PROXY STATEMENT

Annual General Meeting of Shareholders

To Be Held July 27, 2009

PROXY SOLICITATION AND VOTING

General

This Proxy Statement is being furnished in connection with the Board of Director's solicitation of proxies from the shareholders of American Safety Insurance Holdings, Ltd. for use at the Annual General Meeting of Shareholders.

The Company is a specialty insurance holding company that provides through its operating subsidiaries and affiliates customized insurance products and solutions to small and medium-sized businesses in industries that we believe are underserved by the standard insurance market. For twenty years, we have developed specialized insurance coverages and alternative risk transfer products not generally available to our customers in the standard insurance market because of the unique characteristics of the risks involved and the associated needs of the insureds. We specialize in underwriting these products for insureds with environmental risks and construction risks, as well as in developing programs for other specialty classes of risk. Unless otherwise indicated by the context, the term "Company" or "American Safety" shall refer to American Safety Insurance Holdings, Ltd. and its subsidiaries.

The enclosed proxy is for use at the Annual General Meeting if a shareholder is unable to attend the Annual General Meeting in person or wishes to have his or her shares voted by proxy, even if he or she attends the Annual General Meeting. The person giving a proxy may revoke it an hour before the vote being taken, by notice to the Secretary of the Company, by submitting a proxy having a later date, or by appearing at the Annual General Meeting and voting in person. All shares represented by valid proxies received pursuant to this solicitation, and not revoked before their exercise, will be voted in the manner specified therein. If a proxy is signed and no specification is made, the shares represented by the proxy will be voted **FOR** the proposed nominees for election as directors, and **FOR** the other proposals described in this Proxy Statement and in accordance with the best judgment of the persons exercising the proxy with respect to any other matters presented for action at the Annual General Meeting.

This Proxy Statement and the enclosed proxy are first being mailed to the Company's shareholders on or about June 3, 2009.

Record Date and Outstanding Shares

The Board of Directors has set May 29, 2009 as the record date for the Annual General Meeting. Only shareholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual General Meeting. As of the record date, there were 10,318,998 common shares of the Company issued and outstanding.

Quorum and Voting Rights

A quorum for the transaction of business at the Annual General Meeting consists of the holders of at least one-third of the outstanding common shares of the Company entitled to vote at the Annual General Meeting present in person or represented by proxy.

Each holder of common shares of the Company is entitled to one vote per share on each matter to come before the Annual General Meeting, other than a holder subject to the 9.5% voting limitation as set forth in the Company's Bye-Laws. Each of the Proposals requires the affirmative vote of a majority of the common shares of the Company present in person or represented by proxy at the Annual General Meeting. The Company does not have cumulative voting.

Abstentions and "broker non-votes" are not counted in determining the number of votes cast in connection with the matters presented for action at the Annual General Meeting. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Under New York Stock Exchange rules, brokers who are New York Stock Exchange members are expected to have discretionary voting power for the re-election of directors (Proposal 1) and the appointment of the independent registered public accountants (Proposal 3). Accordingly, abstentions and broker non-votes (if any) with respect to each of the Proposals will not be counted as votes cast and will have no effect on the result of the vote, although they will count toward the presence of a quorum.

Solicitation of Proxies

In addition to this solicitation by mail, the officers and employees of the Company, without additional compensation, may solicit proxies in favor of the Proposals, if deemed appropriate, by personal contact, letter, telephone or other means of communication. Brokers, nominees and other custodians and fiduciaries will be requested to forward proxy solicitation material to the beneficial owners of the common shares of the Company where appropriate, and the Company will reimburse them for their reasonable expenses incurred in connection with such transmittals. The costs of solicitation of proxies for the Annual General Meeting will be borne by the Company.

Important Notice Regarding the Availability of Proxy Materials for the Annual General Meeting to Be Held on July 27, 2009.

In accordance with rules adopted by the United States Securities and Exchange Commission (“SEC”), the Company is also making this Proxy Statement and its Annual Report available to stockholders electronically via the Internet. To access this Proxy Statement and the Company’s Annual Report on Form 10-K on the Internet please visit www.amsafety.com.

ELECTION OF DIRECTORS

(Proposal 1)

General

The members of the Board of Directors of the Company are elected by the shareholders. The Company's Bye-laws provide that the Board shall be made up of no more than fifteen directors, the specific number of which shall be determined from time to time by the shareholders of the Company. The shareholders have determined by resolution that the number of directorships shall not be more than nine and our Board of Directors currently consists of eight Directors. The directorships of the Company are divided into three classes, with the members of each class serving three year terms, and the shareholders of the Company electing one class annually. Proxies cannot be voted for a greater number of persons than the number of the nominees named.

The Board of Directors has nominated Cody W. Birdwell and Steven L. Groot for re-election as Class II Directors of the Company to hold office and serve three year terms which will expire in 2012 at the Annual General Meeting and has nominated Harris R. Chorney for election as a Class III Director of the Company to hold office and serve a one year term which will expire in 2010. The three nominees are presently directors of the Company. The terms of the other directors of the Company who are not up for election will continue as set forth below. Each nominee has agreed to his nomination and to serve as a director, if elected. Unless authority is withheld by the shareholder, it is the intention of persons named by American Safety as proxies on its proxy card to vote for the nominees listed. AMENDMENT OF THE AMERICAN SAFETY INSURANCE HOLDINGS, LTD. 1998 DIRECTOR STOCK AWARD PLAN

(Proposal 2)

The Board of Directors requests that the shareholders of the Company approve amendments to (i) increase the annual retainer award of common shares of the Company issued to Board members (who are not full-time employees) from \$30,000 to \$40,000 in market value and (ii) increase the number of common shares authorized for issuance from 100,000 to 250,000 common shares under the 1998 Director Stock Award Plan (the "Director Plan").

A total of 30,000 common shares were initially reserved for issuance under the Director Plan, with \$5,000 dollars in value granted each year. The First Amendment, approved by shareholders at the 2003 Annual General Meeting, increased the available shares to 100,000 common shares and raised the annual grant value to \$15,000. The Second Amendment, approved by shareholders at the 2006 Annual General Meeting, increased the annual grant value to \$30,000, but did not increase the shares authorized under the Director Plan. A total of 95,979 common shares, in the aggregate, have been issued to eligible Board members since 1998. The Board of Directors believes the amendments are appropriate in order to continue to attract and retain qualified individuals to serve as non-employee directors of the Company. In addition, increased demands continue to be placed on directors, including increased responsibilities and additional time commitments. Such increased demands are changing the way non-management directors are compensated throughout the marketplace, and the Board of Directors believes the proposed increase is in line with such changes. The Board of Directors approved the proposed amendment on March 4, 2009, subject to shareholder approval. If the amendments are approved, eligible directors will receive \$40,000 in common shares annually for Board service effective for the July 2009 - July 2010 year. The Board believes the amendments will further the purposes of the Director Plan.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE FOR PROPOSAL 2 TO AMEND THE 1998 DIRECTORS STOCK AWARD PLAN.

**APPOINTMENT OF AUDITORS AND AUTHORIZATION
OF THE AUDIT COMMITTEE TO SET THEIR REMUNERATION**

(Proposal 3)

In accordance with Section 89 of the Bermuda Companies Act, the shareholders of the Company have the authority to appoint the Company's independent registered public accountants (auditors) and to authorize the Audit Committee to set the auditor's remuneration. The Audit Committee and the Board of Directors request that the shareholders of the Company approve the appointment of BDO Seidman LLP as the Company's auditors to serve until the conclusion of the next Annual General Meeting and authorize the Audit Committee to set their remuneration.

