#### Board Composition

Our Board currently has nine directors and one vacancy, which shall remain vacant until such time as a new director is identified and appointed. Each director serves for annual terms until his or her successor is elected and qualified. We do not have a standing nominating committee, as decisions related to the composition of the Board are made pursuant to the terms of the Securities Holders Agreement described under “Item 13. Certain Relationships and Related Party Transactions, and Director Independence.” Due to this, and due to the fact that we are a wholly-owned subsidiary of Holdings, there is no need for policies or procedures regarding the recommendations of security holders for nominees

to the Board.

Committees of the Board of Directors

Although we are a privately owned company that is not required to have a formal compensation committee in place, our compensation decisions have been made by a committee consisting of two members of the Board, currently Messrs. Birtwell and Cruz. This committee is empowered to review and approve the annual compensation and compensation structure of our executive officers and management compensation generally.

We continue to have a standing audit committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, of which Mr. Jackson is the chairman and Mr. Golding is a member. The audit committee reviews and monitors our financial reporting, external audits, internal control functions and compliance with laws and regulations that could have a significant

4

---

effect on our financial condition or results of operations. In addition, the audit committee has the responsibility to consider and appoint, and to review fee arrangements with, our independent registered public accounting firm. Messrs. Jackson and Golding each qualify as an audit committee financial expert, within the meaning of Item 407(d)(5) of Regulation S-K promulgated by the SEC. Messrs. Jackson and Golding are each “independent” (as that term is defined in Section 303A of the New York Stock Exchange’s Listed Company Manual), and are each able to read and understand fundamental financial statements.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Our officers, directors and 10% beneficial owners are not subject to Section 16(a) of the Exchange Act as we did not have a class of equity securities registered pursuant to Section 12 of the Exchange Act during the year ended December 31, 2016.

#### Code of Ethics

We have adopted a Code of Ethics that applies to our principal executive officer and principal financial officer or any person performing similar functions (the “Code of Ethics”). The Code of Ethics is available on the Corporate Governance page of our website at [www.seitel.com/investor-relations](http://www.seitel.com/investor-relations). If we ever were to amend or waive any provision of the Code of Ethics, we intend to satisfy our disclosure obligations with respect to any such waiver or amendment by posting such information on our website set forth above rather than by filing a Form 8-K.

#### Item 11. Executive Compensation

##### Compensation Discussion and Analysis

##### Overview

The compensation committee of the Board (the “Committee”) is empowered to review and approve the annual compensation and compensation structure of our executive officers and management compensation generally. The Committee approves and recommends to the Board the compensation for all executive officers and does not delegate any of its functions to others. The Chief Executive Officer, however, makes recommendations to both the Committee and the Board with respect to the compensation of the Company’s senior management (other than with respect to the Chief Executive Officer).

The principal objectives of our compensation program are to provide an overall compensation package that will attract and retain the most highly qualified executives and provide incentives to create value for our stockholders. In 2016, the total compensation program for our executive officers consisted of three primary components: base salary, annual cash incentive bonuses and personal benefits. Beginning in 2017, we also added a retention bonus program for our current executive officers as described later in this item under “Recent Changes to Compensation Practices”. While accounting treatment is considered when structuring the components of our compensation program, these considerations are secondary to the overall objectives of the compensation program described above.

The Committee does not engage in benchmarking or conduct peer group comparisons or studies in approving the compensation of our executive officers. In addition, the Committee did not engage a compensation consultant during 2016 to assist in determining appropriate levels of compensation. Instead, the type and amount of compensation paid to our executive officers is determined based on the extensive industry experience of the members of the Committee, with the goal of setting compensation at levels that are sufficient to attract and retain the most highly qualified executives who will help create shareholder value. In determining appropriate levels of compensation, the Committee may consider overall past compensation and incentives. Furthermore, the Committee does not target a specified

percentage of compensation as short-term or long-term compensation, or cash or equity-based compensation.

The disclosure that follows relates to the compensation for those executives that are “named executive officers” as defined by the SEC, including our Chief Executive Officer, our Chief Financial Officer and our three highest compensated individuals serving as executive officers at the end of 2016 other than our Chief Executive Officer and Chief Financial Officer.

Our named executive officers for the 2016 year are as follows:

• Robert D. Monson, President and Chief Executive Officer

• Marcia H. Kendrick, Chief Financial Officer and Executive Vice President

• Richard C. Kelvin, Chief Technology Officer, Senior Vice President and President Seitel Canada Ltd.

• JoAnn Lippman, Former General Counsel, Senior Vice President and Secretary

Randall A. Sides, President Seitel Data, Ltd.

David A. Richard, Former President Seitel Canada Ltd.

Ms. Lippman retired from her position as General Counsel, Senior Vice President and Secretary effective February 15, 2017, but was still considered a named executive officer for the 2016 year. In addition, although only with the Company for a portion of 2016, David Richard, former president of Seitel Canada Ltd. who left the Company in August 2016, is also considered a named executive officer for 2016 under SEC rules.

This disclosure contains statements regarding certain performance targets and goals we have used or may use to determine appropriate compensation. These targets and goals are disclosed in the limited context of our compensation program and should not be understood to be statements of management's expectations or estimates of financial results or other guidance. We specifically caution investors not to apply these statements to other contexts.

#### Risk Assessment

The Company has reviewed its compensation policies and practices for all employees and has concluded that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on the Company. We believe that our compensation policies and practices (i) provide an appropriate mix of short-term and long-term compensation and (ii) promote a focus on strategic goals and long-term success, and therefore limit the incentive of our employees to take excessive risks.

#### Compensation Elements

As described above, during 2016, the compensation of our named executive officers consisted of three primary elements: base salary, annual cash incentive bonuses and personal benefits. Each of these elements of compensation is described in detail below. Unless otherwise noted, the 2016 base salaries and bonus opportunities for the named executive officers were determined pursuant to the terms of their employment agreements with the Company.

#### Base Salaries

We believe that base salaries for named executive officers should adequately compensate them for their day-to-day work for us and should be set at levels that allow us to compete for, and retain, executive talent. During 2016, the base salaries for the named executive officers were determined in accordance with the terms of their employment agreements, which allows for increases by the Board or the Committee when appropriate. The Committee continues to evaluate our named executive officers' base salaries to ensure that they are competitive and that we are able to attract and retain talented executives. With the exception of Mr. Kelvin (described below), the base salaries of the named executive officers have been maintained at the levels in effect at December 31, 2014 due to the downturn in the energy industry in 2015 and 2016. In addition, the Committee did not increase the base salaries of any of our named executive officers with respect to the 2017 year. Mr. Kelvin's base salary was increased from \$295,000 to \$320,000, effective as of August 1, 2016, in connection with his increased responsibilities for taking on the role as President of Seitel Canada Ltd.

