2004 PROXY STATEMENT

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

GENERAL INFORMATION

This Proxy Statement is being mailed on or about April 8, 2004, to the stockholders of Publix Super Markets, Inc. (the "Company") in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Stockholders to be held on May 11, 2004, or any adjournments thereof. The cost of the enclosed proxy is borne by the Company.

VOTING SECURITIES OUTSTANDING

As of March 3, 2004, there were 180,910,540 shares of common stock of the Company outstanding. Each share is entitled to one vote.

Only stockholders of record as of the close of business on March 3, 2004, will be entitled to vote at the Annual Meeting of Stockholders.

VOTING PROCEDURES

A stockholder giving the enclosed proxy has the power to revoke it at any time before it is exercised by filing a written notice of such revocation or a duly executed proxy bearing a later date with the Secretary of the Company, at the corporate office of the Company, 3300 Airport Road, Lakeland, Florida 33811 or by mailing it to the Company at P.O. Box 407, Lakeland, Florida 33802-0407. The execution of the enclosed proxy will not affect a stockholder's right to vote in person at the meeting should the stockholder later find it convenient to attend the meeting and desire to vote in person.

The proxy cards will be tabulated by employees of the Company. A stockholder attending in person or by proxy will be counted as part of the quorum for the meeting, even if that person abstains or otherwise does not vote on any matter. Directors will be elected by a plurality of the votes cast at the meeting in person or by proxy. A properly executed proxy marked "AUTHORITY WITHHELD" will not be voted for the election of directors (if the name of one or more directors is crossed out, the proxy will not be voted with respect to the director or directors indicated) and will not be counted in determining whether a plurality of votes exists. Any other matter submitted to a vote of the stockholders will be approved if the votes cast in favor of the matter are greater than the votes cast in opposition to the matter. A properly executed proxy where the authority to vote on any such other matter is marked "AUTHORITY WITHHELD" will be considered an abstention and will not be voted. The abstention will have the same effect as does a share that is not present or that is otherwise not voted.

ELECTION OF DIRECTORS

The Company's By-Laws specify that the Board of Directors shall not be less than three nor more than fifteen members. The exact number of directors shall be fixed by resolution of the then authorized number of directors. The Board of Directors has fixed the number of directors at ten members. The persons designated as nominees for election as a director are Carol Jenkins Barnett, Hoyt R. Barnett, Joan G. Buccino, William E. Crenshaw, Mark C. Hollis, Sherrill W. Hudson, Charles H. Jenkins, Jr., Howard M. Jenkins, E. Vane McClurg and Kelly E. Norton. All nominees are currently directors of the Company. Management of the Company recommends a vote FOR all the nominees. The proxies will be voted FOR the election of the ten nominees unless the stockholder specifies otherwise.

The term of office of the directors will be until the next annual meeting or until their successors shall be elected and qualified. If one or more of the nominees become unable or unwilling to serve at the time of the meeting, the shares represented by proxy will be voted for the remaining nominees and for any substitute nominee(s) designated by the Board of Directors or, if none, the size of the Board will be reduced accordingly. The Board of Directors does not anticipate that any nominee will be unavailable or unable to serve.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under Section 16 of the Securities Exchange Act of 1934, certain officers, directors and stockholders of the Company are required to file reports of stock ownership and changes therein with the Securities and Exchange Commission. The Company believes that its officers, directors and stockholders complied with the Section 16 filing requirements except as noted below. A report filed by the following person did not reflect his indirect beneficial ownership of certain shares or changes therein: E. Vane McClurg (one Form 4). Upon learning of the omission, Mr. McClurg promptly filed the necessary report to reflect the required information.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2003, the Company purchased approximately \$2,244,000 of food products from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins, Carol Jenkins Barnett and Nancy E. Jenkins, aunt of William E. Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

During 2003, the Company paid approximately \$457,000 to the law firm of Hahn, McClurg, Watson, Griffith & Bush for legal services. E. Vane McClurg is a director and continues to provide legal services to the Company.

