection Act, the Oklahoma Uniform Consumer Credit Code and breach of contract in connection with certain of the Company's practices relating to advancing commissions to sales associates. The Company has filed an answer denying the plaintiff's claims and raising affirmative defenses and intends to vigorously defend this case. The case is in the preliminary stages and the ultimate outcome is not determinable.

The Company is a defendant in various other legal proceedings that are routine and incidental to its business. The Company will vigorously defend its interests in these proceedings. While the ultimate outcome of these proceedings is not determinable.

The Company has established reserves where deemed necessary for the anticipated costs of defense, relating to the various claims pending against the Company. The Company does not currently anticipate that these contingencies will result in any material adverse effect to the financial condition or results of operation.

3. STOCK REPURCHASES

The Company announced on April 6, 1999, a stock repurchase program authorizing management to reacquire up to 500,000 shares of the Company's common stock. The Board of Directors has increased such authorization from 500,000 shares to 4 million shares during subsequent board meetings. At September 30, 2001, the Company had repurchased 2.6 million shares under these authorizations for a total consideration of \$62.6 million, an average price of \$24.07 per share.

Stock repurchases will be made at prices that are considered attractive by management and at such times that management believes will not unduly impact the Company's liquidity. No time limit has been set for completion of the repurchase program. The Company obtained on November 6, 2001 a \$17.5 million line of credit facility that will be used for additional repurchases.

4. EARNINGS PER SHARE

Basic earnings per common share are computed by dividing net income applicable to common stockholders by the weighted average number of shares of common stock outstanding during the respective periods.

Diluted earnings per common share are computed by dividing net income applicable to common stockholders, as adjusted to add back dividends on preferred stock, by the weighted average number of shares of common stock and common stock equivalents outstanding during the period. The \$3.00 cumulative convertible preferred stock and the special preferred stock are considered to be dilutive common stock equivalents for the fiscal year 2000. The weighted average number of common shares is also increased by the number of shares issuable on the exercise of options less the number of common shares assumed to be purchased

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

with the proceeds from the exercise of the options pursuant to the treasury stock method; those purchases are assumed to have been made at the average price of the common stock during the respective period.

5. SEGMENT INFORMATION

The Company derived approximately 99% of its revenues and 102% and 96%, respectively of its net income from the sale of legal service plans and directly related activities during the nine months ended September 30, 2001 and 2000. Revenues from the Company's other operating segment (life insurance, through Universal Fidelity Life Insurance Company ("UFL")) were approximately 1% of the respective consolidated total revenues for the nine months ended September 30, 2001 and 2000 and net income was (2%) and 4% of the respective consolidated total net income. UFL markets primarily to individuals, age 65 and over, in New Mexico, Oklahoma and Texas. The following table sets forth the composition of the segments and total Company revenues and net income for the nine months ended September 30, 2001 and 2000 and identifiable assets as of September 30, 2001 and December 31, 2000 (Amounts in 000's).

6. RECENT ISSUED ACCOUNTING PRONOUNCEMENTS

In July 2001, the Financial Accounting Standards Board issued new pronouncements: Statement 141, "Business Combinations"; Statement 142, "Goodwill and Other Intangible Assets"; and Statement 143, "Accounting for Asset Retirement Obligations." Statement 141, which requires the purchase method of accounting for all business combinations, applies to all business combinations initiated after June 30, 2001 and to all business combinations accounted for by the purchase method that are completed after June 30, 2001. Statement 141 will not apply to the Company unless it enters into a future business combination. Statement 142 requires that goodwill as well as other intangible assets be tested annually for impairment. In addition, the Statement eliminates the current requirement to amortize goodwill or intangible assets with indeterminate lives, and is effective for fiscal years beginning after December 15, 2001. The Company is currently assessing the impact of Statement 142 on its financial condition and results of operations. Statement 143 requires entities to record the fair value of a liability for an asset retirement obligation in the period in which it is incurred and a corresponding increase in the carrying amount of the related long-lived asset. Statement 143 is effective for fiscal years beginning after June 15, 2002. The Company does not expect Statement 143 to impact its reported results.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

As previously reported, in January 2001 and May 2001, the staff of the Division of Corporation Finance of the Securities and Exchange Commission ("SEC") reviewed the Company's 1999 and 2000 Forms 10-K, respectively. On May 11, 2001, the Company received a letter from the staff of the Division of Corporation Finance advising that, after reviewing the Company's Forms 10-K, it was the position of the Division that the Company's accounting for commission advance receivables was not in accordance with GAAP. The Company subsequently appealed this decision to the Chief Accountant of the SEC. On July 25, 2001, the Company announced that the Chief Accountant concurred with the prior staff opinion of the Division of Corporation Finance. The Company subsequently announced that it would not pursue any further appeals and that it would amend its previously filed SEC reports to restate the Company's financial statements to reflect the SEC's position that the Company's advance commission payments should be expensed when paid. As previously discussed, the change in accounting treatment reduced total assets from \$247 million at December 31, 2000 to \$93 million, reduced total liabilities from \$100 million to \$48 million (due to the elimination of deferred taxes related to the receivables) and therefore reduced stockholders' equity from \$147 million to \$45 million. The elimination of the receivables reduced 2000 net income from \$43.6 million, or \$1.92 per diluted share, to \$20.5 million, or \$.90 per diluted share. The Company expects to amend its 2000 Annual Report on Form 10-K in the near future to reflect the change in accounting for commission advance receivables and restate all periods included

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

in the 2000 Form 10-K. The financial statements and the explanation thereof contained in this Form 10-Q reflect the change in the accounting treatment for advance payments made to associates.

