PROXY STATEMENT

FOR

ANNUAL MEETING OF STOCKHOLDERS

To be held May 19, 2006

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

WHY DID YOU SEND ME THIS PROXY STATEMENT?

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Arrhythmia Research Technology, Inc., a Delaware corporation (**ART** or the **Company**), for use at the Annual Meeting of ART stockholders to be held at the Four Points Sheraton, 99 Erdman Way, Leominster, Massachusetts, on Friday, May 19, 2006 at 10:00 a.m., local time, and at any adjournments or postponements of the Annual Meeting. This proxy statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card using the envelope provided.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. The election of the nominees for Class II director identified below to serve for three years;
2. The ratification of the appointment of Carlin, Charron & Rosen LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006; and
3. Transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

Our Board of Directors has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote in favor of each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

We will send this proxy statement, the attached Notice of Annual Meeting and the enclosed proxy card on or about April 21, 2006 to all stockholders of the Company. Stockholders who owned shares of ART voting stock at the close of business on April 10, 2006 (the **Record Date**) are entitled to vote at the Annual Meeting in all matters properly brought before the Annual Meeting.

On the Record Date, the Company had 2,666,194 shares of issued and outstanding common stock, par value \$0.01 per share (**Common Stock**).

WHO MAY VOTE ON THESE PROPOSALS?

HOW MANY VOTES DO I HAVE?

Each share of Common Stock is entitled to one vote on each matter presented at the Annual Meeting.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present on May 19, 2006. The presence in person or by proxy of a majority of the voting power of outstanding shares of capital stock of the Company as of the Record Date will constitute a quorum and is required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained.

For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Whether you plan to attend the Annual Meeting or not, we urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person.

If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

1. **FOR** the nominees for Class II director identified below; and
2. **FOR** the ratification of the appointment of Carlin, Charron & Rosen LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006.

If any other matters are presented, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement went to press, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

HOW DO I VOTE IN PERSON?

If you plan to attend the Annual Meeting and vote in person on May 19, 2006, or at a later date if the meeting is adjourned or postponed to a later date, we will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

1. You may send in another proxy with a later date.
2. You may notify ART in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting, that you are revoking your proxy.
3. You may vote in person at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors.

A plurality of the eligible votes cast is required to elect the director nominees. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat.

Proposal 2: Ratification of independent registered public accounting firm.

The approval of Proposal 2, the ratification of the appointment of our independent registered public accounting firm, requires the affirmative vote of a majority of all of the votes cast at the Annual Meeting, in person or by proxy.

ARE THERE ANY DISSENTERS RIGHTS OF APPRAISAL?

The Board of Directors is not proposing any action for which the laws of the State of Delaware, the Certificate of Incorporation or the By-Laws of ART provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

ART will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution.

WHERE ARE ART'S PRINCIPAL EXECUTIVE OFFICES?

The principal executive offices of ART are located at 25 Sawyer Passway, Fitchburg, Massachusetts and our telephone number is (978) 345-5000.

HOW CAN I OBTAIN ADDITIONAL INFORMATION ABOUT ART?

Copies of the Company's 2005 Annual Report on Form 10-KSB are being sent to all stockholders along with this proxy statement. Additional copies will be furnished without charge to stockholders upon written request. Exhibits to the Form 10-KSB will be provided upon written request and payment of an appropriate fee. Based solely upon a review of Forms 3 and Forms 4 furnished to ART during the most recent fiscal year, and Forms 5 with respect to its most recent fiscal year, we believe that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act were timely filed, as necessary, by the officers, directors, and security holders required to file the same during the fiscal year ended December 31, 2005, except that the Chambers Medical Foundation filed its initial Form 3 late upon becoming a 10% or greater stockholder.

our Board and Board committees on which they served. Directors are strongly encouraged to attend the Annual Meeting, and all of the Company's directors in office at that time attended the 2005 Annual Meeting. Independent directors meet on a regular basis as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management.

Committees of the Board of Directors

The Board of Directors has established the following standing committees, namely, an Audit Committee, a Compensation Committee, an Executive Committee, a Nominating and Corporate Governance Committee, and a Succession Committee.

