Part III - Narrative

State below in reasonable detail the reasons why Form 10-K, 11-K, 20-F, 10-Q or N-SAR or portion thereof could not be filed within the prescribed time period.

The Company received a comment letter from the Securities and Exchange Commission dated July 23, 2003, concerning certain revenue recognition procedures. As a result, the Company is expending additional time, effort and expense evaluating the need to restate the comparable period financial statements for 2002. The potential need to restate the comparable 2002 financials has caused delays in finalizing the June 30, 2003 Form 10-QSB. As a result, the Company's Form 10-QSB for the quarter ending June 30, 2003 could not be prepared for timely filing without unreasonable effort and expense.