Results of Operations - Nine months ended 9/30/01 compared to nine months

ended 9/30/00

The Company reported net income applicable to common shares of \$18.9 million, or \$.88 per diluted common share, for the nine months ended September 30, 2001, up 24% from net income applicable to common stockholders of \$15.3 million, or \$.67 per diluted common share, for the comparable period of the prior year. The increase in the net income applicable to common shares for the 2001 period is primarily the result of increases in Membership fees for 2001 as compared to 2000.

Membership fees totaled \$194.0 million during 2001 compared to \$153.2 million for 2000, an increase of 27%. Membership fees and their impact on total revenues in any period are determined directly by the number of active Memberships in force during any such period. The active Memberships in force are determined by both the number of new Memberships sold in any period together with the renewal rate of existing Memberships. New Membership sales increased 9% during the nine months ended September 30, 2001 to 548,967 from 504,408 during the comparable period of 2000. At September 30, 2001, there were 1,216,889 active Memberships in force compared to 1,018,181 at September 30, 2000, an increase of 20%. Additionally, the average annual fee per Membership has increased from \$243 for all Memberships in force at September 30, 2000 to \$251 for all Memberships in force at September 30, 2001, a 3% increase. This increase is a result of a higher portion of active Memberships containing the Legal Shield benefit and the additional pre-trial hours benefit at an additional cost and increased sales of the Business Owners' Legal Solutions plan.

Associate services revenue increased 14% from \$23.5 million for the first nine months of 2000 to \$26.8 million during the same period of 2001 primarily as a result of more new associates recruited and of the Fast Start program which generated training fees of approximately \$14.6 million during the first nine months of 2001 compared to \$12.7 million for the comparable period of 2000. The field training program, titled Fast Start to Success ("Fast Start") is aimed at increasing the level of new Membership sales per associate. Fast Start requires a training fee of \$184 per new associate and upon successful completion of the program provides for the payment of certain training bonuses. The \$14.6 million and \$12.7 million for the nine month periods ending September 30, 2001 and 2000, respectively, in training fees was comprised of \$184 from each of approximately 79,584 new sales associates who elected to participate in Fast Start during the first nine months of 2001 compared to 69,251 that participated during the comparable period of 2000. New associates enrolled during the first nine months of 2001 were 83,193 compared to 74,273 for the same period of 2000, an increase of 12%.

Other income decreased from \$5.1 million for the first nine months of 2000 to \$3.6 million during the same period of 2001, primarily due to a reduction in product sales and UFL's claims processing revenue.

Primarily as a result of the increase in Membership fees and associate services, total revenues increased to \$224.4 million for the nine months ended September 30, 2001 from \$181.7 million during the comparable period of 2000, an increase of 24%.

Membership benefits totaled \$64.8 million for the nine months ended September 30, 2001 compared to \$51.0 million for the comparable period of 2000,

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

an increase of 27%, and represented 33.4% and 33.3% of Membership fees for 2001 and 2000, respectively. This Membership benefit ratio (Membership benefits as a percentage of Membership fees) should remain near 35% as substantially all active Memberships provide for a capitated benefit.

Commission payments to associates increased 16% to \$84.2 million for the nine months ended September 30, 2001 compared to \$72.4 million for the comparable period of 2000, and represented 43% and 47% of Membership fees for such periods. These amounts were reduced by \$1.8 million and \$1.3 million, respectively, representing Membership lapse fees. These fees are determined by applying the prime interest rate to the advance commission payment balance pertaining to lapsed Memberships. The Company realizes and recognizes this fee only when the amount of the calculated fee is collected by withholding from cash commissions payments due the associate, because the Company's ability to recover fees in excess of current payments is primarily dependant on the associate selling new Memberships which qualify for advance commission payments. Commission payments to associates per new membership sold were \$153 per membership for the nine months ended September 30, 2001 compared to \$143 for the comparable period of 2000. This \$10 increase in commission payments per new member was primarily due to increased advance commission payments to new associates during the second and third quarter of 2001.

Associate services and direct marketing expenses increased to \$21.6 million for the nine months ended September 30, 2001 from \$17.0 million for the comparable period of 2000. Fast Start bonuses incurred were approximately \$7.0 million during the first nine months of 2001 compared to \$5.6 million in the same period of 2000. Additional costs due to increased enrollment of new associates and purchases of marketing and promotional supplies by associates also contributed to the increase. These expenses also include marketing costs, other than commissions, that are directly associated with new Membership sales.

General and administrative expenses during the nine months ended September 30, 2001 and 2000 were \$21.1 million and \$17.5 million, respectively, and represented 10.9% and 11.4% of Membership fees for such years. Management expects further gradual decreases in general and administrative expenses when expressed as a percentage of Membership fees as a result of certain economies of scale.