#### Annual Bonuses

We pay cash bonuses to our named executive officers pursuant to the terms and conditions of an annual incentive plan approved by the Committee. Under this plan, company-wide financial performance goals are pre-established and a named executive officer's bonus is based on our performance in relation to these pre-established goals. Bonuses are based on a percentage of the executive's base salary. If the target financial performance goal is achieved, the executive is entitled to a "target bonus." If the maximum financial performance goal is achieved or exceeded, the executive is

eligible to earn the “maximum bonus.” If we exceed our threshold financial performance goal but do not achieve the target level, the named executive officer is eligible to earn a bonus anywhere from \$1.00 up to the target bonus amount based on interpolation as described below. The percentages of base salary payable to each named executive officer with respect to 2016 performance under the “threshold bonus,” the “target bonus” and the “maximum bonus” are set forth in the table below.

6

---

Name	Threshold Bonus %	Target Bonus %	Maximum Bonus %
Robert D. Monson	0%	100%	158%
Marcia H. Kendrick	0%	70%	110%
Richard C. Kelvin	0%	70%	110%
JoAnn Lippman	0%	50%	90%
Randall A. Sides	0%	70%	110%
David A. Richard <sup>(1)</sup>	0%	70%	110%

Mr. Richard served as our President of Seitel Canada Ltd. until his departure from the Company effective August 15, 2016. He did not receive a 2016 bonus award.

For 2016, the Committee determined that the annual bonus for each of the named executive officers would be based on Cash EBITDA as defined and calculated under the caption “Management’s Discussion and Analysis of Financial Condition and Results of Operations – Key Performance Measures, Cash EBITDA” in our Annual Report on Form 10-K for the year ended December 31, 2016 before consideration of any 2016 bonus expense (“Cash EBITDA before bonus”); additional information regarding the calculation of Cash EBITDA before bonus may also be found within this document under the heading of “Reconciliation of Non-GAAP to GAAP Financial Measures” below. The Committee determined that Cash EBITDA before bonus was an appropriate performance goal because it reflects the level of cash generated by the Company available for debt service and growing the business.

In determining the financial performance levels under the annual incentive plan, the Committee established a threshold, target and maximum level of performance for the performance goal. Where the level achieved under the performance goal falls between the threshold level and target or target and maximum level, the bonus is determined by interpolation (specifically, if performance exceeds target but is less than maximum, the bonus equals the target bonus, plus the product of (i) the difference between the maximum bonus and the target bonus and (ii) a fraction, the numerator of which equals the excess of actual performance over target performance and the denominator of which equals the excess of the maximum performance goal over the target performance goal). No bonuses are payable with respect to the performance goal if the level of performance attained is below the threshold level. The chart below contains the threshold, target and maximum performance goals established by the Committee for 2016 under our annual incentive plan for the performance measure (in thousands):

Performance Measure	Threshold	Target	Maximum
Cash EBITDA before bonus	\$ 25,000	\$ 35,000	\$ 45,000

During 2016, the Company achieved Cash EBITDA before bonus of \$43.0 million. Accordingly, each of the named executive officers except for Mr. Richard received 2016 bonuses as set forth in the “Summary Compensation Table” in the column entitled “Non-Equity Incentive Plan Compensation”. The bonuses for fiscal year 2016 were paid in February 2017.

#### Equity-Based Compensation

Holdings, our parent company, maintains the Seitel Holdings, Inc. 2007 Non-Qualified Stock Option Plan, as amended (the “Holdings 2007 Stock Option Plan”), the Seitel Holdings, Inc. Amended and Restated 2008 Restricted Stock and Restricted Stock Units Plan (the “Holdings Restricted Stock Plan”) and the Seitel Holdings, Inc. 2012 Non-Qualified Stock Option Plan (the “Holdings 2012 Stock Option Plan”). Pursuant to the terms of these plans, our key employees and non-employee directors are eligible to receive awards of stock options, restricted stock and restricted stock units. Because the Committee determined that each named executive officer’s interests were sufficiently aligned with those of our stockholders due to awards granted in prior years, no equity-based awards were granted to the named executive officers during 2016.

Other Benefits and Perquisites

For 2016, we provided named executive officers with personal benefits and limited perquisites that we and the Committee believe to be reasonable and consistent with the goal of enabling us to attract and retain highly qualified employees for key positions. The Committee periodically reviews the levels of perquisites and personal benefits provided to named executive officers.

7

---

All employees, including named executive officers, are eligible to participate in our health and welfare benefit programs and to participate in and receive employer matching contributions under our 401(k) plan in the U.S. or the Registered Retirement Savings Plan (“RRSP”) in Canada. Named executive officers were provided with company-paid life and supplemental disability insurance during the 2016 year. Mr. Richard also received certain automobile related allowances prior to his departure effective August 15, 2016.

Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended December 31, 2016, are included in the “Summary Compensation Table below”.

#### Employment and Severance Arrangements

The Company entered into employment agreements with each of the named executive officers that provide certain severance benefits in the event of a termination of the named executive officer’s employment in limited circumstances. These employment agreements, including the severance provisions, are described below in “Potential Payments Upon Termination of Employment or Change in Control”.

In addition, if applicable, each of our named executive officers is entitled to receive payment of his or her vested restricted stock units in the event of disability or any termination of employment, and is entitled to receive accelerated vesting of his or her unvested stock options other than those granted under the Holdings 2012 Stock Option Plan (those stock options not granted under the Holdings 2012 Stock Option Plan, the “Non-2012 Stock Option Plan Options”) in the event of certain terminations of employment. For more on these arrangements, see “Potential Payments upon Termination of Employment or Change in Control” below.

#### Recent Changes to Compensation Practices

On January 13, 2017, the Committee approved the adoption of the Seitel, Inc. Executive Retention Bonus Program for Key Employees (the “Plan”), effective beginning January 1, 2017. The Plan is intended to ensure that the Company will continue to receive the full, undistracted attention and dedication of Messrs. Monson, Sides and Kelvin and Ms. Kendrick (each, a “Key Employee”), who are participants in the Plan, and is in addition to the benefits provided in any Key Employee’s employment agreement with the Company.

The Plan provides that:

Each Key Employee who continues as our employee until December 31, 2018 will receive a lump sum cash bonus (the “Retention Bonus”) payable within 30 days of such date; and

- If a Key Employee is terminated without Cause or a Key Employee terminates employment with the Company for Good Reason (as such capitalized terms are defined in the respective employment agreement of each Key Employee), the Key Employee shall receive a pro rata share of the Retention Bonus.

The respective amounts of the Retention Bonus for the Key Employees are as follows:

• Mr. Monson - \$1,087,040

• Ms. Kendrick - \$361,900

• Mr. Sides - \$361,900

• Mr. Kelvin - \$352,000

If a Key Employee is terminated for Cause or terminates employment with the Company without Good Reason before December 31, 2018, the Key Employee is not entitled to any payment under the Plan.

