PROXY STATEMENT

These proxy materials are delivered in connection with the solicitation by the Board of Directors of Summit Financial Group, Inc. (“Summit,” the “Company,” “we,” or “us”), a West Virginia corporation, of proxies to be voted at our 2016 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend our Annual Meeting of Shareholders on May 19, 2016, beginning at 1:00 p.m. The meeting will be held at Summit’s Corporate Office, 300 North Main Street, Moorefield, West Virginia 26836.

This Proxy Statement, form of proxy and voting instructions are being mailed starting on or about April 14, 2016.

Principal Executive Office of the Company

The principal executive office of the Company is 300 North Main Street, Moorefield, West Virginia 26836.

Shareholders Entitled to Vote

Holders of record of Summit common shares at the close of business on March 31, 2016, are entitled to receive this notice and to vote their shares at the Annual Meeting. As of that date, there were 10,854,809 common shares outstanding. Each common share is entitled to one vote on each matter properly brought before the Annual Meeting.

Multiple Shareholders Sharing the Same Address

Owners of common stock in street name may receive a notice from their broker or bank stating that only one proxy statement will be delivered to multiple shareholders sharing an address. This practice, known as “householding,” is designed to reduce printing and postage costs. However, if any shareholder residing at such an address wishes to receive a separate proxy statement, he or she may contact Teresa Ely, Director of Shareholder Relations, Summit Financial Group, Inc., P. O. Box 179, Moorefield, West Virginia 26836, or by telephone at (304) 530-1000, or by e-mail at tely@summitfgi.com.

Proxies

Your vote is important. Shareholders of record may vote their proxies by mail. If you choose to vote by mail, a postage-paid envelope is provided.

Proxies may be revoked at any time before they are exercised by (1) written notice to the Secretary of the Company, (2) timely delivery of a valid, later-dated proxy or (3) voting in person at the Annual Meeting.

You may save us the expense of a second mailing by voting promptly. Choose one of the following voting methods to cast your vote.

Vote By Mail

If you choose to vote by mail, simply mark your proxy card, date and sign it, and return it in the postage-paid envelope provided.

Voting at the Annual Meeting

The method by which you vote now will in no way limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the Meeting.

All shares that have been properly voted and not revoked will be voted at the Annual Meeting in accordance with your instructions. If you sign your proxy card but do not give voting instructions, the shares represented by that proxy will be voted as recommended by the Board of Directors.

Voting on Other Matters

If any other matters are properly presented at the Annual Meeting for consideration, the persons named in the enclosed form of proxy intend to exercise their discretionary authority in accordance with applicable federal and state laws and regulations to vote on those matters for you. As of the date this proxy statement went to press, we did not know of any other matter to be raised at the Annual Meeting.

Required Vote

The presence, in person or by proxy, of the holders of a majority of the votes entitled to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker “non-votes” are counted as present and entitled to vote for purposes of determining a quorum. A broker “non-vote” occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. On the record date, there were 10,854,809 shares of common stock outstanding which are held by approximately 1,183 shareholders of record. A majority of the outstanding shares of Summit Financial Group, Inc. will constitute a quorum at the meeting.

A plurality of the votes cast is required for the election of directors. Abstentions and broker “non-votes” will be disregarded and will have no effect on the outcome of the vote for the election of directors.

In the election of directors, shareholders cast one (1) vote for each nominee for each share held. However, every shareholder has the right of cumulative voting, in person or by proxy, in the election of directors. Cumulative voting gives each shareholder the right to aggregate all votes which he or she is entitled to cast in the election of directors and to cast all such votes for one candidate or distribute them among as many candidates and in such a manner as the shareholder desires.

At our 2016 Annual Meeting, the total number of directors to be elected is five (5) in the class expiring in 2019. Each shareholder has the right to cast five (5) votes for each share of stock held on the record date.

If you wish to exercise, by proxy, your right to cumulative voting in the election of directors, you must provide a proxy showing how your votes are to be distributed among one or more candidates. Unless contrary instructions are given by a shareholder who signs and returns a proxy, all votes for the election of directors represented by such proxy will be divided equally among the nominees for each class. The vote represented by the proxies delivered pursuant to this solicitation, which do not contain any instructions, may be cumulated at the discretion of the Board of Directors of Summit Financial Group, Inc. in order to elect to the Board of Directors the maximum nominees named in this proxy statement.

For purposes of (i) the non-binding resolution to approve compensation of the Company’s named executive officers, and (ii) the ratification of Arnett Carbis Toothman LLP as the Company’s independent registered public

accounting firm for the year ended December 31, 2016, an affirmative vote of a majority of the votes cast on this proposal is required. In determining whether the proposal has received the requisite number of affirmative votes, abstentions and broker “non-votes” will be disregarded and will have no effect on the outcome of the vote.

Cost of Proxy Solicitation

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission, or by facsimile transmission. Brokers, fiduciaries, custodians and other nominees have been requested to forward solicitation materials to the beneficial owners of the Company’s common stock. Upon request we will reimburse these entities for their reasonable expenses.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and SEC regulations require the Company’s directors and executive officers and greater than ten percent shareholders to file reports of ownership on Form 3 and changes in ownership on Forms 4 or 5 with the SEC. Based solely on our review of copies of such reports received and/or written representations from such directors and executive officers and ten percent shareholders, the Company believes that all Section 16(a) filing requirements applicable to its directors, executive officers and ten percent shareholders were complied with during fiscal year 2015 except John W. Crites, Thomas J. Hawse, III, George W. Pace, and Charles S. Piccirillo, who each had one (1) late report relating to one (1) transaction and Georgette George who had three (3) late reports relating to three (3) transactions.

GOVERNANCE OF THE COMPANY

Board and Committee Membership

During 2015, the Board of Directors met ten (10) times. All of our Directors attended 75% or more of the meetings of the Board and the meetings held by committees of the Board on which the directors served in 2015.

The Company has a standing Executive Committee, Audit and Compliance Committee, and a Compensation and Nominating Committee.

Board Leadership Structure

The Board of Directors of the Company is led by a Chairman who is not the Chief Executive Officer. Oscar M. Bean currently serves as the Chairman of the Board and H. Charles Maddy, III is the Company's Chief Executive Officer. The Board believes that it is important to formally separate the roles of Chairman of the Board of Directors and the Chief Executive Officer. The separation of these roles results in a more effective monitoring and objective evaluation of the Chief Executive Officer's performance. The Board also believes that directors will be more likely to challenge the Chief Executive Officer if the Chief Executive Officer is not the Chairman of the Board.

Board's Role in Risk Oversight

Senior management is responsible for assessing and managing the Company's various exposures to risk on a day-to-day basis, including the creation of appropriate risk management programs and policies. The Board is responsible for overseeing management in the execution of its responsibilities and for assessing the Company's approach to risk management. The Board exercises these responsibilities periodically as part of its meetings and also through the Board's committees, each of which examines various components of risk as part of their responsibilities. The Board's role in the Company's risk oversight process includes receiving regular reports from members of senior management and reports from committees of the Board on areas of material risk to the Company, including operational, market, credit, financial, legal and regulatory risks. This enables the Board, senior management, and the committees of the Board to coordinate the risk oversight role, particularly with respect to risk interrelationships. In addition, an overall review of risk is inherent in the Board's consideration of the Company's long-term strategies and in the transactions and other matters presented to the Board, including capital expenditures, acquisitions and divestitures, and financial matters.

Executive Committee

The Executive Committee, on an as needed basis, approves loans above specified limits and performs such duties and exercises such powers as delegated to it by the Company's Board of Directors. The current members of the Company's Executive Committee are Oscar M. Bean, Chairman, John W. Crites, James P. Geary, II, Thomas J. Hawse, III, Gary L. Hinkle, H. Charles Maddy, III, Duke A. McDaniel, and Charles S. Piccirillo. The Executive Committee did not meet in 2015.

Audit and Compliance Committee

The Audit and Compliance Committee's primary function is to assist the Board of Directors in fulfilling its oversight responsibilities to ensure the quality and integrity of Summit's financial reports. This entails:

- Serving as an independent and objective party to monitor the Company's financial reporting process and internal control system.
- Providing direction to and oversight of the Company's internal audit function.
- Reviewing and appraising the efforts of the Company's independent auditors.
- Maintaining a free and open means of communication between directors, internal audit staff, independent auditors, and management.

The Audit and Compliance Committee has adopted a written charter, a copy of which is available on the Company's web site at www.summitfgi.com. Current members of this committee are George W. Pace, Chairman, John W. Crites, Georgette R. George, Thomas J. Hawse, III, Gary L. Hinkle, Gerald W. Huffman, and Charles S. Piccirillo. The Audit and Compliance Committee charter requires that the committee be comprised of five (5) or more directors. The Audit and Compliance Committee met four (4) times in 2015.

Pursuant to the provisions of the Sarbanes-Oxley Act, which was enacted in 2002, the SEC adopted rules requiring companies to disclose whether or not at least one member of the Audit and Compliance Committee is an "audit committee financial expert" as defined in such rules.

Under the SEC rules, an "audit committee financial expert" has the following attributes:

- An understanding of generally accepted accounting principles and financial statements;
- An ability to assess the general application of accounting principles generally accepted in the United States of America in connection with the accounting for estimates, accruals and reserves;
- Experience preparing, auditing, analyzing, or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can be expected to be raised by the Company's financial statements, or experience actively supervising one or more persons engaged in such activities;
- An understanding of internal controls and procedures for financial reporting; and
- An understanding of audit committee functions.

A person must possess all of the above attributes to qualify as an audit committee financial expert.

Based on Director Questionnaires, the Board of Directors has determined that John W. Crites, Thomas J. Hawse, III, and George W. Pace of the Audit and Compliance Committee possess all of the above five attributes so as to be deemed "audit committee financial experts" under the SEC rules. All three of these individuals are independent, as independence for audit committee members is defined in the NASDAQ listing standards.

In addition, John W. Crites, Thomas J. Hawse, III, Gary L. Hinkle and George W. Pace each qualify as a “financial expert” under the NASDAQ Marketplace Rules, which standards are different from the SEC rules. Under the NASDAQ Marketplace Rules, a “financial expert” must have past employment experience in finance or accounting, requisite professional certification in accounting or other comparable experience or background which results in the individual’s financial sophistication, including being a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities. Mr. Crites, Mr. Hawse, Mr. Hinkle and Mr. Pace have the necessary experience to qualify them as “financial experts” under the NASDAQ Marketplace Rules.

For information concerning the audit fees paid by the Company in 2015 and for information about the Company’s independent auditors generally, see the Audit and Compliance Committee Report on page 50 of these Annual Meeting materials.

