PART IV

OTHER INFORMATION

For the three months ended September 30, 2005, the Company expects to report total revenue of \$3,551,000, an increase of \$290,000 from revenue of \$3,261,000 in the comparable quarter last year. For the nine months ended September 30, 2005, the Company expects to report total revenue of \$11,701,000, an increase of \$887,000 from revenue of \$10,814,000 in the comparable period last year. The Company now expects to report that net loss and net loss per basic and diluted share, for the three and nine months ended September 30, 2005, will be materially less than it had previously announced on November 2, 2005. Such change is due to a non-cash gain in the value of the warrants issued by the Company in July 2005 and August 2005. The Company is in the process of performing a Black-Scholes valuation analysis on such warrants and cannot currently reasonably estimate the revised net loss and net loss per basic and diluted share for the three and nine months ended September 30, 2005.