Accordingly, Section 162(m) of the Internal Revenue Code, which limits the deductibility by publicly held corporations of certain compensation in excess of \$1,000,000 paid to certain employees, does not apply to us and as a result, our compensation program is not structured to comply with it.

<sup>(1)</sup> performance in 2016 were paid in February 2017.

<sup>(2)</sup>

See the table below, titled “Details of All Other Compensation” for details regarding the amounts reported in this column and see the discussion of personal benefits in the Compensation Discussion and Analysis section above for an explanation of these benefits.

This is the first year that Mr. Kelvin was a named executive officer of the Company and information for prior years<sup>(3)</sup> is not required to be presented pursuant to the SEC’s disclosure rules.

9

---

Effective as of August 1, 2016, Mr. Kelvin's base salary increased from \$295,000 to \$320,000 in connection with his appointment as President of Seitel Canada Ltd. effective August 11, 2016.

Ms. Lippman retired from her position as General Counsel, Senior Vice President and Secretary effective February 15, 2017. She was not a named executive officer in 2015 or 2014. Therefore, information for prior years is not required to be presented pursuant to the SEC's disclosure rules.

From January 1, 2016 until July 31, 2016, Ms. Lippman worked reduced hours, thus effectively earning an annual salary of \$247,200 during that timeframe.

Mr. Richard served as our President of Seitel Canada Ltd. until his departure from the Company effective August 15, 2016.

Mr. Richard's salary, performance-based cash bonus pursuant to the annual incentive plan and "all other compensation" denominated in Canadian dollars were converted to U.S. dollars based on an average of the month-end exchange rates during the twelve months of 2014 and 2015 (for 2014 and 2015 calculations as applicable) and the first eight months of 2016 (for 2016 calculations).

Pursuant to his employment agreement, even though Mr. Richard left the Company during 2016, he was entitled to a pro-rated 2016 bonus payment along with other compensation in connection with his severance. However, instead of paying Mr. Richard in accordance with the terms of his employment agreement, including, in part, a pro-rated 2016 bonus payable in February 2017, Mr. Richard and the Company agreed that the Company would pay Mr. Richard a severance amount as set forth in the "Details of All Other Compensation Table" in the column entitled "Severance".

#### Details of All Other Compensation

Amounts included in "All Other Compensation" in the table above include:

Name	Life Insurance Premiums (1)	Supplemental Disability Premiums (2)	401(k) or RRSP Matching Contributions	Automobile Related Allowances (3)	Post-Employment Benefits (4)	Severance (5)
Robert D. Monson	\$ 3,564	\$ 5,146	\$ 12,000	\$ —	—\$ —	—
Marcia H. Kendrick	2,322	4,367	12,000	—	—	—
Richard C. Kelvin	1,242	3,211	12,000	—	—	—
JoAnn Lippman	3,564	3,518	11,189	—	—	—
Randall A. Sides	1,242	4,311	12,000	—	—	—
David Richard (6)	168	—	5,693	5,954	1,358	362,808

The named executive officers in the U.S. were entitled to life insurance coverage which, when combined with the \$50,000 of minimum coverage the Company provided to all U.S. employees, totaled \$500,000. Accordingly, they had \$450,000 in supplemental life insurance protection. Mr. Richard was entitled to life insurance coverage equal to \$350,000 (Canadian) whereas all of the Company's Canadian employees are entitled to life insurance coverage equal to three times annual salary to a maximum of \$200,000 (Canadian). Accordingly, he had \$150,000 (Canadian) in supplemental life insurance until the end of August 2016, the last month of his employment with the Company.

U.S. employees with an annual income in excess of \$270,000 were eligible for supplemental individual disability insurance. The Company pays the employees' premiums associated with this benefit.

Mr. Richard was entitled to a car and parking allowance up until his departure from the Company effective August 15, 2016.

The Company continued to provide and pay premiums associated with medical, dental, life and disability insurance coverage for Mr. Richard after his departure until December 31, 2016.

(5)

Mr. Richard was paid \$478,000 (Canadian) of severance in two installments, one in November 2016 and the other in January 2017, in connection with his departure from the Company effective August 15, 2016.

The amounts reported in the table above for Mr. Richard were converted to U.S. dollars based on an average of the<sup>(6)</sup> month-end exchange rates for the first eight months of 2016.

## Grants of Plan-Based Awards Table

The following table represents the threshold, target and maximum bonus award that each named executive officer was eligible to earn in 2016 under the annual incentive plan. No equity awards were granted to the named executive officers during the 2016 year.

Name	Estimated Future Payouts Under Non-Equity Incentive Plan Awards <sup>(1)</sup>		
	Threshold (\$) (2)	Target (\$) (2)	Maximum (\$) (2)
Robert D. Monson	\$0	\$688,000	\$1,087,040
Marcia H. Kendrick	0	230,300	361,900
Richard C. Kelvin	0	213,792	335,959
JoAnn Lippman	0	136,475	245,655
Randall A. Sides	0	230,300	361,900
David Richard <sup>(3)</sup>	0	176,926	278,026

The threshold, target and maximum amounts in these columns have been provided in accordance with Item 402(d) of Regulation S-K of the Exchange Act and show the range of potential payouts. The actual bonus amounts earned <sup>(1)</sup> for 2016 are reflected in the Summary Compensation Table in the column entitled “Non-Equity Incentive Plan Compensation”.

<sup>(2)</sup> Represents the range of payouts under the annual incentive plan as discussed in further detail in the “Compensation Discussion and Analysis”. The named executive officers’ target and maximum bonuses are a percentage of base salary as set forth in their respective employment agreements.

<sup>(3)</sup> Mr. Richard’s range of payouts under the annual incentive plan was converted to U.S. dollars based on an average of the month-end exchange rates for the first eight months of 2016. As noted previously, Mr. Richard departed from the Company effective August 15, 2016 and elected to receive a severance amount in two installments, one in November 2016 and the other in January 2017 in lieu of the severance amounts provided for in his employment agreement, including a pro-rated 2016 bonus.

## Outstanding Equity Awards at Fiscal Year End

	—	—	2,400	(2) 258.37	02/15/2017

(1) The unexercisable options will vest and become exercisable on May 1, 2017.

One-half of these options vest based on achieving the first level of shareholder return on investment (the “First Level Portion”) and one-half of these options vest based on achieving the second level of shareholder return on investment (the “Second Level Portion”). The First Level Portion will become vested based on ValueAct Capital and certain of its affiliates and Centerbridge Partners and certain of its affiliates realizing both (x) a 2x cash on cash (or equivalent) return on their investment in securities in Holdings (based on the value of such investment as of, and (2) future investments made after, May 23, 2011) and (y) an internal rate of return with respect to their securities in Holdings since May 23, 2011 of at least 15%. If only one of ValueAct Capital and its affiliates or Centerbridge Partners and its affiliates achieves their cash on cash and internal rate of return goals, then the First Level Portion will vest in a percentage equal to the ownership interest of the applicable investor as of May 23, 2011. The Second Level Portion vests in the same manner as the First Level Portion, except that the cash on cash and internal rate of return goals are 2.5x and 20%, respectively.

