## Section 2 - Financial Information

### Item 2.02. Results of Operations and Financial Condition

On January 26, 2018, Summit Financial Group, Inc. (“Summit”) issued a News Release announcing its earnings for the three months and year ended December 31, 2017. This News Release is furnished as Exhibit 99 and is incorporated herein by reference.

## Section 5 - Corporate Governance and Management

### Item 5.02 Departure of Directors or Certain Officers, Election of Directors; Appointment of Certain Officers, Compensatory Arrangements of Certain Officers

On January 25, 2018, the Compensation and Nominating Committee of the Board of Directors of Summit Financial Group, Inc. (the “Company”) (the “Committee”) amended the terms of the Company’s Executive Officer Management Incentive Plan for 2017 to eliminate the impact of the Tax Cuts and Jobs Act (“TCJA”) from the computation of the Company’s annual return on average tangible equity (“ROATE”), the metric used to calculate bonuses under the Executive Officer Management Incentive Plan for 2017.

The Committee amended the Company’s Executive Officer Management Incentive Plan for 2017 to add to net income the tax expense that the Company recognized due to the re-measurement of net deferred tax assets resulting from enactment of the TCJA for purposes of calculating the ROATE. The Committee believes that the impact of the accounting adjustments required by TCJA should not adversely affect the ability of the participants in the Executive Officer Management Incentive Plan for 2017 to earn a bonus, since this expense was entirely outside the participant’s control and could not have been reasonably anticipated when the Committee adopted the ROATE metric.

As previously disclosed, the Executive Officer Management Incentive Plan for 2017 provides eligible participants, including executive officers of the Company, with the opportunity to earn a bonus equal to 25% of the executive officer’s base salary as of January 1, 2017 multiplied by a multiplier based on the Company’s ROATE for 2017. The targeted range for the Company’s ROATE for 2017 is 10.00 to 10.99 percent. If the Company’s actual ROATE for 2017 is within this targeted range, each executive officer will receive an incentive payment equal to 25% of their respective annual base salary as of January 1, 2017 (the “Targeted Incentive”).

If the Company’s actual ROATE for 2017 is greater than the targeted range, executive officers will be eligible to receive an incentive that is greater than the Targeted Incentive; conversely, if the Company’s actual ROATE for 2017 is less than the targeted range, executive officers will be eligible to receive an incentive that is less than the Targeted Incentive.

A copy of the amended Executive Officer Management Incentive Plan for 2017 is included as Exhibit 10.1 and is incorporated herein by reference. The above summary is qualified in its entirety by reference to the amended Executive Officer Management Incentive Plan for 2017 attached as Exhibit 10.1.
