PROXY STATEMENT

QCR Holdings, Inc., a Delaware corporation, is the holding company for Quad City Bank and Trust Company and Cedar Rapids Bank and Trust Company. Quad City Bank and Trust Company is an Iowa banking association located in Bettendorf, Iowa, with banking locations in Bettendorf and Davenport, Iowa and in Moline, Illinois. Cedar Rapids Bank and Trust Company is also an Iowa banking association located in Cedar Rapids, Iowa. Quad City Bancard, Inc. is our wholly owned subsidiary, which functions as a credit card center that provides cardholder and merchant credit card processing services. Allied Merchant Services, Inc. was an independent sales organization in the merchant credit card business. In October 2002, as a result of Bancard's sale of its ISO related merchant credit card operations, Allied's operations as an ISO were ceased. We also own all of the common stock of QCR Holdings Capital Trust I, a Delaware business trust. We created this business trust to issue trust preferred securities to the public. When we refer to our subsidiaries in this proxy statement, we are collectively referring to Quad City Bank & Trust, Cedar Rapids Bank & Trust, Quad City Bancard, Allied and the business trust.

This proxy statement is furnished in connection with the solicitation by the board of directors of QCR Holdings of proxies to be voted at the annual meeting of stockholders to be held at The Lodge, 900 Spruce Hills Drive, Bettendorf, Iowa, on May 7, 2003, at 10:00 a.m., local time, and at any adjournments or postponements of the meeting. We changed our fiscal year from ending on June 30th of each year to December 31st, beginning on December 31, 2002. We have enclosed our 2002 annual report, which includes consolidated financial statements of QCR Holdings and our subsidiaries. This proxy statement and

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

related materials are first being mailed to stockholders of QCR Holdings on or about March 26, 2003.

The following is information regarding the meeting and the voting process, and is presented in a question and answer format.

Why am I receiving this proxy statement and proxy card?

You are receiving a proxy statement and proxy card from us because on March 19, 2003, the record date for the annual meeting, you owned shares of QCR Holdings' common stock. This proxy statement describes the matters that will be presented for consideration by the stockholders at the annual meeting. It also gives you information concerning those matters to assist you in making an informed decision.

When you sign the enclosed proxy card, you appoint the proxy holder as your representative at the meeting. The proxy holder will vote your shares as you have instructed in the proxy card, thereby ensuring that your shares will be voted whether or not you attend the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

If you have signed and returned the proxy card and an issue comes up for a vote at the meeting that is not identified on the card, the proxy holder will vote your shares, pursuant to your proxy, in accordance with his or her judgment.

What matters will be voted on at the meeting?

You are being asked to vote on the election of three Class I directors of QCR Holdings for a term expiring in 2006. The nominees and other information relating to the election of directors are more fully described in this proxy statement.

How do I vote?

You may vote either by mail or in person at the meeting. To vote by mail, complete and sign the enclosed proxy card and mail it in the enclosed pre-addressed envelope. No postage is required if mailed in the United States. If you mark your proxy card to indicate how you want your shares voted, your shares will be voted as you instruct.

If you sign and return your proxy card but do not mark the card to provide voting instructions, the shares represented by your proxy card will be voted "for" all nominees named in this proxy statement.

If you want to vote in person, please come to the meeting. We will distribute written ballots to anyone who wants to vote at the meeting. Please note, however, that if your shares are held in the name of your broker (or in what is usually referred to as "street name"), you will need to arrange to obtain a legal proxy from your broker in order to vote in person at the meeting. Even if you plan to attend the meeting, you should complete, sign and return your proxy card in advance of the meeting just in case your plans change.

3

What does it mean if I receive more than one proxy card?

It means that you have multiple holdings reflected in our stock transfer records and/or in accounts with stockbrokers. Please sign and return ALL proxy forms to ensure that all your shares are voted. If you received more than one proxy card but only one copy of the proxy statement and annual and transitional reports,

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

you may request additional copies from us at any time.

If I hold shares in the name of a broker, who votes my shares?