Audit Committee. The Audit Committee assists the Board of Directors in the oversight of the audit of the Company's financial statements and the quality and integrity of its accounting, auditing and financial reporting processes. The Audit Committee also has the responsibility of reviewing the qualifications, independence and performance of the Company's independent registered public accounting firm and is responsible for the appointment, retention, oversight and, where appropriate, termination of the independent registered public accounting firm. During the fiscal year 2005, the Audit Committee held nine meetings. Its current members are E.P. Marinos (Chairman), Dr. Julius Tabin, and Dr. Paul Walter. The Board of Directors has determined that each of the members of the Audit Committee meets the criteria for independence under the applicable listing standards of the American Stock Exchange, and that Mr. Marinos also qualifies as an audit committee financial expert, as defined by the rules adopted by the SEC. The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed annually by the Audit Committee. The current Audit Committee Charter was included as Appendix I to the proxy statement mailed to stockholders in 2005.

Compensation Committee. The principal functions of the Compensation Committee are to evaluate the performance of the Company's senior executives, to consider the design and competitiveness of the Company's compensation plans, to review and approve senior executive compensation and to administer the Company's employee benefit plans, including the Stock Option Plan and Stock Award Plan. Its current members are Dr. Paul Walter, Mr. E.P. Marinos and Dr. Julius Tabin. During the fiscal year 2005, the Compensation Committee held two formal meetings.

Executive Committee. The Executive Committee is composed of three members: Mr. E. P. Marinos, Mr. James E. Rouse and Dr. Julius Tabin. The principal functions of the Executive Committee are reviewing and evaluating significant business and policy decisions and making recommendations to the full Board of Directors. The Executive Committee met five times in the fiscal year 2005.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is presently composed of two members of the board: Mr. E.P. Marinos and Dr. Julius Tabin, each of whom is an independent director as independence is defined by the rules and regulations of the American Stock Exchange. The Nominating and Corporate Governance Committee assists the Board in identifying individuals qualified to be directors, oversees the composition, structure and evaluation of the Board and its committees, and develops and maintains a set of corporate governance guidelines. The Nominating and Corporate Governance Committee reviews these guidelines regularly and recommends changes as necessary or appropriate. During the fiscal year 2005, the Committee held two meetings. A copy of the Nominating and Corporate Governance Committee Charter is available on the Company's website: <http://www.arthrt.com/corporategovernance>

Succession Committee. The Succession Committee is composed of four members: Mr. E. P. Marinos, Mr. James E. Rouse, Dr. Julius Tabin and Dr. Paul Walter. The Succession Committee assists the Board in monitoring the preparation and adequacy of succession plans for executive officer positions. During the fiscal year 2005, the Committee did not hold any formal meetings.

Code of Conduct and Ethics

The Company has adopted a Code of Conduct and Ethics that applies to all its employees as well as its principal executive, financial and accounting officers. A copy of the Code can be found on the Company's website at <http://www.arthrt.com/codeofethics.html>. The Company intends to satisfy the disclosure requirements regarding any amendments to or waivers from a provision of the Code that applies to its principal executive, financial and accounting officers by posting such information on its website at the address set forth above.

Report of the Audit Committee

*The information contained in this Proxy Statement with respect to the Audit Committee Report and charter and the independence of the members of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended (the **Securities Act**), or the Exchange Act,*

except to the extent that the Company specifically incorporates it by reference in such filing.

The Audit Committee has reviewed and discussed with management and the Company's independent registered public accounting firm, Carlin, Charron & Rosen LLP, the Company's audited consolidated financial statements for the year ended December 31, 2005 and discussed all material accounting issues.

Management has the primary responsibility for the Company's financial statements and the Company's accounting, auditing and financial reporting processes. The Audit Committee is not providing any expert or special assurance as to the Company's financial statements. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's financial statements with accounting principles generally accepted in the United States. The Audit Committee is not providing any professional certification as to the independent registered public accounting firm's work product.

