Purchase Agreement for Convertible Senior Subordinated Debentures

On February 5, 2007, Invacare Corporation (the "Company") and certain of its domestic subsidiaries entered into a purchase agreement (the "Debenture Purchase Agreement") under which the Company agreed to sell \$125 million aggregate principal amount of 4.125% Convertible Senior Subordinated Debentures due 2027 (the "Debentures") to the initial purchasers named therein (collectively, the "Initial Debenture Purchasers") in a private placement pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"). The Debenture Purchase Agreement also granted the Initial Debenture Purchasers an option to purchase up to an additional \$10 million aggregate principal amount of the Debentures to cover over-allotments. On February 7, 2007, the Initial Debenture Purchasers exercised the full \$10 million option. The net proceeds to the Company from the offering, after deducting the Initial Debenture Purchasers' discount and the estimated offering expenses payable by the Company, are expected to be approximately \$131.1 million. Under the terms of the Debenture Purchase Agreement, the Initial Debenture Purchasers will receive an aggregate commission of \$2.7 million in connection with the offering of the Debentures. Subject to customary closing conditions, the closing of the sale of the Debentures is expected to occur on February 12, 2007. The foregoing description of the Debenture Purchase Agreement is a summary and is qualified in its entirety by reference to the terms of the Debenture Purchase Agreement, which is attached hereto as Exhibit 10.1.

The Debentures will be offered and sold to the Initial Debenture Purchasers in reliance on the exemption from registration provided by Section 4(2) of the Securities Act, and offered and resold by the Initial Debenture Purchasers to qualified institutional buyers pursuant to the exemption from registration provided by Rule 144A under the Securities Act.

The Debentures and the common shares issuable upon conversion have not been registered under the Securities Act or the securities laws of any other jurisdiction and may not be offered or sold in the United States absent registration under, or an applicable exemption from, the registration requirements of the Securities Act and applicable state securities laws.

The net proceeds to the Company from the offering, after deducting the Initial Note Purchasers' discount and the estimated offering expenses payable by the Company, are expected to be approximately \$169 million. Under the terms of the Note Purchase Agreement, the Initial Note Purchasers will receive an aggregate commission of \$3.5 million in connection with the offering of the Notes. Subject to customary closing conditions, the closing of the sale of the Notes is expected to occur on February 12, 2007. The foregoing description of the Note Purchase Agreement is a summary and is qualified in its entirety by reference to the terms of the Note Purchase Agreement, which is attached hereto as Exhibit 10.2.

The Notes will be offered and sold to the Initial Note Purchasers in reliance on the exemption from registration provided by Section 4(2) of the Securities Act, and offered and resold by the Initial Note Purchasers to qualified institutional buyers pursuant to the exemption from registration provided by Rule 144A under the Securities Act and to non-U.S. persons outside the United States in reliance on Regulation S under the Securities Act.
