INDEPENDENT ACCOUNTANTS' REPORT

To the Board of Directors and Shareholder of
Sears Roebuck Acceptance Corp.:

We have reviewed the accompanying statements of financial position of Sears Roebuck Acceptance Corp. (a wholly-owned subsidiary of Sears, Roebuck and Co.) as of September 28, 2002 and September 29, 2001, and the related statements of income for the 13 week and 39 week periods then ended and cash flows for the 39 week periods then ended. These financial statements are the responsibility of Sears Roebuck Acceptance Corp.'s management.

We conducted our reviews in accordance with standards established by the American Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and of making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modifications that should be made to such financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

We have previously audited, in accordance with auditing standards generally accepted in the United States of America, the statement of financial position of Sears Roebuck Acceptance Corp. as of December 29, 2001 and the related statements of income, shareholder's equity and cash flows for the year then ended (not presented herein); and in our report dated January 17, 2002, we expressed an unqualified opinion on those financial statements. In our opinion, the information

Edgar Filing: SEARS ROEBUCK ACCEPTANCE CORP - Form 10-Q

set forth in the accompanying statement of financial position as of December 29, 2001 is fairly stated, in all material respects, in relation to the statement of financial position from which it has been derived.

Item 2. Analysis of Results of Operations

For the 13 weeks ended September 28, 2002, SRAC revenues decreased to \$257 million from \$260 million in the comparable 2001 period. For the 39 week period of 2002, SRAC's revenues declined to \$739 million from \$840 million for the comparable 2001 period. The decrease in revenue resulted from a reduction in the average rates on earning assets.

SRAC's interest and related expenses decreased to \$205 million from \$207 million and \$588 million from \$668 million for the 13 and 39 week periods ended September 28, 2002, respectively, as compared to the comparable 2001 periods. Interest and related expenses decreased during both periods of 2002 due to decreases in the cost of funds. SRAC's cost of short-term funds averaged 2.13% in the third quarter and 2.27% in the 39 week period of 2002 compared to 4.02% and 5.29% for the same periods in 2001. SRAC's cost of long-term funds averaged 6.53% and 6.54% in the 13 and 39 weeks of 2002 compared to 6.56% and 6.63% for the same periods in 2001. Reductions in interest and related expenses attributed to decreases in the cost of funds were partially offset during these periods by increases in average debt levels. SRAC's average debt increased to \$14.1 billion and \$14.2 billion in the 13 and 39 weeks of 2002, respectively, compared with \$13.7 billion and \$13.8 billion for the same periods in 2001.

SRAC's net income was \$34 million and \$98 million for the 13 and 39 weeks ended September 28, 2002 and \$34 million and \$111 million for the comparable 2001 periods.

SRAC's ratio of earnings to fixed charges for the 13 and 39 weeks of 2002 was 1.25 and 1.26 compared to 1.26 for both 2001 periods.

Item 4. Disclosure Controls and Procedures

Slook, Vice President, Finance (principal financial officer), have evaluated the effectiveness of the Company's "disclosure controls and procedures," as such term is defined in Rules 13a-14 and 15d-14 promulgated under the Securities Exchange Act of 1934, as amended, within 90 days of the filing date of this Quarterly Report on Form 10-Q.