The Audit Committee's review and discussion with the Company's independent registered public accounting firm included matters requiring discussion pursuant to Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Audit Committee further discussed with Carlin, Charron & Rosen LLP, matters relating to its independence, and has received the written disclosures and letter from it required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees).

On the basis of the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the Board approve the inclusion of the Company's audited consolidated financial statements for the year ended December 31, 2005 in the Company's Annual Report on Form 10-KSB for the fiscal year ended December 31, 2005 for filing with the SEC.

By the members of the Audit Committee:
Mr. E.P. Marinos, Chairman
Dr. Julius Tabin

Audit Committee Pre-Approval of Audit and Non-Audit Services

The Audit Committee pre-approves all audit and permissible non-audit services provided to the Company by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by the independent registered public accounting firm. Such policies and procedures provide that management and the independent registered public accounting firm shall jointly submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the annual plan for each fiscal year. In addition, the policies and procedures provide that the Audit Committee may also pre-approve particular services not in the annual plan on a case-by-case basis. Management must provide a detailed description of each proposed service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management and the independent registered public accounting firm to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

As permitted under the Sarbanes-Oxley Act of 2002, the Audit Committee may delegate pre-approval authority to one or more of its members, for audit and non-audit services to a subcommittee consisting of one or more members of the Audit Committee. Any service pre-approved by a delegatee must be reported to the Audit Committee at the next scheduled quarterly meeting.

Nominees to the Board of Directors

Mr. E.P. Marinos and Dr. Julius Tabin are the Board of Director's nominees for re-election as Class II directors to the Board of Directors. See Information about Directors and Executive Officers above for information relative to their respective business experience.

The Company's Nominating and Corporate Governance Committee identifies new director candidates through recommendations from members of the Committee, other Board members and executive officers of the Company and will consider candidates who are recommended by security holders, as described below. The Committee and the Board will consider such factors as it deems appropriate to assist in developing a Board and committees that are diverse in nature and comprised of experienced and seasoned advisors. These factors may include decision-making ability, judgment, personal integrity and reputation, experience with businesses and other organizations of comparable size, experience as an executive with a publicly traded company, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board.

Security holders who want to recommend to the Committee a candidate for director may do so by submitting to the Company's Secretary in writing biographical information about the candidate, a description of the candidate's qualifications and the candidate's consent to the

recommendation. If the candidate is to be considered for nomination at the next annual meeting of stockholders, the submission must be received by the date and in accordance with the procedures described under Stockholder Proposals and Submissions.

The Committee will evaluate new director candidates in view of the criteria described above, as well as other factors the Committee deems to be relevant, through reviews of biographical and other information, input from others, including members of the Board and executive officers of the Company, and personal discussions with the candidate when warranted by the results of these other assessments. The Committee will evaluate any director candidates recommended by security holders under the same process. In determining whether to recommend to the Board the nomination of a director who is a member of the Board, the Committee will review the Board performance of such director and solicit feedback about the director from other Board members.

Communicating with the Board

The Board desires to foster open communications with its security holders regarding issues of a legitimate business purpose affecting the Company. Each Board member is willing to accept correspondence. Communications from stockholders should be in the form of written correspondence and sent via registered mail or overnight delivery to the Company's corporate office, care of the Secretary. Electronic submissions of security holder correspondence will not be accepted. The correspondence shall include supporting documentation evidencing the security holder's stock or other holdings in the Company. The Secretary shall pass on any such communication, other than a solicitation for a product or service or a request for copies of reports filed with the Commission, to the appropriate Board member. Any security holder correspondence addressed generically to the Board of Directors will be forwarded to the Chairman of the Board.

Compensation Committee Report on Executive Compensation

The following report of the Compensation Committee (the "Committee") is not soliciting materials and as such is not deemed filed with the SEC nor incorporated by reference in any filing of the Company under the Securities Act or the Exchange Act, whether made before or after the date of this Proxy Statement and irrespective of any general incorporation language in any such filing.