Compensation and Nominating Committee

The Compensation and Nominating Committee consists of a minimum of four (4) independent, outside directors. The members of the Compensation and Nominating Committee during 2015 were Oscar M. Bean, Chairman, Dewey F. Bensenhaver, John W. Crites, Thomas J. Hawse, III, Phoebe Fisher Heishman, Gary L. Hinkle, George W. Pace and Charles S. Piccirillo.

The Compensation and Nominating Committee has adopted a written charter, a copy of which is available on the Company’s website at www.summitfgi.com.

The Committee meets at scheduled times during the year as required, generally one to two times. The Committee reports on Committee actions at Board meetings. The Committee has the authority to retain outside counsel and any other advisors as the Company may deem appropriate in its sole discretion. The Compensation and Nominating Committee met one (1) time in 2015.

Policies and Procedures Relating to the Nomination of Directors

The Compensation and Nominating Committee assists the Board in (i) identifying qualified individuals to become board members, (ii) determining the composition of the Board of Directors and its committees, (iii) monitoring a process to assess board effectiveness, and (iv) developing and implementing the Company’s corporate governance guidelines.

In determining nominees for the Board of Directors, the Compensation and Nominating Committee selects individuals who have the highest personal and professional integrity and who have demonstrated exceptional ability and judgment. The Committee also selects individuals who are most effective, in conjunction with the other nominees to the Board, in collectively serving the long-term interests of the shareholders. In identifying first-time nominees for director, or evaluating individuals recommended by shareholders, the Compensation and Nominating Committee determines, in its sole discretion, whether an individual meets the minimum qualifications approved by the Board of Directors and may consider the current composition of the Board of Directors in light of the diverse communities served by the Company and the interplay of the candidate’s experience with the experience of other Board members. Although the Compensation and Nominating Committee considers diversity in identifying nominees for a director by identifying directors who are educated and who have work experience in diverse areas (such as accounting, legal, finance, energy, media, insurance, timber, transportation, farming, hospitality, and retail) to provide the board as a whole with experience and perspective in a wide variety of areas, the Compensation and Nominating Committee does not have a policy with regard to the consideration of diversity in identifying director nominees.

The Compensation and Nominating Committee does not have a specific policy with regard to the consideration of persons nominated for Directors by shareholders. The Articles of Incorporation of the Company describe the procedures that a shareholder must follow to nominate persons for election as Directors. For more information regarding these procedures, see Requirements, Including Deadline for Submission of Proxy Proposals, Nomination of Directors and Other Business of Shareholders on page 55 of these Annual Meeting materials. The Compensation and Nominating Committee will consider nominees for Director recommended by shareholders provided the procedures set forth in the Articles of Incorporation of the Company are followed by shareholders in submitting recommendations. The Committee does not intend to alter the manner in which it evaluates nominees, including the minimum criteria set forth above, based on whether the candidate was recommended by a shareholder or not. With regard to the Compensation and Nominating Committee's specific nominating responsibilities, see a copy of its current charter on the Company's website at www.summitfgi.com.

Director Qualifications and Review of Director Nominees

In connection with the Director nominations for the 2016 Annual Meeting, the Compensation and Nominating Committee considered the Nominee's and the Continuing Directors' roles in identifying and understanding the Company's risks and overseeing the Company's compliance with its risk management program. These considerations were in addition to the qualifications, skills and attributes described above that are considered by the Compensation and Nominating Committee in selecting Nominees for the Board of Directors.

In addition to fulfilling the above criteria, all of the Nominees for election to the class expiring in 2019 are independent under the NASDAQ listing standards and the SEC rules. All of the directors whose terms expire in 2017 and 2018 (the "Continuing Directors") are independent under the NASDAQ listing standards except H. Charles Maddy, III. Mr. Maddy is not independent as he is an executive officer and employee of the Company.

Each Nominee and Continuing Director brings a strong and unique background and set of skills to the Board providing the Board as a whole competence and experience in a wide variety of areas including banking, finance, accounting, legal, corporate governance, executive management, media, energy, forestry, transportation and insurance. Processes and Procedures Relating to Executive Compensation

Another purpose of the Compensation and Nominating Committee is to review, approve and report to the Board of Directors the compensation of all executive officers of the Company who are subject to the requirements of Section 16 of the Securities Exchange Act of 1934 (the "Executive Officers"), including salaries and bonuses, and to approve and report to the Board of Directors all other incentive and equity compensation awards. The Compensation and Nominating Committee also annually reviews the Board Attendance and Compensation Policy which includes the compensation paid to the Board of Directors. The Compensation and Nominating Committee recommends any revisions to the Board Attendance and Compensation Policy to the full Board of Directors for approval. The Committee's primary processes and procedures for carrying out these purposes include:

- Scope of Authority. The Committee has the following duties and responsibilities:
- Annually review and approve corporate goals and objectives relevant to compensation of the Chief Executive Officer (the "CEO") established by the Board of Directors, evaluate the CEO's performance in light of these goals and objectives, and review, approve and report to the Board of Directors all compensation arrangements, including base salary, incentive compensation and long-term compensation for the CEO.
- Annually review, approve and report to the Board of Directors all compensation arrangements, including base salary, incentive compensation and long-term compensation, for all other Executive Officers.
- Review, approve and report to the Board of Directors compensation packages for new Executive Officers and termination packages for Executive Officers.
- Review and make recommendations to the Board of Directors for ratification decisions relating to long-term incentive compensation plans, including the use of equity-based plans. Except as otherwise delegated by the Board of Directors, the Committee will act on behalf of the Board of Directors as the "committee" established to administer equity-based and employee benefit plans, and as such, will discharge any responsibilities imposed on the committee under those plans, including making and authorizing grants in accordance with the terms of those plans. All such grants must be ratified by the Board of Directors.
- Make recommendations to the Board of Directors with respect to matters relating to incentive compensation and equity-based plans which are appropriate for action by the Board of Directors under applicable NASDAQ and SEC rules.

- Delegation of Authority. The Committee has the authority to delegate any of its responsibilities to subcommittees as the Committee may deem appropriate.
- Role of Executive Officers. The Chief Executive Officer provides the Committee with a verbal performance assessment and compensation recommendation for each of the other Executive Officers. In addition to the following items, these performance assessments and recommendations are considered by the Committee in reviewing, approving and reporting to the Board the compensation arrangements of each Executive Officer other than the CEO: (i) an assessment of the Company's performance, (ii) the perquisites provided to the Executive Officers, (iii) the salaries paid by a peer group to executive officers holding equivalent positions, (iv) tally sheets showing the aggregate amount of all components of compensation paid to the Executive Officers, and (v) the complexity of the job duties of each Executive Officer.
- Role of Independent Consultant. The Committee has the authority to retain any advisors as the Committee deems appropriate in carrying out its duties, but only after taking into consideration factors relevant to the advisor's independence from management specified in the NASDAQ listing standards. The Committee has not retained the services of an independent consultant in reviewing and approving the form and amount of executive and director compensation.

Independence of Directors and Nominees

The Board of Directors annually reviews the relationships of each of its members with the Company to determine whether each director is independent. This determination is based on both subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules.

The Board of Directors reviewed the directors' responses to a questionnaire asking about their relationships with the Company (and those of their immediate family members) and other potential conflicts of interest, as well as information provided by management related to transactions, relationships, or arrangements between the Company and the directors or parties related to the directors in order to determine the independence of the current members of the Board of Directors and the nominees for election as a director of the Company.

Based on the subjective and objective criteria developed by the NASDAQ listing standards and the SEC rules, the Board of Directors determined that the following nominees and current members of the Board of Directors are independent: Oscar M. Bean, Dewey F. Bensenhaver, J. Scott Bridgeforth, James M. Cookman, John W. Crites, John W. Crites, II, James P. Geary, II, Georgette R. George, Thomas J. Hawse, III, Phoebe Fisher Heishman, Gary L. Hinkle, Jeffrey E. Hott, Gerald W. Huffman, Duke A. McDaniel, George W. Pace and Charles S. Piccirillo. H. Charles Maddy, III is not independent because he is an executive officer of the Company.

The NASDAQ listing standards contain additional requirements for members of the Compensation and Nominating Committee and the Audit and Compliance Committee. All of the directors serving on each of these committees are independent under the additional requirements applicable to such committees.

The Board considered the following relationships in evaluating the independence of the Company's Directors and determined that none of the relationships constitute a material relationship with the Company and each of the relationships satisfied the standards for independence:

- Summit Community Bank, Inc., a subsidiary of the Company, provided lending and/or other financial services to each member of the Company's Board of Directors, their immediate family members, and/or their affiliated organizations during 2015 and 2014 in the ordinary course of business and on substantially the same terms as those available to unrelated parties;
- Oscar M. Bean and James P. Geary, II are partners of law firms that received payments for legal services provided to the Company or its subsidiaries during 2015 and 2014;
- Mr. Crites beneficially owns an aggregate of 693,962 shares or 6.39% of the Company's common stock;
- The Company and its subsidiary purchased products from a grocery store owned by Thomas J. Hawse, III in 2015 and 2014; and
- The Company and its subsidiary advertised in a weekly newspaper owned by Phoebe Fisher Heishman in 2015 and 2014.

Transactions with Related Persons

The Company has written policies and procedures for review, approval and monitoring of transactions involving the Company and "related persons" (directors, nominees for director, and executive officers or their immediate families, or shareholders owning five percent or greater of the Company's outstanding voting stock). The policy covers any related person transaction that meets the minimum threshold for disclosure in the proxy statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest).

Directors and executive officers of the Company and its subsidiaries, members of their immediate families, and business organizations and individuals associated with them have been customers of, and have had normal banking transactions with Summit Community Bank. All such transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with persons not related to Summit and did not involve more than the normal risk of collectability or present other unfavorable features. Loans made to directors and executive officers are in compliance with federal banking regulations and are thereby exempt from insider loan prohibitions included in the Sarbanes-Oxley Act of 2002.

The Board of Directors reviewed all transactions with related parties since January 1, 2015, to determine if such transactions were required to be reported in this Proxy Statement. The Company has not entered into any transactions with related persons since January 1, 2015, that met the threshold for disclosure in this Proxy Statement under the relevant SEC rules, nor has the Company entered into a current transaction, in which the amount of the transaction exceeds the threshold for disclosure in this Proxy Statement under relevant SEC rules and in which a related person had or will have a direct or indirect material interest.

Shareholder Communication with Directors

The Board of Directors of the Company provides a process for shareholders to send communications to the Board of Directors or to any of the individual Directors. Shareholders may send written communications to the Board of Directors or to any of the individual Directors c/o Assistant Corporate Secretary at the following address: Summit Financial Group, Inc., P. O. Box 179, 300 North Main Street, Moorefield, West Virginia 26836. All communications will be compiled by the Assistant Corporate Secretary of the Company and submitted to the Board of Directors or to the individual Directors on a periodic basis.

