PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD OCTOBER 27, 2009

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Atlas Mining Company (the "Company," "Atlas," "we," "us" or "our") of proxies to be used at the Annual Meeting of Shareholders to be held on October 27, 2009. This Proxy Statement and accompanying forms of proxy, together with the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008, which serves as our Annual Report to Shareholders, are first being sent or given to shareholders on September 17, 2009.

Important Notice Regarding the Availability of Proxy Materials

This year we are using the "Notice and Access" system recently adopted by the Securities and Exchange Commission relating to the delivery of proxy materials over the Internet. As a result, we mailed you a notice about the Internet availability of the proxy materials instead of paper copies. Shareholders will have the ability to access the proxy materials over the Internet and to request a paper copy of the materials by mail or by e-mail. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found on the Notice. We believe that the notice and access rules will allow us to use Internet technology that many shareholders prefer, assure more prompt delivery of the proxy materials, lower our cost of printing and delivering the proxy materials, and minimize the environmental impact of printing paper copies.

The Proxy Statement and our Annual Report to Shareholders are available at www.proxyvote.com.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors of Atlas Mining Company, an Idaho corporation, of proxies to be voted at our 2009 Annual Meeting of Shareholders and at any adjournment or postponement.

You are invited to attend the Annual Meeting of Shareholders. It takes place on October 27, 2009, beginning at 11:00 a.m., Eastern Time Zone, at _____, in New York, New York.

This Notice of Annual Meeting and Proxy Statement and form of proxy and voting instructions are being sent or delivered to shareholders starting September 17, 2009.

Will the Annual Meeting be webcast?

Our Annual Meeting also will be webcast on October 27, 2009. You are invited to visit www.proxyvote.com at 11:00 a.m., Eastern Time Zone, on October 27, 2009 to access the webcast of the Meeting.

Who is entitled to vote at the Annual Meeting?

Holders of Atlas Common Stock at the close of business on August 28, 2009 are entitled to receive notice of the meeting and to vote such shareholder's shares at the Annual Meeting. As of that date, there were 59,215,628 shares of common stock outstanding and entitled to vote. Each share of common stock is entitled to one vote on each matter properly brought before the Meeting.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with Atlas's transfer agent, Standard Registrar & Transfer (Draper, UT), you are the "shareholder of record" of those shares. This Notice of Annual Meeting and Proxy Statement and accompanying documents have been provided directly to you by Atlas.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the "beneficial owner" of those shares. This Notice of Meeting and Proxy Statement and the accompanying documents have been forwarded to you by your broker, bank or other holder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following such shareholder's instructions for voting by telephone or the Internet.

What is "Notice and Access"?

"Notice and Access" generally refers to rules of the Securities and Exchange Commission governing how companies must provide proxy materials. Under the notice and access model, a company may select either of the following two options for making proxy materials available to stockholders:

- the full set delivery option; or
- the notice only option.

A company may use a single method for all its stockholders, or use full set delivery for some while adopting the notice only option for others.

7

What is the Full Set Delivery Option?

Under the full set delivery option, a company delivers all proxy materials to its stockholders. This delivery can be by mail or, if a stockholder has previously agreed, by e-mail. In addition to delivering proxy materials to stockholders, the company must also post all proxy materials on a publicly accessible website and provide information to stockholders about how to access that website. In connection with its 2009 Annual Meeting of Stockholders, the Company has not elected to use the full set delivery option.

What is the Notice Only Option?

Under the notice only option, a company must post all its proxy materials on a publicly accessible website. However, instead of delivering its proxy materials to stockholders, the company instead delivers a "Notice of Internet Availability of Proxy Materials." The notice includes, among other matters:

- information regarding the date and time of the meeting of stockholders as well as the items to be considered at the meeting;
- information regarding the website where the proxy materials are posted; and
- various means by which a stockholder can request paper or e-mail copies of the proxy materials.

If a stockholder requests paper copies of the proxy materials, these materials must be sent to the stockholder within three business days. Additionally, paper copies must be sent via first class mail.

The Company has elected to use the Notice Only Option in connection with its 2009 Annual Meeting of Stockholders.

How do I vote?

You may vote using any of the following methods:

- **By Mail:**

Be sure to complete, sign and date the proxy card or voting instruction card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed proxy card but do not indicate your voting preferences, the persons named in the proxy card will vote the shares represented by that proxy as recommended by the Board of Directors.

If you are a shareholder of record and you do not have the prepaid envelope, please mail your completed proxy card to:

Atlas Mining Company
110 Greene St – Ste 1101
New York, NY 10012

- **Via The Internet:**

The Internet voting procedures established by Atlas for shareholders of record are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded.

The website for Internet voting is www.proxyvote.com. Please have your proxy card handy when you go online. You will be able to confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials.

Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m., Eastern Time Zone, on October 26, 2009.

The availability of Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive.

If you vote on the Internet, you do not have to return your proxy card or voting instruction card.

- **By Telephone:**

The telephone voting procedures established by Atlas for shareholders of record are designed to authenticate your identity, to allow you to give your voting instructions and to confirm that those instructions have been properly recorded.

Instructions for voting by telephone are included on your proxy card. Please have your proxy card handy when you dial in.

Telephone voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m. Eastern time on October 26, 2009.

The availability of telephone voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive.

If you vote by telephone, you do not have to return your proxy card or voting instruction card.

- **In Person At The Annual Meeting:**

All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Meeting by executing a proper proxy designating that person. If you are a beneficial and not a record owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Meeting.

Your vote is important. You can save us the expense of a second mailing by voting promptly.

What can I do if I change my mind after I vote my shares?

If you are a shareholder of record, you can revoke your proxy before it is exercised by:

- written notice to the President of the Company;
- timely delivery of a valid, later dated proxy or a later dated vote by telephone or on the Internet; or
- voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by contacting your bank, broker or other holder of record. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described in the answer to the previous question.

All proxies that have been properly completed and delivered and not revoked will be voted at the Annual Meeting.

Is there a list of shareholders entitled to vote at the Annual Meeting?

The names of shareholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Meeting for any purpose germane to the meeting by contacting the President of the Company between the hours of 9:00 a.m. and 4:30 p.m., Eastern Time Zone, at our principal executive offices located at 110 Greene Street, Suite 1101, New York, New York 10012.

What are the voting requirements to elect the Directors and to approve each of the proposals discussed in this Proxy Statement?

| Proposal | Vote Required | Discretionary Voting Allowed? |
|--|--------------------------|-------------------------------|
| Election of Directors | Plurality | Yes |
| Change of the name of the Company to Applied Minerals, Inc. | Majority of votes cast * | No |
| Increase the authorized number of shares of Company common stock | Majority of votes cast * | No |
| Authorize flexible preferred stock | Majority of votes cast * | No |
| Number of directors determined by resolution of the board of directors | Majority of votes cast * | No |
| Reincorporation from Idaho to Delaware | Majority of votes cast * | No |

* the term “votes cast” include votes “for” and “against,” but does not include ballots marked “abstain” and do not include broker non-votes

The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Abstentions and “broker non votes” are counted as present and entitled to vote for purposes of determining a quorum. A “broker non vote” occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power under New York Stock Exchange (“NYSE”) rules governing discretionary voting by NYSE members for that particular item and has not received instructions from the beneficial owner.

If you are a beneficial owner, your bank, broker or other holder of record is permitted under NYSE rules to vote your shares on the election of Directors, even if the record holder does not receive voting instructions from you. The record holder may not vote on the other matters being submitted for a shareholder vote without instructions from you. Without your voting instructions on these matters, a broker non vote will occur.

- Election of Directors

The election is for directors of the Company. If the reincorporation is approved, the directors of the Delaware corporation will be the same as those elected to the Board of the Idaho corporation.

Directors are elected under a plurality voting standard, so that the candidates receiving a plurality of votes cast (the most “for” votes) are elected. Abstentions and “against” votes are not counted under a plurality voting standard.

- Change The Name of The Company to Applied Minerals, Inc.

The proposal is for an amendment to the Articles of Incorporation of the Company.

The votes cast “for” must exceed the votes cast “against” the amendment to the Articles of Incorporation to change the name of the Company. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

- Increase The Authorized Number of Shares of Company Common Stock

The proposal is for an amendment to the Articles of Incorporation of the Idaho corporation.

The votes cast “for” must exceed the votes cast “against” the amendment to the Articles of Incorporation to increase the authorized number of shares of Company Common Stock. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

- Authorize Flexible Preferred Stock

The proposal is for an amendment to the Articles of Incorporation of the Idaho corporation.

The votes cast “for” must exceed the votes cast “against” the amendment to the Articles of Incorporation to authorize flexible preferred stock. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

- Number of Directors Determined By Resolution of The Board of Directors

The proposal is for an amendment to the Articles of Incorporation of the Idaho corporation.

The votes cast “for” must exceed the votes cast “against” the amendment to the Articles of Incorporation to provide that the number of directors is determined from time to time by resolution of the Board of Directors. Abstentions and broker non-votes are not counted as votes “for” or “against” this proposal.

- Reincorporation From Idaho To Delaware

The votes cast “for” must exceed the votes cast “against” the merger with and into our wholly owned subsidiary (the “Delaware corporation” or “Atlas Delaware”) for the purpose of changing our state of incorporation from Idaho to Delaware. Abstentions and broker non votes are not counted as votes “for” or “against” this proposal.

