Exhibit 10.1

Phantom Stock Agreement

This Phantom Stock Agreement (Agreement) is dated May 16, 2006, and is between Questar Corporation, a Utah corporation (the Company) and _____ (the Director).

WHEREAS, the Management Performance Committee of the Company's Board of Directors, as the designated administrator of the Long-term Stock Incentive Plan ("Plan"), is awarding the Director restricted phantom stock units (Phantom Stock), as of May 16, 2006, as further described in this Agreement.

NOW, THEREFORE, the parties agree as follows:

1.

Award. The Director is hereby granted _____ restricted shares of Phantom Stock. As used in this Agreement, shares of Phantom Stock mirror shares of the Company's common stock. They are credited with dividends at the same rate dividends are paid on the Company's common stock, and such credited dividends are reinvested in additional shares of Phantom Stock.

2.

Award Restrictions. The shares of Phantom Stock covered by this award shall vest over four years, with one-third (_____ shares) vesting on or about May 16, 2008, one-third (_____ shares) vesting on or about May 16, 2009, and one-third (_____ shares) vesting on or about May 16, 2010. For purposes of this Agreement, the term "vested" simply means that the Phantom Stock is no longer subject to forfeiture.

3.

Service. If the Director terminates service as a director with the Company for any reason other than death, disability, mandatory retirement at age 72, or failure to be renominated for continued election for some reason other than performance of duties, the Director shall not be entitled to receive the cash value of any Phantom Stock covered by this Agreement that have not vested. If the Director's service terminates as a result of a specified reason (death, disability, mandatory retirement, or failure to be renominated for continued election for some reason other than performance of duties), the Director (or his beneficiary in the event of his death) shall be entitled to receive the cash value of the shares of Phantom Stock.

4.

Cash Value Determination and Time of Payment. The cash value of the shares of Phantom Stock shall be calculated in the manner specified in the Deferred Compensation Plan for Directors, i.e., the closing price of the Company's common stock on the last business day of the calendar month preceding the month of payment. The payment of the value of the shares of Phantom Stock shall be paid in a manner consistent with the Director's election for compensation handled under the Deferred Compensation Plan for Directors.

5.

Change in Control. In the event of a Change in Control of the Company (as defined in the Plan), the Phantom Stock covered by this Agreement shall immediately vest and become nonforfeitable.

6.

Right to Continued Service. This Agreement shall not confer upon the Director any right with respect to continuation of service by the Company or limit in any way the right of the Company's Board of Directors or shareholders to terminate the Director's service.

7.

Binding Nature of Agreement. This Agreement shall bind and inure to the benefit of the Company and its successors and assigns and the Director and his estate or heirs in the event of the Director's death.

8.

Notice. Unless waived by the Company, any notice to the Company required or relating to this Agreement shall be in writing and addressed to it in care of the Company's Chairman of the Board at its principal place of business.

9.

Amendment. This Agreement may not be amended without the Director's written consent.

10.

Entire Agreement. This Agreement contains the entire understanding of the parties to it concerning the Company's obligation to grant the Director shares of Common Stock or Phantom Stock.

IN WITNESS WHEREOF, the parties have executed this Agreement effective May 16, 2006.

BRUCE WILLIAMSON ELECTED TO QUESTAR BOARD OF DIRECTORS

SALT LAKE CITY Bruce A. Williamson, 46, chairman and chief executive officer of Dynegy Inc., was elected to the board of directors of Questar Corp. at the company's May 16 annual meeting. Williamson will fill a vacancy left by the retirement of Patrick J. Early, who left the board in 2005.

Williamson was named Dynegy's president and CEO and elected to the company's board of directors in October 2002. In May 2004, he was elected board chairman. Dynegy provides electricity to markets and customers in 12 states.

Bruce took the reins of Dynegy in 2002 and led one of the most impressive turnarounds in American business in recent years, said Keith O. Rattie, Questar chairman, president and chief executive officer. We're pleased to have him on our board.

Before joining Dynegy, Williamson served as president and CEO of Duke Energy Global Markets. Prior to Duke's merger with PanEnergy in 1997, he was vice president of finance for PanEnergy. He also spent 14 years with Royal Dutch/Shell Group, where he held positions of increasing responsibility in exploration and production and finance.

Williamson earned a bachelor's degree in finance from the University of Montana and a master's in business administration from the University of Houston.

Questar also announced the retirement of long-time director Robert E. Kadlec. Kadlec, retired president and CEO of BC Gas Inc., has been a Questar director since 1987.

Questar Corp. (NYSE:STR) is a natural gas-focused energy company with an enterprise value of about \$7.5 billion. Questar finds, develops, produces, gathers, processes, transports, stores and distributes natural gas.