BDO Seidman LLP has served as the Company's independent auditors since July 26, 2004. A representative of BDO Seidman LLP is expected to attend the Annual General Meeting and will have the opportunity to make a statement and will be available to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE **FOR** PROPOSAL 3 TO APPROVE THE APPOINTMENT OF BDO SEIDMAN LLP AS THE COMPANY'S AUDITORS TO SERVE UNTIL THE CONCLUSION OF THE NEXT ANNUAL GENERAL MEETING AND TO AUTHORIZE THE AUDIT COMMITTEE TO SET THEIR REMUNERATION.

Independent Registered Public Accounting Firm Fees

The following represents the fees billed to the Company for the two most recent fiscal years by BDO Seidman LLP, the Company's independent registered public accountant for 2007 and 2008:

	2008 <u>(in thousands)</u>	2007 <u>(in thousands)</u>
Audit Fees ⁽¹⁾	\$ 493	\$ 486
Audit-Related Fees ⁽²⁾	16	5
Tax Fees	--	--
All Other Fees	<u> --</u>	<u> --</u>
Total	\$ 509	\$ 491

(1) Includes fees for professional services rendered for the audit of the Company's annual financial statements, review of quarterly financial statements, statutory audits and an audit of internal controls over financial reporting as required by Section 404 of the Sarbanes Oxley Act.

(2)The audit related fees for 2008 and 2007 were related to BDO's review of the Company's registration statement on Form S-8 along with BDO's review of the Company's responses to SEC comment letters received in connection therewith.

The audit committee of the Company's Board of Directors considered the provision of non-audit services by BDO Seidman LLP and determined that the provision of such services was consistent with maintaining the independence of such independent registered principal public accounting firm. The audit committee pre-approves all audit and non-audit services provided by BDO Seidman LLP.

CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The Board of Directors of the Company had five meetings during 2008. All directors attended at least 75% of the meetings of the Board of Directors and the committees thereof on which they served during 2008.

Independence

The New York Stock Exchange listing standards require listed companies to have a board of directors with at least a majority of independent directors. The Board of Directors has affirmatively determined that each current director, with the exception of Mr. Crim (who is currently employed by the Company as its CEO), and each nominee for election qualifies as an independent director. In determining each director's independence, the Board of Directors did consider that Messrs. Brueggen, Mueller and Birdwell are directors of American Safety Risk Retention Group, Inc. The Company has no ownership interest in this entity but it is consolidated with the Company for accounting purposes. As a result, the Risk Retention Group is considered an affiliate of the Company rather than a subsidiary of the Company. The Board of Directors has determined that this relationship does not prevent these directors from being independent within the applicable rules of the New York Stock Exchange and the Securities Exchange Commission ("SEC").

Committees of the Board of Directors

The Board of Directors has established four standing committees: the audit committee, the compensation committee, the finance committee and the nominating and corporate governance committee.

The audit committee is composed of independent directors and reviews the scope of the Company's audit, recommends to the shareholders the engagement of the independent registered public accounting firm, and reviews such firm's reports. The audit committee operates pursuant to a written charter, a copy of which is available on our website, www.amsafety.com in the "Committee Charting" subsection, under "Corporate Overview" in the "Investor Relations" section. The current members of the audit committee are Messrs. Brueggen (chairman), Chorney and Weaver. The Board of Directors has determined that each member of the audit committee is financially literate. The Board of Directors has also determined that each of Mr. Brueggen and Mr. Chorney is qualified as an "audit committee financial expert" within the meaning of the SEC regulations, and therefore, meets the requirement under the New York Stock Exchange listing standards that at least one member of the audit committee have accounting or related financial management expertise. The Company's independent registered public accounting firm reports directly to the audit committee, which controls their engagement. The audit committee pre-approves the provision of all audit and non-audit related services by the Company's independent registered public accounting firm and meets with management and the accounting firm at each audit committee meeting in separate executive sessions, if deemed necessary, to review the Company's financial statements and significant findings based on the auditor's review processes. The audit committee has also established a procedure for the confidential and anonymous

reporting of concerns regarding questionable accounting or auditing matters. The audit committee held five meetings during 2008. The audit committee is responsible for reviewing the financial reports and other financial information provided by the Company to any governmental or other regulatory body and monitoring any public distribution or other uses thereof, reviewing the annual independent audit of the Company's financial statements, reviewing the Company's systems of internal accounting and financial controls and reviewing and monitoring the internal audit process and internal audit results. However, the audit committee is not responsible for planning or conducting the audit or for determining whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Nor is the audit committee responsible for ensuring that the Company complies with all laws and regulations and its Code of Business Conduct and Ethics.

The compensation committee is comprised of consists of Messrs. Geneen (Chairman), Groot and Lackner. The Committee operates pursuant to a written charter, which is available on our website, www.amsafety.com. The charter is reviewed annually by the Committee. The Board of Directors has determined that the members of the Committee are "non-employee directors" (within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended), "outside directors" (within the meaning of Section 162(m) of the Internal Revenue Code) and "independent directors" (within the standards set forth by the New York Stock Exchange). In addition, no Committee member is a current or former employee of the Company or any of its subsidiaries. Generally, the Committee is responsible for recommending to the Board of Directors matters regarding executive compensation. The compensation committee held four meetings during 2008.

The finance committee is comprised of independent directors and is responsible for recommending portfolio allocations to the Board of Directors, approving the Company's guidelines that provide standards to ensure portfolio liquidity and safety, approving investment managers and custodians for portfolio assets, and considering other matters regarding the financial affairs of the Company. The committee operates pursuant to a written charter, which is available on our website, www.amsafety.com in the "Committee Charting" subsection, under "Corporate Overview" in the "Investor Relations" section. The current members of the finance committee are Messrs. Birdwell, Lackner (chairman) and Weaver. The finance committee held four meetings during 2008.

The nominating and corporate governance committee is comprised of independent directors. The committee has as its purposes identifying individuals qualified to become members of the Board of Directors and recommending to the Board of Directors candidates for election or reelection as directors; monitoring and recommending corporate governance and other Board of Directors practices; and overseeing performance reviews of the Board of Directors, its committees and the individual members of the Board of Directors. The committee operates pursuant to a written charter, which is available on our website, www.amsafety.com in the "Committee Charting" subsection, under "Corporate Overview" in the "Investor Relations" section. The current members of the nominating and corporate governance committee are Messrs. Birdwell (chairman), Geneen and Mueller. The nominating and corporate governance committee held four meetings in 2008.

Shareholders may obtain a printed copy without charge of any of the committee charters referenced above upon written request to the Secretary of the Company, 31 Queen Street, Hamilton HM 11, Bermuda.

Executive Sessions

The independent directors meet in executive sessions, at which only independent directors are present at each meeting of the Board of Directors and as needed. Mr. Brueggen presides over the executive sessions of the Board of Directors.

Board of Directors Attendance at Annual General Meeting

It is the policy of the Company and the Board of Directors that all directors attend the Annual General Meeting and be available for questions from shareholders, except in the case of unavoidable conflicts. All of the Company's directors attended the 2008 Annual General Meeting of Shareholders.

Shareholder Communications to the Board of Directors

Shareholders and other parties interested in communicating directly with the Company's Board of Directors or any individual may contact them by writing c/o the Secretary of the Company, 31 Queen Street, Hamilton HM 11, Bermuda. The Secretary will receive the correspondence and forward it to the individual director or directors to whom the correspondence is directed or the chairman of the nominating and corporate governance committee. The Secretary will not forward any correspondence that is unduly hostile, threatening, illegal, not reasonably related to the Company or its business or similarly inappropriate.