If you received this proxy statement from your broker, your broker should have given you instructions for directing how your broker should vote your shares. It will then be your broker's responsibility to vote your shares for you in the manner you direct.

Under the rules of various national and regional securities exchanges, brokers may generally vote on routine matters, such as the election of directors and the ratification of independent auditors, but cannot vote on non-routine matters, such as an amendment to the certificate of incorporation or the adoption or amendment of a stock option plan, unless they have received voting instructions from the person for whom they are holding shares. If your broker does not receive instructions from you on how to vote particular shares on matters on which your broker does not have discretionary authority to vote, your broker will return the proxy card to us, indicating that he or she does not have the authority to vote on these matters. This is generally referred to as a "broker non-vote" and will affect the outcome of the voting as described below, under "How many votes are needed for approval of each proposal?" Therefore, we encourage you to provide directions to your broker as to how you want your shares voted on all matters to be brought before the meeting. You should do this by carefully following the instructions your broker gives you concerning its procedures. This ensures that your shares will be voted at the meeting.

What if I change my mind after I return my proxy?

If you hold your shares in your own name, you may revoke your proxy and change your vote at any time before the polls close at the meeting. You may do this by:

- o signing another proxy with a later date and returning that proxy to us;
- o sending notice to us that you are revoking your proxy; or
- o voting in person at the meeting.

If you hold your shares in the name of your broker and desire to revoke your proxy, you will need to contact your broker to revoke your proxy.

How many votes do we need to hold the annual meeting?

A majority of the shares that are outstanding and entitled to vote as of the record date must be present in person or by proxy at the meeting in order to hold the meeting and conduct business.

Shares are counted as present at the meeting if the stockholder either:

- o is present and votes in person at the meeting; or
- o has properly submitted a signed proxy card or other proxy.

On March 19, 2003, the record date, there were 2,773,212 shares of common stock outstanding. Therefore, at least 1,386,607 shares need to be present at the annual meeting in order to hold the meeting and conduct business.

What happens if a nominee is unable to stand for re-election?

The board may, by resolution, provide for a lesser number of directors or designate a substitute nominee. In the latter case, shares represented by proxies may be voted for a substitute nominee. Proxies cannot be voted for more than the number of nominees presented for election at the meeting. The board has

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

no reason to believe any nominee will be unable to stand for re-election.

What options do I have in voting on each of the proposals?

You may vote "for" or "withhold authority to vote for" each nominee for director. You may vote "for," "against" or "abstain" on any other proposal that may properly be brought before the meeting. Abstentions will be considered in determining the presence of a quorum but will not affect the vote required for the election of directors.

4

How many votes may I cast?

Generally, you are entitled to cast one vote for each share of stock you owned on the record date. The proxy card included with this proxy statement indicates the number of shares owned by an account attributable to you.

How many votes are needed for each proposal?

The three individuals receiving the highest number of votes cast "for" their election will be elected as Class I directors of QCR Holdings. Broker non-votes and abstentions will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

All other proposals must receive the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote. Broker non-votes and abstentions will not be counted as entitled to vote, but will count for purposes of determining whether or not a quorum is present on the matter.

Where do I find the voting results of the meeting?

We will announce voting results at the meeting. The voting results will also be disclosed in our Form 10-Q for the quarter ending June 30, 2003.

Who bears the cost of soliciting proxies?

We will bear the cost of soliciting proxies. In addition to solicitations by mail, officers, directors or employees of QCR Holdings or of our subsidiaries may solicit proxies in person or by telephone. These persons will not receive any special or additional compensation for soliciting proxies. We may reimburse brokerage houses and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to stockholders.

ELECTION OF DIRECTORS

Our directors are divided into three classes having staggered terms of three years. Stockholders will be entitled to elect three (3) Class I directors for a term expiring in 2006. The board has nominated Michael A. Bauer, James J. Brownson and Henry Royer to serve as Class I directors.