As a condition to vesting with respect to the First Level Portion and the Second Level Portion, continued employment is required on the date on which the vesting determination is made (which is generally any date on which there is an inflow or outflow of cash in respect of securities held by ValueAct Capital and certain of its affiliates or Centerbridge Partners and certain of its affiliates). However, if the optionholder’s employment is terminated without cause, then a specified percentage of both the First Level Portion and the Second Level Portion will remain outstanding for six months following such termination and will be eligible to vest as if no termination of employment had occurred.

(3)

The unexercisable options will vest and become exercisable in two equal increments on August 1, 2017 and August 1, 2018.

## Non-Qualified Deferred Compensation

We do not maintain a non-qualified deferred compensation plan. The amounts below relate to awards of restricted stock units that were designed with certain deferral features upon their grant in 2008.

Name	Aggregate Earnings in Last Fiscal Year <sup>(1)</sup>	Aggregate Balance at Last Fiscal Year End <sup>(1), (2)</sup>
Robert D. Monson	\$ 6,556	\$ 84,060
Marcia H. Kendrick	1,642	21,048
Richard C. Kelvin	954	12,234
Randall A. Sides	1,970	25,258

<sup>(1)</sup> Aggregate earnings represents the change in fair value of the restricted stock units in fiscal year 2016. The amounts are not based upon a traded share price because the Company does not have publicly held equity. The amounts are based upon a share price calculated using an internal valuation model.

The following portion of the amounts described in the “Aggregate Balance at Last Fiscal Year End” column were reported in our Summary Compensation Table (2008) for the following named executive officers: Mr. Monson - \$164,862, Ms. Kendrick - \$41,280 and Mr. Sides - \$49,536. The value of the restricted stock units granted to Mr. <sup>(2)</sup> Kelvin in 2008 were \$23,994 (not previously disclosed). These amounts reflect the grant date fair value of the awards as determined in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 718. Neither Ms. Lippman nor Mr. Richard received a grant of restricted stock units.

Holdings maintains the Holdings Restricted Stock Plan, pursuant to which it is authorized to grant restricted stock units to certain eligible individuals. In 2008, each of the named executive officers was granted a certain number of restricted stock units under the Holdings Restricted Stock Plan except for Ms. Lippman and Mr. Richard whose employment with the Company began after the grant of the restricted stock units. The value of those restricted stock units as of December 31, 2016 is set forth in the table above.

A restricted stock unit is not an actual share of Holdings’ common stock, and thus does not confer any shareholder rights on its holder. Rather, a restricted stock unit represents the right to receive one share of Holdings’ common stock on the settlement date, which is generally the earlier of a termination of employment for any reason, including death or disability, or a change in control. Following a grantee’s termination of employment, all shares of Holdings’ common stock received in settlement of restricted stock units are subject to Holdings’ repurchase right. Until restricted stock units are settled, they are credited to a book-keeping account and track the value of Holdings’ common stock. In addition, each time a dividend is declared on Holdings’ common stock, the Committee may credit each outstanding restricted stock unit with dividend equivalents that are deemed to be reinvested in restricted stock units. As of December 31, 2016, Messrs. Monson, Kelvin and Sides and Ms. Kendrick were credited with 639, 93, 192 and 160 restricted stock units, respectively.

For purposes of the restricted stock units, a “change in control” generally means (i) the acquisition by any person or group of more than 50% of the voting power of Holdings, (ii) a sale of more than 40% of Holdings’ assets during any period of 12 consecutive months or (iii) a change in the composition of a majority of the Board during any period of 12 consecutive months. “Disability” generally means a grantee is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months or is, by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than 12 months, receiving income replacement benefits for a period of not less than 3 months under

an accident and health plan covering the Company's employees.

Potential Payments upon Termination of Employment or Change in Control

The Company has entered into employment agreements with each of its named executive officers. These employment agreements provide for certain payments upon termination of employment as described below. Mr. Richard's employment agreement ended upon his departure from the Company effective August 15, 2016. Ms. Lippman's employment agreement ended upon her retirement effective February 15, 2017. In addition, if applicable, each of our named executive officers is entitled to receive payment of his or her restricted stock units upon a termination of employment, including death or disability, or a change in control, and is entitled to receive accelerated vesting of his or her Non-2012 Stock Option Plan

Options upon certain terminations of employment and upon a change in control. The amount that each named executive officer would have received with respect to his or her restricted stock units in the event of a termination of employment, including death or disability, or change in control, in any case, on December 31, 2016, is set forth in the “Aggregate Balance at Last Fiscal Year End” column in the Non-Qualified Deferred Compensation Table above. Neither Mr. Richard nor Ms. Lippman had any restricted stock units at the time of their respective departures from the Company.

The Key Employees will also be eligible to receive potential severance benefits pursuant to the Executive Retention Bonus Program for Key Employees in 2017, but this section is intended to reflect termination and change in control scenarios as of December 31, 2016.

Robert D. Monson

On January 30, 2007, the Company entered into an employment agreement with Mr. Monson that was effective February 14, 2007. The agreement provides for Mr. Monson to continue as our President and Chief Executive Officer for an initial term of two years with a mechanism which provides automatic one-year extensions unless an election is made to not extend the term. The agreement provides an initial annual base salary of \$600,000, subject to increase by the Board or the Committee, and an annual cash bonus of up to 158% of his base salary under the Company’s annual incentive plan. Under the agreement, Mr. Monson received options to purchase 3% of the then outstanding Holdings common stock. The options vested 25% annually.

Upon a termination without cause or a resignation by Mr. Monson with or without good reason following a change in control, Mr. Monson would be entitled to receive three times his base salary and target bonus payable in a lump sum, all of his Non-2012 Stock Option Plan Options would immediately vest and he and his eligible dependents would continue to participate in group medical and dental plans for twelve months. Upon a termination without cause, or resignation by Mr. Monson for good reason prior to a change in control, he would receive two times his base salary plus target bonus payable in a lump sum, all of his Non-2012 Stock Option Plan Options would immediately vest and he and his eligible dependents would continue to participate in group medical and dental plans for twelve months. Upon a termination of Mr. Monson’s employment for disability, he would be entitled to receive his base salary and annual bonus through the earlier of the end of the term of his employment agreement or one year, reduced by disability insurance payments, if any, received by him, and all of his unvested Non-2012 Stock Option Plan Options would vest in full. Upon a termination of Mr. Monson’s employment for death, all of his unvested Non-2012 Stock Option Plan Options would vest in full. Receipt of severance benefits is contingent upon the execution of a release of claims. Mr. Monson is also subject to non-competition and non-solicitation covenants for one year after termination.