Because your bank, broker or other holder of record does not have discretionary voting authority to vote your shares on any proposal except the election of directors absent specific instructions from you, it is therefore important that you vote, or direct the holder of record to vote, on the proposals other than the election of directors.

What are the rights and the conditions to implement the reincorporation proposal?

Shareholders who follow specified procedures and do not vote for the reincorporation proposal may receive the fair value of such shareholder’s shares. The Board of Directors may abandon and not implement the reincorporation proposal even if approved by shareholders if the holders of more than .5% of the outstanding shares deliver a written notice of such shareholder’s intent to demand payment for such shareholder’s shares.

What is the relationship between the reincorporation and the proposals to amend the Idaho Articles of Incorporation being voted on?

If the reincorporation is approved and implemented, the content of the certificate of incorporation of the Delaware corporation will depend on the outcome of the shareholder vote on proposals 2, 3, 4, 5, and 6. If the shareholders approve a particular proposal, the certificate of incorporation of the Delaware corporation will include language substantially the same as in the proposal. If the shareholders do not approve a particular proposal, the certificate of incorporation of the Delaware corporation will not include the language in the proposal, but will contain the language in the current Idaho Articles of Incorporation. The proposals to amend the Idaho Articles of Incorporation are not interdependent.

The proxy rules of the Securities and Exchange Commission require that if in a reincorporation, the certificate of incorporation of the surviving corporation (in this case, the Delaware corporation) is materially different from the

Articles of Incorporation of the disappearing corporation (the Idaho corporation), the shareholders of the disappearing corporation must be asked to approve the material and different provisions individually and separate and apart from the approval of the reincorporation.

Could other matters be decided at the Annual Meeting?

At the date this Proxy Statement went to press, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If you have returned your signed and completed proxy card and other matters are properly presented at the Annual Meeting for consideration, the Proxy Committee appointed by the Board of Directors (the persons named in your proxy card if you are a shareholder of record) will have the discretion to vote on those matters for you.

Who will pay for the cost of this proxy solicitation?

We will pay the cost of soliciting proxies. Proxies may be solicited on our behalf by Directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission.

Who will count the votes?

A Company employee will tabulate the votes and act as inspector of election.

BOARD OF DIRECTOR ISSUES

The Nomination Process

The Board of Directors has not created a separate Nomination Committee or a Charter for such a committee. Rather, the Board as a whole performs such functions and each director is eligible to participate and has participated in the nomination process.

The general criteria that our Board uses to select nominees includes the following: individuals reputation for integrity, honesty and adherence to high ethical standards; such person's demonstrated business acumen, experience and ability to exercise sound judgment in matters that relate to the current and long-term objectives of the Company; such shareholder's willingness and ability to contribute positively to the decision making process of the Company; such person's commitment to understand the Company and its industry and to regularly attend and participate in meetings of the Board and its committees; such person's interest and ability to understand the sometimes conflicting interests of the various constituencies of the Company, which include stockholders, employees, customers, creditors and the general public; such person's ability to act in the interests of all stakeholders; and no nominee should have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of the Company's stockholders and to fulfill the responsibilities of a director. There are, however, no specific minimum qualifications that nominees must have in order to be selected.

The Board will consider director candidates recommended by our stockholders. In evaluating candidates recommended by our stockholders, the Board of Directors applies the same criteria discussed above. Any stockholder recommendations for director nominees proposed for consideration by the Board should include the nominees name and qualifications for Board membership and should be addressed in writing to the President, Atlas Mining Company, 110 Greene St., Suite 1101, New York, New York 10012. There have been no changes in the procedures by which shareholders may recommend candidates for director.

The Board has no set process for identifying and evaluating nominees for director, including shareholder nominees. Messrs. Levy and Weiss were originally recommended for election as directors by Mr. Taft, a beneficial shareholder. Mr. Taft was recommended by Messrs. Levy and Weiss, directors. Mr. Stone was recommended by Mr. Zeitoun, a director and CEO. Mr. Zeitoun was elected a director pursuant to the terms of the Management Agreement with Material Advisors LLC.

Meetings and Meeting Attendance

During the year ended December 31, 2008, there were 16 meetings of the Board of Directors. Each of the incumbent directors who were on the Board of Directors during 2008 attended at least 75% of the total number of meetings of the Board of Directors.

Members of the Board are expected to attend annual shareholder meetings, including the upcoming shareholder meeting. The meeting will be the first shareholder meeting since the company became a public company.