Board Member Attendance at Annual Meeting

The Company does not have a policy with regard to directors' attendance at annual meetings. Eight (8) of sixteen (16) members of the Board of Directors in 2015 attended the 2015 Annual Meeting of Shareholders.

Corporate Policies

The Company operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities, setting high standards of professional and personal conduct and assuring compliance with such responsibilities and standards. The Sarbanes-Oxley Act of 2002, among other things, establishes a number of corporate governance standards and disclosure requirements. In addition, the Company is subject to the corporate governance and Marketplace Rules promulgated by NASDAQ. In light of the requirements of the Sarbanes-Oxley Act of 2002 and the NASDAQ corporate governance and Marketplace Rules, Summit has a Compensation and Nominating Committee Charter and a Code of Ethics that applies to all directors, executive officers and employees of Summit Financial Group, Inc. and its subsidiaries. The Code of Ethics also contains supplemental provisions that apply to the Company's Chief Executive Officer, the Chief Financial Officer, and the Chief Accounting Officer (the "Senior Financial Officers"). In addition, the Code of Ethics contains procedures for reporting violations of the Code of Ethics involving the Company's financial statements and disclosures, accounting practices, internal control over financial reporting, disclosure controls and auditing matters. A copy of the Code of Ethics is available on the Company's website at www.summitfgi.com.

ITEM 1 - ELECTIONS OF DIRECTORS

The Board of Directors is divided into three (3) classes. The terms of the Directors in each class expire at successive annual meetings. Five (5) Directors will be elected at our 2016 Annual Meeting to serve for a three-year term expiring at our Annual Meeting in the year 2019. If the proposed nominees are elected, the Company will have a Board of Directors consisting of three classes of five (5) directors each.

The persons named in the enclosed proxy intend to vote the proxy for the election of each of the five (5) nominees, unless you indicate on the proxy card that your vote should be withheld from any or all of such nominees. Each nominee elected as a Director will continue in office until his or her successor has been elected, or until his or her death, resignation or retirement.

The Board of Directors has proposed the following nominees for election as Directors, with terms expiring at the Annual Meeting in 2019: Oscar M. Bean, Dewey F. Bensenhaver, John W. Crites, II, James P. Geary, II, and Charles S. Piccirillo. All of the nominees were recommended by the Compensation and Nominating Committee and approved by the Board of Directors of the Company. All of the nominees are Directors standing for re-election except for John W. Crites, II.

John W. Crites and Phoebe Fisher Heishman are retiring from the Board of Directors of the Company. Mr. Crites served as a member of the Board of Directors of the Company since 1989 and has served as a member of the Board of Directors of Summit's banking subsidiary since 1989. Ms. Heishman served as a member of the Board of Directors of the Company since 1987 and served as Secretary of the Company since 1995. Ms. Heishman served as a member of the Board of Directors of Summit's banking subsidiary since 1973. We are grateful to Mr. Crites and Ms. Heishman for their guidance and dedicated service to the Company, and we thank them for their commitment of time and talent.

The Board of Directors recommends a vote FOR the election of these nominees for election as Directors.

We expect each nominee for election as a Director to be able to serve if elected. To the extent permitted by applicable law, if any nominee is not able to serve, proxies will be voted in favor of the remainder of those nominated and may be voted for substitute nominees, unless the Board chooses to reduce the number of Directors serving on the Board. The principal occupation and certain other information about the nominees and other Directors whose terms of office continue after the Annual Meeting are set forth on the following pages and on pages 7-11.

Security Ownership of Directors and Officers

As of March 18, 2016, the nominees and other Directors of the Company owned beneficially, directly or indirectly, the number of shares of common stock indicated on pages 17-19. The number of shares shown as beneficially owned by each Director and executive officer is determined under the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. The information is not necessarily indicative of beneficial ownership for any other purposes.

Unless indicated in the tables on pages 17-19, to our knowledge, the nominees and other Directors named in the tables have sole voting and sole investment power with respect to all shares beneficially owned. Shares of common stock issuable upon exercise of currently exercisable options are deemed to be outstanding and to be beneficially owned by the nominees or other Directors holding the options for the purpose of computing the percentage ownership of that nominee or Director, but are not treated as outstanding for the purpose of computing the percentage ownership of any other nominee or Director.

All Directors, nominees and executive officers as a group owned ---2,491,228 shares or 22.82% of the Company's common stock as of March 18, 2016. Each Director of the Company is required to own a minimum of 2,000 shares of the Company's common stock. Ownership is defined as shares held solely in the Director's name, shares held through the Company's employee stock ownership plan, a profit-sharing plan, individual retirement account, retirement plan or similar arrangement, and shares owned by a company where the Director owns a controlling interest. Common shares held jointly by a Director and the Director's spouse are counted when determining whether a Director owns 2,000 shares of the Company's common stock as long as the director owns stock in his or her own name with a minimum value of at least \$500, which is the minimum imposed by West Virginia law. Directors who are also employees of the Company or its subsidiaries are exempt from this requirement.

The Company's retirement policy requires that all Directors retire at the end of the term during which the Director attains the age of 75. However, pursuant to the Merger Agreement with Potomac Valley Bank, the Company agreed that Mr. McDaniel would be exempt from the Company's mandatory retirement requirement. Mr. McDaniel must retire at the end of the term during which he attains the age of 80.

ITEM 2 - ADOPTION OF NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

The Dodd-Frank Wall Street Reform and Consumer Protection Act, enacted in July 2010, requires that we provide our shareholders with the opportunity to vote to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission.

The executive officers named in the summary compensation table set forth in this proxy statement and deemed to be the Company's "named executive officers" are H. Charles Maddy, III, Robert S. Tissue, Scott C. Jennings, Patrick N. Frye and Bradford E. Ritchie.

Shareholders are urged to read the compensation information on the following pages of this proxy statement which discusses the compensation policies and procedures with respect to the Company's named executive officers and vote on the following advisory, non-binding resolution:

"RESOLVED, that the shareholders approve, on an advisory basis, the compensation paid to Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and narrative discussion."

As described in detail under the headings "Compensation Discussion and Analysis" and "Executive Compensation" beginning on page 21, we seek to closely align the interests of our named executive officers with the interests of our shareholders. Our compensation programs are designed to reward our named executive officers for the achievement of the Company's financial goals, while at the same time avoiding the encouragement of unnecessary or excessive risk taking. In addition, The Company's Compensation and Nominating Committee (the "Committee") has reviewed the Company's compensation policies and believes that the Company's policies do not promote unnecessary risk-taking nor are they reasonably likely to have a material adverse effect on the Company.

This advisory vote, commonly referred to as a "say-on-pay" advisory vote, is non-binding on the Board of Directors. Although non-binding, the Board of Directors and the Committee value constructive dialogue on executive compensation and other important governance topics with shareholders. The Board of Directors and the Committee will review the voting results and take them into consideration when making future decisions regarding the Company's executive compensation programs.

The Company is currently conducting the "say-on-pay" advisory vote every three years. The next "say-on-pay" advisory vote is scheduled for the 2019 Annual Meeting of Shareholders.

The Board of Directors and the Committee recommends a vote FOR the nonbinding resolution to approve the compensation of the Company's named executive officers.

COMPENSATION DISCUSSION AND ANALYSIS

This section explains Summit's executive compensation program as it relates to the following named executive officers (defined as the CEO, CFO and the three most highly compensated Executive Officers other than the CEO) as of December 31, 2015:

H. Charles Maddy, III	President and Chief Executive Officer
Robert S. Tissue	Senior Vice President and Chief Financial Officer
Patrick N. Frye	Senior Vice President and Chief of Credit Administration
Scott C. Jennings	Senior Vice President and Chief Operating Officer
Bradford E. Ritchie	President - Summit Community Bank

Executive Compensation Program

We have a straightforward compensation program that focuses on a team approach and supports long-term strategies of the Company. Each of our named executive officers must demonstrate exceptional personal performance for a sustained period of time to remain part of our executive team. As a member of that team, each officer must contribute to the overall success of Summit rather than simply attain goals within that officer's specific area of responsibility. Our compensation program includes performance metrics that promote disciplined progress towards longer-term goals and that correlate to the revenue objectives of, and appropriate risk to, the Company. The combination of performance-based compensation and equity-based awards, which derive their benefit from increases in shareholder value, provides the majority of our executive officers' total compensation and furthers our core compensation principle of providing pay for both individual and Company-wide performance. The executive compensation program was designed and approved the Compensation and Nominating Committee of the Board of Directors (the "Committee") and the Board of Directors of the Company.

Our executive compensation program is designed to:

- retain executive officers by paying them competitively, motivate them to contribute to the Company's success, and reward them for their performance;
- reward executive officers through annual performance-based compensation based on the achievement of specific operating goals that have been determined by the Committee;
- align the compensation of the executive officers with the interests of our shareholders and motivate the executive officers to achieve the Company's long-term goals through equity based compensation; and
- encourage ownership of Company common stock by executive officers.

Our fundamental philosophy is to link closely executive compensation with the achievement of annual financial and non-financial performance goals. It is the Company's practice to provide a mix of cash and equity-based compensation that the Company believes balances the best interests of the Company's executives and the Company's shareholders. The Company believes compensation should be structured to ensure that a significant portion of the compensation opportunity will be directly related to shareholder value.

As discussed below, the program consists of, and is intended to balance, three elements:

- Salaries

Salaries are based on the Company's evaluation of individual job performance and an assessment of the salaries and total compensation mix paid by the Company's Peer Group to executive officers holding equivalent positions. The Company's Peer Group is a group consisting of all public banks and thrifts in the United States with assets of \$1 billion - \$5 billion. The Company does not "benchmark" to the Peer Group, but rather uses the Peer Group as a general reference for purposes of comparing our executive officer salaries to other companies in the industry to determine whether the salaries are reasonable and competitive.

- Incentive compensation.

Executive Incentive Compensation is based on an evaluation of both individual and Company performance against quantitative measures.

- Long-term Incentive Compensation.

Long-term incentive awards, which consist of stock options, stock appreciation rights, restricted stock and restricted stock units under the Company's 2014 Long-Term Incentive Plan which was approved by the Company's shareholders, are designed to ensure that incentive compensation is linked to the long-term performance of the Company and its common stock and shareholder return.

