submit this application/declaration (the "Application") pursuant to Sections 6(a), 7, and 12(c) of the Act and Rules 26(c)(3), 42, 43, 44 and 46(a) thereunder with respect to the payment of dividends to, and/or the repurchase of stock from, NU out of capital or unearned surplus by NNECO through December 31, 2004.

2. NNECO is a service company under the Act whose sole activity was to act as agent for the NU System companies and other New England utilities in operating the Millstone Nuclear generating facilities located in Waterford, Connecticut ("Millstone"). Up until March 2001, such facilities were owned jointly by The Connecticut Light and Power Company ("CL&P") and Western Massachusetts Electric Company ("WMECO"), two public utility subsidiaries of NU and affiliates of NNECO, and other nonaffiliated utility companies. In March 2001, CL&P and WMECO, along with most of the other joint owners of Millstone, sold their interests in Millstone to a subsidiary of Dominion Resources, Inc.