Consideration of Director Nominees

The nominating and corporate governance committee has been delegated the task of seeking qualified candidates for directors and evaluating and recommending for subsequent ratification by the Board of Directors for nomination candidates for election or reelection as directors.

With respect to the committee's evaluation of director nominee candidates, the committee has no formal requirements or minimum standards for the individuals that it nominates. The committee evaluates each candidate for nomination to election to the Board of Directors based on certain minimum requisite qualifications set forth by the Board of Directors. Some factors that the committee generally views as relevant and is likely to consider in its evaluation of candidates include, but are not limited to:

- Career experience, particularly experience germane to the Company's business;
- Personal and professional ethics;

- Expertise that may serve the Company and complement the expertise of other Board of Directors members;
- Ability to devote significant time and effort to Board of Directors and Board of Directors committee responsibilities;
- Whether the candidate is independent; and
- Whether a candidate is financially literate or an “audit committee financial expert” (as defined by the SEC).

The committee does not assign a particular weight to these individual factors. Rather, the committee looks for a mix of factors, when considered in combination with the expertise and credentials of the other candidates and the existing Board of Directors that will provide shareholders with an experienced and diverse Board of Directors.

With respect to the identification of nominee candidates, the committee does not have a formalized process. Instead, its members and the senior management of the Company generally recommend candidates of whom they are aware personally or by reputation. The Company historically has not utilized a recruiting firm to assist in the process, but may do so in the future.

The nominating and corporate governance committee welcomes recommendations from shareholders. The nominating and corporate governance committee evaluates a candidate for director recommended by a shareholder in the same manner that the committee evaluates a candidate recommended by other means. In order to make a recommendation, the nominating and corporate governance committee asks that a shareholder send the nominating and corporate governance committee:

- A resume for the candidate, detailing the candidate’s work experience and credentials;
- A written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) is, or is not, “independent” as that term is defined in the charter of the nominating and corporate governance committee, and (4) has no plans to change or influence the control of the Company;
- The name of the recommending shareholder as it appears in the Company’s books, the number of shares that are owned by that shareholder and written confirmation that the shareholder consents to the disclosure of his or her name. (If the recommending person is not a shareholder of record, he or she should provide proof of share ownership);
- Personal and professional references, including contact information; and

- Any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Securities Exchange Act of 1934 (the "Exchange Act").

This information should be sent to the nominating and corporate governance committee, c/o Secretary, American Safety Insurance Holdings, Ltd., 31 Queen Street, Hamilton HM 11, Bermuda, who will forward the information to the chairman of the committee. In order to be included in the Company's proxy materials for presentation at the 2010 Annual General Meeting of Shareholders, the Secretary must receive this information by February 3, 2010.

In addition to the procedures described above for recommending prospective nominees, shareholders may directly nominate directors for consideration at the Annual General Meeting of Shareholders.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation Committee. As described above, in Corporate Governance – Committees of the Board of Directors, the Company has a compensation committee (the “Committee”) that currently consists of Messrs. Geneen (Chairman), Groot and Lackner. The Committee operates pursuant to a written charter, which is available on our website, www.amsafety.com. The charter is reviewed annually by the Committee. The Board of Directors has determined that the members of the Committee are “non-employee directors” (within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, as amended), “outside directors” (within the meaning of Section 162(m) of the Internal Revenue Code) and “independent directors” (within the standards set forth by the New York Stock Exchange). In addition, no Committee member is a current or former employee of the Company or any of its subsidiaries. Generally, the Committee is responsible for recommending to the Board of Directors matters regarding executive compensation. The Committee generally meets quarterly, and on an as-needed basis.

General Philosophy. We compensate our senior management through a combination of base salary, bonus and equity compensation that we design to be competitive with comparable employers and to align our management’s incentives with the long-term interests of our shareholders. The purpose of our compensation program generally is to develop and implement a fair, consistent and competitive program, which will attract, motivate and retain highly qualified talent. The Committee views the compensation program as a management tool that, through the setting of goals and objectives, encourages management to achieve or exceed the Company’s business objectives. In making compensation decisions, we establish target overall cash compensation and then allocate that compensation among base salary and bonus. We then determine what level, if any, of equity compensation is appropriate. At the senior management level, we design incentive compensation to reward company-wide performance by tying awards to the achievement of goals and objectives which relate to (i) our performance in such areas as growth and return on equity, (ii) individual performance and (iii) business unit performance, as discussed below under **Annual Cash Bonuses** and **Equity Compensation**. The compensation for each of our named executive officers (“NEOs”) consists of a base salary, an annual bonus, stock options, restricted stock awards, health insurance and other benefits and perquisites.

Our management incentive plans are designed to be self-funding and provide participant target incentive awards that increase or decrease based on individual and Company performance results. Incentive compensation will become a larger portion of an executive’s total direct compensation as he or she assumes significant responsibilities and has a significant impact on the financial or operational success of the Company.

Committee Process. The Committee designs, evaluates and approves our executive compensation plans, policies and programs. The Committee annually reviews and evaluates the goals and objectives relevant to the compensation of our NEOs and annually evaluates the performance of our Chief Executive Officer in light of those goals and objectives. In addition, the Committee reviews and approves compensation levels and compensation awards for our other NEOs recommended by the Chief Executive Officer, who reviews individual and corporate performance for the other NEOs and makes recommendations to the Committee. These recommendations are generally approved. In all cases, however, the Committee is an active participant in establishing the goals for bonuses.

The Committee also administers our equity-based compensation plan, although it has delegated to our Chief Executive Officer the authority to make limited awards to newly-hired executives and other key employees as necessary or appropriate to attract and retain highly qualified individuals to the Company. The Committee is authorized to retain experts, consultants and other advisors to aid in the discharge of its duties. The Committee reports regularly to the Board of Directors on matters relating to the Committee's responsibilities, and it is common for all of our non-employee directors to attend Committee meetings. The Committee follows regulatory and legislative developments and considers corporate governance best practices in performing its duties.

Targeted Overall Compensation for 2008. The goal of our comprehensive compensation program is to fairly compensate our executives in a manner to be competitive with comparable employers and to align our executives' incentives with the short term operational and financial success of the Company and the long-term interests of our stockholders. Our compensation programs will support management's goal of hiring, retaining and rewarding qualified executives who embrace the Company's mission of providing innovative insurance solutions for specialty risks in underserved markets and who are committed to providing continuing value to our stockholders. All of our compensation programs are strategy-focused, competitive and, where appropriate, may include supplemental and perquisite programs.

Going forward, base compensation generally will be established at a level competitive with a defined peer group but in no event less than the 50th percentile of peer data. Total direct compensation will be targeted at the 75th percentile when targeted goals are achieved. Generally the goal for direct compensation of senior executives will be 50% for base salary, 25% for annual cash bonus and 25% for long-term equity. Executives will be eligible for annual performance-based salary adjustments if they achieve pre-established performance goals and objectives.

Where appropriate, executives will be selected to participate in the Company's supplemental or perquisite programs, depending upon comparable data, retention value of the executive and cost to the Company.

Our Chief Executive Officer, Chief Financial Officer and the three other executive officers of the Company who received a combined salary and bonus in excess of \$100,000 during 2008 (our "NEOs") include Stephen R. Crim, William C. Tepe, Joseph D. Scollo, Jr., Randolph Hutto and Guy Cloutier. Mr. Tepe resigned from the Company on March 31, 2009.