In the event that payments and benefits payable upon a change in control subject Mr. Monson to a 20% excise tax under section 4999 and 280G of the Internal Revenue Code, Mr. Monson would receive a “gross-up” payment so that he receives the same amount after-taxes that he would have received had the excise tax not applied. We have calculated the gross-up payment shown in the tables below by assuming an income tax rate of 39.6%, a 2.35% Medicare tax, a 1.188% tax to address the phase-out of itemized deductions and the 20% excise tax imposed upon the payments that Mr. Monson could have received if a change in control had occurred on December 31, 2016.

“Cause” is generally defined in Mr. Monson’s employment agreement as Mr. Monson’s (i) willful misconduct or gross negligence, (ii) breach of the employment agreement, (iii) failure to perform his duties, (iv) material violation of the Company’s Code of Business Conduct or other policies or procedures, (v) conviction of (or plea of nolo contendere to) a felony or (vi) fraud or willful misconduct that injures the Company.

A “change in control” is generally defined in Mr. Monson’s employment agreement as (i) the acquisition by any person or entity of more than 50% of the voting stock of the Company, (ii) a change in the composition of a majority of the

Board during any period of two consecutive years, (iii) a sale of all or substantially all of the Company's assets, (iv) a merger or consolidation of the Company or (v) the Company or its stockholders approve a plan of liquidation or dissolution.

"Disability" is generally defined in Mr. Monson's employment agreement as Mr. Monson's inability to substantially perform his duties for a period of 90 days during any 12 month period.

"Good reason" is generally defined in Mr. Monson's employment agreement as any of the following actions without Mr. Monson's consent: (i) a material diminution in his title or duties, (ii) a reduction in his base salary, (iii) a change in his reporting structure, (iv) the relocation of his principal place of employment to a location that is more than 50 miles from his

principal place of employment as of the date of the employment agreement or (v) the failure of the Company to extend his employment agreement.

Marcia H. Kendrick

On February 15, 2012, the Company entered into an employment agreement with Ms. Kendrick that was immediately effective. The agreement provides for Ms. Kendrick to continue as our Chief Financial Officer for an initial term of two years with a mechanism which provides automatic one-year extensions unless an election is made to not extend the term. The agreement provides an initial annual base salary of \$309,000, subject to increase by the Board or the Committee, and an annual cash bonus of up to 110% of her base salary under the Company's annual incentive plan.

Upon a termination without cause prior to or following a change in control or a resignation by Ms. Kendrick with good reason following a change in control, Ms. Kendrick would be entitled to receive one times her base salary payable in a lump sum and all of her Non-2012 Stock Option Plan Options would immediately vest. Upon a resignation by Ms. Kendrick for good reason prior to a change in control, she would receive one times her base salary payable in a lump sum. Upon a termination of Ms. Kendrick's employment due to death, all of her Non-2012 Stock Option Plan Options would immediately vest. Upon a termination of Ms. Kendrick's employment for disability, she would be entitled to receive her base salary through the earlier of the end of the term of her employment agreement or one year, reduced by disability insurance payments, if any, received by her, and all of her Non-2012 Stock Option Plan Options would immediately vest. In addition, Ms. Kendrick is entitled to a pro-rata bonus for the year of termination in the event of any termination of employment described in this paragraph; provided that in the case of termination due to disability, such bonus will not be prorated but will be reduced by disability insurance payments, if any, received by her. Receipt of severance benefits is contingent upon the execution of a release of claims. Ms. Kendrick is also subject to non-competition and non-solicitation covenants for one year after termination.

"Cause" is generally defined in Ms. Kendrick's employment agreement as Ms. Kendrick's (i) conviction of (or pleading nolo contendere to) a felony, crime of moral turpitude, or any crime involving the Company or its subsidiaries, (ii) willful or intentional misconduct or willful or gross neglect in connection with the performance of her duties to the Company or its subsidiaries, (iii) fraud, misappropriation or embezzlement, (iv) failure or refusal to substantially perform her duties properly assigned to her (other than any such failure resulting from her disability) after a demand for substantial performance is delivered by the Board specifically identifying the manner in which the Board believes she has not substantially performed such duties, and (v) breach in any material respect of the material terms and provisions of her employment agreement or any other agreement between her and the Company or any of its subsidiaries.

The term "change in control" generally has the same meaning in Ms. Kendrick's employment agreement as it does in Mr. Monson's employment agreement, as described above, except that Centerbridge's initial investment in the Company in May 2011 will not be considered for purposes of determining whether a change in control has occurred in Ms. Kendrick's employment agreement.

"Disability" is generally defined in Ms. Kendrick's employment agreement as Ms. Kendrick's inability to perform her duties for a continuous period of 180 days, or periods amounting to 240 days during any 365-day period.

"Good reason" is generally defined in Ms. Kendrick's employment agreement as any of the following actions without Ms. Kendrick's consent: (i) assignment of duties materially inconsistent with a senior executive-level employee, (ii) a material reduction in her base salary other than a reduction that applies to similarly-situated senior executive-level employees, or (iii) the relocation of her principal place of employment to a location more than 100 miles from her then principal place of employment with the Company.

Richard C. Kelvin

On August 1, 2014, the Company entered into an employment agreement with Mr. Kelvin that was immediately effective. The agreement provides for Mr. Kelvin to serve as Chief Technology Officer for an initial term of two years with a mechanism which provides automatic one-year extensions unless an election is made to not extend the term. The agreement provides an initial annual base salary of \$295,000, subject to increase by the Board or the Committee, and an annual cash bonus of up to 90% of his base salary under the Company's annual incentive plan. Effective August 18, 2016, in connection with Mr. Kelvin's increased responsibilities associated with taking on the role as President of Seitel Canada Ltd., the Company amended Mr. Kelvin's employment agreement in order to increase his annual cash bonus (effective January 1, 2016) up to 110% of his base salary.

15

---

Upon a termination without cause prior to or following a change in control or a resignation by Mr. Kelvin with good reason following a change in control, Mr. Kelvin would be entitled to receive one times his base salary payable in a lump sum and all of his Non-2012 Stock Options would immediately vest. Upon a resignation by Mr. Kelvin for good reason prior to a change in control, he would receive one times his base salary payable in a lump sum. Upon a termination of Mr. Kelvin's employment due to death, all of his Non-2012 Stock Options would immediately vest. Upon a termination of Mr. Kelvin's employment for disability, he would be entitled to receive his base salary through the earlier of the end of the term of his employment agreement or one year, reduced by disability insurance payments, if any, received by him, and all of his Non-2012 Stock Options would immediately vest. In addition, Mr. Kelvin is entitled to a pro-rata bonus for the year of termination in the event of any termination of employment described in this paragraph; provided that in the case of termination due to disability, such bonus will not be prorated but will be reduced by disability insurance payments, if any, received by him. Receipt of severance benefits is contingent upon the execution of a release of claims. Mr. Kelvin is also subject to non-competition and non-solicitation covenants for one year after termination.