Other than as described above, we have no knowledge that any of the nominees will refuse or be unable to serve, but if any of the nominees becomes unavailable for election, the holders of the proxies reserve the right to substitute another person of their choice as a nominee when voting at the meeting. Set forth below is information concerning the nominees for election and for each of the other persons whose terms of office will continue after the meeting, including age, year first elected a director and business experience during the previous five years. The nominees, if elected at the annual meeting

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

of stockholders, will serve as Class I directors for a three year term expiring in 2006. The board of directors recommends that stockholders vote FOR all of the nominees for director.

Corporate Governance and the Board of Directors

General. Currently, there are nine numbers of the board of directors of QCR Holdings. Directors, Baird, Brownson, Lawson, Peterson and Royer are deemed to be "independent" as that term is defined by the Nasdaq Stock Market, Inc. A total of seven regularly scheduled and special meetings were held by the board of directors of QCR Holdings in calendar 2002. During that time, all directors attended at least 75 percent of the meetings of the board and the committees on which they served during the period they served on the board.

All directors of QCR Holdings received quarterly fees of \$1,250 during calendar 2002. They also received fees of \$100 for attendance at each meeting of the board of directors. In addition, non-employee directors received fees of \$200 per committee meeting attended. All directors of Quad City Bank & Trust received quarterly fees of \$1,250 during calendar 2002. They also received fees of \$100 for attendance at each meeting of the board of directors. In addition, non-employee directors received fees of \$200 per committee meeting attended. All non-employee directors of Cedar Rapids Bank & Trust received fees of \$400 for attendance at each meeting of the board of directors and \$200 for attendance at each committee meeting during the 2002 calendar year.

The committees of the board of directors of QCR Holdings are the audit committee, the executive committee, compensation and benefits committee and the technology committee.

Audit Committee. The audit committee consists of directors Brownson, Lawson and Royer. Each member of the audit committee is an "independent" director, as that term is defined by Nasdaq. The audit committee met four times in calendar 2002.

The functions performed by the audit committee include, but are not limited to, the following:

- o the selection of our independent auditors and pre-approval of all engagements and fee arrangements;
- o reviewing the independence of the independent auditors;
- o reviewing actions by management on recommendations of the independent auditors and internal auditors;
- o meeting with management, the internal auditors and the independent auditors to review the effectiveness of our system of internal control and internal audit procedures;
- o reviewing our earnings releases and reports filed with the Securities and Exchange Commission; and
- o reviewing reports of bank regulatory agencies and monitoring management's compliance with recommendations contained in those reports.

To promote independence of the audit function, the audit committee consults separately and jointly with the independent auditors, the internal auditors and management. The audit committee has adopted a written charter, which sets forth the committee's duties and responsibilities. We attached a copy of the audit committee charter to the 2001 proxy statement.

Executive Committee. In 2002, the executive committee took over the roles of the former board affairs committee and certain duties of the compensation and benefits committee. This change was done to consolidate the duties of the board while maximizing the decisions made by the independent directors. The executive committee is comprised of Messrs. Baird, Brownson, Lawson, Peterson and Royer,

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

each of whom is deemed to be independent under the rules set forth by Nasdaq. The executive committee is charged with overseeing our corporate governance programs, board policies, committee structure and membership reviewing and recommending the nominees for election to the board of directors, and reviewing and establishing the salaries and compensation of our executive officers. The executive committee met once in calendar 2002. The board affairs committee, which was replaced by the executive committee, met four times in calendar 2002.

Compensation and Benefits Committee. The compensation and benefits committee consists of directors Bauer, Hultquist, Helling, and Lawson, as well as Arthur L. Christofferson, director of Cedar Rapids Bank & Trust and Joyce E. Bawden and John H. Harris, directors of Quad City Bank & Trust. The compensation and benefits committee has authority to perform policy reviews and to oversee and direct the compensation and personnel functions of the employees, with the exception of our executive officers. The compensation and benefits committee met three times during calendar 2002.

8

Technology Committee. The technology committee consists of directors Bauer, Helling, Hultquist, Ann M. Lipsky, director of Cedar Rapids Bank & Trust and John H. Harris, director of Quad City Bank & Trust. The technology committee reviews the technology plans of QCR Holdings and its subsidiaries for the future. The technology committee met three times during calendar 2002.