With respect to Stephen R. Crim, our President and Chief Executive Officer, we considered Mr. Crim's responsibilities and his contributions to the Company's operating results during his tenure in establishing his targeted overall compensation for 2008. Although we do take into consideration compensation levels at similar or peer companies, we did not perform a formal survey of those levels nor did we retain a compensation consultant to advise us with respect to compensation levels for 2008. Given our size and what we consider modest levels of compensation, we did not believe that the benefits of these processes justify the cost. Rather we subjectively assessed the appropriate areas of compensation levels. We followed a similar process when establishing targeted compensation for our other NEOs, Joseph D. Scollo, Jr., our Executive Vice President and Chief Operating Officer, William C. Tepe, our Chief Financial Officer, and Randolph Hutto, our General Counsel and Secretary, and Guy Cloutier, the Senior Vice President of our reinsurance subsidiary. The Chief Executive Officer reviews the other NEO's performance and makes compensation recommendations to the Committee, which are reviewed by the Committee in light of the overall compensation.

Base Salaries. The base salaries for our NEOs during the year ended December 31, 2008, were established by contract in the case of Messrs. Crim, Scollo, Tepe and Hutto, and by considering his performance and contribution to the Company and his business responsibilities, in the case of Mr. Cloutier. These amounts reflect levels that we concluded were appropriate based on our general experience. Our base salaries are intended to be competitive with base salaries paid by other similar insurance companies to executives with similar qualifications, experience and responsibilities, although we do not follow a formal practice in this regard. The Committee periodically discusses salary recommendations with the Chief Executive Officer with regard to other Company executive officers. These salary recommendations are generally based on an evaluation of the individual's performance of the position held, the Company's operating results, and the individual's contribution to the Company's operating results.

The compensation of our Chief Executive Officer, Stephen R. Crim, Executive Vice President and Chief Operating Officer, Joseph D. Scollo, Jr., Chief Financial Officer, William C. Tepe, and General Counsel, Randolph L. Hutto, are governed primarily by employment agreements, the material terms of which are more specifically described below under **Employment Agreements**. These employment agreements provide for a base salary of \$420,000 for Mr. Crim, \$345,000 for Mr. Scollo, \$315,000 for Mr. Tepe and \$308,850 for Mr. Hutto effective as of August 1, 2007, subject to annual review and adjustment. Compensation, including base salary and bonus opportunity, for Mr. Cloutier was based on a determination by the Chief Executive Officer, discussed with and approved by the Committee. The base salaries for Messrs. Crim, Scollo, Tepe, Hutto and Cloutier in 2008 were \$420,000.00, \$368,765.58, \$322,245.39, \$317,036.33 and \$350,000.00, respectively.

2008 Long-Term Incentive Plan. In 2007, the Committee retained the Lockton Benefits Group to review the Company's compensation programs. Based on the results of this review, the Compensation Committee adopted the 2008 Long-Term Incentive Plan (the "LTIP"). Commencing with calendar 2008, the Committee has implemented this comprehensive, long-term incentive compensation program. The LTIP is administered by our Human Resources Department, with input from the Chief Executive Officer and the Committee.

The LTIP is designed to compensate and retain those executives and key employees that contribute most to driving revenue and profitability. This philosophy represents a modification from prior year plans, which were more focused on title than revenue and profitability. Under the 2008 structure, there are 3 groups eligible for stock awards or stock options in addition to a cash bonus. All NEOs are in Group 1 and are eligible to receive stock options, restricted stock grants and annual performance-based cash bonus awards. Restricted stock awards are designed as an aid in retention of personnel and are not directly tied to performance. Restricted stock vests 25% on each of the first and second anniversaries of the award, with the final 50% vesting on the third anniversary of the award. The stock options are designed to reward long term performance and vest on the third anniversary of the grant date.

The incentive payouts generally applicable to NEOs based on meeting established targets, expressed as a value % of the NEO's base salary, include 40% cash bonus, 25% stock options and 15% restricted stock awards. The targets are established each year. The Committee reserves the right to modify the bonus payout terms of the LTIP for select individuals deemed to contribute most to the Company's financial performance. Any modifications to the bonus payouts as described above will be at the sole discretion of the Committee based upon recommendations made by the Chief Executive Officer and based on the individual's contributions to the Company's financial performance.

The cash bonus portion of the LTIP is designed to reward short term performance, and is distributed based on a combination of achieving annual financial targets and established qualitative goals. For 2008, weighting of 30%/70% for growth verses profitability was used as respects financial targets, but a portion of the bonus is based upon achievement of other personal and qualitative goals established annually. Our NEOs receive 80% of their cash bonus based on meeting certain corporate financial goals and 20% of their cash bonus based on meeting certain personal and qualitative goals.

To reward NEOs for achieving optimal results, leverage ratios apply to performance bonus amounts for exceeding or missing financial targets. The following leverage ratios apply to the cash bonus portion under the LTIP:

% ACHIEVED OF TARGET	LEVERAGE RATIO
120%	150%
110%	120%
100%	100%
90%	50%

The following table provides an overview of the total incentive compensation under the LTIP, consisting of cash bonus, stock options and restricted stock awards, that participants may receive depending on the level of achievement of established targets. For example, if 100% of the target is reached for the three year period, NEOs would receive a cash bonus of 40% of salary, stock options equal to 25% of salary, and a restricted stock award equal to 15% of salary, for total incentive compensation under the LTIP for that year of 80% of salary:

TARGET BONUS	BONUS AT 110% OF TARGET	BONUS AT 120% OF TARGET	BONUS AT 90% OF TARGET
80%	93%	112.5%	47.5%

Note that the information in the table above represents the total incentive compensation, including cash, restricted stock and stock options, and is expressed as a % of the NEO's base salary.

Annual Cash Bonuses. For 2008, each NEO was eligible for an annual cash bonus under the LTIP. Cash bonus awards to our NEOs under the LTIP are based on the achievement of goals and objectives established by the Committee which relate to (i) our performance in such areas as premium growth and return on equity and (ii) individual performance. As management responsibility increases, the bonus potential increases and goals and objectives are more heavily weighted toward overall Company performance. The goals and objectives were established by the Committee in January 2008 and consisted primarily of targets for premium growth, profitability, return on equity, strategic planning and operational efficiency. The Committee established goals and objectives for 2009 in January 2009. These goals and objectives for 2009 are similar to those established for 2008, with components for return on equity, profitability, strategic planning, and realization of certain operational efficiencies.

Due to the performance of the Company for the year ended December 31, 2008, Messrs. Crim, Scollo, Tepe, Hutto, and Cloutier received no cash bonuses.

Equity Compensation. The Committee believes strongly that equity-based awards are an integral part of total compensation for employees with significant responsibility for our long-term results. Incentive stock options and nonqualified stock options that are tied to corporate performance provide an effective means of delivering incentive compensation and also encourage stock ownership on the part of management. As part of our compensation program, each NEO was eligible for a performance-based stock option bonus and a restricted stock award pursuant to the LTIP.

All options and restricted stock awards granted under the LTIP are issued under the Company's 2007 Incentive Stock Plan (the "2007 Plan") approved by our shareholders in June 2007. The 2007 Plan is intended to further the interests of the Company and its shareholders by attracting, retaining and motivating officers, employees, consultants and advisors to participate in the long-term development of the Company through stock ownership and is the successor plan to the 1998 Incentive Stock Option Plan (the "1998 Plan"). The 2007 Plan defines the incentive arrangements for eligible participants and authorizes the granting of incentive stock options, nonqualified options, restricted stock awards and other forms of equity compensation, which

may be made subject to the discretion of the Committee and, for annual awards, are generally made in conjunction with the achievement of the goals and objectives detailed in the LTIP as discussed above. The Committee is authorized to determine the terms and conditions of all option grants, subject to the limitations set forth in the 2007 Plan. In accordance with the terms of the 2007 Plan, the option price per share will not be less than the fair market value of the common shares on the date of grant, the term of any options granted may be no longer than ten years and there may or may not be a vesting period before any recipient may exercise any of those options. The rights of recipients receiving these stock options generally vest equally over three years, beginning with the first anniversary date of grant. All options expire ten years from the date of grant, unless sooner exercised. However, in some instances, particularly with initial option grants to new key employees, the options vest 100% on the fifth anniversary of the grant date. Generally, the vesting of options issued under either the 1998 Plan or the 2007 Plan is accelerated in the event of a change in control of the Company.