The terms "cause," "change in control," "disability" and "good reason" generally have the same meaning in Mr. Kelvin's employment agreement as they do in Ms. Kendrick's employment agreement, as described above.

#### JoAnn Lippman

On February 1, 2012, the Company entered into an employment agreement with Ms. Lippman that was immediately effective. The agreement provided for Ms. Lippman to serve as General Counsel, Senior Vice President and Secretary for an initial term of two years. The agreement provided an initial annual base salary of \$260,000, subject to increase by the Board or the Committee, and an annual cash bonus of up to 90% of her base salary under the Company's annual incentive plan.

As of December 31, 2016, upon a termination of Ms. Lippman's employment due to death or disability, all of her Non-2012 Stock Option Plan Options would have immediately vested. Upon a termination of Ms. Lippman's employment for disability, she would have been entitled to a bonus for the year of termination due to disability. Such bonus would not have been prorated but would have been reduced by disability insurance payments, if any, received by her. Receipt of severance benefits under Ms. Lippman's employment agreement would have been contingent upon the execution of a release of claims.

The term "disability" generally had the same meaning in Ms. Lippman's employment agreement as it does in Ms. Kendrick's employment agreement, as described above.

#### Randall A. Sides

On February 15, 2012, the Company entered into an employment agreement with Mr. Sides that was immediately effective. The agreement provides for Mr. Sides to continue as President of Seitel Data, Ltd. for an initial term of two years with a mechanism which provides automatic one-year extensions unless an election is made to not extend the term. The agreement provides an initial annual base salary of \$309,000, subject to increase by the Board or the Committee, and an annual cash bonus of up to 110% of his base salary under the Company's annual incentive plan.

Upon a termination without cause prior to or following a change in control or a resignation by Mr. Sides with good reason following a change in control, Mr. Sides would be entitled to receive one times his base salary payable in a lump sum and all of his Non-2012 Stock Options would immediately vest. Upon a resignation by Mr. Sides for good reason prior to a change in control, he would receive one times his base salary payable in a lump sum. Upon a termination of Mr. Sides' employment due to death, all of his Non-2012 Stock Options would immediately vest. Upon

a termination of Mr. Sides' employment for disability, he would be entitled to receive his base salary through the earlier of the end of the term of his employment agreement or one year, reduced by disability insurance payments, if any, received by him, and all of his Non-2012 Stock Options would immediately vest. In addition, Mr. Sides is entitled to a pro-rata bonus for the year of termination in the event of any termination of employment described in this paragraph; provided that in the case of termination due to disability, such bonus will not be prorated but will be reduced by disability insurance payments, if any, received by him. Receipt of severance benefits is contingent upon the execution of a release of claims. Mr. Sides is also subject to non-competition and non-solicitation covenants for one year after termination.

The terms "cause," "change in control," "disability" and "good reason" generally have the same meaning in Mr. Sides' employment agreement as they do in Ms. Kendrick's employment agreement, as described above.

## David Richard

On February 15, 2012, the Company entered into an employment agreement with Mr. Richard that was immediately effective. The agreement provided for Mr. Richard to be employed as President of Olympic Seismic Ltd. (the predecessor entity for Seitel Canada Ltd.) for an initial term of two years with a mechanism which provided automatic one-year extensions unless an election was made to not extend the term. The agreement provided an initial annual base salary of \$313,635 (Canadian), subject to increase by the Board or the Committee, and an annual cash bonus of up to 110% of his base salary under the Company's annual incentive plan.

Upon a termination without cause prior to or following a change in control or a resignation by Mr. Richard with good reason following a change in control, Mr. Richard would have been entitled to receive one times his base salary payable in a lump sum and all of his Non-2012 Stock Options would have immediately vested. Upon a resignation by Mr. Richard for good reason prior to a change in control, he would have received one times his base salary payable in a lump sum. Upon a termination of Mr. Richard's employment due to death, all of his Non-2012 Stock Options would have immediately vested. Upon a termination of Mr. Richard's employment for disability, he would have been entitled to receive his base salary through the earlier of the end of the term of his employment agreement or one year, reduced by disability insurance payments, if any, received by him, and all of his Non-2012 Stock Options would have immediately vested. In addition, Mr. Richard was entitled to a pro-rata bonus for the year of termination in the event of any termination of employment described in this paragraph; provided that in the case of termination due to disability, such bonus would not have been prorated but would have been reduced by disability insurance payments, if any, received by him. Receipt of severance benefits was contingent upon the execution of a release of claims. Mr. Richard was also subject to non-competition and non-solicitation covenants for one year after termination.

The terms "cause," "change in control," "disability" and "good reason" generally had the same meaning in Mr. Richard's employment agreement as they do in Ms. Kendrick's employment agreement, as described above. Notwithstanding the foregoing, upon Mr. Richard's separation with the Company in August 2016, in lieu of Mr. Richard receiving the benefits as set forth in his employment agreement, Mr. Richard and the Company agreed that the Company would pay him one lump sum of \$478,000 (Canadian) in two installments, one in November 2016 and the other in January 2017. Receipt of such severance was contingent upon an execution of release of claims.

The following table sets forth the estimated cash and in-kind payments and benefits to which the named executive officers, excluding Mr. Richard, would be entitled under their employment agreements if their employment was terminated for the reasons set forth in the table as of December 31, 2016. Actual payments and benefits that each named executive officer could receive in any given situation cannot be known with any certainty until the termination event or change in control event were to occur. We did not include information for Mr. Richard because he was not employed at the end of the year and the amounts he received upon his departure are included in the Summary Compensation Table described above.

For purposes of calculating the value of medical and dental benefits that may be received upon termination of employment, we have provided the Company's cost of the coverage elected by Mr. Monson as of December 31, 2016, less his required contribution for such coverage.

- (2) Represents supplemental life insurance benefits not made available to all U.S. employees.  
 Represents continued base salary and annual bonus (based on 2016 actual cash bonus) through the end of the term of the employment agreements for Mr. Monson (February 14, 2017), for Ms. Kendrick and Mr. Sides (February 15, 2017) and for Mr. Kelvin (August 1, 2017). The actual amount to be paid would be reduced by disability insurance payments, if any.
- (3) Represents the named executive officers' earned 2016 bonus under our annual incentive bonus plan.  
 Represents the estimated spread on Mr. Kelvin's Non-2012 Stock Option Plan Options as of December 31, 2016. The Company used an internal valuation model to calculate the market price of its stock as of December 31, 2016.
- (5) These amounts were zero due to the fact that the strike price of his unvested Non-2012 Stock Option Plan Options exceeded the estimated market price.