Employment Agreements. We entered into employment agreements with Messrs. Bauer and Hultquist dated July 1, 2000. These agreements each have a three year term and in the absence of notice from either party to the contrary, the employment term under each agreement extends for an additional one year on the anniversary of each agreement. Pursuant to these agreements, beginning on July 1, 2000 Messrs. Bauer and Hultquist will each receive minimum salaries of \$170,000. The agreements include provisions for the increase of compensation on an annual basis, performance bonuses, membership in a Quad Cities country club, an automobile allowance and participation in our benefit plans. Messrs. Bauer and Hultquist have also entered into deferred compensation agreements, allowing each to defer up to \$15,000 of their salary. The deferred compensation agreements provide for us to match the amounts deferred by each and contribute an amount for the benefit of Messrs. Bauer and Hultquist. In the case of Mr. Hultquist, the amount we may contribute is limited to \$15,000, and for Mr. Bauer we may contribute up to \$20,000. Full benefits under the agreements will be payable to Messrs. Bauer and Hultquist when they reach 65 years of age.

We have also entered into employment agreements with John W. Schricker, Todd A. Gipple and Larry J. Helling. Mr. Schricker entered into an employment agreement dated July 1, 1997. Under the agreement, Mr. Schricker receives a base salary of \$50,000, plus an annual bonus equal to 12% of Bancard's first \$200,000 of adjusted annual net income, 10.5% of the next \$300,000, 9% of the next \$500,000 and 7.5% of any adjusted annual net income in excess of \$1,000,000. Mr. Schricker is also entitled to participate in our benefit plans. The agreement was terminated in October 2002, upon Quad City Holdings' announcement of Bancard's sale of its independent sales organization related merchant credit card operations to iPayment, Inc. Mr. Gipple's employment agreement, dated January 5, 2000, provides that Mr. Gipple is to receive a minimum salary of \$110,000. The agreement includes a provision for the increase in compensation on an annual basis, performance bonuses, membership in a Quad Cities country club and participation in our benefit plans. Mr. Gipple entered into a deferred compensation agreement with us on January 1, 2002 under which he may defer up to \$10,000 (\$5,000 in the fiscal year ended June 30, 2002) of his salary and we will match the amount deferred by him. Mr. Helling entered into an employment agreement dated April 11, 2001. Under the agreement, Mr. Helling receives a base annual salary of \$160,000 and is eligible to participate in a deferred compensation agreement under which he may defer up to \$12,000 of his salary and we will match the amount deferred by him. The agreement also includes a provision for the increase in compensation on an annual basis, performance bonuses, membership in two Cedar Rapids country clubs, an automobile allowance

and participation in our benefit plans.

All of the employment agreements are terminable at any time by either our board of directors or the respective officer. We may terminate these agreements at any time for cause without incurring any post-termination obligation to the terminated officer. Each agreement provides severance benefits in the event the officer is terminated without cause, including severance compensation equal to one year of the officer's salary for Messrs. Bauer and Hultquist, and six months for Messrs. Schricker, Gipple and Helling. We must also pay the officer all accrued salary, vested deferred compensation and other benefits then due the officer. If the officer is terminated upon a change in control, the officer is to be paid severance compensation equal to three times his salary for Messrs. Bauer and Hultquist, and two times salary for Messrs. Schricker, Gipple and Helling, at the rate then in effect at the time of termination. Each of Messrs. Hultquist and Bauer is prohibited from competing with us or our subsidiaries within a 20-mile radius of the main office for a period of two years following the termination of his employment agreement. In the case of Mr. Schricker, the radius is 200 miles and the term is one year. In the case of Mr. Gipple, the radius is 30 miles from the main office and the term is two years. In the case of Mr. Helling, the radius is 60 miles from the center of Cedar Rapids and the term is two years.

Compensation Committee Interlocks and Insider Participation

During the 2002 calendar year, the executive committee, which sets the salaries and compensation for our executive officers, was comprised of Messrs. Baird, Brownson, Lawson, Peterson and Royer. The compensation and benefits committee, which sets the salaries and compensation of all employees who are not executive officers, consisted of Messrs. Bauer, Hultquist, Helling, Lawson, Christofferson and Harris and Ms. Bawden. Messrs. Bauer, Hultquist and Helling are executive officers and do not participate in any decisions involving their own compensation.