With the exception of significant promotions and new hires, we generally make these types of awards at a meeting of the Committee each year following the availability of the financial results for the prior year and prior to March 15. The 2008 grant awards discussed below were made at the Committee's meeting on March 4, 2008. This timing was selected because it enabled us to consider the Company's prior year performance, the performance of the potential recipients and our expectations for future years. The Committee's schedule is determined several months in advance, and the proximity of any awards to earnings announcements or other market events is coincidental. During the year ended December 31, 2008, 135,303 total options, valued at \$1,358,442.12, were granted pursuant to the 2007 Plan (calculated by using fair market value on dates of grant).

Pursuant to their employment agreements, each of Messrs. Crim, Scollo, Tepe and Hutto is eligible to participate in all Company equity plans. Under the LTIP, all NEOs are eligible to receive awards under the 2007 Plan. In 2008, Mr. Crim, Mr. Scollo, Mr. Tepe and Mr. Hutto were granted options valued at \$320,898.48 (\$220,498.48 incentive based and \$100,400.00 discretionary), \$256,421.60 (\$181,121.60 incentive based and \$75,300.00 discretionary), \$193,430.64 (\$118,130.64 incentive based and \$75,300.00 discretionary) and \$166,011.40 (\$115,811.40 incentive based and \$50,200.00 discretionary), respectively, under the 2007 Plan. These grants were made on March 15, 2008 at an exercise price of \$17.95 per share and vest ratably over three years. As a part of his overall compensation package, Mr. Cloutier received an annual grant with respect to 2,500 shares under the 2007 Plan valued at \$25,100.00 and with an exercise price of \$17.95 per share, vesting ratably over a three year period. In 2008, Mr. Crim, Mr. Scollo, Mr. Tepe, Mr. Hutto and Mr. Cloutier were granted Restricted Stock Awards valued at \$46,987.20, \$28,945.32, \$26,425.28, \$25,913.24 and \$19,578.00, respectively, under the 2007 Plan.

Severance Benefits. We believe that companies should provide reasonable severance benefits to certain of their employees. With respect to senior management, these severance benefits should reflect the fact that it may be difficult for employees to find comparable employment within a short period of time. They should also disentangle the Company from the former employee as soon as possible. We do not have a general severance plan in place but severance benefits are detailed in their respective employment agreements for certain of our NEOs, as detailed in the section entitled "Potential Payments Upon Termination or Change-In-

Control.”

Retirement Plans The Company offers its employees a “safe harbor 401(k) plan” (the “401(k) Plan”). All employees are eligible to participate in the 401(k) Plan. Participants in the 401(k) Plan may elect to defer up to 92% of their compensation each year in lieu of receiving such amount in cash. However, a participant’s total deferral each year is subject to dollar limitations that are set by law. For 2007 the limit was \$15,000. This limit may be increased after 2007 for cost of living changes. In addition, participants over age 50 may elect to defer additional amounts, referred to as catch-up contributions, of up to \$5,000 in 2007. In order to maintain the safe harbor status of the 401(k) Plan, the Company contributes the total amount of each participant’s salary deferrals each Plan Year and makes a safe harbor matching contribution equal to 100% of the participant’s salary deferrals that do not exceed 3% of the participant’s compensation and 50% of the amount between 3% and 5% of the compensation. A participant is always 100% vested in amounts attributable to his or her salary deferrals. Matching contributions vest 20% per year of service beginning with the second year of service with the Company.

Change in Control. Each of the 1998 Plan and the 2007 Plan provides for the immediate vesting of all options in the event of a change in control of the Company. However the Company has no change in control program in place and none of the current employment agreements with senior executives provide for any separate benefits in connection with a change in control, although severance benefits are enhanced in the event of a termination after or in connection with a change-in-control, as discussed in the section entitled “Potential Payments Upon Termination or Change In Control.”

Perquisites and Other Benefits. The Committee annually reviews the perquisites that senior management receives. The primary perquisites for senior management are the payment of a monthly car allowance and the payment of annual insurance premiums. The Committee believes that these perquisites are modest and appropriate.

Senior management also participates in the Company’s other benefit plans on the same terms as other employees. These plans include medical and dental insurance and life insurance.

The value of perquisites and other benefits received by our NEOs for 2007 are shown in the Summary Compensation Table under the heading of “All Other Compensation.”

Stock Ownership Guidelines. The Company does not have established stock ownership guidelines for any of its officers. The Company believes that its awards under the LTIP sufficiently align the interests of its officers with those of its shareholders.

Employment Agreements. Stephen R. Crim was employed by the Company as its Chief Executive Officer pursuant to an employment agreement dated March 21, 2005, the term of which commenced on January 1, 2005. Effective August 1, 2007, Mr. Crim executed a new employment agreement approved by the Compensation Committee (the “Crim Agreement”) and superseding the March 21, 2005 agreement. The Crim Agreement provides for an initial term of three years, with automatic one year extensions unless either party gives notice of non-renewal at least 120 days prior to the expiration of the initial or then current renewal term. The Crim

Agreement provides for a base salary for Mr. Crim in 2007 of \$420,000, which may be increased pursuant to a merit increase at each annual performance evaluation. In addition Mr. Crim is eligible to receive an annual cash bonus, in an amount to be determined by the Board of Directors, pursuant to the Company's LTIP. Mr. Crim is also eligible to participate in all Company stock option plans, including the 2007 Plan. The Crim Agreement provides for a monthly automobile allowance of \$1,000 and up to \$25,000 per year in reimbursement of the premium cost of a universal life insurance policy or other mutually agreeable similar instrument on Mr. Crim's life. The Crim Agreement further provides that Mr. Crim will be entitled to the same perquisites and fringe benefits on a basis no less favorable than any other senior executive of the Company.

Joseph D. Scollo, Jr. is employed by the Company as its Executive Vice President and Chief Operating Officer pursuant to an employment agreement dated March 21, 2005, as subsequently amended on January 1, 2006 and January 1, 2007. Effective August 1, 2007, Mr. Scollo entered into a new employment agreement approved by the Committee (the "Scollo Agreement") superseding the March 21, 2005 agreement. With the exception of salary and perquisite levels, the Scollo Agreement is identical to the Crim Agreement. It provides for a 2007 base salary for Mr. Scollo of \$345,000, which may be increased pursuant to a merit increase at each annual performance evaluation. The Scollo Agreement provides for a monthly automobile allowance of \$750 and up to \$20,000 per year in reimbursement of the premium cost of a universal life insurance policy or other mutually agreeable similar instrument on Mr. Scollo's life.

William C. Tepe was employed by the Company as its Chief Financial Officer pursuant to an employment agreement dated November 14, 2005. Effective August 1, 2007, Mr. Tepe entered into a new employment agreement approved by the Committee (the "Tepe Agreement") superseding the November 14, 2005 agreement. With the exception of salary and perquisite levels, the Tepe Agreement is identical to the Crim Agreement. The Tepe Agreement provides for a 2007 base salary of \$315,000 per year, which may be increased pursuant to a merit increase at each annual performance evaluation. The Tepe Agreement provides for a monthly automobile allowance of \$700 and up to \$15,000 per year in reimbursement of the premium cost of a universal life insurance policy or other mutually agreeable similar instrument on Mr. Tepe's life.