Other expenses, which includes depreciation and amortization, premium taxes and product costs reduced by interest income, increased to \$3.1 million for the nine months ended September 30, 2001 from \$1.9 million for comparable period of 2000. Depreciation and amortization increased to \$3.0 million for the first nine months of 2001 from \$2.0 million for the comparable period of 2000. Premium taxes increased from \$1.2 million for the nine months ended 2000 to \$1.7 million for the same period of 2001. Product costs declined by approximately \$590,000 during the 2001 period from the first nine months of 2000. Interest income increased by approximately \$75,000 for the first nine months of 2001 to \$2.0 million due to an increase in investment balances.

The Company has recorded a provision for income taxes of \$9.8 million (34.2% of pretax income) for the first nine months of 2001 compared to \$6.0 million (28.3% of pretax income) for the same period of 2000. The decrease in the effective tax rate for 2000 was due to the recognition of certain income tax credits.

The Company did not pay preferred stock dividends during the first nine months of 2001 since during the second quarter of 2000, all shares of preferred stock were converted into shares of common stock or repurchased by the Company. Dividends paid on outstanding preferred stock were \$4,000 for the nine-month period ended September 30, 2000.

Results of Operation - Third Quarter of 2001 compared to the Third Quarter

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

of 2000

The results of operations in the third quarter of 2001, compared to the third quarter of 2000, reflect increases in revenues and expenses primarily as a result of the same factors discussed in the comparison of the first nine months of 2001 to the first nine months of 2000.

Total revenues increased 17% or approximately \$11.0 million to \$76.6 million in the third quarter of 2001 compared to \$65.6 million in the third quarter of 2000, primarily as a result of increases in membership premiums offset by a reduction in associate services revenue. The membership premium increase of 24% primarily resulted from an increase in the number of average active memberships during the third quarter of 2001 compared to the similar period in 2000. Associate services revenue decreased 24% from \$10.1 million for the third quarter of 2000 to \$7.7 million during the same period of 2001 primarily as a result of fewer new associates being recruited.

Membership benefits totaled \$22.4 million in the 2001 third quarter compared to \$18.6 million in the 2000 third quarter and resulted in a loss ratio of 33% and 34%, respectively.

Commission payments to associates increased 20% to \$28.5 million for the three months ended September 30, 2001 compared to \$23.8 million for the comparable period of 2000, and represented 42% and 44% of Membership fees for such periods. These amounts were reduced by \$577,000 and \$559,000, respectively, representing Membership lapse fees. Commission payments to associates per new membership sold were \$161 per membership for the three months ended September 30, 2001 compared to \$139 for the comparable period of 2000. This \$22 increase in commission payments per new member was primarily due to increased advance commission payments to new associates during the third quarter of 2001. Effective October 1, 2001 new associates must qualify to receive advance commissions; accordingly management expects future commission payments per new member to be between \$145 and \$155.

Associate services and direct marketing expenses decreased to \$5.3 million for the third quarter of 2001 from \$7.1 million for the comparable period of 2000 primarily due to the reduction in new associates recruited during the period.

General and administrative expenses during the three months ended September 30, 2001 and 2000 were \$7.7 million and \$5.8 million, respectively, and represented 11.4% and 10.6% of Membership fees.

The Company has recorded a provision for income taxes of \$3.9 million (35% of pretax income) for the three months ended September 30, 2001 compared to \$2.5 million (25% of pretax income) for the same period of 2000. The decrease in the effective tax rate for 2000 was due to the recognition of certain income tax credits.

The above factors resulted in a 2001 third quarter net income applicable to common shareholders of \$7.3 million, or \$.34 per share, diluted, compared to \$7.3 million, or \$.32 per share, for the third quarter of 2000.

Liquidity and Capital Resources

General

Consolidated net cash provided by operating activities was \$24.5 million for the first nine months of 2001 compared to \$16.6 million for the 2000 period. The increase of \$7.9 million in cash provided by operating activities during the

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

first nine months of 2001 compared to the same period of 2000 resulted primarily from the increase in net income of \$3.6 million, the \$1 million increase in depreciation and amortization, \$1.4 million change in Membership income receivable and the change in the net increase in accounts payable and accrued expenses of \$4.3 million partially offset by the \$1.9 million change in the provision for deferred income taxes.

Consolidated net cash used in investing activities was \$7.0 million for the first nine months of 2001 compared to \$4.4 million for the comparable period of 2000. This \$2.6 million increase in cash used in investing activities resulted primarily from the \$3.2 million increase in the purchases of investments and the \$1.8 million increase in net additions to property and equipment offset by the \$2.3 million change in the maturities and sales of investments.

Net cash used in financing activities during the first nine months of 2001 was \$15.9 million compared to \$2.3 million for the comparable period of 2000. This \$13.6 million change was primarily due to the \$12.6 million increase in treasury stock purchases during the first nine months of 2001 as compared to the comparable period of 2000.

The Company had a consolidated working capital surplus of \$6.7 million at September 30, 2001, an increase of \$1.9 million compared to a consolidated working capital surplus of \$4.8 million at December 31, 2000. The \$1.9 million increase in working capital during the first nine months of 2001 was primarily due to the \$1.5 million increase in cash and cash equivalents, a \$1.2 million decrease in available-for-sale investments, a \$3.9 million increase in deferred income taxes offset by a \$1.2 million increase in deferred Membership revenue and fees and associate fees and an \$580,000 increase in accrued Membership benefits and a \$635,000 increase in accounts payable and accrued expenses.