Committees

We do not have nominating, auditing or compensation committees and there were no procedures by which shareholders might recommend nominees to the Board of Directors. Rather the Board of Directors as a whole performed the functions which would otherwise be performed by the audit, compensation and nominating committees. Our board views the addition of standing audit, compensation and nominating committees as an unnecessary additional expense and process to the Company given its stage of development. In 2008, there was a Special Committee, initially consisting of Mr. Levy and later Mr. Weiss to (i) review and investigate the conduct of the prior management of the Company and any issues arising there from and (ii) review and evaluate the Company's business, financial condition, assets, strategy, prospects and management and recommend to the Board various

alternatives to improve the Company's performance and prospects. The Special Committee met approximately nine times in 2008.

Director Independence

The only directors deemed to be independent under the independence standards of Nasdaq are Messrs. Levy and Stone. They are also independent under the enhanced independence standards of Section 10A-3 of the Securities Exchange Act. Messrs. Zeitoun, Taft, and Weiss are not independent under the Nasdaq standards of independence. Mr. Zeitoun is an employee. Mr. Weiss was a consultant who served as Chief Restructuring Officer in 2008 and 2009 and continued to serve as a consultant in 2009. Mr. Taft is not independent because of the size of his security holdings. William Jacobson and Ronald Price, who served as directors during part of 2008, were not independent because they were employees.

The Board of Directors has determined that Mr. Levy is an audit committee financial expert as this term is defined in the rules of the Securities and Exchange Commission and is independent under the independence standards of Nasdaq and the enhanced independence standards of Section 10A-3 of the Securities Exchange Act.

Audit Committee Report

The Board of Directors has not created a separate audit committee or a charter for such a committee. The Board of Directors acts as an audit committee. The Board believes that a separate audit committee is not needed in light of the size of the Company and the involvement of the Board of Directors in Company operations.

In the discharge of its responsibilities, the Board of Directors has reviewed and discussed with management and the independent auditors the Company's audited financial statements for fiscal year 2008. In addition,

- A. The audit committee has reviewed and discussed the audited financial statements with management;
- B. The audit committee has discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended;
- C. The audit committee has received the written disclosures and the letter from the independent accountant required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with the independent accountant the independent accountant's independence; and
- D. Based on the review and discussions referred to in paragraphs (A) through (C) above, the audit committee recommended to the Board of Directors that the audited financial statements be included in the company's annual report on Form 10-K for the last fiscal year for filing with the Commission.

Directors performing the function of the Audit Committee:

John Levy
David Taft
Morris Weiss
Andre Zeitoun

(Note: Mr. Stone was not a member of the Board of Directors at the time that the Annual Report on Form 10-K was approved.)

Policy on Board of Directors' Pre-Approval of Audit and Non-Audit Services of Independent Auditors

The Board of Directors is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The Board of Directors has established a policy regarding pre-approval of all audit and

non-audit services provided by the independent auditors. On an ongoing basis, management communicates specific projects and categories of services for which advance approval of the Board of Directors is requested. The Board of Directors reviews these requests and advises management if the Board of Directors approves the engagement of the independent auditors for specific projects. On a periodic basis, management reports to the Board of Directors regarding the actual spending for such projects and services compared to the approved amounts.

Management is responsible for the preparation and integrity of the Company's financial statements. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon. The Board of Directors has independently met and held discussions with management and the independent registered public accounting firm.

William Jacobson waived all claims under any potentially applicable insurance policy issued to the Company and agreed to transfer to the Company 3,044,083 shares of Company common stock within three business days of approval by the court of the settlement of certain class action litigation, which is still pending. The agreement provides for mutual releases of all claims.

Agreement with Ronald Price

On December 12, 2008, Ronald Price resigned as a director of the Company and as an officer and director of one of the Company’s subsidiaries pursuant to the terms of a separation agreement (the “Separation Agreement”). Pursuant to the Separation Agreement, Mr. Price is to render certain cooperation and services. Pursuant to the Separation Agreement, until March 1, 2009, he was paid amounts equal to the compensation under his employment agreement with the subsidiary, which employment agreement was terminated by the Separation Agreement (at the rate of \$200,000 per year). For the period from March 1, 2009 to February 28, 2010, he is being paid \$50,000, such amount to be paid in monthly installments of \$4,167.

Management Agreement With Material Advisors, LLC

Messrs. Zeitoun and Carney were appointed to positions with the Company pursuant to an agreement with Management Advisors LLC, of which they are members and owners.

On December 30, 2008, the Company entered into a Management Agreement with Material Advisors LLC, a management services company (“Manager”). The Management Agreement has a term ending on December 31, 2010 with automatic renewal for successive one year periods unless either Manager or Company provides 90 days prior notice of cancellation to the other party or pursuant to the termination provisions of the Management Agreement. Under the Management Agreement, Manager is to perform or engage others, including Andre Zeitoun, a principal of Manager, Christopher Carney and Eric Basroon (“Management Personnel”) to perform senior management services including such services as are customarily provided by a chief executive officer but not (unless otherwise agreed) services customarily provided by a chief financial officer (it was subsequently agreed to have Mr. Carney perform as Interim Chief Financial Officer). Pursuant to the Management Agreement, Andre Zeitoun is serving as the Company’s Chief Executive Officer and as a member of the Company’s Board of Directors.

