INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of net assets available for benefits of Peoples Bancorp, Inc. Retirement Savings Plan as of December 31, 2001, and the related statements of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of Peoples Bancorp, Inc. Retirement Savings Plan as of December 31, 2000, were audited by other auditors whose report dated May 15, 2001, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with U. S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the December 31, 2001 financial statements referred to above present fairly, in all material respects, the net assets available for benefits with fund information of Peoples Bancorp, Inc. Retirement Savings Plan as of December 31, 2001, and the changes in net assets available for benefits with fund information for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included in Schedule H - Assets Held for Investment Purposes at End of Year referred to as "Supplemental Information" is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and,

Edgar Filing: PEOPLES BANCORP INC - Form 11-K

in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF PLAN

The following brief description of Peoples Bancorp, Inc. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Peoples Bancorp, Inc. and its Subsidiary, Peoples Bank, NA. The Plan is a qualified trust under Sections 401(a) and 401(k) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee of the Plan is Peoples Bank, NA.

Eligibility

Employees are eligible to participate in the Plan if they work 1,000 hours or more during the year, beginning the first calendar quarter after employment full time or upon reaching 1,000 hours part time. Employees may join the Plan on any calendar quarter beginning January 1, April 1, July 1 or October 1.

Contributions

Participants may elect to contribute up to 15% of pretax annual compensation and an additional 10% after tax annual compensation. Participants may also directly rollover amounts representing distributions from other qualified plans. In

Edgar Filing: PEOPLES BANCORP INC - Form 11-K

addition, Peoples Bancorp, Inc. or its Subsidiary will make a matching contribution on the employee's behalf. The amount of this matching contribution will be determined each year by the Employer's Board of Directors. Effective for 2001 and 2000, the Employer's matching was 100% of the employee's contribution up to the first 3% of the employee's compensation and 50% of the employee's contribution on the next 2% of the employee's compensation.

Participant Directed Investments

Participants direct the investment of their contributions and their allocated share of the matching contributions into various investment options offered by the Plan. The Plan currently offers eight funds as investment options for participants through the Plan's bank-administered trust fund with Peoples Bank, NA.

Participants may change their investment options quarterly.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Employer's matching contribution and Plan earnings. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately fully vested in their voluntary contributions, the Employer's matching contributions and actual earnings thereon.

Participant Loans Receivable

Participants may apply for a loan from their account under the Plan. Certain legal restrictions impose limits on the amount of the loan and repayment terms. The maximum loan amount is \$50,000. The specific limit for any participant is 50% of their account balance. If a participant has an existing loan at the time of application, the \$50,000 limit is reduced by the highest outstanding balance of the participant's loan over the previous twelve-month period or the total of all outstanding loans the day the new loan is granted. Generally, the participant's loan must be repaid within five years, unless the proceeds are used to purchase a principal residence.

Edgar Filing: PEOPLES BANCORP INC - Form 11-K

Payment of Benefits

The participant's benefit will equal the sum of the salary deferral, the voluntary nondeductible contribution, the rollover contribution and the Employer's matching contribution plus net income and net losses resulting from the investment of these amounts as valued on the valuation date as defined. Payment of such amounts upon termination of employment may be deferred until the participant reaches normal retirement, becomes eligible for early retirement benefits, terminates employment prior to retirement, becomes disabled or dies. If the benefit is \$5,000 or less, the benefit will be paid in a lump-sum payment. If the benefit exceeds \$5,000, the participant may elect to have benefits paid in a lump-sum payment or in equal installments over a fixed period of time not to exceed ten years.

If a participant dies without a surviving spouse, either before or after retirement, but before a complete distribution of their accounts, then the full value of the participant's accounts will be paid to a designated beneficiary. If a participant dies with a surviving spouse, either before or after retirement, but before a complete distribution of their accounts, then the full value of the participant's accounts will be paid to the surviving spouse.