#### Director Compensation

The Company may use a combination of cash and stock-based compensation to attract and retain qualified candidates to serve on the Board. The Company sets director compensation at a level that reflects the amount of time and skill required of directors in performing their duties to the Company and to its stockholders. Directors typically are granted stock options when they join the Board and may receive additional grants if their role on the Board is expanded or increased. Directors who are employees and ValueAct Capital and Centerbridge representatives receive no additional compensation for serving on the Board.

Non-employee members of the Board receive an annual cash retainer of \$75,000 per year. The annual cash retainer is paid quarterly in arrears. No additional compensation is paid for serving as a chair or on any additional committees, or for attending Board or committee meetings.

## Securities Holders Agreement

In May 2011, Centerbridge purchased a minority interest in Holdings (the “Minority Interest Purchase”). In connection with the Minority Interest Purchase, Holdings, ValueAct Capital, Centerbridge and each of the named management investors entered into the Amended and Restated Securities Holders Agreement (the “Securities Holders Agreement”), which contains certain agreements described below with respect to the capital stock and corporate governance of Holdings.

Governance Provisions. The Securities Holders Agreement provides that each stockholder shall take all action necessary to ensure that the board of directors of Holdings (the “Holdings Board”) is composed of ten directors.

22

---

The Securities Holders Agreement designates the initial members of the Holdings Board and provides that (A) while ValueAct Capital's ownership percentage in Holdings is greater than or equal to (i) 50%, ValueAct Capital is entitled to designate five members of the Holdings Board (one of whom shall be the chairman of the Holdings Board and two of whom shall be individuals not employed by or affiliated with ValueAct Capital or its affiliates or Holdings); (ii) 40% but less than 50%, ValueAct Capital is entitled to designate four members of the Holdings Board (two of whom shall be individuals not employed by or affiliated with ValueAct Capital or its affiliates or Holdings); (iii) 25% but less than 40%, ValueAct Capital is entitled to designate three members of the Holdings Board (one of whom shall be an individual not employed by or affiliated with ValueAct Capital or its affiliates or Holdings); (iv) 10% but less than 25%, ValueAct Capital shall be entitled to designate two members of the Holdings Board; and (v) 5% but less than 10%, ValueAct Capital shall be entitled to designate one member of the Holdings Board; (B) while Centerbridge's ownership percentage in Holdings is greater than or equal to (i) 25%, Centerbridge is entitled to designate three members of the Holdings Board (one of whom shall be an individual not employed by or affiliated with Centerbridge or its affiliates or Holdings), provided that for so long as Centerbridge has not transferred any shares, Centerbridge shall be entitled to elect three members of the Holdings Board and clauses (ii) and (iii) of this clause (B) shall not apply; (ii) 10% but less than 25%, Centerbridge is entitled to designate two members of the Holdings Board; (iii) 5% but less than 10%, Centerbridge is entitled to designate one member of Holdings Board; and (C) the management investors as a group are entitled to designate two members of the Holdings Board, one of whom shall be the Chief Executive Officer of Holdings. The Securities Holders Agreement provides that each stockholder agrees that it will not vote any of its stock in favor of the removal of any member of the Holdings Board as designated above unless the stockholder entitled to designate such member of Holdings Board shall have consented to such removal in writing. The Securities Holders Agreement also provides that the Company's Board shall consist of directors designated by the stockholders in proportion to their right to designate members of Holdings Board. No stockholder shall consent in writing or vote or cause to be voted any shares of Holdings common stock currently or in the future owned or controlled by it in favor of any amendment, repeal, modification, alteration or rescission of, or the adoption of any provision in the certificate of incorporation or bylaws of Holdings inconsistent with certain provisions of the Securities Holders Agreement unless the Holdings Board (including at least one member of the Holdings Board designated by Centerbridge) consents in writing thereto.

Pursuant to the Amended and Restated Certificate of Incorporation of Holdings filed on May 23, 2011, so long as ValueAct Capital's ownership percentage in Holdings is greater than or equal to 50%: (i) the chairman of the Holdings Board is entitled to cast three votes on every matter presented to the Holdings Board for consideration; (ii) each of the directors who are employed by or affiliated with ValueAct Capital, its affiliates or Holdings, is entitled to cast two votes on every matter presented to the Holdings Board for consideration; and (iii) all other directors are entitled to cast one vote each on every matter presented to the Holdings Board for consideration.

Centerbridge has veto rights over certain material activities and transactions for so long as it maintains a 15% ownership percentage.

Approved Sale. So long as ValueAct Capital's ownership percentage in Holdings is greater than or equal to 50%, ValueAct Capital shall have the right, by delivery of a written notice to Holdings and Centerbridge, to elect to require that Holdings be sold to a person or group that is not an affiliate of ValueAct Capital, whether by merger, consolidation, sale of outstanding capital stock, sale of all or substantially all of its assets or otherwise, or if certain financial conditions have been satisfied, to consummate an initial public offering, and each stockholder will be obligated to consent to, vote for and raise no objections against, and will waive dissenters and appraisal rights (if any) with respect to, such approved sale, and, as applicable, will sell, exchange, redeem, agree to cancel or otherwise dispose of its securities, options, warrants or other rights relating to Holdings on the terms and conditions approved by ValueAct Capital.

**Requested Sale.** Following the fifth anniversary of the Minority Interest Purchase, so long as Centerbridge and its affiliates own at least 50% of the common stock purchased in the Minority Interest Purchase, Centerbridge shall have the right, by delivery of a written notice to Holdings and ValueAct Capital, to elect to require that Holdings be sold to a person or group that is not an affiliate of Centerbridge, whether by merger, consolidation, sale of outstanding capital stock, sale of all or substantially all of its assets or otherwise, or consummate an initial public offering, and each stockholder will be obligated to consent to, vote for and raise no objections against, and will waive dissenters and appraisal rights (if any) with respect to, such approved sale, and, as applicable, will sell, exchange, redeem, agree to cancel or otherwise dispose of its securities, options, warrants or other rights relating to Holdings on the terms and conditions approved by Centerbridge.

**Right of First Offer.** In the event that ValueAct Capital or Centerbridge desires (i) to sell any common stock of Holdings to a third party or (ii) to cause Holdings to effect an Approved Sale or a Requested Sale (other than a public offering), as applicable, both of which are defined in the Securities Holders Agreement and described above, ValueAct Capital or

Centerbridge, as applicable, must provide the other party with the first opportunity to purchase such shares or acquire Holdings on the same terms and conditions applicable to the third party.