In the opinion of management, the terms of the foregoing transactions are no less favorable than terms that could have been obtained from unaffiliated parties.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Compensation Committee members prior to the Annual Meeting of Stockholders on May 13, 2003, who were all directors of the Company during 2003, include: Mark C. Hollis, Howard M. Jenkins, Chairman and Kelly E. Norton. Howard M. Jenkins is Chairman of the Board of the Company. Subsequent to the Annual Meeting of Stockholders on May 13, 2003, the Compensation Committee consisted of Joan G. Buccino, Sherrill W. Hudson and Kelly E. Norton, Chairman, who were all directors of the Company during 2003. There were no interlocks of the executive officers or directors of the Company serving on the compensation or equivalent committee of another entity which has any executive officer or director serving on the Compensation Committee, other committee or Board of Directors of the Company.

During 2003, the Company purchased approximately \$2,244,000 of food products from Alma Food Imports, Inc., a company owned by Julia Jenkins Fancelli, sister of Howard M. Jenkins, Carol Jenkins Barnett and Nancy E. Jenkins, aunt of William E. Crenshaw, cousin of Charles H. Jenkins, Jr. and sister-in-law of Hoyt R. Barnett.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee has responsibility for reviewing and setting the salary and benefits structure of the Company with respect to its executive officers. The compensation for the named executive officers, including the Chief Executive Officer (CEO), includes a base salary and an incentive bonus.

The factors considered in determining the base salary include: (1) the overall

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

level of responsibility and the relationship to compensation levels of the Company's management, (2) the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company, (3) anticipated competitive operating conditions and (4) overall economic conditions. Charles H. Jenkins, Jr.'s base salary was increased by approximately 8.7% to \$485,825. This increase was heavily influenced by factor (2) above, the compensation levels of supermarket chains in the Company's Peer Group Index, taking into account the size and financial performance of the Company. The most recently available base salaries of the CEOs in the Company's Peer Group Index range from \$560,000 to \$1,288,000. The lowest CEO base salary is for a supermarket chain with approximately \$2 billion in sales. The financial performance of the Company has been significantly better than the performance of these supermarket chains.

Bonuses are paid generally in the year following the year earned. The incentive bonus plan covers approximately 375 management employees. Under the plan, a bonus pool is established using the current fiscal year earnings before income taxes and incentive bonus of the Company as compared with the prior year. This pool is adjusted upward or downward to reflect actual sales results for the fiscal year in comparison to a sales goal. In general, the bonus pool is allocated among the participating management employees, including the named executive officers, according to base compensation paid during the calendar year. The bonuses are earned for employment during the calendar year and an employee must be employed at the end of the calendar year to participate in the bonus. Although the Company has a defined method for calculating the incentive bonus, the Company's Executive Committee retains the right to alter or discontinue the incentive bonus plan at its discretion at any time, for all employees except executive officers. Any changes to the incentive bonus plan for executive officers is at the discretion of the Compensation Committee.

The compensation earned by the executive officers named in the following table ranks at or near the bottom of compensation earned by comparable positions among the peer group supermarket chains included in the performance graphs on pages 11 and 12.

This report is submitted by the following members of the Compensation Committee at the end of 2003:

Joan G. Buccino, Sherrill W. Hudson and Kelly E. Norton, Chairman.

The following table summarizes the compensation earned by the Company's CEO and the Company's four most highly compensated executive officers other than the CEO who were serving as executive officers at the end of 2003 and for services rendered in all capacities to the Company during the years ended 2003, 2002 and 2001:

OTHER COMPENSATION

The Company has a trustee, noncontributory defined contribution plan, the ESOP, for the benefit of eligible employees. The amount of the Company's discretionary contribution to the ESOP is determined annually by the Board of Directors and can be made in Company common stock or cash. The Company's contribution to this plan is allocated to all participants on the basis of compensation and the plan does not discriminate, in scope, terms, or operation, in favor of officers or directors of the Company. Amounts earned for 2003, 2002 and 2001 under the plan by the CEO and the four most highly compensated executive officers other than the CEO are listed in the Summary Compensation Table.

The Company has a 401(k) plan for the benefit of eligible employees. The 401(k) plan is a voluntary defined contribution plan. Eligible employees may contribute up to 10% of their eligible annual compensation (8% prior to January 1, 2002), subject to the maximum contribution limits established by Federal law. AUDIT COMMITTEE REPORT

At the end of 2003, the Audit Committee of the Company's Board of Directors was comprised of three Board members who were not involved in the current management of the Company. The Audit Committee members are independent as defined by the rules of the New York Stock Exchange.