The Compensation Committee is responsible for establishing and reviewing the Company's executive compensation policies, advising the full Board of Directors on all compensation matters and administering the Company's employee benefit plans including the Stock Option Plan and Stock Award Plan. In 2005, the Committee was comprised of Dr. Paul F. Walter, Chairman, Dr. Julius Tabin, and Mr. E.P. Marinos.

All decisions of the Committee relating to compensation of the President and Chief Executive Officer and other Named Executive Officers are reviewed and approved by the other non-employee Directors.

Compensation Policy

The Company's executive compensation policies are designed to foster the Company's business goals of achieving profitable growth and premium returns to stockholders. The principal objectives of these policies are as follows: (1) to attract, motivate and retain executives of outstanding ability and character; (2) to provide rewards that are closely related to the performance of the Company and the individual executive by placing a portion of compensation at risk; and (3) to align the interests of executives and stockholders through long-term, equity-based incentives and programs to encourage and reward stock ownership.

This report discusses the manner in which base salaries, short-term incentive compensation and long-term, equity-based incentives for the Company's executive officers, including the Company's President and Chief Executive Officer, were determined for the fiscal year 2005.

Executive Compensation

The key components of executive compensation are base salary, short-term incentive compensation and long-term, equity-based incentives. Base salaries are generally targeted to be competitive with the salaries paid at other companies of similar size and complexity within and outside the medical device manufacturing industry.

Base Salary. Salary level targets are established so that the Company can attract and retain the most qualified employees. In determining an executive officer's salary, the Compensation Committee considers, but does not assign specific weights to, the following factors: internal factors involving the executive's level of responsibility, experience, individual performance, and equity issues relating to pay for other Company executives, as well as external factors involving competitive positioning, overall corporate performance, and general economic conditions. No specific formula is applied to determine the weight of each factor.

Incentive Compensation Program. The Company maintains an incentive compensation program for substantially all officers and executives designed to reward such individuals for their contributions to corporate and individual objectives. In the past, the programs have provided additional compensation based on performance and profits of those operations for which the various executives have responsibility.

Long-Term Incentive Compensation. The Company also grants stock options and other equity incentives under its Stock Option and Stock Award Plans in order to link compensation to the Company's long-term growth and performance and to increase stockholder value. The Committee has broad discretion to establish the terms of such grants to eligible employees of the Company and its subsidiaries. It grants awards to designated employees upon commencement of employment or following a significant change in an employee's responsibility or title. Awards are based on guidelines relating to the employee's position in the Company that are set by the Committee, as well as the employee's current performance and anticipated future contributions. The Committee also considers the amount and terms of stock options and stock awards previously granted to each of the employees. The Committee individually evaluates these factors with respect to each employee and then the Committee reaches a consensus on the appropriate award.

Compensation of President and Chief Executive Officer. James E. Rouse was named President and Chief Executive Officer of the Company in October 2002. Pursuant to the terms of his employment agreement, his annual rate of compensation in 2005 was \$175,000. Mr. Rouse was awarded a fully vested stock option grant to acquire 10,000 shares at \$9.86, the market price of our common stock as of the effective date of grant, in fiscal 2005 in recognition of the performance of the Company and his contribution thereto.

This report on executive compensation is made by and on behalf of the Company's Compensation Committee.

Director Compensation

For fiscal year 2005 each non-employee director receives cash compensation of \$3,000 per quarter and an annual fee of \$1,000 per committee membership. Additionally, the chairpersons of the audit and compensation committees receive an annual fee of \$4,000 and each non-employee director receives \$1,000 cash for each meeting (including committee meetings) attended in person and \$500 for each meeting (including committee meetings) attended by telephone. During fiscal year 2005, our current directors who were serving in such capacity in 2005 received the following fees: Mr. Marinos \$43,000, Dr. Tabin, \$38,000, and Dr. Walter, \$33,000. From time to time, the Board of Directors grants stock options to non-employee directors. In fiscal year 2005, a grant of 10,000 immediately vested stock options with an exercise price of \$9.86 per share was made to each non-employee director.