Setting Executive Compensation

In setting the annual base salary and the performance goals that must be satisfied for executives to receive incentive compensation, the Company reviews executive compensation information from the Peer Group gathered from SEC filings and the SNL Executive Compensation Review, a compensation survey. The Company does not use a specific formula to set pay in relation to this market data. This market data is used as a tool to assess whether the Company's executive compensation is reasonable and competitive within the industry. The Company does not, however, attempt to set compensation to meet specific benchmarks, such as salaries "above the median" or equity compensation "at the⁷⁵ percentile". The Company strongly believes in retaining the best talent for all critical Company functions and this may or may not result in compensation packages that align at the median of the Peer Group. The Company also believes that excessive reliance on benchmarking is detrimental to shareholder interest because it can result in compensation that is unrelated to the value delivered by the named executive officers.

- Salaries

The first element of the executive compensation program is salaries.

The Board and the Company have directed a mix of the Company's executive compensation that provides an opportunity for significant variation in total compensation based on performance with a proportionately lesser emphasis on salaries. This strategy is intended to increase the performance orientation of the Company's executive compensation.

In setting the base salary for the President and CEO and in reviewing and approving the salaries for the other named executive officers, the Company first reviews the history of and the proposals for the compensation for each individual, including cash and equity-based components. In setting salaries, the Company and the Committee do not use a predetermined formula. Instead, the salaries of the President and CEO and the other executive officers are based on:

- the Board's review of the CEO's evaluation of each officer's individual job performance, and the Committee's evaluation of the CEO's job performance;
- an assessment of the Company's performance;
- the perquisites provided to the CEO and other named executive officers;
- a consideration of salaries paid by the Peer Group to executive officers holding equivalent positions;
- a consideration of aggregate amount of all components of compensation paid to the President and CEO and other executive officers; and
- the complexity of the job duties of the indicated executive as compared to the perceived complexity of the duties of similar executives in other companies.

We do not have a pre-defined framework that determines which of these factors may be more or less important and the emphasis placed on specific factors may vary among the named executive officers. Ultimately it is the Committee's judgment of these factors along with the competitive data that form the basis for determining the named executive officer's compensation. Once the base salary is set, it does not depend on the Company's performance. In 2015, the Company made the following decisions with respect to the base salaries of its named executive officers:

- A performance based increase of 5.0% in the salary of Mr. Maddy, Mr. Tissue, Mr. Frye, and Mr. Jennings and a 4.5% in the salary of Mr. Ritchie for their significant contribution to the overall management of the Company.
- Prior to 2015, Mr. Maddy requested that the Committee not consider any increases in his salary for the years 2009 through 2014.
- Incentive Compensation

The second element of the executive compensation program is incentive compensation. The purpose of establishing an annual incentive compensation plan is to motivate and reward eligible employees for their contributions to the Company and its bank subsidiary by making a large portion of their cash compensation variable and dependent upon the Company's and its bank subsidiary's performance.

The Company annually adopts an incentive compensation plan for the Company and its bank subsidiary. In prior years, all incentive compensation awarded under the incentive compensation plan was based on a formula which primarily considered the return on average equity of the Company and its bank subsidiary. The Company set a range of goals for return on average equity and also set the percentage to which each executive officer was entitled if the specific goals were met. The percentage to which each named executive officer was entitled was based on the individual's contribution to the Company as determined by the Committee in its judgment based on the recommendation of the Chief Executive Officer. Among other things, the Committee considered the Company's compensation philosophy which focused on a team based approach and the individual's relative contribution to the team.

In February 2009, the Board of Directors suspended indefinitely the Incentive Compensation Plan. No incentive compensation was paid to the named executive officers in 2009, 2010, 2011, 2012, 2013 or 2014. Although no awards were made under the Incentive Compensation Plan, in February, 2015, the Committee granted discretionary bonuses to certain employees for performance in 2014. These discretionary bonuses were awarded because of the achievement of the following goals: the termination of the informal memoranda of understanding with the Federal Reserve Bank of Richmond, the Federal Deposit Insurance Corporation and the West Virginia Division of Financial Institution, the continued improvement of the Company's financial performance, and the Company's achievement of certain budgeted targets. The discretionary bonuses awarded to each named executive officer are as follows: H. Charles Maddy, III - \$40,000; Robert S. Tissue - \$25,000; Patrick N. Frye - \$25,000; Scott C. Jennings - \$25,000; and Bradford E. Ritchie - \$25,000.

On February 17, 2015, the Committee approved the terms of the Company's Executive Officer Management Incentive Plan for 2015. The Executive Officer Management Incentive Plan for 2015 provides eligible participants, including executive officers of the Company, with the opportunity to earn an incentive payment equal to 25% of the executive officer's base salary as of January 1, 2015 multiplied by a multiplier based on the Company's annual return on average tangible equity ("ROATE") for 2015. The targeted range for the Company's ROATE for 2015 is 10.00 to 10.99 percent. If the Company's actual ROATE for 2015 is within this targeted range, each executive officer will receive an incentive payment equal to 25% of their respective annual base salary as of January 1, 2015 (the "2015 Targeted Incentive"). If the Company's actual ROATE for 2015 is greater than the targeted range, executive officers will be eligible to receive an incentive payment that is greater than the 2015 Targeted Incentive; conversely, if the Company's actual ROATE for 2015 is less than the targeted range but at least 8%, executive officers will be eligible to receive an incentive payment that is less than the 2015 Targeted Incentive. If the Company's actual ROATE for 2015 is less than 8%, then the executives will not be entitled to an incentive payment under the plan.

The Company's actual ROATE for 2015 was 12.5%; accordingly, named executive officers were awarded the following incentive payments: H. Charles Maddy, III - \$160,988; Robert S. Tissue - \$83,025; Patrick N. Frye \$81,405; Scott C. Jennings \$83,025; and Bradford E. Ritchie \$78,975.

On January 28, 2016, the Committee approved terms of the Company's Executive Officer Management Incentive Plan for 2016. The 2016 Executive Officer Management Incentive Plan is similar to the plan for 2015 and provides executive officers of the Company with the opportunity to earn an incentive payment equal to 25% of the executive officer's base salary as of January 1, 2016 multiplied by a multiplier based on the Company's ROATE for 2016. The targeted range for the Company's ROATE for 2016 is 10.00 to 10.99 percent. If the Company's actual ROATE for 2016 is within this targeted range, each executive officer will receive an incentive payment equal to 25% of their respective annual base salary as of January 1, 2016 (the "2016 Targeted Incentive").

If the Company's actual ROATE for 2016 is greater than the targeted range, executive officers will be eligible to receive an incentive payment that is greater than the 2016 Targeted Incentive; conversely, if the Company's actual ROATE for 2016 is less than the targeted range but at least 8%, executive officers will be eligible to receive an incentive payment that is less than the 2016 Targeted Incentive. No incentive payments will be made if the Company's actual ROATE is less than 8%.

•Long-term Incentive Compensation

The third element of the executive compensation program is long-term incentive compensation.

2014 Long-Term Incentive Plan. The main component of the long-term incentive compensation program is the 2014 Long-Term Incentive Plan (the “2014 LTI Plan”) that was adopted by the Company’s shareholders at the 2014 Annual Meeting of shareholders.

Purpose of the 2014 LTI Plan. The purpose of the 2014 LTI Plan is to enhance the ability of the Company to attract and retain exceptionally qualified individuals to serve as key employees to the Company, including full-time employee directors, who will contribute to the Company’s success, to encourage such individuals to acquire a proprietary interest in the growth and performance of the Company which will inure to the benefit of all shareholders of the Company, and to reward the performance of these individuals in fulfilling their personal responsibilities for long-range and annual achievements.

Shares Available for Awards. The maximum number of shares of the Company common stock which may be issued under the 2014 LTI Plan is 500,000, subject to adjustment by the Committee for stock splits and other events as set forth in the 2014 LTI Plan. If, after the effective date of the 2014 LTI Plan, (i) any shares covered by an award under the 2014 LTI Plan, or to which such an award relates, are forfeited or (ii) any award under the 2014 LTI Plan expires or is cancelled or otherwise terminated, then the number of shares available for issuance under the 2014 Plan will increase, to the extent of any such forfeiture, expiration, cancellation or termination. If the Committee grants substitute awards, which are awards granted in assumption of, or in substitution for, outstanding awards previously granted by a company that is acquired by the Company in a merger or other business combination, then such substitute awards will not count toward the maximum number of shares available under the 2014 LTI Plan .

Eligibility. All grants are expected to be made on a discretionary basis, rather than pursuant to a formula. Any key employee or full-time employee director of the Company and its affiliates will be eligible to receive grants under the 2014 LTI Plan. A key employee means any officer or other key employee of the Company or any affiliate who is responsible for or contributes to the management, growth, or profitability of the business of the Company or any affiliate as determined by the Committee. An eligible employee-director means each member of the Board of Directors who is a full-time employee or officer of the Company or any affiliate.

Awards. All awards under the 2014 LTI Plan are expected to be evidenced by an award agreement between the Company and the individual participant and approved by the Committee. In the discretion of the Committee, an eligible key employee, executive officer or full-time employee-director may receive awards from one or more categories described below, and more than one award may be granted to an eligible key employee, executive officer or full-time employee-director.

Types of awards under the 2014 LTI Plan include:

Stock Appreciation Rights and Stock Options

Subject to the terms of the 2014 LTI Plan, the Committee may grant to participants stock appreciation rights (SARs) and stock options with such terms and conditions as the Committee determines. A SAR Award Agreement may specify a specific settlement date or dates, or may grant a term during which such SAR or SARs, if vested, may be exercised. If the SAR Award Agreement grants a participant a term during which vested SARs may be exercised by the Participant, the Participant may exercise any such SAR with respect to all or any part of the number of vested SARs then exercisable under the terms of the written SAR Award Agreement by giving the Committee written notice of intent to exercise. When granting SARs, the Committee must fix the term or date of settlement of each SAR, but such date may not exceed 10 years from the date of grant. Holders of SARs do not have rights of a shareholder.

At the time of grant of a stock option, the Committee will determine whether the option will be a non-qualified or an incentive stock option, provided that incentive stock options will only be granted to key employees. The terms of any incentive stock option shall comply in all respects with the provisions of Code Section 422. Each stock option granted under the 2014 LTI Plan will be evidenced by an Option Award Agreement between the Company and the participant and such Option Award Agreement will contain the number of shares and the terms on which the option can be exercised.

The date of grant will not be earlier than the date on which the Committee approves such grant. The exercise price per share shall be determined by the Committee; provided, however, that except in the case of substitute awards, the exercise price will not be less than 100% of the fair market value of the Company's common stock on the date the stock option is granted, and in the case of incentive stock options granted to any participant that owns more than ten percent of the Company, the exercise price will be at least 110% of the fair market value of the Company's common stock on the date of grant.