**Call and Put Options.** If a management investor of Holdings is no longer an employee or director, as applicable, of Holdings or any of its subsidiaries for any reason, all of the securities held by that management investor (whether held directly by the management investor or by one or more of his or her affiliates or permitted transferees, other than Holdings, ValueAct Capital or a ValueAct Capital Affiliate, Centerbridge or a Centerbridge affiliate), will be subject to repurchase by ValueAct Capital and Centerbridge, in the first instance, and Holdings, in the second instance, at their option, pursuant to certain terms and conditions set forth in the Securities Holders Agreement. If the repurchase option is not exercised with regard to all applicable securities consisting of common stock or other shares of capital stock of Holdings following a termination, then all, but not less than all, of such remaining securities consisting of common stock or other shares of capital stock of Holdings held by such management investor will be required to be repurchased by ValueAct Capital and Centerbridge, on a pro-rata basis (based upon their respective ownership percentages in Holdings at the time of repurchase), if so elected by such holder (which option may only be exercised with respect to all such securities held by the holder), pursuant to certain terms and conditions set forth in the Securities Holders Agreement.

**Tag-along rights.** After the first anniversary of the Minority Interest Purchase, neither ValueAct Capital nor Centerbridge nor their respective permitted transferees or assignees, shall sell or otherwise effect the transfer of any common stock or other securities of Holdings, in either one or a series of transactions, to a third-party other than a permitted transferee unless the other stockholders of Holdings at such time are offered an opportunity to participate ratably in such transaction on the same terms as are to be received by the selling stockholder.

**Corporate Opportunity.** To the fullest extent permitted by any applicable law, the doctrine of corporate opportunity, or any other analogous doctrine, does not apply with respect to ValueAct Capital or Centerbridge or their respective affiliates or representatives, including any directors of Holdings designated by such persons with respect to their relationship with Holdings and its subsidiaries. ValueAct Capital, Centerbridge and any of their respective representatives shall have the right to engage in business activities, whether or not in competition with Holdings, any of its subsidiaries or their respective business activities, without consulting any other stockholder, and ValueAct Capital and Centerbridge do not have any obligation to any other stockholder with respect to any opportunity to acquire property or make investments at any time.

**Transfer Restrictions.** Generally, no stockholder or permitted transferee other than ValueAct Capital and Centerbridge may transfer common stock or securities of Holdings, other than in connection with a redemption of shares of common stock or securities of Holdings, unless such transfer is to a person approved in advance in writing by the Holdings Board, and such transfer complies with the notice and other covenants and representations requirements contained in the Securities Holders Agreement.

Each of Centerbridge and ValueAct Capital may in certain circumstances without prior approval of the other, assign their rights under the Securities Holders Agreement in connection with certain material transfers of shares of common stock of Holdings.

#### Registration Rights Agreement

In connection with the Minority Interest Purchase, Holdings, ValueAct Capital, Centerbridge and each of the management investors named therein entered into an Amended and Restated Registration Rights Agreement (the "Registration Rights Agreement"), which became effective upon consummation of the Minority Interest Purchase. Pursuant to the Registration Rights Agreement, if at any time after an initial public offering of Holdings' common stock, Holdings proposes or is required to register any offer or sale of the common stock of Holdings under the

Securities Act of 1933, as amended (“Securities Act”) (subject to certain exceptions), Holdings shall give at least 30 days' prior written notice to all holders of registrable securities. Upon written request by holders within 20 days of such notice, Holdings shall use its best efforts to effect the registration under the Securities Act of the offer and sale of all registrable securities which Holdings has been so requested to register by such security holders, to the extent required to permit the public distribution of such registrable securities subject to such requests and subject to customary cutback provisions; provided, however, that (i) if, any time after giving written notice of its intention to register the offer and sale of shares of common stock and prior to the effective date of the registration statement filed in connection with such registration, Holdings shall determine for any reason not to register the common stock of Holdings, Holdings shall give written notice of such determination to each holder of registrable securities and, thereupon, shall be relieved of its obligation to register any offer and sale of registrable securities in connection with such registration; (ii) if a registration undertaken shall involve an underwritten offering, any holder of registrable securities requesting to be included in such registration may elect, in writing at least 20 days prior to the effective date of the registration statement filed

in connection with such registration, not to register the offer and sale of such holder's registrable securities in connection with such registration; and (iii) if, at any time after a period of 180 days or a shorter period as specified in the Registration Rights Agreement, the sale of the securities has not been completed, Holdings may withdraw from the registration on a pro rata basis (based on the number of registrable securities requested by each holder of registrable securities to be subject to such registration) of the offer and sale of the registrable securities of which Holdings has been requested to register and which have not been sold.

Pursuant to the Registration Rights Agreement, after an initial public offering of Holdings common stock, each of ValueAct Capital and Centerbridge, so long as it, together with its affiliates, holds at least 15% of the outstanding common stock of Holdings, is entitled to make a written request to Holdings for registration with the SEC under and in accordance with the provisions of the Securities Act of the offer and sale of all or a part of the registrable securities owned by it, subject to customary cutback provisions. Each of ValueAct Capital and Centerbridge is entitled to three effective demand registrations, provided that Holdings shall not be required to effect a demand registration within 180 days of the effective date of any demand registration. Additionally, after completion of Holdings' initial public offering, subject to the availability of a registration by Holdings on Form S-3 (or any successor form), each of ValueAct Capital and Centerbridge, so long as it together with its affiliates holds at least 15% of the outstanding common stock of Holdings, has the right at any time, and from time to time, to request, in connection with the delivery of a demand registration request, that Holdings prepare and file with the SEC a "shelf" registration statement on the appropriate form for an offering to be made, covering the registrable securities requested to be included therein, on a continuous or delayed basis pursuant to Rule 415 under the Securities Act (or any successor rule or similar provision then in effect) in the manner or manners designed by ValueAct Capital or Centerbridge, as applicable.

#### Advisory Agreement

In connection with the Minority Interest Purchase, ValueAct Capital Management, Centerbridge Advisors, II, L.L.C. There are no minimum levels of service required to be provided pursuant to the Advisory Agreement. The services that may be provided include executive and management services, support and analysis of financing alternatives and assistance with various finance functions. In exchange for these services, Holdings, ValueAct Capital Management and Centerbridge Advisors will be reimbursed for all of their reasonable out-of-pocket expenses. None of Holdings, ValueAct Capital Management or Centerbridge Advisors are liable for any losses, liabilities or damages under the Advisory Agreement unless resulting from their gross negligence, willful misconduct or bad faith. The Advisory Agreement has an initial term of ten years and automatically renews for successive one-year terms, subject to termination by ValueAct Capital Management or Centerbridge Advisors upon written notice 90 days prior to the expiration of the initial term or any extension thereof, in which case the Advisory Agreement shall terminate with respect to such requesting party only. The Advisory Agreement shall automatically terminate in its entirety upon the consummation of an initial public offering of Holdings and as to either ValueAct Capital Management or Centerbridge Advisors if such party's ownership percentage in Holdings is less than 5%. The Advisory Agreement includes customary indemnification provisions in favor of ValueAct Capital Management and Centerbridge Advisors.