The services provided by Manager include, without limitation, consulting with the Board of Directors of the Company and the Company’s management on business and financial matters, including matters related to (i) new business development, creating and implementing the Company’s business plan and overseeing and supervising the Company’s operations, (ii) preparation of operating budgets and business plans, (iii) Company’s corporate and financial structure, (iv) formulation of long term business strategies, (v) recruiting senior management, (vi) financing, (vii) transactions with third parties, including mergers and acquisitions, (viii) evaluating potential sale or exit opportunities, structuring and negotiating a sale of the Company, or leveraged recapitalization, and (ix) resolving investigations and litigation involving the Company.

Manager is paid an annual fee of \$1,000,000 per year for the three year term of the Management Agreement, payable in equal monthly installments of \$83,333. Manager will be solely responsible for the compensation of the Management Personnel and the Management Personnel will not be entitled to any direct compensation or benefits from the Company (including in the case of Mr. Zeitoun, for service on the Board). The Management Agreement does not specify the levels of compensation to Messrs. Zeitoun or Carney. Additionally, the Company granted Manager non-qualified stock options to purchase, for \$0.70 per share (the "\$0.70 Option") a number of shares of the Company equal to 10% of the outstanding common stock of the Company on a fully diluted basis (which shall vest in equal monthly installments over three years). On December 31, 2008, the closing stock price of the Company's Common Stock was \$0.15. The following sets forth the treatment of the \$0.70 Option in the event of a "going private transaction." Upon the consummation of a transaction resulting in (i) the Company ceasing to be a SEC reporting company, or having less than 300 shareholders of record and (ii) David A. Taft, IBS Capital LLC, The IBS Turnaround Fund L.P., The IBS Turnaround Fund (QP), The IBS Opportunity Fund (BVI). Ltd., or any of their affiliates or related entities own in the aggregate more than 50% of the outstanding equity capital of the Company immediately following such transaction (a "Going Private Transaction"), the \$0.70 option will be cancelled and replaced by a non-qualified option (the "Going Private Option"), accompanied by a tandem stock appreciation right (the "SAR"). The Going Private Option will provide Manager the right to purchase the same percentage of Company's (or its successor's) outstanding shares of common stock after giving effect to the going private transaction that were subject to the \$0.70 Option. The SAR will entitle Manager to receive either shares of common stock or cash equal in value to the excess of the fair market value of a share of common stock on the date of exercise over the base price per share under the SAR. The exercise price of the Going Private Option and the base price under the SAR will be the fair market value per share to be paid in the Going Private Transaction to shareholders who are not investing in the going private vehicle. The term of the \$0.70 Option, the Going Private Option and the SAR will be 10 years. During such periods, the Going Private Option and the SAR will be fully exercisable.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our officers, directors, and any person who beneficially owns more than 10% of our common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors, and more than 10% shareholders are required by regulation to furnish us with copies of all Section 16(a) forms which they file. During 2008, certain of our directors and executive officers who own our stock filed Forms 3 or Forms 4 with the Securities and Exchange Commission. The information on these filings reflects the current ownership position of all such individuals. To the best of our knowledge, during 2008 all such filings by our officers and directors were made timely, except (i) due to an administrative error in each instance, Ronald Price (former director) did not file required Form 5, and Morris Weiss filed required Forms 3 and 4 late (attributable to delay in advisor obtaining Edgar Codes) and (ii) for voluntary filings reflecting ownership in Material Advisors LLC by Mr. Carney and Mr. Zeitoun.

PROPOSALS 2, 3, 4, AND 5 ARE PROPOSALS FOR AMENDMENTS TO ARTICLES OF INCORPORATION (“IDAHO ARTICLES”) OF THE COMPANY (THE “COMPANY” OR “ATLAS”). THE PROPOSALS ARE INDEPENDENT AND NOT INTERDEPENDENT SO THAT THE APPROVAL OR FAILURE TO APPROVE A PARTICULAR PROPOSAL DOES NOT AFFECT ANY OTHER PROPOSAL TO AMEND THE ARTICLES OF INCORPORATION OF THE COMPANY.

PROPOSAL 6 IS A PROPOSAL TO REINCORPORATE THE COMPANY IN DELAWARE (“REINCORPORATION PROPOSAL”), WHICH WOULD BE EFFECTED BY A MERGER OF THE COMPANY INTO THE COMPANY’S WHOLLY-OWNED DELAWARE SUBSIDIARY ORGANIZED FOR THE PURPOSE OF THE MERGER, WITH THE DELAWARE CORPORATION BEING THE ONLY ENTITY SURVIVING THE MERGER (“ATLAS DELAWARE”).