At September 30, 2001 the Company reported \$45.4 million in cash and investments (after utilizing more than \$15.8 million to repurchase approximately 917,000 shares of its common stock during the nine months ending September 30, 2001) compared to \$41.3 million at December 31, 2000. The Company's investments consist of common stocks, investment grade (rated Baa or higher) preferred stocks and investment grade bonds primarily issued by corporations, the United States Treasury, federal agencies, federally sponsored agencies and enterprises as well as mortgage-backed securities and state and municipal tax-exempt bonds.

The Company generally advances and immediately expenses for financial reporting purposes significant commission payments to associates at the time a Membership is sold. During the nine months ended September 30, 2001, the Company made advance commission payments to associates of \$83.9 million on new Membership sales compared to \$73.0 million for the same period of 2000. Since approximately 94% of Membership premiums are collected on a monthly basis, a significant cash flow deficit is created at the time a Membership is sold. However, these advance commission payments will result in significantly lower future commission payments to associates because associates are not entitled to receive commissions until the advance is repaid through commissions otherwise earned by the associate. Advance commission payments to associates were reduced by earned commissions of \$46.4 million and \$37.5 million for the nine-month periods ended September 30, 2001 and 2000, respectively. Although the advance payments are immediately expensed and therefore not recorded as an asset, the Company assesses recoverability of its advance payments quarterly based on estimates of the future commissions to be earned on active memberships.

While not recorded on the balance sheet, unearned commission payments to associates for the nine months ended September 30, 2001 were as follows:

(in thousands)

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Unearned advance commission payments at December 31, 2000.....	\$	167,193
Advance commission payments, net.....		83,947
Earnings applied to advance commission payments.....		(46,393)
Advance commission payment write-offs.....		(1,399)
Balance at September 30, 2001 before estimated unrecoverable payments.....		203,348
Estimated unrecoverable advance commission payments.....		(13,686)
Unearned advance commission payments at September 30, 2001.....	\$	189,662

Unearned advance commission payments outstanding at September 30, 2001 included \$33.0 million attributable to associates that are not "vested" and have lost their right to any further commissions earned on Memberships. An associate is considered to be "vested" if he or she has sold at least three new Memberships per quarter or if he or she retains a personal Membership. As such, at September 30, 2001 future commission payments and related expense will be reduced as unearned advance commission payments of \$156.7 million are recovered.

The Company has not historically demanded repayment of advances to associates from sources other than future earned commissions, even when management has reason to believe that future earned commissions to which the associate may be entitled would be insufficient to recover the advance. This policy is based on management's judgement that pursuit of collection would have the potential to disrupt the Company's relationship with its sales associates and potentially adversely affect shareholder value. A substantial amount of advances, estimated at \$13.7 million at September 30, 2001, are not expected to be recovered from future earned commissions.

The Company believes that it has significant ability to finance expected future growth in Membership sales based on its existing amount of cash and cash equivalents and unpledged investments at September 30, 2001 of \$39.2 million and the cash flow generated from operations. The Company expects to maintain cash and investment balances on an on-going basis of approximately \$30 to \$40 million in order to meet expected working capital needs and regulatory capital requirements. Cash balances in excess of this amount would be used for discretionary purposes such as stock repurchases. The Company has completed a \$17.5 million line of credit facility and continues to consider borrowing funds in order to continue or increase the rate of stock repurchases, including financing its new corporate headquarters in order to allow cash flow from operations to continue to be used to repurchase stock.

The Company's Board of Directors has previously approved the borrowing of up to \$30 million to repurchase common stock and to finance the construction of its new headquarters (estimated to be approximately \$25 million) and authorized an additional 1 million shares to be repurchased. The Company has Board authorization to repurchase 1.4 million shares of its common stock in the open market from time to time.

On November 6, 2001, the Company entered into a \$17.5 million line of credit with Bank of Oklahoma, N.A. in order to fund additional stock repurchases. The line of credit provides for immediate funding of up to \$17.5 million with scheduled repayments beginning February 15, 2002 and ending November 15, 2002 with interest at the Libor rate plus 2% per annum or the prime rate minus 1/2 percent per annum as selected by the Company. The loan is secured by the Company's rights to receive membership fees on a portion of its memberships.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

The terms of this loan have various covenants customary for similar transactions, including that the Company:

- o Maintain a debt service coverage ratio (as defined in the Loan Agreement) of at least 1.25 to 1;
- o Maintain a 12 month weighted average retention rate of not less than 70% for contracts entered which have been in existence for greater than 18 months; and
- o Maintained a funded debt to tangible net worth ratio of not greater than 3 to 1.
- o Not incur liens or aggregate debt in excess of \$19.5 million;
- o Not engage in mergers, acquisitions or sales of assets;
- o Not pay dividends or make any distributions to shareholders;
- o Not guarantee the obligations of others; and
- o Not enter into transactions with affiliates on less than arms-length terms.