Restricted Stock and Restricted Stock Units

Subject to the terms of the 2014 LTI Plan, the Committee may grant with respect to each restricted stock or restricted stock unit award, the number of shares or restricted stock units, respectively, with respect to which such award relates. Shares of restricted stock and restricted stock units will be subject to such restrictions as the Committee may impose (including, without limitation, any limitation on the right to vote a share of restricted stock or the right to receive any dividend or other right or property), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise, as the Committee may deem appropriate.

The Committee will determine the manner in which restricted stock will be evidenced, including, without limitation, book-entry registration or issuance of a stock certificate or certificates. In the event any stock certificate is issued in respect of shares of restricted stock, such certificate shall be registered in the name of the participant and shall bear an appropriate legend (as determined by the Committee) referring to the terms, conditions, and restrictions applicable to such restricted stock.

In the event of a participant's termination of employment by either the participant or the Company, including but not limited to by reason of retirement, permanent disability, or death, then with respect to vested stock options or vested stock appreciation rights, the Committee may establish, in the Award Agreement, a period or periods in addition or in the alternative to the stated term of the option or the stock appreciation right (and incentive stock options, the provisions of Code Section 422 shall be applicable.) If the stock appreciation right has a specified settlement date in the award agreement, any vested stock appreciation right will be settled and paid on such specified date.

With respect to restricted stock and restricted stock units, except as otherwise determined by the Committee, upon termination of employment or cessation of the provision of services (as determined under criteria established by the Committee) for any reason during the applicable restriction period, all shares of restricted stock and all restricted stock units still subject to restriction will be forfeited and reacquired by the Company unless otherwise determined by the Committee that a waiver would be in the best interests of the Company.

Awards Granted in 2015

In April, 2015, the Board of the Company approved awards of stock-settled stock appreciation rights to the following named executive officers of the Company in accordance with the terms of the 2014 LTI Plan.

Name	Stock Appreciation Rights
H. Charles Maddy, III	34,850
Robert S. Tissue	17,947
Patrick N. Frye	17,613
Scott C. Jennings	17,947
Bradford E. Ritchie	17,112

The stock-settled stock appreciation rights have a base price equal to \$12.01, the fair market value, as defined in the 2014 LTI Plan, for the Company's common stock on the date of grant (April 23, 2015), and expire ten years from the date of grant. The stock-settled stock appreciation rights granted are time-based, with 20% vesting on each of the first five anniversaries of the grant date. The stock-settled stock appreciation rights will be settled in shares of the Company's common stock.

In the event of a change of control, as defined in the LTI Plan, if the successor or surviving corporation so agrees, some or all of the outstanding stock-settled stock appreciation rights will be assumed, or replaced with the same type of award with similar terms or conditions. Any stock-settled stock appreciation rights that are not fully vested at the time a recipient terminates employment due to a change of control will become fully vested upon such termination and remain exercisable, throughout the original term of the award.

If the recipient's employment with the Company is terminated due to death or disability, then the recipient will vest in the additional percentage of stock-settled stock appreciation rights, if any, that would have vested at the vesting date which falls after the date of death or date of termination of employment of recipient due to disability, but within the calendar year in which the recipient died or terminated employment due to disability, as if, for purposes of vesting percentage only, the recipient had not died or terminated employment due to disability, and had continued employment to such vesting date. All vested stock-settled stock appreciation rights will be exercisable for a period of two years from the date of death or termination of employment due to disability; all vested stock-settled stock appreciation rights not exercised within said two year period will be forfeited in their entirety.

If the recipient is terminated by the Company for cause, then the stock-settled stock appreciation rights will immediately terminate and no stock-settled stock appreciation rights will be exercisable as of the date of such termination, regardless of whether any stock-settled stock appreciation right was vested and exercisable prior to date of such termination.

Upon termination of the recipient's employment by the Company or by the recipient other than for death, disability or termination for cause, the stock-settled stock appreciation rights, to the extent vested and exercisable as of the date of such termination, will thereafter be exercisable only for a period of two years from the date of such termination, and any stock-settled stock appreciation right that was not exercisable as of the date of such termination will be forfeited. If, at any time within (i) the ten-year term of award agreement; (ii) two years after the termination of employment; or (iii) two years after the recipient exercises any portion of the grant of stock-settled stock appreciation rights, whichever is the latest, the recipient, in the determination of the Committee, engages in any activity in competition with any activity of the Company, or inimical, contrary or harmful to the interests of the Company, including, but not limited to those circumstances set forth in the award agreement, then any award of stock-settled stock appreciation rights held by the recipient will terminate effective as of the date on which the recipient enters into such activity, unless terminated sooner by operation of another term or condition of the award agreement or the Plan, and any gain realized by the recipient from the exercise of all or a portion of any grant of stock appreciation rights will be repaid by the recipient to the Company. Such gain will be calculated based on the spread multiplied by the number of shares subject to the stock-settled stock appreciation rights exercised on such date, plus interest measured from the first date the recipient engaged in any of the prohibited activities set forth above at the highest rate allowable under West Virginia law.

Officer Stock Option Plan. Prior to the adoption of the 2014 LTI Plan, the Officer Stock Option Plan was the main component of the long-term incentive compensation program. The purpose of the Officer Stock Option Plan was to reward and retain officers in a manner that best aligns officers' interests with stockholders' interests. The Company's shareholders approved an Officer Stock Option Plan in 1998 that expired on May 5, 2008. Under the 1998 Officer Stock Option Plan, the Company was authorized to award options for up to 960,000 shares of the Company's common stock to qualified officers of the Company and its subsidiaries. Following the expiration of the 1998 Officer Stock Option Plan, the shareholders approved the 2009 Officer Stock Option Plan. The remaining shares that are unissued under the 1998 Officer Stock Option Plan ceased to be available for award upon approval of the 2009 Officer Stock Option Plan. Under the 2009 Officer Stock Option Plan, the Company was authorized to award options for up to 350,000 shares of the Company's common stock to qualified officers of the Company and its subsidiaries. The remaining shares that are unissued under the 2009 Officer Stock Option Plan ceased to be available for award following the approval of the 2014 LTI Plan. As of December 31, 2015, options to purchase an aggregate 77,430 shares of the Company's common stock remain exercisable under the 1998 Officer Stock Option Plan and the 2009 Officer Stock Option Plan. Each option granted under the Plans has an exercise price of no less than the fair market value of the Company's common stock as of the date of grant. Options granted under the plans vest according to a schedule designated at the grant date. The Officer Stock Option Plans were administered by the Compensation and Nominating Committee of the Board of Directors.

Executive Salary Continuation Agreements. In an effort to attract, reward, motivate and retain the most qualified people available, and to provide those people with a complete and reasonable compensation package, Summit and its banking subsidiary have entered into executive salary continuation agreements with certain executives of the Company with an endorsement split dollar life insurance plan. In this section, Company includes Summit's bank subsidiary.

The Executive Salary Continuation Agreements (the Continuation Agreements) were designed to provide an annual defined retirement benefit payable for the life of the executive. These benefits, when added to the retirement benefits that will be provided by the Company's 401(k) Profit Sharing Plan, Employee Stock Ownership Plan, and social security, will provide each executive with benefit levels comparable to other Company employees when measured as a percentage of salary at the time of retirement.

The Continuation Agreements are designed to be a retention tool but they do take into account the age of the named executive officers. With respect to the Company's President and Chief Executive Officer, Mr. Maddy, the benefits under his Continuation Agreement vest at a rate of five percent per year in the first ten years, zero percent in year eleven through eighteen, and in year nineteen, the remaining fifty percent vests. With respect to Mr. Frye, Mr. Jennings and Mr. Tissue, the benefits under their Continuation Agreement vest at a rate of five percent per year in the first ten years, zero percent in year eleven through nineteen, and in year twenty, the remaining fifty percent vests. With respect to Mr. Ritchie, the benefits under his Continuation Agreement vest at a rate of zero percent in year one through four, twenty-five percent in year five, five percent per year in years six through ten, zero percent in year eleven through nineteen, and in year twenty, the remaining fifty percent vests. Vesting is measured for each executive from the effective date of the Continuation Agreements, which vary by executive.

The Company's obligations under the retirement benefit portion of these agreements are unfunded; however, the Company has purchased life insurance policies on each insurable executive that are actuarially designed to offset the annual expenses associated with the agreements and will, given reasonable actuarial assumptions, offset all of the costs of the agreements during the life of the executive and provide a complete recovery of all costs at the executive's death. The Company is the sole owner of all policies and as Company assets, the policies are subject to claims of the Company's general creditors.

The life insurance benefit for each insurable officer is being provided by an Endorsement Split Dollar Plan whereby the Company endorses a specified percentage of the net-at-risk life insurance portion of a policy (total death benefit less cash value of policy) on the life of each officer for payment to the designated beneficiary of that officer. The Company owns the policy and its entire surrender value.

For each of the named executive officers, the annual lifetime benefits payable upon retirement at normal retirement age are as follows: H. Charles Maddy, III - \$175,000; Robert S. Tissue - \$125,000; Scott C. Jennings - \$125,000; Patrick N. Frye - \$125,000; and Bradford E. Ritchie - \$125,000.

Perquisites

Generally, the Company provides modest perquisites or personal benefits, and only with respect to benefits or services that are designed to assist a named executive officer in being productive and focused on his or her duties, and which management and the Committee believe are reasonable and consistent with the Company's overall compensation program. Management and the Committee periodically review the levels of perquisites or personal benefits provided to named executive officers.

Plans Covering All Employees

Employee Stock Ownership Plan. The Company also maintains an Employee Stock Ownership Plan (ESOP) which covers substantially all employees. Any employee who is at least 21 years of age and is credited with at least 1,000 hours of service during the plan year is eligible to participate. Vesting occurs at the rate of 0% for the first year of credited service and 20% for each year thereafter. Under the provisions of the ESOP, employee participants in the ESOP are not permitted to contribute to the ESOP, rather the cost of the ESOP is borne by the Company through annual contributions in amounts determined by the Company's Board of Directors. Discretionary contributions were made by the Company for 2015 of 5%.

401(k) Profit Sharing Plan. The Company has a defined contribution profit-sharing plan with 401(k) provisions covering substantially all employees. Any employee (other than a leased employee, owner employee, seasonal employee, or other employee who is not a common law employee) who is at least 21 years of age is eligible to participate. If the eligibility requirements are met, an employee may become a participant on the next semi-annual entry date of January 1st or July 1st. The employee is eligible for employer contributions after the employee has at least 12 months of service. Under the provisions of the plan, the Company matches 100% of the participant's salary reduction contributions, up to 4% of such participant's compensation. These matching contributions shall be fully vested at all times. The Company may also make optional contributions at the discretion of the Company's Board of Directors. Vesting of discretionary contributions occurs at the rate of 0% for the first year of credited service, and 20% per year thereafter. No discretionary contributions were made by the Company for 2015.