The roles and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board of Directors. A copy of the Charter, as revised on November 10, 2003, is included with this Proxy Statement as Appendix A. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board of Directors for approval.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America. The Audit Committee monitors and oversees these processes as described in the Audit Committee Charter.

The Audit Committee reviewed and discussed with management and the Company's independent auditors the Company's audited consolidated financial statements for the fiscal year ended December 27, 2003. The Audit Committee also discussed with the Company's independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees. The Audit Committee received the written disclosures and the letter from the Company's independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and discussed with the auditors the firm's independence.

Based upon the review and discussions referred to in the preceding paragraph, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 27, 2003, for filing with the Securities and Exchange Commission.

This report is submitted by the following members of the Audit Committee at the end of 2003: Joan G. Buccino, Sherrill W. Hudson, Chairman and Kelly E. Norton.

RELATIONSHIP WITH INDEPENDENT PUBLIC ACCOUNTANTS

The firm of KPMG LLP was the Company's independent auditors during 2003. The Audit Committee will make its recommendation to the Board of Directors as to the Company's auditors for 2004 later this year.

Representatives of KPMG LLP will be present at the meeting with an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The fees billed by the Company's independent auditors, KPMG LLP, for the indicated services performed during the fiscal years ended December 27, 2003 and December 28, 2002, were as follows:

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

	2003	2002
	----	----
	(Amounts are in thousands)	
Audit fees (1)	\$336	332
Audit-related fees (2)	23	17
Tax fees (3)	78	237
All other fees	-	-
	----	----
	\$437	586
	====	===

- (1) Fees for audit services include fees associated with the annual audit of the Company's financial statements, review of the Company's quarterly financial statements and audit services provided in connection with other statutory or regulatory filings.
- (2) Fees for audit-related services primarily include fees associated with the annual audit of employee benefit plans.
- (3) Fees for tax services include fees associated with tax compliance, tax advice and tax planning.

The Audit Committee has reviewed and discussed the fees paid to KPMG LLP during the last fiscal year for audit and non-audit services and has determined that the provision of the non-audit services are compatible with the firm's independence.

Under its Charter, the Audit Committee must pre-approve all engagements of the Company's independent auditors. At its May 6, 2003 meeting, the Audit Committee adopted an Audit Committee Pre-Approval Policy. The Audit Committee Pre-Approval Policy provides that the Audit Committee is required to pre-approve all audit and non-audit services performed by the independent auditor in order to assure that the provision of such services will not impair the auditor's independence. The Audit Committee has delegated the Chairman of the Audit Committee the authority to evaluate and approve engagements on behalf of the Audit Committee in the event that the need for pre-approval arises between Audit Committee meetings. If the Chairman approves any such engagements, he will report that approval to the Audit Committee at its next meeting. Since May 6, 2003, each new engagement of the independent auditor was approved in accordance with the policy.

PERFORMANCE GRAPHS

The following performance graph sets forth the Company's cumulative total stockholder return during the five years ended December 27, 2003, with the cumulative total return on the S&P 500 Index and a custom Peer Group Index

Edgar Filing: PUBLIX SUPER MARKETS INC - Form DEF 14A

including companies in the same line of business (supermarket retail companies)(1). The Peer Group Index is weighted based on the various companies' market capitalization. The comparison assumes \$100 was invested at the end of 1998 in the Company's common stock and in each of the related indices and assumes reinvestment of dividends.

The Company's common stock is valued as of the end of each fiscal quarter. After the end of a quarter, however, shares continue to be traded at the prior valuation until the new valuation is received. The cumulative total return for the companies represented in the S&P 500 Index and the custom Peer Group Index is based on those companies' calendar year end trading price. Therefore, the Company has provided a performance graph based on the Company's fiscal year end valuation (rather than the trading price at fiscal year end, representing the appraised value as of the prior fiscal quarter). For comparative purposes, additional information is provided based on the fiscal year end trading price of the Company's shares.
