**Item 1.01 Entry into a Material Definitive Agreement**

On March 31, 2006, the Dominion Resources, Inc. (Dominion) Organization, Compensation and Nominating (OCN) Committee approved the 2006 Long-Term Compensation Program (the “Program”) for its officers, including those officers named in Dominion’s 2006 Proxy Statement. The Program is being awarded pursuant to Dominion’s 2005 Incentive Compensation Plan and consists of two components of equal value: a restricted stock grant and a cash-based performance grant. The restricted stock is subject to a three year cliff vesting period, while payout of the performance grant will be based on the achievement of two performance metrics: total shareholder return and return on invested capital. Payout on the performance grant will be made by March 2008, with the amount of the award to vary depending on the level of achievement of the performance metrics.

Also on March 31, 2006, the OCN Committee approved an amendment to the Employment Continuity Agreement (ECA) between Dominion and each officer. The ECA was amended to reflect a change in Dominion’s policy for pro-rata vesting for retirement, death, disability and termination without cause and (ii) to comply with new Internal Revenue Service rules for nonqualified deferred compensation. The amendment makes the vesting of any equity grant dependent on the terms of each grant; with any grants made before April 2006 continuing to fully vest upon a change in control.

The Forms of Restricted Stock Grant and Performance Grants are included as Exhibits 10.1 and 10.2. The amendment to the ECA is included as Exhibit A to the Form of Restricted Stock Grant.