Randolph L. Hutto was employed by the Company as its Secretary and General Counsel in October 2006. Effective August 1, 2007, Mr. Hutto entered into an employment agreement approved by the Committee (the "Hutto Agreement"). With the exception of salary and perquisite levels, the Hutto Agreement is identical to the Crim Agreement. The Hutto Agreement provides for a 2007 base salary of \$308,850 per year, which may be increased pursuant to a merit increase at each annual performance evaluation. The Hutto Agreement provides for the reimbursement of up to \$6,500 of country club dues and up to \$15,000 per year in reimbursement of the premium cost of a universal life insurance policy or other mutually agreeable similar instrument on Mr. Hutto's life.

Under each of the employment agreements, Messrs. Crim, Scollo, Tepe and Hutto (the "Executives") have each agreed not to reveal, divulge, or disclose any confidential information and will not use or make use of any confidential information during the employment period plus

the longer period of 12 months from termination or the end of each applicable severance period (the "Restricted Period"). Additionally, the Executives have each further agreed not to transmit or disclose any trade secret or make use of any such trade secret for himself or for other without the prior written consent of the Company for any time throughout the terms of the employment agreements and after termination of the employment agreements. The Executives have also agreed not to solicit or induce any protected employees to terminate their employment relationship with the Company or to enter into employment with any other person during the Restricted Period. The Executives have each agreed not to solicit, divert, take away or attempt to solicit, divert or take away any of the Company's protected customers with whom they may have had contact on the Company's behalf during the twelve (12) months immediately preceding the termination without the Company's prior written consent. The Executives will not seek or obtain a competitive position in the restricted territory with a competitor during the Restricted Period without the prior written consent of the Company.

Each of the respective employment agreements also provides for certain termination provisions for Messrs. Crim, Scollo, Tepe and Hutto, which are further discussed in the section entitled "Potential Payments Upon Termination or Change In Control."

Potential Payments Upon Termination or Change In Control

Edgar Filing: AMERICAN SAFETY INSURANCE HOLDINGS LTD - Form DEF 14A

There are no specified payments accruing to the benefit of Mr. Cloutier upon such termination as a result of a contract, agreement, plan or arrangement between Mr. Cloutier and the Company. Because of their employment agreements, Messrs. Crim, Scollo, Tepe and Hutto are eligible for certain benefits in the event of termination of their employment as more specifically discussed below. The amount of potential payments to such NEO is dependent upon the nature of the termination as discussed below. The amounts of potential payments as referenced in the table assume that such triggering event was effective as of December 31, 2008. The actual amounts to be paid out upon termination or change in control can only be determined at the time of such event.

For purposes of this discussion, "Executive" refers to each of Messrs. Crim, Scollo, Tepe and Hutto and:

“Cause” means (i) the continued failure of Executive to perform substantially Executive’s duties with the Company (other than any such failure resulting from incapacity due to physical or mental illness, and specifically excluding any failure by Executive, after reasonable efforts, to meet performance expectations), after a written demand for substantial performance is delivered to Executive by the Board which specifically identifies in detail the manner in which the Board believes that Executive has not substantially performed Executive’s duties, (ii) any act of fraud, misappropriation, embezzlement or similar dishonest or wrongful act by Executive, (iii) Executive’s abuse of alcohol or any substance which materially interferes with Executive’s ability to perform services on behalf of the Company, (iv) Executive’s conviction for, or plea of guilty or *nolo contendere* to, a felony, (v) Executive’s acceptance of employment with an employer other than the Company or any affiliate or subsidiary of the Company, or (vi) Executive’s conviction for any crime of moral turpitude.

“Good Reason” means (i) a reduction by the Company in Executive’s base salary or benefits as in effect on the Effective Date or as the same may be increased from time to time, unless a similar reduction is made in salary or benefits of substantially all senior executives of the Company (or any of its affiliates and any of their respective subsidiaries with respect to which the Company exerts control over compensation policies); (ii) the Company’s requiring Executive, without his consent, to be based at any office or location other than in the greater metropolitan area of the city in which his office is located at the Effective Date; or (iii) the Company’s changing the reporting structure so that Executive no longer reports directly to the Board.

“Poor Performance” means the failure of Executive to meet reasonable and achievable performance expectations (other than any such failure resulting from incapacity due to physical or mental illness); provided, however, that termination for Poor Performance will not be effective unless at least 30 days prior to such termination Executive has received written notice from the Board which specifically identifies the manner in which the Board believes that Executive has not met performance expectations and Executive has failed after receipt of such notice to resume the diligent performance of his duties to the satisfaction of the Board; and

Prior to or More than 24 Months after Change in Control.

Termination by Company other than for Poor Performance, Cause or Disability; Termination by Executive for Good Reason; or Expiration of Executive's Employment Period:

If the Company terminates any of the Executive's employment other than for Poor Performance, Cause or Disability or any of the Executives terminates his employment for Good Reason within 90 days after the event of occurrence of the event causing the Good Reason or the Executive's employment period expires, such Executive shall be entitled to:

- the sum of the base salary through the date of termination and any accrued vacation pay to the extent not yet paid to be paid in a lump sum within 30 days after the date of termination (the "Accrued Obligations").
- an amount equal to the longer of 18 months base salary or the remaining term of the employment period from the date of termination, to be paid in equal semi-monthly or other installments as are customary under the Company's payroll practices (the "Normal Severance Period").
- COBRA continuation coverage during the Normal Severance Period.
- a cash sum in an amount equal to 100% of his bonus opportunity (prorated through the date of termination) adjusted according to his year-to-date performance at the date of termination to be paid in a lump sum within 30 days after the date of termination.
- all grants of restricted stock, restricted stock units and similar stock-based awards, which will become immediately vested as of the date of termination.
- all options, stock appreciation rights and similar stock-based awards that would have become vested within the 24 month period following the date of termination had the Executive remained employed will become immediately vested and exercisable as of the date of termination.
- all options that are vested but unexercised which will remain exercisable through the earlier of the original expiration date; the 90th day following the end of the Normal Severance Period; or 10 years from the date of grant.

Termination by the Company for Poor Performance:

If the Company terminates any of the Executive's employment for Poor Performance, such Executive shall be entitled to:

- payment of the Accrued Obligations to be paid in a lump sum within 30 days after the date of termination.

- an amount equal to 12 months Base Salary, to be paid in equal semi-monthly or other installments as are customary under the Company's payroll practices (the "Poor Performance Severance Period").
- COBRA continuation coverage during the Poor Performance Severance Period.
- all grants of restricted stock, restricted stock units and similar stock-based awards that would have become vested within the 12 month period following the date of termination had the Executive remained employed, which will become immediately vested as of the date of termination.
- subject to specific approval of the Committee all options, stock appreciation rights and similar stock-based awards that would have become vested within the 12 month period following the date of termination had the Executive remained employed will become immediately vested and exercisable as of the date of termination.
- all options that are vested but unexercised which will remain exercisable through the earlier of the original expiration date; the 90th day following the end of the Poor Performance Severance Period; or 10 years from the date of grant.