Employment Agreements

In October 2001, the Company entered into a five year employment agreement with Mr. Rouse, the Company's President and Chief Executive Officer, under which he receives base compensation of \$100,000 per year, subject to annual review for raises in accordance with Company policy, and bonus compensation and other benefits as the Company may institute. The Company also provides Mr. Rouse with medical and dental benefits in accordance with the Company's group plans. If the Company terminates Mr. Rouse's employment without cause, Mr. Rouse is entitled to his then base compensation and medical and dental benefits for a period of twelve months. In the event of a sale of all or substantially all of the Company's assets or a sale or transfer of the Company's voting securities resulting in a change in the ownership of a majority of the Company's voting securities, the Company may terminate Mr. Rouse's employment, in which event Mr. Rouse is entitled to the greater of his current base compensation up to the date of termination or his base compensation for a period of twenty-four months, as well as eighteen months of medical and dental benefits. In addition, Mr. Rouse's unvested employee stock options become immediately vested and exercisable upon a change of control as described above.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following paragraphs set forth the reportable transactions in the last fiscal year between ART and its executive officers, directors or affiliates. See "Compensation of Directors and Executive Officers" Employment Agreements for descriptions of the terms of the employment agreement between ART and the Company's President and "Director Compensation" for a description of terms of compensation arrangements with our directors.

Transactions with Management and Others

To date, all transactions between the Company and its officers, directors or their affiliates have been approved or ratified by a majority of the directors who did not have an interest in, and who were not employed by the Company at the time of, such transaction. The Company's Audit Committee reviews and oversees transactions between the Company and its executive officers and directors.

The Company believes that all transactions entered into with affiliates of the Company were on terms no less favorable than could have been obtained from unaffiliated third parties.

Dr. Tabin, a Director and stockholder of the Company, is a partner of a law firm that represents the Company with respect to patent and other intellectual property law matters. Fees for services and patent costs paid to this firm were approximately \$7,800 and \$13,000 for fiscal years ended 2005 and 2004, respectively.

CHANGES IN INDEPENDENT REGISTERED ACCOUNTING FIRM

On February 3, 2006, BDO Seidman, LLP (BDO) resigned as the Company's independent registered public accounting firm. On that same date, the Audit Committee of the Company's Board of Directors recommended and approved the engagement of Carlin, Charron & Rosen, LLP to serve as the independent registered public accounting firm to audit the Company's consolidated financial statements as of and for the fiscal year ended December 31, 2005 and to serve as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2006.

The reports of BDO on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2004 and December 31, 2003 did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principle.

During the two fiscal years ended December 31, 2004 and December 31, 2003, and through February 3, 2006, there were no (1) disagreements with BDO on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to BDO's satisfaction, would have caused BDO to make reference thereto in its report on the financial statements for such years, or (2) reportable events described under Item 304(a)(1)(iv)(B) of Regulation S-B. A letter from BDO is attached to the Company's Current Report on Form 8-K/A filed with the Commission on February 13, 2006 as Exhibit 16.1, indicating its agreement with the statements herein.

In deciding to select Carlin, Charron & Rosen, LLP, the Audit Committee reviewed auditor independence issues and existing commercial relationships with Carlin, Charron & Rosen, LLP and concluded that Carlin, Charron & Rosen, LLP has no commercial relationship with the Company that would impair its independence for the fiscal year ending December 31, 2005.

During the two fiscal years ended December 31, 2004 and December 31, 2003, and through February 3, 2006, the Company did not consult with Carlin, Charron & Rosen, LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-B.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's By-Laws provide that the number of directors, as determined from time to time, shall not be less than two or more than six. The By-Laws further provide that the Board of Directors be divided into three classes (Class I, Class II and Class III) serving staggered three-year terms, with each class to be as nearly equal in number as possible. Following a recommendation by the Nominating and Corporate Governance Committee, the Board of Directors appointed Jason Chambers on April 12, 2006 to serve as a Class I director to fill the vacancy in such class resulting from Dr. Russell C. Chambers' decision in May 2005 not to stand for reelection. Jason Chambers is the son of the late Dr. Chambers. The Board of Directors currently consists of five seats, namely, James E. Rouse and Jason Chambers (Class I with term expiring at the 2008

Annual Meeting); E. P. Marinos and Julius Tabin (Class II with terms expiring at the 2006 Annual Meeting) and Paul F. Walter (Class III with term expiring at the 2007 Annual Meeting).