IF THE REINCORPORATION IS APPROVED AND IMPLEMENTED, THE PROVISIONS OF THE CERTIFICATE OF INCORPORATION OF ATLAS DELAWARE (“DELAWARE CERTIFICATE”) WILL DEPEND ON WHETHER ANY OR ALL OF PROPOSALS 2, 3, 4, AND 5 ARE APPROVED. IF A PROPOSAL TO AMEND THE IDAHO ARTICLES IS APPROVED, THE DELAWARE CERTIFICATE WILL CONTAIN A PROVISION SUBSTANTIALLY THE SAME AS THE LANGUAGE IN THE PROPOSAL. IF A PROPOSAL TO AMEND THE IDAHO ARTICLES IS NOT APPROVED, THE PROVISION CURRENTLY IN THE IDAHO ARTICLES WILL BE CARRIED OVER TO THE DELAWARE CERTIFICATE.

PROPOSAL 2: APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO CHANGE THE NAME OF THE COMPANY TO APPLIED MINERALS, INC.

Proposal 2 is an amendment to the articles of incorporation of the Company to change the name of the corporation to Applied Minerals, Inc.

Exact language of the current and proposed provision, the Idaho Articles currently provide:

The name of this corporation is: Atlas Mining Company

If the Proposal 2 is approved, the Idaho Articles will be amended to provide:

The name of this corporation is Applied Minerals, Inc.

Consequences of Shareholder Vote

If Proposal 2 is not approved, the name will remain Atlas Mining Company.

Proposal 2 is not dependent on the vote with respect to any other proposal.

If Proposal 6, the Reincorporation Proposal is approved and implemented, the name of Atlas Delaware will depend on whether or not Proposal 2 is approved. If it is approved, the name will be Applied Minerals, Inc.. If it is not approved, the name will be Atlas Mining Company.

Reason for the Recommended Change

The Company was incorporated in 1924 to engage in silver mining activities at a mine known as the Atlas Mine in the Coeur d'Alene Mining District in Idaho. The mining activities were unsuccessful and while the Company still owns the Atlas Mine property, there are no plans to exploit the property.

The Board of Directors believes that the name Applied Minerals, Inc. better describes the Company's business and intended business.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 2, AN AMENDMENT TO THE IDAHO ARTICLES TO CHANGE THE NAME OF THE COMPANY TO APPLIED MINERALS INC.

PROPOSAL 3: APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMPANY COMMON STOCK

Proposal 3 is an amendment to the articles of incorporation of the Company to increase the number of authorized shares of Common Stock

Exact language of the current and proposed provision:

The Idaho Articles currently provide:

The total authorized capital stock of this corporation shall be sixty million (60,000,000) no par, common shares...

If the amendment is approved, the Idaho Articles will be amended to provide:

The total authorized capital stock of this corporation shall be one hundred twenty million (120,000,000) par value \$.001, common shares...

Consequences of Shareholder Vote

If Proposal 3 is not approved, the number of authorized shares and the par value of the Common Stock will not be changed.

Proposal 3 is not dependent on the vote with respect to any other proposal.

If Proposal 6, the Reincorporation Proposal, is approved and implemented, the terms of the Delaware Certificate relating to the Common Stock will depend on whether Proposal 3 is approved. If Proposal 3 is approved, the Delaware Certificate will provide for one hundred twenty million shares and \$.001 par value. If it is not approved, the number of authorized shares and the par value of the Common Stock of Atlas Delaware will be sixty million and no par value.

Reason for the Recommended Change

Beginning in mid-2008, the Company's contract mining business, the Company's sole source of operating revenue in 2007 and 2008, began to feel the effects of the recession as mining activities slowed down. By the end of 2008, the Board of Directors determined to terminate the contract mining business. The Company, however, continued to have

significant on-going expenses related to “legacy” issues (defending a securities class action and other litigation and amending certain reports filed with the SEC and preparing financial statements and disclosures so that it could file delinquent reports with the SEC, among other things) and to on-going business (such as management compensation, the costs of an appraisal of the Dragon Mine, and marketing and related expenses).

The Company would have preferred to finance the on-going expenses through the sale of Common Stock but by the end of December 2008 there were only 784,372 shares of authorized but unissued shares. Until the Company became current in its SEC filings, calling a shareholder meeting to approve an increase in the number of authorized shares created a risk of an enforcement action by the SEC. In order to finance on-going expenses, the Company, beginning on December 30, 2008, has sold \$4,050,000 of 10% PIK Election Convertible Notes Due 2018 ("PIK Notes") which, after the Company has sufficient authorized shares of Common Stock, are convertible into 10,150,549 shares of Common Stock. The holders of the notes can put them to the Company at any time after January 1, 2010. There are not at this time sufficient authorized shares so that all of the PIK Notes are convertible into Common Stock.

