Item 1.01. Entry into a Material Definitive Agreement.

Edgar Filing: BNP RESIDENTIAL PROPERTIES INC - Form 8-K/A

As previously reported on a current report on Form 8-K dated August 1, 2005, the Company agreed to employment agreement terms with each of Philip Payne, chairman of the board, Scott Wilkerson, president and chief executive officer, Pam Bruno, vice president, treasurer and chief financial officer, and Eric Rohm, vice president and general counsel.

On November 11, 2005, definitive employment agreements were executed to document the terms of the employment agreements and related restricted stock grants. In addition to the other compensation previously described in the original current report on Form 8-K, upon termination of an executive's employment by the Company without cause or by the executive for good reason (as those terms are defined in the respective employment agreements):

- o any unvested Company stock options and unvested shares of restricted stock (including those granted in connection with the executive's employment agreement) that would have vested during the remainder of the executive's employment term (generally, 3 years for Messrs. Payne and Wilkerson and 1 year for Ms. Bruno and Mr. Rohm) will vest; and
- o the executive will receive cash payments during the applicable employment term equal to any dividend declared during that period on any shares of restricted stock that the executive forfeited as a result of his or her termination.

In addition to other compensation previously described, upon a change in control or termination of an executive's employment without cause in contemplation of a change in control, the executive is entitled to a lump sum cash payment equal to the sum of each Special Dividend Amount (as defined below) with respect to any Special Dividend (as defined below) paid while the executive is employed under the agreement and before a change in control.

A Special Dividend shall mean a dividend that (i) exceeds previous customary amounts, (ii) exceeds cash flow from operations for the period and (iii) follows a significant asset disposition or refinancing. The Special Dividend Amount shall be the product of (x) the per share amount of a Special Dividend designated as being in excess of an ordinary dividend and as being related to proceeds from a significant asset disposition or refinancing and (y) the number of shares of restricted stock held by the executive. The designation referred to in the preceding sentence shall be made at the time of a Special Dividend declaration and shall be made by the non-management members of the Board of Directors of the Company. Such designation shall be in the sole discretion of the non-management members of the Board of Directors of the Company so long as they determine the amount in good faith.