Parent Company Funding and Dividends

Although the Company is the operating entity in many jurisdictions, the Company's subsidiaries serve as operating companies in various states that regulate Memberships as insurance or specialized legal expense products. The most significant of these wholly owned subsidiaries are PPLCI, UFL and PPLSIF. The ability of PPLCI, UFL and PPLSIF to provide funds to the Company is subject to a number of restrictions under various insurance laws in the jurisdictions in which PPLCI, UFL and PPLSIF conduct business, including limitations on the amount of dividends and management fees that may be paid and requirements to maintain specified levels of capital and reserves. In addition PPLCI and UFL are required to maintain its stockholders' equity at levels sufficient to satisfy various state regulatory requirements, the most restrictive of which is currently \$3 million for PPLCI. Additional capital requirements of PPLCI, UFL or PPLSIF, if needed, would be funded by the Company in the form of capital contributions or surplus debentures.

dispositions of assets or businesses, enter into new marketing arrangements or enter into financing transactions. None of these can be predicted with certainty and, accordingly, are not taken into consideration in any of the Forward-Looking Statements made herein. For all of the foregoing reasons, actual results may vary materially from the Forward-Looking Statements. The Company assumes no obligation to update the Forward-Looking Statements to reflect events or circumstances occurring after the date of the statement.

Risk Factors

As noted above there are a number of risk factors that could affect our financial condition or results of operations. The status of pending SEC inquiries with respect to certain of our accounting practices has been updated as described in Note 2 (Contingencies) and Item 1 Legal Proceedings. Please refer to page 30 and 31 of the Company's 2000 Annual Report on Form 10-K for a description of other risk factors.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company's consolidated balance sheets include a certain amount of assets and liabilities whose fair values are subject to market risk. Due to the Company's significant investment in fixed-maturity investments, interest rate risk represents the largest market risk factor affecting the Company's consolidated financial position. Increases and decreases in prevailing interest rates generally translate into decreases and increases in fair values of those instruments. Additionally, fair values of interest rate sensitive instruments may be affected by the creditworthiness of the issuer, prepayment options, relative values of alternative investments, liquidity of the instrument and other general market conditions.

As of September 30, 2001, substantially all of the Company's investments were in investment grade (rated Baa or higher) fixed-maturity investments, interest-bearing money market accounts and a collateralized repurchase agreement. The Company does not hold any investments classified as trading account assets or derivative financial instruments.

The table below summarizes the estimated effects of hypothetical increases and decreases in interest rates on the Company's fixed-maturity investment portfolio. It is assumed that the changes occur immediately and uniformly, with no effect given to any steps that management might take to counteract that change. The hypothetical changes in market interest rates reflect what could be deemed best and worst case scenarios. The fair values shown in the following table are based on contractual maturities. Significant variations in market interest rates could produce changes in the timing of repayments due to prepayment options available. The fair value of such instruments could be affected and, therefore, actual results might differ from those reflected in the following table:

Fair Value	Hypothetical change in inter rate (bp=basis poin
-----	-----
	(Dollars in thousands)

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

Fixed-maturity investments at September 30, 2001 (1).....	\$27,568	100 bp increase 200 bp increase 50 bp decrease 100 bp decrease
Fixed-maturity investments at December 31, 2000 (1).....	\$25,480	100 bp increase 200 bp increase 50 bp decrease 100 bp decrease

(1) Excluding short-term investments with a fair value of \$3.3 and \$3.9 million at September 30, 2001 and December 31, 2000, respectively.

The table above illustrates, for example, that an instantaneous 200 basis point increase in market interest rates at September 30, 2001 would reduce the estimated fair value of the Company's fixed-maturity investments by approximately \$1.7 million at that date. At December 31, 2000, an instantaneous 200 basis point increase in market interest rates would have reduced the estimated fair value of the Company's fixed-maturity investments by approximately \$1.7 million at that date. The definitive extent of the interest rate risk is not quantifiable or predictable due to the variability of future interest rates, but the Company does not believe such risk is material.

The Company primarily manages its exposure to interest rate risk by purchasing investments that can be readily liquidated should the interest rate environment begin to significantly change.

SECURITY AGREEMENT

SECURITY AGREEMENT dated November 6, 2001, made by Pre-Paid Legal Services, Inc., an Oklahoma corporation (the "Company"), and Bank of Oklahoma, N.A. (the "Bank") in connection with the Loan Agreement (as hereinafter defined).

BACKGROUND: The Company and the Bank have entered into a Loan Agreement of even date herewith (said Agreement, as it may hereafter be amended or otherwise modified from time to time, being the "Loan Agreement"). It is a material condition precedent to the making of advances by the Bank under the Loan Agreement that the Company make the pledge and grant the assignment and security interest contemplated by this Agreement. In the ordinary course of its business, the Borrower enters into legal service contracts with customers whereby the customer pays periodic membership fees and the Borrower provides certain specified legal services if and to the extent the customer needs such services. In approximately sixteen (16) states, the Borrower's contracts are regulated as insurance instruments and/or pursuant to special statutory provisions relating to legal services programs. In other jurisdictions, there is no such governmental regulation of the contracts. All of the Borrower's contracts, which are not regulated, are referred to herein as the "Contracts".