Potential Payments Upon Termination or Change of Control

The Company has entered into Employment Agreements with the named executive officers in order to ensure continuity of management of the Company and to retain the pool of talent the Company has developed in a competitive marketplace. The Board of Directors determined that such arrangements were appropriate, especially in view of the entry of large regional bank holding companies into West Virginia. The Agreements were not undertaken in the belief that a change of control of the Company was imminent.

Generally, the Company chose particular events for triggering payments based on the standard practice in the industry at the time the particular agreement was negotiated, the overall reasonableness of the expense to the Company associated with a particular triggering event, and whether the specific provision would have a material impact on the marketability of the Company should the Board of Directors believe a sale of the Company were in the best interest of its shareholders. The following summaries set forth potential payments to our named executive officers upon termination of employment or change of control of the Company under their current employment agreements and our other compensation programs.

Employment Agreement - Mr. Maddy

On March 4, 2005, the Company entered into an Employment Agreement (the "Employment Agreement") and a Change in Control Agreement (the "Change in Control Agreement") with H. Charles Maddy, III, Chief Executive Officer of Summit. On December 31, 2008, the Employment Agreement and Change in Control Agreement were amended and restated to comply with Internal Revenue Code Section 409A. Under the terms of the Employment Agreement, Summit will review the Employment Agreement annually and may, with the approval of Mr. Maddy, extend the term of the Employment Agreement annually for additional one year periods (so that the actual term of the Employment Agreement will always be between two and three years). The term of the Employment Agreement extends to March 4, 2018.

The Employment Agreement may be terminated based on one of the following:

- By mutual agreement of the parties
- Upon the death of Mr. Maddy
- Upon the disability of Mr. Maddy
- By Summit, for cause (as defined in the Employment Agreement)
- Upon a Change of Control (as provided in the Change in Control Agreement)
- By Mr. Maddy, upon material breach by Summit

•By Mr. Maddy, based on insolvency not attributable to Mr. Maddy

Under the Employment Agreement, Mr. Maddy is entitled to certain termination payments. If Mr. Maddy is terminated by mutual agreement, then he is entitled to receive a termination payment equal to an amount agreed to by the parties. If Mr. Maddy is terminated for cause based generally on his gross negligence, then Mr. Maddy will not receive a termination payment. In this case, Mr. Maddy is entitled to his Base Salary in effect for the year in which termination occurs, only for such period of his active full-time employment to the date of the termination.

If Mr. Maddy is terminated for cause based on his negligence, malfeasance, or misfeasance, then Mr. Maddy is entitled to receive his Base Salary without offset for compensation already paid prior to the effective date of termination. If Mr. Maddy is terminated for death or disability, Mr. Maddy is entitled to three times his Base Salary. If Mr. Maddy terminates his employment based on a material breach by Summit, then Mr. Maddy is entitled to an amount equal to two times his Base Salary in effect for the year in which termination occurs without offset for compensation already paid prior to the effective date of termination. If Mr. Maddy voluntarily terminates, and there is no material breach by Summit, then Mr. Maddy does not receive a termination payment. In this case, Mr. Maddy is entitled to his Base Salary in effect for the year in which termination occurs, only for such period of his active full-time employment to the date of the termination.

If Mr. Maddy's employment is terminated pursuant to the provisions of the Change in Control Agreement, then Mr. Maddy would be entitled to the compensation set forth in the Change in Control Agreement as described below.

Change In Control Agreement - Mr. Maddy

Under the Change in Control Agreement, after a Change of Control (as defined below), Mr. Maddy is required to work for the acquiring company for a period of one year in order to facilitate management continuity and to promote an orderly transition of ownership (the "Transition Period"). Upon expiration of this Transition Period, Mr. Maddy is entitled to receive a payment equal to three times the greater of (a) his Salary (as defined in the Employment Agreement) in effect immediately prior to the date of consummation of the Change of Control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement. Under the Change in Control Agreement, Mr. Maddy has the option to terminate within six months of a Change of Control. In this case, Mr. Maddy would be entitled to a lump sum payment equal to seventy-five percent (75%) of the greater of (a) his Salary in effect immediately prior to the date of consummation of the Change of Control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement.

If Mr. Maddy terminates his employment after the first six months following the Change of Control, but before completion of the Transition Period (unless such termination is for Good Reason or due to his death or disability), Mr. Maddy is not entitled to a severance payment under the Change in Control Agreement.

If Mr. Maddy terminates for Good Reason (as defined below) or is terminated under circumstances constituting Wrongful Termination (as defined in the Change in Control Agreement) during the Transition Period, then Mr. Maddy would be entitled to a payment equal to three times the greater of (a) his Salary in effect immediately prior to the date of consummation of a Change of Control or (b) his Salary in effect on the date of termination of his Employment Agreement under the Change in Control Agreement. Mr. Maddy is also entitled to receive payment of cash incentive award, if any, under the Company's Annual Incentive Plan and continuing participation in employee benefit plans and programs such as retirement, disability and medical insurance for the number of months between the date of his termination and the date that is thirty-six (36) months after the date of consummation of the Change of Control. If Mr. Maddy is terminated as a result of disability or death during the Transition Period, Mr. Maddy would receive a payment equal to three times the greater of (a) his Salary (as defined in the Agreement) in effect immediately prior to the date of consummation of the Change of Control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement.

Under the Change in Control Agreement, Mr. Maddy agrees not to engage, directly or indirectly, in the business of banking in the Restricted Area (as defined in the Change in Control Agreement) for a period of three years after expiration of the Transition Period. If Mr. Maddy's employment with Summit is terminated for any reason other than Mr. Maddy's disability, retirement, Good Reason, or termination at Mr. Maddy's option, Mr. Maddy agrees that for a period of one year, he will not, directly or indirectly, engage in the business of banking in the Restricted Area. Under the Change in Control Agreement, a "Change of Control" is defined in Internal Revenue Code Section 409A and the regulations issued thereunder and includes:

- a change in the ownership of Summit which is defined to occur on the date that any one person, or more than one person acting as a group, acquires ownership of stock of Summit that, together with stock held by such person or group, constitutes more than 50% of the total fair market value or total voting power of the stock of Summit,
- a change in the effective control of Summit, which is defined to occur on (1) the date any one person, or more than one person acting as a group, acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) ownership of stock of Summit possessing 30% or more of the total voting power of Summit, and also to occur on (2) the date a majority of members of Summit's Board of Directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of Summit's Board of Directors before the date of the appointment or election, and
- a change in the ownership of a substantial portion of Summit's assets which is defined to occur on the date that any one person, or more than one person acting as a group acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) assets from Summit that have a total gross fair market value equal to or more than 40% of the total gross fair market value of all of the assets of Summit immediately before such acquisition or acquisitions. For this purpose, gross fair market value means the value of the assets of Summit, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

Under the Change in Control Agreement, Mr. Maddy may voluntarily terminate his employment for Good Reason which arises if one of the following occurs in combination with a Change of Control:

- a decrease in the executive's overall compensation below the level in effect immediately prior to on the date of consummation of the change of control, without the executive's consent;
- a material reduction in the importance of the executive's job responsibilities without his consent;
- geographical relocation of the executive without his consent, which is deemed to mean relocation to an office more than twenty (20) miles from his location at the time of a change of control;
- failure by the Company to obtain assumption of the Change in Control Agreement by its successor; or
- any removal of the executive from, or failure to reelect the executive to, any position with the Company or Bank that he held immediately prior to the change of control without his prior written consent (except for good cause, death, disability or retirement).

The Employment Agreement and the Change in Control Agreement provide for an additional gross-up payment by Summit to Mr. Maddy in the event that a payment or distribution pursuant to the Employment Agreement or the Change in Control Agreement would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code. Any calculated gross-up payment amount is equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount.

Employment Agreements - Messrs. Tissue, Frye, and Jennings

On December 20, 2008, the Company entered into an Amended and Restated Employment Agreement with Scott C. Jennings, on December 24, 2008, the Company entered into an Amended and Restated Employment Agreement with Robert S. Tissue and on December 31, 2008 the Company entered into an Amended and Restated Employment Agreement with Patrick N. Frye in order to set forth the terms and conditions of their employment in a manner compliant with Internal Revenue Code Section 409A. The Amended and Restated Employment Agreements with Mr. Jennings, Mr. Frye and Mr. Tissue are substantially identical in all material respects and each is referred to as the "Employment Agreement."

The Employment Agreements may be terminated based on one of the following:

- Termination for Good Cause (as defined by the Employment Agreement)
- Termination Not for Good Cause (as defined by the Employment Agreement)
- Termination for Good Reason, Wrongful Termination, or at Employee's Option, upon a Change of Control (as defined by the Employment Agreement).

Messrs. Tissue, Frye, and Jennings are entitled to certain termination payments under the Employment Agreements. If either Mr. Tissue, Mr. Frye or Mr. Jennings is terminated Not for Good Cause (as defined by the Employment Agreement), then he is entitled to a payment from the Company equal to the base salary compensation set forth in the Employment Agreement for the remaining term of the Employment Agreement or severance pay equal to 100% of his then current annual base salary, whichever is greater. The termination payment is paid in a lump sum on the date of termination, subject to a six month delay if required under Internal Revenue Code Section 409A.

Messrs. Tissue, Frye and Jennings have change of control provisions included in their Employment Agreements. Generally, the Employment Agreements provide severance compensation to Messrs. Tissue, Frye and Jennings if such executive's employment should end under certain specified conditions after a change of control. Compensation is paid upon an involuntary termination within 24 months following a change of control unless Messrs. Tissue, Frye or Jennings is terminated for Good Cause. In addition, compensation will be paid after a change of control if Messrs. Tissue, Frye or Jennings voluntarily terminates employment within 24 months of a change of control because of:

- a material decrease in the total amount of the executive's base salary below the level in effect on the date of consummation of the change of control, without his consent;
- a material reduction in the executive's job duties and responsibilities without the executive's prior consent;
- a material geographical relocation of the executive without his prior consent, which is deemed to mean relocation to an office more than twenty (20) miles from his location at the time of a change of control;
- failure by the Company to obtain assumption of the Change in Control Agreement by its successor; or
- any purported termination of the executive's employment which is not effected pursuant to a notice of termination as required in the executive's Employment Agreement.

Under the Employment Agreement, a "Change of Control" is defined in Internal Revenue Code Section 409A and the regulations issued thereunder. This definition is set forth above under the description of Mr. Maddy's Change in Control Agreement.