The Board of Directors has concluded that the nomination and re-election of Mr. E.P. Marinos and Dr. Julius Tabin as Class II directors is in the best interests of the Company and recommends stockholder approval of the re-election of Mr. Marinos and Dr. Tabin for three-year terms (expiring at the 2009 Annual Meeting) and until their respective successors have been duly elected and shall qualify.

The remaining directors will continue to serve in their positions for the remainder of their terms. Biographical information concerning Mr. Marinos and Dr. Tabin, and the other ART directors can be found under Information About Directors and Executive Officers.

The persons named in the proxy will vote FOR the nominees, except where authority has been withheld as to the particular nominee.

The nominees for director receiving a plurality of the votes represented by the shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon will be elected as directors. Each nominee has consented to being named in this Proxy Statement and to serve his term if elected. As of the date of this Proxy Statement, the Board is not aware of any nominee who is unable or will decline to serve as a director. If either of the nominees should for any reason become unavailable for election, proxies may be voted with discretionary authority by the persons appointed as proxies for any substitute designated by the Board of Directors of the Company.

The Board recommends that stockholders vote FOR the nominees for election to the Board of Directors of the Company.

PROPOSAL 2

The Audit Committee, prior to recommending the appointment of CCR in connection with the audit for the fiscal year ended December 31, 2005 and its reappointment for the fiscal year ended December 31, 2006, considered the qualifications of that firm, including its performance previously, its reputation for integrity, competence in the fields of accounting and auditing and its independence.

ADDITIONAL INFORMATION

Stockholder Proposals and Submissions

Stockholders are entitled to submit proposals on matters appropriate for stockholder action and have that proposal included in the Company's proxy statement consistent with the Company's By-Laws and the regulations of the SEC. Should a stockholder intend to present a proposal at the 2007 Annual Meeting and have that proposal included in the Company's proxy statement, it must be received by the Secretary of the Company c/o Arrhythmia Research Technology, Inc., 25 Sawyer Passway, Fitchburg, MA 01420 not later than January 5, 2007 and must comply with all of the requirements of Rule 14a-8 under the Exchange Act in order to be included in the Company's Proxy Statement and proxy card relating to that meeting.

Stockholders of the Company may nominate candidates for election to the Board of Directors and submit other matters for consideration at the Company's annual meeting by providing written notice to the Company not later than 90 days in advance of the annual meeting, unless the annual meeting is held on a date other than the second Tuesday of May, in which case the stockholder notice must be given within ten days after the first public disclosure of the scheduled date of the annual meeting. Nominations for elections of directors to take place at a special meeting are required to be received by the close of business on the seventh day following the date on which notice of such meeting is given to stockholders. In the case of director nominations, the notice must contain the stockholder's and nominee's name and address, a representation that the stockholder is a holder of record of the Company entitled to vote at the meeting and intends to appear at the meeting (in person or by proxy) to nominate the nominee, a description of any arrangements or understanding between the stockholder and the nominee, the consent of the nominee to serve if so elected and such other information as would be required by the rules of the SEC to be included in a proxy statement.

No Incorporation by Reference

In the Company's filings with the SEC, information is sometimes incorporated by reference. This means that we are referring you to information that has previously been filed with the SEC and the information should be considered as part of the filing. Based on SEC regulations, the Audit Committee Report and the Compensation Committee Report specifically are not incorporated by reference into any other filings with the SEC. In addition, this proxy statement includes website addresses. These website addresses are intended to provide inactive, textual references only. The information on these websites is not part of this proxy statement.

Householding of Proxy Statements

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are our stockholders may household our proxy materials. In that event, a single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker and our Secretary in writing at 25 Sawyer Passway, Fitchburg, MA 01420 or by telephone at (978) 345-5000. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

Other Proposed Action

The Board of Directors does not intend to bring any other matters before the Annual Meeting, nor does the Board of Directors know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this proxy statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board of Directors.