THEREFORE, in order to induce the Bank to make advances under the Loan Agreement, the Company agrees with the Bank as follows:

Section 1. Definitions. All capitalized terms used herein without definitions shall have the respective meanings provided therefor in the Loan Agreement. The term "State," as used herein, means the State of Oklahoma. All terms defined in Article 9 of the Uniform Commercial Code of the State and used herein shall have the same definitions herein as specified therein. The term "Obligations," as used herein, means all of the indebtedness, obligations, and liabilities of the Company to the Bank, individually or collectively, whether direct or indirect, joint or several, absolute or contingent, due or to become due, now existing or hereafter arising under or in respect of the Loan Agreement, and any promissory notes or other instruments or agreements executed and delivered pursuant thereto or in connection therewith or this Agreement, and the term "Event of Default," as used herein, means the failure of the Company to pay or perform any of the Obligations as and when due to be paid or performed under the terms of the Loan Agreement, or the occurrence of any Default or Event of Default, as those terms are defined in the Loan Agreement.

Section 2. Grant of Security Interest. The Company hereby grants to the Bank, to secure the payment and performance in full of all of the Obligations, a security interest in and so pledges and assigns to the Bank the following properties, assets, and rights of the Company, wherever located, whether now owned or hereafter acquired or arising, and all proceeds and products thereof (all of the same being hereinafter called the "Collateral"): all rights to receive payments from members and/or to receive any other payments or revenues of any nature whatsoever pursuant to the terms of the Contracts or otherwise associated with the Contracts.

Section 3. Authorization to File Financing Statements. The Company hereby irrevocably authorizes the Bank at any time and from time to time to file in any Uniform Commercial Code jurisdiction any initial financing statements and amendments thereto that describe the Collateral and contain any other information required by Article 9 of the Uniform Commercial Code of the State for the sufficiency or filing office acceptance of any financing statement or amendment, including whether the Company is an organization, the type of organization and any organization identification number issued to the Company.

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

The Company agrees to furnish any such information to the Bank promptly upon request. The Company also ratifies its authorization for the Bank to have filed in any Uniform Commercial Code jurisdiction any like initial financing statements or amendments thereto if filed prior to the date hereof.

Section 4. Representations and Warranties Concerning Company's Legal Status. The Company has previously delivered to the Bank a certificate signed by the Company and entitled "Perfection Certificate" (the "Perfection Certificate"). The Company represents and warrants to the Bank as follows: (a) the Company's exact legal name is that indicated on the Perfection Certificate and on the signature page hereof, (b) the Company is an organization of the type and organized in the jurisdiction set forth in the Perfection Certificate, (c) the Perfection Certificate accurately sets forth the Company's organizational identification number or accurately states that the Company has none, (d) the Perfection Certificate accurately sets forth the Company's place of business or, if more than one, its chief executive office as well as the Company's mailing address if different, and (e) all other information set forth on the Perfection Certificate pertaining to the Company is accurate and complete.

Section 5. Covenants Concerning Company's Legal Status. The Company covenants with the Bank as follows: (a) without providing at least 30 days prior written notice to the Bank, the Company will not change its name, its place of business or, if more than one, chief executive office, or its mailing address or organizational identification number if it has one, (b) if the Company does not have an organizational identification number and later obtains one, the Company shall forthwith notify the Bank of such organizational identification number, and (c) the Company will not change its type of organization, jurisdiction of organization, or other legal structure.

Section 6. Representations and Warranties Concerning Collateral, Etc. The Company further represents and warrants to the Bank as follows: (a) the Company is the owner of the Collateral, free from any adverse lien, security interest, or other encumbrance, except for the security interest created by this Agreement, (b) all lists and other supporting documentation furnished to Bank with respect to the Contracts is true and correct in all material respects; and (c) all other information set forth on the Perfection Certificate pertaining to the Collateral is accurate and complete.

Section 7. Covenants Concerning Collateral, Etc. The Company further covenants with the Bank as follows: (a) except for the security interest herein granted, the Company shall be the owner of the Collateral free from any lien, security interest, or other encumbrance, and the Company shall defend the same against all claims and demands of all persons at any time claiming the same or any interests therein adverse to the Bank, (b) the Company shall not pledge, mortgage, or create, or suffer to exist a security interest in the Collateral in favor of any person other than the Bank, (c) the Company will fully perform all of its obligations under the Contracts, (d) as provided in the Loan Agreement, the Company will permit the Bank, or its designee, to inspect the books and records associated with the Collateral at any reasonable time, wherever located, (e) the Company will pay promptly when due all taxes, assessments, governmental charges, and levies upon the Collateral or incurred in connection with the Contracts or incurred in connection with this Agreement, (f) the Company will continue to operate its business in compliance with all applicable provisions of the federal Fair Labor Standards Act, as amended, and with all applicable provisions of federal, state, and local statutes and ordinances, and (g) the Company will not sell or otherwise dispose, or offer to sell or otherwise dispose, of the Collateral or any interest therein.

7.1 Expenses Incurred by Bank. In its discretion, the Bank may discharge taxes and other encumbrances at any time levied or placed on any of the Collateral, and pay any necessary filing fees or other amounts necessary to preserve the value associated with the Contracts. The Company

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

agrees to reimburse the Bank on demand for any and all expenditures so made. The Bank shall have no obligation to the Company to make any such expenditures, nor shall the making thereof relieve the Company of any default.