After or In Connection with Change in Control:

Termination by Executive for Good Reason; Termination by Company other than for Cause or Disability:

If a change in control occurs, and within 24 months following such change in control (or if Executive can show that termination by the Executive or the Company in anticipation of a change in control) the Company terminates any of the Executive's employment other than for Cause or Disability or any of the Executives terminates his employment for Good Reason, such Executive shall be entitled to:

- payment of the Accrued Obligations to be paid in a lump sum within 30 days after the date of termination.
- an amount equal to 36 times the monthly base salary to be paid in a lump sum within 30 days after the date of termination if the change in control qualifies as a change in ownership or effective control of the Parent or the Company; otherwise, payment will be made in equal semi-monthly or other installments as are customary under the Company's payroll practices
- COBRA continuation coverage for up to 18 months after the date of termination.
- a cash sum in an amount equal to 100% of his bonus opportunity (prorated through the date of termination) adjusted according to his year-to-date

performance at the date of termination to be paid in a lump sum within 30 days after the date of termination.

- all grants of restricted stock, restricted stock units and similar stock-based awards, which will become immediately vested as of the date of termination.
- all options, stock appreciation rights and similar stock-based awards will become immediately vested and exercisable as of the date of termination.
- all options that are vested but unexercised which will remain exercisable through the earlier of the original expiration date; the 90th day following the end of the 36 month period beginning on the date of termination; or 10 years from the date of grant.

Termination Due to Death, Disability or Retirement:

If any of the Executive's employment is terminated due to his death, Disability or Retirement, his employment agreement will terminate without further obligation to the Executive by the Company other than for the payment of the Accrued Obligations to be paid in a lump sum within 30 days after the date of termination to the Executive or his estate or beneficiary.

Each of the NEOs has entered into a stock option agreement, in which their options cliff vest upon the fifth anniversary from the date of grant (the "Cliff-Vesting Option Agreements"). Pursuant to the Cliff-Vesting Option Agreements, if the employment of any of the NEOs is terminated due to death or disability, all the options which are not vested and exercisable shall become fully vested and exercisable as of such termination date.

Each of the NEOs also has stock option agreements, in which their options vest ratably over a 3 year period (the "3 Year Option Agreements"). Under the 3 Year Option Agreements, the NEOs are only entitled to the options which have vested at the time of termination due to death or disability. However, pursuant to their contracts, as discussed above, certain 3 Year Options held by Messrs. Crim, Scollo, Tepe and Hutto will become fully vested and exercisable upon certain terminations.

Termination for Cause or Voluntary Termination without Good Reason.

In the event the Company terminates an Executive's employment for cause or any of the Executives voluntarily terminates his employment, such Executive's employment agreement will terminate without further obligation to the Executive by the Company other than for the payment of the Accrued Obligations to be paid in a lump sum within 30 days after the date of termination.

Edgar Filing: AMERICAN SAFETY INSURANCE HOLDINGS LTD - Form DEF 14A

The charter is reviewed, as needed, by the audit committee. Each member of the audit committee is independent as defined by the listing standards of the New York Stock Exchange, and the committee complies with other New York Stock Exchange requirements.

Management of the Company is responsible for the Company's internal controls and financial reporting process. The primary function of the audit committee is to assist the Board of Directors in fulfilling these responsibilities by reviewing management's supervision of: (i) the financial reports and other financial information provided by the Company to any governmental body or the public; (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics established by management and the Board of Directors; and (iii) the Company's auditing, accounting and financial reporting processes generally.

Based on the reports by, and discussions with, management and the independent registered public accounting firm, the audit committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2009 for filing with the SEC.

APPENDIX B

AMERICAN SAFETY INSURANCE HOLDINGS, LTD.

AUDIT COMMITTEE CHARTER

(As Revised February, 2009)

Purposes

The primary purposes of the Audit Committee are to assist the Board in its oversight of (1) the integrity of the Company's financial statements, (2) the Company's compliance with legal and regulatory requirements, (3) the independent auditor's qualifications and independence and (4) the performance of the Company's internal audit function and independent auditors. Its responsibilities in that regard include:

- Reviewing the financial reports and other financial information provided by the Company to any governmental or other regulatory body and monitoring any public distribution or other uses thereof;
- Reviewing the annual independent audit of the Company's financial statements;
- Reviewing the Company's systems of internal accounting and financial controls; and
- Reviewing and monitoring the internal audit process and internal audit results.

In discharging its duties, the Committee is empowered to investigate any matter brought to its attention with full access to all Company books, records, facilities, personnel, legal counsel and independent auditors, along with the sole power to retain and terminate outside counsel, auditors or other experts for this purpose and to approve their fees and other retention terms. Any independent auditor retained by the Company shall report directly to the Committee and is ultimately accountable to the Committee. The Committee shall be entitled to incur at the Company's expense such other ordinary expenses that are necessary or appropriate in carrying out its duties.

The Committee shall review the adequacy of this Charter on an annual basis and recommend any appropriate changes to the Board for consideration.

Membership

Appointment and Removal. The Committee shall be appointed by the Board and shall serve at the pleasure of the Board for such term as the Board may decide or, with respect to an individual Committee member, until such Committee member is no longer a Board member. The Board shall designate the Chairman of the Committee.

B-1

Number and Meetings. The Committee shall be comprised of not less than three members of the Board. The Committee shall meet as often as necessary to fulfill its responsibilities.

Independence. The Committee members will each qualify as (1) an “independent director” under the rules of the New York Stock Exchange and (2) “independent” as defined by the rules and regulations of the Securities Exchange Act of 1934. These requirements as currently in effect are summarized in Annex A hereto. Accordingly, the members of the Committee will be directors whom the Board affirmatively concludes have no material relationship to the Company, as determined by the Board, either directly or as a partner, shareholder or officer of any organization that has a relationship with the Company.

The failure of the Committee to satisfy the independence requirements set forth above or the financial literacy requirements set forth below shall not invalidate any actions taken by the Committee.

Financial Literacy. The Committee members will meet the experience requirements of the New York Stock Exchange and the Securities Exchange Act of 1934. Each Committee member will be financially literate or will become financially literate within a reasonable period of time after his or her appointment to the Committee. In addition, at least one member of the Committee will have accounting or related financial management expertise and that member or another member of the Committee must be an “audit committee financial expert” (as such term is defined by the rules and regulations of the Securities Exchange Act of 1934 as in effect from time to time). The designation or identification of a person as an audit committee financial expert shall not (a) impose on such person any duties, obligations or liability greater than the duties, obligations and liability imposed on such person as a member of the Committee and the Board in the absence of such designation or identification or (b) affect the duties, obligations or liability of any other member of the Committee or the Board.

Responsibilities

The Company's management is responsible for preparing the Company's financial statements, and the independent auditors are responsible for auditing those financial statements. Additionally, the Board recognizes that the Company's financial management, as well as the independent auditors, has more time, knowledge and detailed information regarding the Company than do Committee members. As a result, in carrying out its oversight responsibilities, the Committee's role is not to provide expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditors' work. As used in this Charter, the term "independent auditor" means any independent auditor, including one constituting a "registered public accounting firm" (as defined in Section 2(a)(12) of the Sarbanes-Oxley Act of 2002), engaged for the purpose of preparing or issuing an audit report or performing other audit review or test services for the Company.

The following functions shall be the common, recurring activities of the Committee in carrying out its duties.