To secure the management services of Material Advisors LLC, the Company entered into a management agreement effective January 1, 2009 pursuant to which it granted Material Advisors options to purchase 6,583,277 shares of Common Stock. Pursuant to the management agreement, the principals of Material Advisors now serve in the following positions with the Company: Andre Zeitoun, President and Chief Executive Officer and; Christopher T. Carney, Interim Chief Financial Officer.

In 2009, the Company granted or took action to confirm the grant to Morris Weiss, a director, options to purchase 400,000 shares of Common Stock for his services as Chief Restructuring officer and as a consultant.

As a result of the issuance of the foregoing convertible notes and options and other outstanding options to purchase Common Stock, the Company has outstanding obligations to issue 17,937,234 shares of Common Stock, 17,152,862 shares in excess of the currently authorized 60,000,000 shares. If the Company were to issue Common Stock in excess of the authorized number of shares, the issuance of such shares would be void or voidable. If the Company fails to authorize sufficient shares of Common Stock to satisfy outstanding options, the holders of the options would have a cause of action against the Company.

In order to satisfy the obligations to issue shares of Common Stock, it is necessary to amend the certificate of incorporation to increase the number of authorized shares. The Board of Directors believes that authorized shares of Common Stock in the amount of one hundred million are appropriate in light of outstanding obligations to issue Common Stock and current and anticipated financing needs. The Company does not have any current specific plans to raise additional funds in the future, but its business plan makes it likely that it will be required to raise additional funding. There are no plans other than as set forth above for the issuance of shares. There are no plans to seek shareholder approval for the issuance of additional shares if the number of authorized shares is increased. The effect of issuing shares to satisfy the above obligations after an increase in the number of authorized shares will be dilutive to existing shareholders.

The change in par value has no material effect on the Company.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL 3, APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMPANY COMMON STOCK

PROPOSAL 4: APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO AUTHORIZE FLEXIBLE PREFERRED STOCK

Proposal 4 is an amendment to the articles of incorporation of the Company to authorize flexible Preferred Stock.

Exact language of the Current and Proposed Provision:

The Idaho Articles currently provide:

The total authorized capital stock of this corporation shall be...ten million (10,000,000) of one dollar (\$1.00) par value noncumulative, nonvoting, nonconvertible, preferred shares.

26

If the amendment is approved, the Idaho Articles will be amended to provide:

The total authorized capital stock of this corporation shall be...ten million (10,000,000) of par value \$.001.

Further, the following language would be added to the Idaho Articles immediately after the amended language above.

Designations, Powers, Preferences and Rights, in Respect of the Shares of Preferred Stock.

- (1) Shares of the Preferred Stock may be issued in one or more series at such time or times and for such consideration or considerations as the Board of Directors may determine. All shares of any one series shall be of equal rank and identical in all respects.
- (2) Authority is hereby expressly granted to the Board of Directors to fix from time to time, by resolution or resolutions providing for the issue of any series of Preferred Stock, the designation of such series, and the powers, preferences and rights of the shares of such series, and the qualifications, limitations or restrictions thereof, including the following:
 - (a) The distinctive designation and number of shares comprising such series, which number may (except where otherwise provided by the Board of Directors in creating such series) be increased or decreased (but not below the number of shares then outstanding) from time to time by like action of the Board of Directors;
 - (b) The dividend rate or rates on the shares of such series and the preferences, if any, over any other series (or of any other series over such series) with respect to dividends, the terms and conditions upon which and the periods in respect of which dividends shall be payable, whether and upon what conditions such dividends shall be cumulative and, if cumulative, the date or dates from which dividends shall accumulate;
 - (c) Whether or not the shares of such series shall be redeemable, the limitations and restrictions with respect to such redemptions, the time or times when, the price or prices at which and the manner in which such shares shall be redeemable, including the manner of selecting shares of such series for redemption if less than all shares are to be redeemed;
 - (d) The rights to which the holders of shares and such series shall be entitled, and the preferences, if any, over any other series (or of any other series over such series), upon the voluntary or involuntary liquidation, dissolution, distribution of assets or winding-up of the Corporation, which rights may vary depending on whether such liquidation, dissolution, distribution or winding-up is voluntary or involuntary, and, if voluntary, may vary at different dates;
 - (e) Whether or not the shares of such series shall be subject to the operation of a purchase, retirement or sinking fund, and, if so, whether and upon what conditions such purchase, retirement or sinking fund shall be cumulative or noncumulative, the extent to which and the manner in which such fund shall be applied to the purchase or redemption of the shares of such series for retirement or to other corporate purposes and the terms and provisions relative to the operation thereof;
 - (f) Whether or not the shares of such series shall be convertible into or exchangeable for shares of stock of any other class or classes, or any other series of the same class and, if so convertible or exchangeable, the price or prices or the rate or rates of conversion or exchange and the method, if any, of adjusting the same, and any other terms and conditions of such conversion or exchange;
 - (g) The voting powers, full and/or limited, if any, of the shares of such series; and whether or not and under what conditions the shares of such series (alone or together with the shares of one or more other series having similar provisions) shall be entitled to vote separately as a single class, for the election of one or more additional directors of the Corporation in case of dividend arrearages or other specified events, or upon other matters;
 - (h) Whether or not the issuance of any additional shares of such series, or of any shares of any other series, shall be subject to restrictions as to issuance, or as to the powers, preferences or rights of any such other series;