7.2 Bank's Obligations and Duties. Anything herein to the contrary notwithstanding, the Company shall remain liable under all Contracts and shall perform all obligations to be observed or performed by the Company thereunder. The Bank shall not have any obligation or liability under any such contract or agreement by reason of or arising out of this Agreement or the receipt by the Bank of any payment relating to any of the Collateral, nor shall the Bank be obligated in any manner to perform any of the obligations of the Company under or pursuant to any such contract or agreement, to make inquiry as to the nature or sufficiency of any payment received by the Bank in respect of the Collateral or as to the sufficiency of any performance by any party under any such contract or agreement, to present or file any claim, to take any action to enforce any performance, or to collect the payment of any amounts which may have been assigned to the Bank or to which the Bank may be entitled at any time or times. The Bank's sole duty with respect to the custody, safe keeping, and physical preservation of the Collateral in its possession, shall be to deal with such Collateral in the same manner as the Bank deals with similar property for its own account.

Section 8. Contracts and Deposits. The Bank may at any time following and during the continuance of an Event of Default, at its option, transfer to itself or any nominee the Collateral, receive any income thereon, and hold such income as additional Collateral or apply it to the Obligations. Whether or not any Obligations are due, the Bank may following and during the continuance of an Event of Default demand, sue for, collect, or make any settlement or compromise which it deems desirable with respect to the Collateral. Regardless of the adequacy of Collateral or any other security for the Obligations, any deposits or other sums at any time credited by or due from the Bank to the Company may at any time be applied to or set off against any of the Obligations.

Section 9. Control of Collateral Proceeds. If an Event of Default shall have occurred and be continuing, the Company shall, at the request of the Bank, take any action requested by the Bank to ensure that the Bank obtains the full and immediate control of the Collateral. After the making of such a request or the giving of any such notification, the Company shall hold any proceeds associated with the Contracts as trustee for the Bank without commingling the same with other funds of the Company and shall turn the same over to the Bank in the identical form received, together with any necessary endorsements or assignments. The Bank shall apply the proceeds associated with the Contracts to the Obligations, such proceeds to be immediately entered after final payment in cash or other immediately available funds of the items giving rise to them.

Section 10. Power of Attorney.

10.1 Appointment and Powers of Bank. The Company hereby irrevocably constitutes and appoints the Bank and any officer or agent thereof, with full power of substitution, as its true and lawful attorneys-in-fact with full irrevocable power and authority in the place and stead of the Company or in the Bank's own name, for the purpose of carrying out the terms of this Agreement, to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement and, without limiting the generality of the foregoing, hereby gives said attorneys the power and right, on behalf of the Company, without notice to or assent by the Company, to do the following: (a) upon the occurrence and during the continuance of an Event of Default, to sell, transfer, pledge, make any agreement with respect to, or otherwise deal with any of the Collateral in

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

such manner as is consistent with the Uniform Commercial Code of the State of Oklahoma and as fully and completely as though the Bank were the absolute owner thereof for all purposes, and to do at the Company's expense, at any time, or from time to time, all acts and things which the Bank deems necessary to protect, preserve, or realize upon the Collateral and the Bank's security interest therein, in order to effect the intent of this Agreement, all as fully and effectively as the Company might do; and (b) to the extent that the Company's authorization given in Section 3 is not sufficient, to file such financing statements with respect hereto, with or without the Company's signature, or a photocopy of this Agreement in substitution for a financing statement, as the Bank may deem appropriate and to execute in the Company's name such financing statements and amendments thereto and continuation statements which may require the Company's signature.

10.2 Ratification by Company. To the extent permitted by law, the Company hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof. This power of attorney is a power coupled with an interest and shall be irrevocable. 10.3 No Duty on Bank. The powers conferred on the Bank hereunder are solely to protect its interests in the Collateral and shall not impose any duty upon it to exercise any such powers. The Bank shall be accountable only for the amounts that it actually receives as a result of the exercise of such powers, and neither it nor any of its officers, directors, employees or agents shall be responsible to the Company for any act or failure to act, except for the Bank's own gross negligence or willful misconduct.

Section 11. Remedies. If an Event of Default shall have occurred and be continuing, the Bank may, without notice to or demand upon the Company, declare this Agreement to be in default, and the Bank shall thereafter have in any jurisdiction in which enforcement hereof is sought, in addition to all other rights and remedies, the rights and remedies of a secured party under the Uniform Commercial Code of the State of Oklahoma. The Bank may in its discretion require the Company to assemble all or any part of the Collateral at such location or locations within the jurisdiction(s) of the Company's principal office(s) or at such other locations as the Bank may reasonably designate. Unless the Collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market, the Bank shall give to the Company at least five business days prior written notice of the time and place of any public sale of Collateral or of the time after which any private sale or any other intended disposition is to be made. The Company hereby acknowledges that five business days prior written notice of such sale or sales shall be reasonable notice. In addition, the Company waives any and all rights that it may have to a judicial hearing in advance of the enforcement of any of the Bank's rights hereunder, including, without limitation, its right following an Event of Default to take immediate possession of the Collateral and to exercise its rights with respect thereto.