1. Retention of Independent Auditors. The Committee shall be directly responsible for the appointment, compensation, retention, oversight and termination of the independent auditors. The Committee shall have the ultimate authority and responsibility to select the independent auditor (including approval of all engagement fees and terms and resolution of disagreements between management and the independent auditors), evaluate the independent auditors (including its qualifications, performance and independence) and, where appropriate, replace the independent auditors.
2. Independence of Auditors. In connection with the retention of the Company's independent auditors, the Committee shall, at least annually, review and discuss the information provided by management and the auditors relating to the independence of the audit firm, including, among other things, information related to the non-audit services provided and expected to be provided by the auditors and the other relationships between the Company and the auditors. The Committee shall be responsible for (a) ensuring that the independent auditors submit at least annually to the Committee a formal written statement delineating all relationships between the auditors and the Company consistent with applicable independence standards, (b) actively engaging in a dialogue with the auditors with respect to any disclosed relationship or service that may impact the objectivity and independence of the auditors and (c) taking appropriate action in response to the auditors' report to satisfy itself of the auditors' independence.
3. Pre-Approval of Audit and Non-Audit Services. The Committee shall pre-approve all audit, review or attest services and all permissible non-audit services. The Committee may delegate to one or more of its members the authority to pre-approve audit services and non-audit services pursuant to any pre-approval policies and procedures established by the Committee and satisfying the requirements set forth in the Securities Exchange Act of 1934, as amended; provided, however, that all pre-approved services must be disclosed by such

delegate to the full Committee at each of its scheduled meetings.

4. Independent Auditors' Quality Control. The Committee shall obtain and review a report from the independent auditors, at least annually, which describes (a) the audit firm's internal quality-control procedures and (b) any material issues raised by the most recent internal quality-control review, or peer review, of the audit firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the audit firm, and any steps taken to deal with any such issues.

5. External Audit Plans. The Committee shall review and discuss with the independent auditors the plans for, and the scope of, the annual audit and other examinations, including the adequacy of staffing and compensation.

6. Conduct of the Audit. The Committee shall review with the independent auditors any audit problems or difficulties and management's response, including any restrictions on the scope of the independent auditors' activities or on access to requested information, and any significant disagreements with management. The Committee, consistent with Section 303 of the Sarbanes-Oxley Act of 2002 and Regulation 13B-2 promulgated thereunder, shall not influence the conduct of the audit in any improper manner.

7. Review of Audit Results. The Committee shall review and discuss with the independent auditors the report of their annual audit, or proposed report of their annual audit, and (a) major issues regarding accounting principles and financial statement presentations, including any significant changes in the Company's selection or application of accounting principles, and major issues as to the adequacy of the Company's internal controls and any special audit steps adopted in light of material control deficiencies, (b) analyses prepared by management or the independent auditors setting forth significant financial reporting issues and judgments made in connection with the preparation of the financial statements, including analyses of the effects of alternative GAAP methods on the financial statements, (c) the effect of regulatory and accounting initiatives, as well as off-balance sheet structures, on the financial statements of the Company and (d) any audit problems or difficulties encountered in the audit work and management's response.

8. Assurances Under Section 10A of the Exchange Act. The Committee shall obtain from the independent auditors assurance that Section 10A of the Securities Exchange Act of 1934 (generally relating to the auditors' identification of illegal acts and related party transactions) has not been implicated.

9. Financial Statements and Disclosures. The Committee shall review with management and the independent auditors the annual and quarterly financial statements to be included in the Company's periodic reports, including disclosures in the Management's Discussion and Analysis section contained therein. This review will occur prior to filing of the annual or quarterly report, as applicable, and the Committee shall recommend to the Board

whether the audited annual financial statements should be included in the Company's Form 10-K. The Committee shall review and consider with the independent auditors the matters required to be discussed by the Statement of Auditing Standards ("SAS") No. 61.

10. Financial Press Releases. The Committee shall review and discuss the Company's earnings press releases (including any use of "pro forma," or "adjusted" non-GAAP, information) and the financial information and earnings guidance provided to analysts and rating agencies. This review may occur before or after issuance and may be done generally (i.e., review of the types of information to be disclosed and the types of presentation to be made).

11. Internal Audit Plans. The Committee shall review and discuss with the partner of the audit firm performing the internal audit function, if any, and appropriate members of his or her staff, and the in-house personnel performing any internal audit functions, the plans for and the scope of their ongoing audit activities, including adequacy of staffing and compensation.

12. Internal Audit Results. The Committee shall review and discuss with the partner of the audit firm performing the internal audit function, if any, or the in-house personnel performing any internal audit functions, management, the independent auditors and the appropriate staff members of each, the results of any internal audits.

13. Internal Accounting Controls. The Committee shall review and discuss with the partner of the audit firm performing the internal audit function, if any, or the in-house personnel performing any internal audit functions, management, the independent auditors and the appropriate staff members of each, the quality and adequacy of the Company's internal accounting controls, the Company's financial, auditing and accounting organizations and personnel, and the Company's policies and compliance procedures with respect to business practices which shall include the disclosures regarding internal controls and matters required to be reported to the Committee by Section 302 of the Sarbanes-Oxley Act of 2002 and Rules 13a-14 and 15d-14 of the Securities Exchange Act of 1934.

14. Separate Meetings. The Committee shall meet separately and periodically with management, with internal auditors (or other personnel responsible for the internal audit function) and with independent auditors.

15. Risk Management Policies. While it is the job of the Chief Executive Officer and senior management of the Company to assess and manage the Company's exposure risk, the Committee shall discuss policies with respect to risk assessment and risk management in order to govern the processes by which management assesses and manages the Company's exposure to risk.

16. Hiring of Employees of Independent Auditors. The Committee shall set clear hiring policies for employees or former employees of the independent auditors, and in the absence of an applicable policy no such individual shall be hired.

17. Complaints Regarding Financial Statements or Accounting Policies. The Committee shall establish procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters.
18. Proxy Statement Report. The Committee shall prepare the report required by the rules of the Securities and Exchange Commission to be included in the Company's annual proxy statement.
19. Review of Other Matters. The Committee shall review and discuss such other matters that relate to the accounting, auditing and financial reporting practices and procedures of the Company as the Committee may, in its own discretion, deem desirable in connection with the review functions described above.
20. Other Duties. The Committee shall perform any other duties or responsibilities delegated to the Committee by the Board from time to time.
21. Reports to the Board. The Committee shall report regularly to the Board, which report may include issues that arise with respect to (a) the quality of integrity of the Company's financial statements, (b) the Company's compliance with legal or regulatory requirements, (c) the performance and independence of the Company's independent auditors or (d) the performance of the internal audit function.
22. Annual Evaluation. The Committee shall conduct and review with the Board annually an evaluation of the Committee's performance.

Audit Committee

Independence Requirements

(February 2009)

NYSE Rules. No director qualifies as “independent” unless the Board affirmatively determines that the director has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). The Company must identify those directors that are independent and disclose the basis for that determination. In addition, a director is not independent if:

- (i) The director is, or has been within the last three years, an employee of the Company, or any immediate family member is, or has been within the last three years, an executive officer, of the Company;
- (ii) The director has received, or has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
- (iii) (A) The director is a current partner or employee of a firm that is the Company’s internal or external auditor; (B) the director has an immediate family member who is a current partner of such a firm; (C) the director has an immediate family member who is a current employee of such a firm and personally works on the Company’s audit; or (D) the director or an immediate family member was within the last three years a partner or employee of such a firm and personally worked on the Company’s audit within that time;
- (iv) The director or an immediate family member is, or has been within the last three years, employed, as an executive officer of another company where any of the Company’s present executive officers at the same time served on that company’s compensation committee;
- (v) The director is current employee, or an immediate family member is a current executive officer, of a company that makes payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other company’s consolidated gross revenues.

SEC Rules. In order to be considered to be independent, a member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other Board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the Company or any subsidiary thereof, provided that, unless the rules of the New York Stock Exchange provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company (provided that such compensation is not contingent in any way on continued service); or

(B) Be an affiliated person (as defined by the SEC) of the Company or any subsidiary thereof.

Other. No member of the Committee may simultaneously serve on more than three audit committees of companies with registered debt or equity (including the Company), unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee.

B-8
