INFORMATION TO BE INCLUDED IN REPORT

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

The Compensation and Executive Organization Committee (“Committee”) of the Board of Directors of The Hershey Company (“Company”) approved or recommended 2010 incentive compensation awards for the executive officers who were named in the Summary Compensation Table of our 2009 Proxy Statement. Those executive officers, who we refer to in this filing as the “named executive officers,” are D. J. West, President and Chief Executive Officer, H. P. Alfonso, Senior Vice President, Chief Financial Officer, J. P. Bilbrey, Senior Vice President, President Hershey North America, B. H. Snyder, Senior Vice President, General Counsel and Secretary, and M. G. Buck, Senior Vice President, Global Chief Marketing Officer.

The independent members of our Board of Directors also approved certain compensation for Mr. West, all as more fully described below.

2010 Annual Incentive Program (AIP) Target Awards. On February 22, 2010, the Committee approved 2010 contingent target awards for our named executive officers, excluding Mr. West, and recommended to the independent directors as a group a 2010 contingent target award for Mr. West, under the annual incentive program (“AIP”) of the Company’s Equity and Incentive Compensation Plan (“Incentive Plan”). For named executive officers other than Mr. West, the final award, if any, will be calculated as the product of the executive officer’s base salary, applicable target percentage (described below), a corporate performance score (weighted 75%) reflecting the Company’s achievement in 2010 of certain growth objectives (described below) and an individual performance score (weighted 25%) based upon the executive’s achievement in 2010 of certain individual strategic bonus goals. For Mr. West, the Committee recommended that the final award, if any, be calculated as the product of his base salary, applicable target percentage and the Company’s achievement of the 2010 corporate growth objectives. The corporate growth objectives are based upon the Company’s adjusted earnings per share-diluted (weighted 40%), consolidated net sales (weighted 40%) and operating cash flow (weighted 20%). The target percentage of base salary used in the 2010 AIP contingent target award for each of the named executive officers is as follows:

David J. West	120%
Humberto P. Alfonso	70%
John P. Bilbrey	80%
Michele G. Buck	60%
Burton H. Snyder	60%

The Committee may, in its discretion, increase or decrease by up to 30% the component of the final award paid to any named executive officer other than Mr. West based upon Company financial performance at the conclusion of the 2010 performance period, and for Mr. West, may recommend to the independent directors that a similar adjustment be made to his final award. Additionally, the Committee may reduce the final award by up to 10% for any named executive officer (excluding Mr. West) who does not adhere to and demonstrate Hershey’s corporate values.

The independent directors as a group approved the Committee's recommended 2010 AIP contingent target award for Mr. West on February 23, 2010.

Performance Stock Units (PSUs) for the 2010-2012 Cycle. On February 22, 2010, the Committee also approved contingent target awards of PSUs under the Incentive Plan for the named executive officers other than Mr. West, and recommended to the independent directors as a group a contingent target award of PSUs for Mr. West, for the 2010-2012 PSU performance cycle. Awards for the 2010-2012 performance cycle for all named executive officers (including Mr. West) will be based upon the following metrics: the Company's three-year relative total stockholder return ("TSR") versus a peer group of companies (50% of the target award); the Company's three-year compound annual growth in adjusted earnings per share-diluted measured against an internal target (12.5% of the target award); and annual growth in the Company's adjusted earnings per share-diluted measured against an internal target for each year of the three-year performance cycle (12.5% of the target award per year). Payment, if any, for awards will be made at the conclusion of the three-year performance cycle. The Committee will approve the targets for the annual adjusted earnings per share-diluted metrics at the beginning of each of the three years in the performance cycle. The total performance score for the three-year cycle can range from a minimum of 0% to a maximum of 250%. Upon completion of the performance cycle, an award will be paid, if at all, only in shares of our Common Stock. The independent directors as a group approved the Committee's recommended contingent target PSU award for Mr. West on February 23, 2010.

Stock Option Awards. The Committee approved stock option awards under the Incentive Plan for the named executive officers other than Mr. West, and recommended to the independent directors as a group a stock option award to Mr. West, on February 23, 2010. The independent directors as a group approved the grant of stock options to Mr. West that same day. All such awards were made subject to the Incentive Plan and the Terms and Conditions of Nonqualified Stock Option Awards, filed as Exhibit 10.1 to the Company's Quarterly Report on Form 10-Q for the quarter ending July 5, 2009.

Terms and Conditions Applicable to Restricted Stock Unit (RSU) Awards. On February 22, 2010, the Committee approved standard terms and conditions that will be applicable to RSUs awarded by the Committee to executive officers beginning in 2010. The Committee, however, did not make or recommend awards of RSUs to any executive officer during its February meetings. These terms and conditions are set forth in the Notice of Special Award of Restricted Stock Units, filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference into this Item 5.02.

Additional information regarding the compensation of the Company's executive officers will be provided in the Company's Proxy Statement for the 2010 Annual Meeting of Stockholders, which will be filed in March 2010.