Executive Committee Report on Executive Compensation

The incorporation by reference of this proxy statement into any document filed with the Securities and Exchange Commission by QCR Holdings shall not be deemed to include the following report unless the report is specifically stated to be incorporated by reference into such document.

The executive committee of our board of directors is comprised of five directors of QCR Holdings. The committee is responsible for recommendations to the board of directors for compensation of our executive officers. In determining compensation, the following factors are generally taken into consideration:

- o the performance of the executive officers in achieving our short and long term goals;
- o payment of compensation commensurate with the ability and expertise of the executive officers; and
- o an attempt to structure compensation packages so that they are competitive with similar companies.

The committee considers the foregoing factors, as well as others, in determining compensation. There is no assigned weight given to any of these factors.

Additionally, the committee considers various benefits, such as our 401(k) plan and the stock option plan, together with perquisites in determining

Edgar Filing: QCR HOLDINGS INC - Form DEF 14A

compensation. The committee believes that the benefits provided through the stock based plans more closely tie the compensation of the officers to the interests of the stockholders and provide significant additional performance incentives for the officers which directly benefit the stockholders through an increase in the stock value.

Annually, the executive committee evaluates four primary areas of performance in determining the chief executive officer's level of compensation. These areas are:

- o our long-range strategic planning and implementation;
- o our financial performance;
- o our compliance with regulatory requirements and relations with regulatory agencies; and
- o the individual's effectiveness of managing relationships with stockholders and the board of directors.

12

When evaluating our financial performance to determine the compensation package for our chief executive officer, the committee considered profitability, asset growth and risk management. The primary evaluation criteria are considered to be essential to our long-term viability and were given equal weight in the evaluation. Finally, the committee considered the provisions of the chief executive officer's current employment agreement and reviewed compensation packages of peer institutions, as well as compensation surveys provided by independent third parties, to ensure that the chief executive officer's compensation is competitive and commensurate with his level of performance. Based on the evaluation of all of these factors, the committee determined that the chief executive officer's primary compensation would be the minimum salary provided under his employment agreement and a bonus of \$50,000 for the transition period ended December 31, 2002.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS

The following table sets forth certain information regarding our common stock beneficially owned on December 31, 2002, by each director, by each executive officer named in the summary compensation table and by all directors and executive officers of QCR Holdings as a group. To the best of our knowledge, no person was the beneficial owner of more than five percent of our common stock as of December 31, 2002. Beneficial ownership has been determined for this purpose in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), under which a person is deemed to be the beneficial owner of securities if he or she has or shares voting power or investment power in respect of such securities or has the right to acquire beneficial ownership of securities within 60 days of December 31, 2003.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires that our executive officers and directors and persons who own more than 10% of our common stock file reports of ownership and changes in ownership with the Securities and Exchange Commission and with the exchange on which our shares of common stock are traded. Such persons are also required to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms, we are aware of an incident that prevented one of its directors to comply with the filing requirements of Section 16(a) during the last calendar year.

TRANSACTIONS WITH MANAGEMENT

Our directors and officers and their associates were customers of and had

transactions with QCR Holdings, Quad City Bank & Trust and Cedar Rapids Bank & Trust during the calendar year ended December 31, 2002. Additional transactions are expected to take place in the future. All outstanding loans, commitments to loan, and certificates of deposit and depository relationships, in the opinion of management, were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. From January 1, 2002 through December 31, 2002, Quad City Bancard paid approximately \$2,371,769 to Nobel Electronic Transfer, LLC, for merchant credit card processing services. John W. Schricker, a director of QCR Holdings and the President and a director of Quad City Bancard, is a principal of Nobel. Additionally, QCR Holdings owns 20% of the capital of Nobel. Our management believes that the terms on which the above described transaction was conducted are no less favorable to us than would have been obtained from an unaffiliated third party.
