Item 4.01 Change in Registrant’s Certifying Accountant

On March 17, 2014, Berry Petroleum Company, LLC (“Berry”) dismissed PricewaterhouseCoopers LLP (“PwC”) as its auditors effective upon completion of the audit services being conducted by PwC for the fiscal year ended December 31, 2013 and the filing of Berry’s related Form 10-K. Berry became an indirect wholly owned subsidiary of Linn Energy, LLC (“Linn Energy”) upon completion of its acquisition effective December 16, 2013. The periods preceding the acquisition will be audited by PwC. The dismissal of PwC was approved by the Audit Committee of Linn Energy, the indirect parent of Berry.

During Berry’s two most recent fiscal years ended December 31, 2012 and 2011, PwC’s reports on Berry’s financial statements did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

Berry and PwC have not, during Berry’s two most recent fiscal years and the subsequent period through March 17, 2014, had any disagreements on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which, if not resolved to the satisfaction of PwC, would have caused PwC to make reference to the matter in its reports on Berry’s financial statements; and there were no “reportable events” as the term is described in Item 304(a)(1)(v) of Regulation S-K.

Berry has requested PwC furnish a letter addressed to the Securities and Exchange Commission stating whether or not PwC agrees with the statements in this Current Report on Form 8-K. A copy of such letter dated March 21, 2014 is filed as Exhibit 16.1 to this Current Report on Form 8-K.