Messrs. Tissue's, Frye's and Jennings' severance benefits include:

- a lump sum cash payment equal to the executive's monthly salary (calculated based on the average annual base salary and bonuses for the two full year periods immediately preceding the consummation of the Change in Control) multiplied by the number of months between the date of the executive's termination and the date that is twenty-four (24) months after the date of consummation of the Change of Control; provided that the executive's lump sum cash payment not be less than 100% of his salary; and
- payment of cash incentive award, if any, under the Company's Incentive Plans for the year in which the executive terminates for Good Reason or is involuntarily terminated without Good Cause after a Change in Control; and continuing participation, or if continuing participation is barred, in substantially similar programs, in employee benefit plans and programs such as retirement, disability and medical insurance for the number of months between the date of his termination and the date that is twenty-four (24) months after the date of consummation of the Change of Control, or, if earlier, to the date on which the executive receives comparable benefits from any other source.

Messrs. Tissue, Frye and Jennings also each have the right to terminate employment without reason at his option within six (6) months after a Change of Control, by giving written notice of termination, and severance compensation is then equal to seventy five percent of salary, to be paid in a lump sum on the date of Separation from Service, subject to a six month delay if required under Internal Revenue Code Section 409A. Benefit continuation in the event of termination of employment without reason at the executive's option within six (6) months after a Change of Control is limited to six months (or, if earlier, to the date on which the executive receives comparable benefits from any other source.)

The change of control provisions in Messrs. Tissue's, Frye's and Jennings' Employment Agreements provide for an additional gross-up payment by the Company to the executive in the event that a distribution pursuant to the change of control provisions in the Employment Agreements would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code. Any calculated gross-up payment amount is equal to one hundred percent (100%) of the excise tax plus one hundred percent (100%) of any federal, state and local income taxes plus the additional excise tax on the gross-up amount.

The change of control provisions of the Employment Agreements do not affect the right of the Company to terminate Messrs. Tissue, Frye or Jennings or change their salary or benefits with or without good cause, prior to any change of control. However, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a wrongful termination and will entitle the executives to the benefits under the Employment Agreements, absent clear and convincing evidence to the contrary.

Employment Agreement - Mr. Ritchie

On December 26, 2008, the Company entered into an Amended and Restated Employment Agreement referred to as the "Employment Agreement," with Bradford E. Ritchie, in order to set forth the terms and conditions of his employment in a manner compliant with Internal Revenue Code Section 409A.

The Employment Agreement may be terminated based on one of the following:

- Termination for Other than Good Cause (as defined by the Employment Agreement)
- Termination for Good Cause (as defined by the Employment Agreement)
- Termination for Good Reason or Wrongful Termination (as defined by the Employment Agreement).

Mr. Ritchie is entitled to certain termination payments under the Employment Agreement. If Mr. Ritchie is terminated for Other than Good Cause (as defined by the Employment Agreement), then he is entitled to a severance payment in cash from the Company equal to one (1) year of Mr. Ritchie's Salary payable in a lump sum on the date of termination, subject to a six month delay if required under Internal Revenue Code Section 409A.

Mr. Ritchie has change of control provisions included in his Employment Agreement. Generally, the Employment Agreement provides that if Mr. Ritchie's employment should end under certain specified conditions prior to a Change of Control, but after discussions have commenced that result in a change of control, such termination shall be presumed to be a Wrongful Termination (as defined by the Employment Agreement). In addition, compensation will be paid upon a change of control if Mr. Ritchie voluntarily terminates employment (for Good Reason) within 24 months of a change of control because of:

- a material decrease in the total amount of Mr. Ritchie's base salary below the level in effect on the date of consummation of the change of control, without his consent;
- a material reduction in Mr. Ritchie's job duties and responsibilities without Mr. Ritchie's prior consent;
- a material geographical relocation of Mr. Ritchie without his prior consent, which is deemed to mean relocation to an office more than twenty (20) miles from his location at the time of a change of control;
- failure by the Company to obtain assumption of the Employment Agreement by its successor; or

- any purported termination of Mr. Ritchie’s employment which is not effected pursuant to a notice of termination as required in Mr. Ritchie’s Employment Agreement.

Under the Employment Agreement, a “Change of Control” is defined in Internal Revenue Code Section 409A and the regulations issued thereunder. This definition is set forth above under the description of Mr. Maddy’s Change in Control Agreement.

Upon a Wrongful Termination or termination for Good Reason, the Company will pay Mr. Ritchie:

- a lump sum cash payment equal to his monthly salary (calculated based on the average annual base salary for the two full year periods immediately preceding the consummation of the Change in Control) multiplied by the number of months between the date of his termination and the date that is twenty-four (24) months after the earlier of the date of Separation of Service and the date of consummation of the Change of Control; provided that his lump sum cash payment not be less than 100% of his salary; and
- payment of cash incentive awards, if any, under the Company’s Incentive Plans earned by Employee as of the last day of his employment; and
- continuing participation, or if continuing participation is barred, in substantially similar programs, in employee benefit plans and programs such as retirement, disability and medical insurance for the number of months between the date of his termination and the date that is the shorter of twenty-four (24) months after the date of consummation of the Change of Control, or the period of time, if any, during which Mr. Ritchie would be entitled to continuation coverage under a group health plan.

The change of control provisions of Mr. Ritchie’s the Employment Agreement do not affect the right of the Company to terminate Mr. Ritchie or change his salary or benefits with or without good cause, prior to any change of control. However, any termination or change which takes place after discussions have commenced which result in a change of control will be presumed to be a wrongful termination and will entitle Mr. Ritchie to the benefits under the Employment Agreements absent clear and convincing evidence to the contrary.

(2) The amounts in this column relate to discretionary bonuses awarded in 2015 for 2014 performance. The bonuses are discussed in the Compensation Discussion and Analysis on page 24.

(3) The amounts in this column represent awards of stock-settled stock appreciation rights in accordance with the terms of the 2014 LTI Plan. The stock-settled stock appreciation rights have a base price equal to \$12.01, the fair market value of the Company's common stock on the date of grant (April 23, 2015), and expire ten years from the date of grant. The stock-settled stock appreciation rights granted are time-based, with 20% vesting on each of the first five anniversaries of the grant date, and the rights will be settled in shares of the Company's common stock. settled stock appreciation rights are currently out of the money as the strike price is more than the current market price of the Company's common stock.

The amounts in this column relate to bonuses awarded under the Company's Executive Officer Management (4) Incentive Plan in 2016 for performance in 2015. The bonuses are discussed in the Compensation Discussion and Analysis on pages 23-24.

The amounts in this column represent the increase in the actuarial net present value of all future retirement benefits under the Executive Salary Continuation Agreements. The net present value of the retirement benefits used to (5) calculate the net change in benefits were determined using the same assumptions used to determine our retirement obligations and expense for financial statement purposes. Additional information about our Executive Salary Continuation Agreements is included on pages 28-29. We have not provided above-market or preferential earnings on any nonqualified deferred compensation and, accordingly, no such amounts are reflected above.

This amount includes the Company's matching contributions under the Company's 401(k) Profit Sharing Plan on behalf of Mr. Maddy (\$10,600), Mr. Tissue (\$8,500), Mr. Frye (\$8,340), Mr. Jennings (\$8,500) and Mr. Ritchie (\$7,417). No discretionary contributions were made by the Company in 2015. The amount also includes fees paid to Mr. Maddy (\$10,000) as a member of the Company's and its subsidiary bank's Boards of Directors. This amount (6) includes discretionary contributions to the Company's ESOP as follows: Mr. Maddy (\$13,250), Mr. Tissue (\$10,625), Mr. Frye (\$10,425), Mr. Jennings (\$10,625), and Mr. Ritchie (\$10,125). Total cash compensation, as measured by salary and non-equity incentive plan compensation, is based on the Company's performance as well as employee performance and certain other factors as described in the section entitled "Executive Compensation." For the named executive officers, total cash compensation as a percentage of total compensation is as follows: Mr. Maddy - 67%; Mr. Tissue - 66%, Mr. Frye - 65%, Mr. Jennings - 64%, and Mr. Ritchie - 67%. Pension Benefits

The following table discloses the years of credited service of, present single-sum value of the accrued benefits for, and payments during the last fiscal year to the named executive officers under the Executive Salary Continuation Agreements with the Company's named executive officers (the "Continuation Agreements").

Name	Plan Name	Number of Years Credited Service (#) ⁽¹⁾	Present Value of Accumulated Benefit (\$) ⁽²⁾	Payments During Last Fiscal Year (\$)
H. Charles Maddy, III	Executive Salary Continuation Agreement	16	\$720,000	-
Robert S. Tissue	Executive Salary Continuation Agreement	13	\$325,000	-
Patrick N. Frye	Executive Salary Continuation Agreement	13	\$465,000	-
Scott C. Jennings	Executive Salary Continuation Agreement	16	\$535,000	-
Bradford E. Ritchie	Executive Salary Continuation Agreement	7	\$ 67,000	-

(1) The years of credited service under the Continuation Agreements begin on the effective date of the individual agreement with each named executive officer. Each individual agreement was executed after the date of each named executive officer's initial employment.

(2) The material assumptions applied in quantifying the present value of the current accrued benefits include the use of a 7% discount rate and an age of death using the 2000 U.S. Life Mortality Table.

The Company and its affiliates have entered into Executive Salary Continuation Agreements (Continuation Agreements) with certain executives of the Company and its affiliates with an endorsement split dollar life insurance plan for. The Continuation Agreements are designed to provide an annual defined retirement benefit payable for the life of the executive. These benefits, when added to the retirement benefits that will be provided by the Company's 401(k) Profit Sharing Plan, Employee Stock Ownership Plan, and social security, will provide each executive with benefit levels comparable to other Company employees when measured as a percentage of salary at the time of retirement.

The Company's obligations under the retirement benefit portion of these agreements are unfunded; however, the Company has purchased life insurance policies on each insurable executive that are actuarially designed to offset the annual expenses associated with the agreements and will, given reasonable actuarial assumptions, offset all of the costs of the Continuation Agreements during the life of the executive and provide a complete recovery of all costs at the executive's death. The Company is the sole owner of all policies.

The life insurance benefit for each insurable officer is being provided by an Endorsement Split Dollar Plan whereby the Company endorses a specified percentage of the net-at-risk life insurance portion of a policy (total death benefit less cash value of policy) on the life of each officer for payment to the designated beneficiary of that officer. The Company owns the policy and its entire surrender value.