Section 12. Standards for Exercising Remedies. To the extent that applicable law imposes duties on the Bank to exercise remedies in a commercially reasonable manner, the Company acknowledges and agrees that it is not commercially unreasonable for the Bank (a) to fail to incur expenses reasonably deemed significant by the Bank to prepare Collateral for disposition or otherwise to complete raw material or work in process into finished goods or other finished products for disposition, (b) to fail to obtain third-party consents for access to Collateral to be disposed of, or to obtain or, if not required by other law, to fail to obtain governmental or third-party consents for the collection or disposition of Collateral to be collected or disposed of, (c) to fail to exercise collection remedies against account debtors or other persons obligated on Collateral or to remove liens or encumbrances on or any adverse claims against Collateral, (d) to exercise collection remedies against account debtors and other persons obligated on Collateral directly or through

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

the use of collection agencies and other collection specialists, (e) to advertise dispositions of Collateral through publications or media of general circulation, whether or not the Collateral is of a specialized nature, (f) to contact other persons, whether or not in the same business as the Company, for expressions of interest in acquiring all or any portion of the Collateral, (g) to hire one or more professional auctioneers to assist in the disposition of Collateral, whether or not the collateral is of a specialized nature, (h) to dispose of Collateral by utilizing Internet sites that provide for the auction of assets of the types included in the Collateral or that have the reasonable capability of doing so, or that match buyers and sellers of assets, (i) to dispose of assets in wholesale rather than retail markets, (j) to disclaim disposition warranties, (k) to purchase insurance or credit enhancements to insure the Bank against risks of loss, collection, or disposition of Collateral or to provide to the Bank a guaranteed return from the collection or disposition of Collateral, or (l) to the extent deemed appropriate by the Bank, to obtain the services of other brokers, investment bankers, consultants, and other professionals to assist the Bank in the collection or disposition of any of the Collateral. The Company acknowledges that the purpose of this Section 12 is to provide nonexhaustive indications of what actions or omissions by the Bank would not be commercially unreasonable in the Bank's exercise of remedies against the Collateral and that other actions or omissions by the Bank shall not be deemed commercially unreasonable solely on account of not being indicated in this Section 12. Without limitation upon the foregoing, nothing contained in this Section 12 shall be construed to grant any rights to the Company or to impose any duties on the Bank that would not have been granted or imposed by this Agreement or by applicable law in the absence of this Section 12.

Section 13. No Waiver by Bank, Etc. The Bank shall not be deemed to have waived any of its rights upon or under the Obligations or the Collateral unless such waiver shall be in writing and signed by the Bank. No delay or omission on the part of the Bank in exercising any right shall operate as a waiver of such right or any other right. A waiver on any one occasion shall not be construed as a bar to or waiver of any right on any future occasion. All rights and remedies of the Bank with respect to the Obligations or the Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly, alternatively, successively, or concurrently at such time or at such times as the Bank deems expedient.

Section 14. Marshalling. The Bank shall not be required to marshal any present or future collateral security (including but not limited to this Agreement and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that it lawfully may, the Company hereby agrees that it will not invoke any law relating to the marshalling of collateral which might cause delay in or impede the enforcement of the Bank's rights under this Agreement or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Company hereby irrevocably waives the benefits of all such laws.

Section 15. Proceeds of Dispositions; Expenses. The Company shall pay to the Bank on demand any and all expenses, including reasonable attorneys' fees and disbursements, incurred or paid by the Bank in protecting, preserving, or enforcing the Bank's rights under or in respect of any of the Obligations or any of the Collateral. After deducting all of said expenses, the residue of any proceeds of collection or sale of the Obligations or Collateral shall, to the extent actually received in cash, be applied to the payment of the Obligations in such order or preference as the Bank may determine or in such order or

Edgar Filing: PRE PAID LEGAL SERVICES INC - Form 10-Q

preference as is provided in the Loan Agreement, proper allowance and provision being made for any Obligations not then due. Upon the final payment and satisfaction in full of all of the Obligations and after making any payments required by the Uniform Commercial Code of the State, any excess shall be returned to the Company, and the Company shall remain liable for any deficiency in the payment of the Obligations.

Section 16. Overdue Amounts. Until paid, all amounts due and payable by the Company hereunder shall be a debt secured by the Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Loan Agreement.

Section 17. Governing Law; Consent to Jurisdiction. This Agreement will be construed in accordance with the laws of the State of Oklahoma. The Company agrees that any suit for the enforcement of this Agreement may be brought in the courts of the State of Oklahoma or any federal court sitting therein and consents to the nonexclusive jurisdiction of such court and to service of process in any such suit being made upon the Company by mail at the address specified in the Loan Agreement. The Company hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

Section 18. Waiver of Jury Trial. THE COMPANY WAIVES ITS RIGHT TO A JURY TRIAL WITH RESPECT TO ANY ACTION OR CLAIM ARISING OUT OF ANY DISPUTE IN CONNECTION WITH THIS AGREEMENT, ANY RIGHTS OR OBLIGATIONS HEREUNDER, OR THE PERFORMANCE OF ANY SUCH RIGHTS OR OBLIGATIONS. Except as prohibited by law, the Company waives any right which it may have to claim or recover in any litigation referred to in the preceding sentence any special, exemplary, punitive, or consequential damages or any damages other than, or in addition to, actual damages.

Section 19. Miscellaneous. The headings of each section of this Agreement are for convenience only and shall not define or limit the provisions thereof. This Agreement and all rights and obligations hereunder shall be binding upon the Company and its respective successors and assigns, and shall inure to the benefit of the Bank and its successors and assigns. If any term of this Agreement shall be held to be invalid, illegal, or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Agreement shall be construed and be enforceable as if such invalid, illegal, or unenforceable term had not been included herein.
