Item 1.01 Entry into a Material Agreement.

On July 11, 2013, Healthcare Services Group, Inc. (the "Company") entered into an Asset Purchase Agreement (the "Purchase Agreement") with Platinum Health Services, LLC, a Delaware limited liability company and Platinum Health Services PEO, LLC, a Delaware limited liability company (collectively "Platinum") to acquire substantially all of its operating assets. Platinum is a privately-held provider of professional housekeeping, laundry and maintenance services to long-term and post-acute care facilities and operates solely within the United States.

The purchase price consists of a cash payment of approximately \$3,800,000, assumed debt of approximately \$1,200,000 (the "Initial Consideration") and the issuance of approximately 1,200,000 shares of the Company's common stock, \$0.01 par value per share (the "Stock Consideration"). Additionally, upon the achievement of certain financial and retention targets, Platinum will be eligible for contingent consideration paid by the future issuance of the Company's common stock, \$0.01 par value per share (the "Contingent Consideration") as detailed in the Purchase Agreement. The stock price used to determine the number of shares to be issued in connection with the Stock Consideration and Contingent Consideration is defined in the Purchase Agreement.

The Purchase Agreement contains representations, warranties and affirmative and negative covenants of the parties that the Company believes are usual and customary for this type of transaction. Pursuant to the terms of the Purchase Agreement, a portion of the Initial Consideration will be placed into escrow for payment of certain working capital adjustments and indemnification obligations regarding breaches of the covenants, agreements, representations and warranties of Platinum.

The foregoing summary of the Purchase Agreement is qualified in its entirety by reference to the Asset Purchase Agreement, which is filed with this Current Report on Form 8-K as Exhibit 2.1 and incorporated herein by reference. The Purchase Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other financial information about the Company, Platinum, any of the other sellers or any of their respective subsidiaries and affiliates. The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of that agreement and as of specified dates; were solely for the benefit of the parties to the Purchase Agreement; may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Purchase Agreement instead of establishing these matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the acquired assets, the assumed liabilities or the Company, Platinum, any of the other sellers or any of their respective subsidiaries and affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company.

Item 2.01 Completion of an Acquisition or Disposition of Assets.

The information set forth in Item 1.01 above is incorporated by reference herein. On July 12, 2013, the Company completed the acquisition contemplated by the Purchase Agreement.
