Item 2.02 – Results of Operations and Financial Condition

On July 22, 2009, Community Trust Bancorp, Inc. issued a press release announcing its intention to restate its first quarter 2009 financial statements and revising its earnings release for the quarter and six months ended June 30, 2009. A copy of the Company's press release is furnished and attached hereto as Exhibit 99.1 and is incorporated herein by reference. The information in Exhibit 99.1 attached hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, except as shall be expressly set forth by specific reference.

Item 4.02 -- Non-reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review

(a) On July 21, 2009, in connection with management's review and analysis of certain accounting matters, as described below, the Audit Committee of the Company's Board of Directors, upon a recommendation from management, concluded that the Company's previously released consolidated financial statements for the quarter ended March 31, 2009 should be restated and should no longer be relied upon.

As described below, the pending restatement is primarily the result of an accounting error related to the expensing of FDIC premiums, net of related Federal income tax expense. As a result of the restatement, earnings are \$6.6 million or \$0.44 per basic share for the Quarter ended March 31, 2009 rather than \$7.4 million or \$0.49 per basic share as previously reported.

The Company will file an amended Form 10-Q for the quarter ended March 31, 2009 reflecting the necessary adjustments with the Securities and Exchange Commission.

The Audit Committee and management have each discussed with BKD, LLP, the Company's independent registered public accounting firm, the matters disclosed in this Item 4.02 of the Current Report on Form 8-K.

FDIC Premiums

A correction has been made in the accounting for FDIC premiums to recognize the proper amount of expense in the appropriate periods. The correction required the recognition of an additional expense in the quarter ended March 31, 2009 of \$1.4 million without giving effect to the related tax benefit of \$0.5 million.

Income Tax Expense

In addition to the item noted above, as part of the restatement process, the Company has also recorded another adjustment to its first quarter 2009 financial statements. The restatement also includes the correction of a computational error related to the tax benefit associated with the Company's ESOP of \$0.1 million.