For each of the named executive officers, the annual lifetime benefits payable upon retirement at normal retirement age are as follows: H. Charles Maddy, III - \$175,000; Robert S. Tissue - \$125,000; Patrick N. Frye - \$125,000; Scott C. Jennings - \$125,000; and Bradford E. Ritchie - \$125,000.

Estimated Payments Upon Termination

The following tables summarize potential estimated payments to our Named Executive Officers under existing Summit contracts, agreements, plans or arrangements for various scenarios involving termination of employment due to: voluntary resignation, termination for good cause, termination without good cause, death, disability, or change of control of the Company. The below information is as of December 31, 2015, and does not include benefits other Company employees would typically receive in the event of similar circumstances.

Name	Estimated Payments upon Termination Due to:					
	Voluntary Resignation (b)	Termination for Good Cause (c)	Termination Not For Good Cause (d)	Death (e)	Disability (f)	Change in Company Control (g)
H. Charles Maddy, III	\$ 468,000	-	\$1,303,000	\$2,879,000	\$1,721,000	\$2,739,000
Robert S. Tissue	\$ 281,000	-	\$ 524,000	\$1,249,000	\$ 281,000	\$1,329,000
Patrick N. Frye	\$ 368,000	-	\$ 608,000	\$1,429,000	\$ 368,000	\$1,528,000
Scott C. Jennings	\$ 383,000	-	\$ 621,000	\$ 969,000	\$ 383,000	\$1,569,000
Bradford E. Ritchie (a)	\$ 120,000	-	\$ 316,000	\$1,238,000	\$ 120,000	\$1,092,000

(a) Amounts payable to Mr. Ritchie include an increase in the total annual SERP benefits payment to Mr. Ritchie from \$75,000 to \$125,000 that the Company agreed to on February 11, 2016.

(b) Amounts payable under salary continuation agreements upon voluntary resignation consist of installment payments commencing at normal retirement age.

With respect to Mr. Maddy, above illustration of termination for good cause assumes an act of “gross negligence”. In the event of an act of “simple negligence”, Mr. Maddy would receive 1 times his current annual base salary (\$417,500).

In the event of termination not for good cause, each NEO receives a lump sum payment equal to the current present value of their respective vested benefit under the executive salary continuation agreements. In addition, Mr. Maddy would receive a payment equal to 2 times his current base salary. Mr. Tissue, Mr. Frye and Mr. Jennings would receive a payment equal to the greater of one year’s base salary or the total base salary for the remainder of their respective employment agreements. Mr. Ritchie would receive a payment equal to one year’s base salary. Mr. Tissue, Mr. Frye and Mr. Jennings also receive their Company automobile. Conditions and obligations to the receipt of payments not for good cause are described in the Compensation Discussion and Analysis, which begins on page 21.

Upon death, each NEO’s designated beneficiary would receive the NEO’s respective split dollar life insurance death benefit and a lump sum payment equal to the current present value of their vested benefit under the executive salary continuation agreements. In addition, Mr. Maddy’s designated beneficiary would receive 3 times his current annual base salary and his family would receive continuation of their health insurance coverage benefits on the same terms as they previously received for 1 year.

With respect to termination payments made in the event of disability, Mr. Maddy would receive 3 times his current annual base salary plus a lump sum payment equal to the current present value of his vested benefit under his executive salary continuation agreement. Conditions and obligations to the receipt of this payment are described in the Compensation Discussion and Analysis, Employment Agreement - Mr. Maddy on page 30. The other NEO’s would receive a lump sum payment equal

to the current present value of their respective vested benefit under their executive salary continuation agreements.

Illustration of payments in the event of termination due to a change in Company control assumes a scenario (g) whereby the maximum estimated potential payments with respect to each NEO are payable. Such payments would consist of:

Name	Severance	Estimated Payments upon Termination in Event of a Change in Company Control					Total
		Value of Accelerated Vesting of Stock Options	Value of Accelerated Benefits under Salary Continuation Agreements	Continuation of Health Insurance Benefits (1)	Value of Company Automobile	Estimated Tax Gross Up (2)	
H. Charles Maddy, III ⁽³⁾	\$1,253,000 -		\$937,000	\$41,000	-	\$508,000	\$2,739,000
Robert S. Tissue ⁽⁴⁾	\$ 523,000 -		\$562,000	\$21,000	\$30,000	\$193,000	\$1,329,000
Patrick N. Frye ⁽⁴⁾	\$ 513,000 -		\$737,000	\$19,000	\$31,000	\$228,000	\$1,528,000
Scott C. Jennings ⁽⁴⁾	\$ 523,000 -		\$766,000	\$21,000	\$25,000	\$234,000	\$1,569,000
Bradford E. Ritchie ⁽⁵⁾	\$ 500,000 -		\$401,000	\$28,000	-	\$163,000	\$1,092,000

In the event of termination in the event of a change in Company control, each NEO would receive continuation of (1) their health insurance coverage benefits on the same terms as they previously received for the following terms: Mr. Maddy - 3 years; Mr. Tissue - 2 years, Mr. Frye - 2 years; Mr. Jennings - 2 years; and Mr. Ritchie - 2 years.

(2) The estimated tax gross up is based on the 20% excise tax, grossed up for taxes, on the amount of severance and other benefits above each NEO's average five-year W-2 earnings multiplied by 2.99.

There are five (5) scenarios under which Mr. Maddy may be terminated and paid severance under his Change in (3) Control Agreement. The amount disclosed in the severance column in the above table represents the amount of severance under scenarios one, four and five described below. The five scenarios are as follows:

- Under the first scenario, if Mr. Maddy works for the acquiring company for a period of one year (the "Transition Period"), then upon expiration of the Transition Period, he is entitled to receive a payment equal to three times the greater of (a) his Salary (as defined in the Agreement) in effect immediately prior to the date of consummation of the change of control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement.
- Under the second scenario, if Mr. Maddy terminates his employment within six months of a change of control, then he is entitled to a lump sum payment equal to seventy-five percent (75%) of the greater of (a) his Salary in effect immediately prior to the date of consummation of the change of control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement. The amount of severance under this scenario is \$313,125.
- Under the third scenario, if Mr. Maddy terminates his employment after the first six months following the change of control, but before completion of the Transition Period, then he is not entitled to a severance payment under the Change in Control Agreement.
- Under the fourth scenario, if Mr. Maddy terminates for Good Reason (as defined in the Compensation Discussion and Analysis, which begins on page 21) or is terminated under circumstances constituting wrongful termination, then he is entitled to a payment equal to three times the greater of (a) his Salary in effect immediately prior to the date of consummation of a change of control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement.

•Under the fifth scenario, if Mr. Maddy is terminated as a result of disability or death, Mr. Maddy is entitled to a payment equal to three times the greater of (a) his Salary in effect immediately prior to the date of consummation of a change of control or (b) his Salary in effect on the date of termination of his employment under the Change in Control Agreement.

(4) There are two (2) scenarios under which Messrs. Tissue, Frye and Jennings may be terminated and paid severance under the change of control provisions in each of their Employment Agreements. The two scenarios are as follows:

•If Messrs. Tissue, Frye or Jennings are terminated for Good Reason (as defined in the Employment Agreement) or are terminated under circumstances constituting Wrongful Termination (as defined in the Employment Agreement), then the terminated executive officer is entitled to a payment equal to his Salary (as defined in the Employment Agreement) multiplied by the number of months between the effective date of termination and the date that is twenty four (24) months after the date of consummation of change of control, provided in no event shall the executive officer receive a lump sum payment that is less than 100% of his Salary. The amount in the severance column in the above table represents the severance amount under this scenario.

•If Messrs. Tissue, Frye or Jennings terminate within six months of a change of control, the terminated executive officer is entitled to a lump sum payment equal to seventy-five percent (75%) of his Salary in effect immediately prior to the date of consummation of the Change of Control (as defined in the Employment Agreement). The amount of severance under this scenario is \$196,125 for Messrs. Tissue and Jennings and \$192,375 for Mr. Frye.

Upon a change of control, under Mr. Ritchie's Employment Agreement, if Mr. Ritchie is terminated for Good Reason (as defined in the Employment Agreement) or is terminated under circumstances constituting Wrongful Termination (as defined in the Employment Agreement), then Mr. Ritchie is entitled to a payment equal to his Salary (as defined in the Employment Agreement) multiplied by the number of months between the effective date of termination and the date that is twenty four (24) months after the earlier of the date of termination and the date of consummation of change of control, provided in no event shall Mr. Ritchie receive a lump sum payment that is less than 100% of his Salary. The amount in the severance column in the above table represents the severance amount under this scenario.

Directors of the Company received \$500 per board meeting attended. Non-employee Directors of the Company who serve on the Company's Audit and Compliance Committee and Compensation and Nominating Committee received \$750 for each meeting attended. Non-employee Directors serving on other Company Committees received \$150 per committee meeting attended.

Members of the Board of Directors of the subsidiary of the Company are paid an annual retainer fee based on the asset size of the subsidiary bank as of December 31st of the prior year and receive \$500 for each meeting attended and \$150 for each committee meeting attended. All of the members of the Board of Directors of the Company are also members of the Board of Directors of the bank subsidiary of the Company, and accordingly, receive fees from the bank subsidiary of the Company. In addition, Mr. Maddy is a member of the Board of Directors of the subsidiary bank of the Company and as such receives fees from the bank subsidiary. The fees received by Mr. Maddy are included in the Summary Compensation Table under "All Other Compensation."

If an individual is a member of the Board of Directors of the Company or its subsidiary bank and is also an employee of the Company or any of its subsidiaries, then such director will be paid the retainer fees and the fees for each board meeting attended as set forth above; however, such director will not be paid the fees for each committee meeting attended.

Pursuant to the Summit Directors' Deferral Plan, the Company's Directors may elect to defer their retainer, meeting and committee fees earned. The Company invests amounts equating to the deferrals of each participating director (2) in phantom investments in various mutual funds. Benefits payable to participant directors at retirement under the Plan will equate to the then current value of the individual investments. The Company's subsidiary has a similar deferral plan for its directors.

On December 30, 2005, the Company and its subsidiaries amended the Directors' Deferral Plans (the "Plans") to conform the Plans to administrative guidance and the regulations issued by the Internal Revenue Service under Section 409A of the Internal Revenue Code. The Company has not provided above-market or preferential earnings on any non-qualified deferred compensation and, accordingly, no such amounts are reflected in the above table.

(3) Certain members of the Company's Board of Directors receive health insurance coverage under the Company's health insurance plan. This benefit is only available for directors originally elected to the Board prior to 1994. For those still receiving health insurance coverage, payment by the Company for such coverage will be discontinued upon their retirement. The amount of the coverage provided exceeded \$10,000 for the four (4) directors included in the above table for whom an amount is reflected in "All Other Compensation."