- (i) Whether or not the holders of shares of such series shall be entitled, as a matter of right, to subscribe for or purchase any part of any new or additional issue of stock of any class or of securities convertible into stock of any class and, if so entitled, the qualifications, conditions, limitations and restrictions of such right; and
- (j) Any other preferences, privileges and powers, and relative, participating, optional or other special rights, and qualifications, limitations or restrictions of such series, as the Board of Directors may deem advisable and as shall not be inconsistent with the provisions of this Certificate of Incorporation.

Consequences of Shareholder Vote

If Proposal 4 is not approved, the current provisions relating to Preferred Stock will not be changed.

Proposal 4 is not dependent on the vote with respect to any other proposal.

If Proposal 6, the Reincorporation Proposal is approved and implemented, the provisions on the Delaware Certificate relating to Preferred Stock will depend on whether Proposal 4 is approved. If Proposal 4 is approved, the Delaware Certificate will contain provisions substantially the same as to the provisions in Proposal 4. If Proposal 4 is not approved, the terms of the Preferred Stock of the Atlas Delaware will be substantially the same as the Company's current provision.

Reason for the Recommended Change

In the current Idaho Articles, the shares of Preferred Stock are designated "noncumulative nonvoting nonconvertible preferred" shares. Under Idaho law and the Idaho Articles, the Board of Directors does not have power to fix any terms of the Preferred other than that the shares are "noncumulative nonvoting nonconvertible preferred," so any Preferred Stock that might be issued could have no economic terms. For example, the Preferred could have no terms relating to a dividend or liquidation rights. In effect, the Preferred Stock is useless for most purposes for which the Company would issue Preferred Stock.

It is proposed to make the Preferred Stock "flexible preferred." The designations as "noncumulative nonvoting nonconvertible" would be eliminated and the Preferred Stock could be issued by the Board of Directors from time to time on any number of occasions, without stockholder approval, as one or more separate series of shares comprised of any number of the authorized but unissued shares of Preferred Stock, designated by resolution of the Board of Directors, stating the name and number of shares of each series and setting forth separately for such series the relative rights, privileges and preferences thereof, including, if any, the: (i) rate of dividends payable thereon; (ii) price, terms and conditions of redemption; (iii) voluntary and involuntary liquidation preferences; (iv) provisions of a sinking fund for redemption or repurchase; (v) terms of conversion to Common Stock, including conversion price; and (vi) voting rights.

Accordingly, the Board of Directors would have increased flexibility in taking prompt advantage of future potential acquisition and equity financing transactions without the expense and delay of calling meetings of the stockholders to authorize increases in authorized capital.

The Preferred Stock could be issued under circumstances and in a manner so that the effects could include the dilution of ownership interests of the holders of Common Stock in the Company, the continuation of the current management of the Company, prevention of mergers with or business combinations by the Company and the discouragement of possible tender offers for shares of Common Stock. If convertible into Common Stock, on the conversion into Company Common Stock the voting power and percentage ownership of holders of the Company's Common Stock would be diluted and such issuances could have an adverse effect on the market price of the Company's Common Stock. The Preferred Stock could also be used in connection with the implementation by the Board of Directors of a

shareholder rights plan, sometimes referred to as a “poison pill.” For example, a class or series of the Preferred Stock could be designated that would be convertible into Company Common Stock upon the acquisition by a third party of a specified percentage of the Company’s voting stock.

Additionally, the issuance of shares of Preferred Stock with certain rights, preferences and privileges senior to those held by the Company's Common Stock could diminish the rights of holders of Company Common Stock to receive dividends if declared by the Board and to receive payments upon the liquidation of the Company. If shares of Preferred Stock are issued, approval by holders of such shares, voting as a separate class, could be required prior to certain mergers with or business combinations by the Company.

These factors could discourage attempts to purchase control of the Company even if such change in control may be beneficial to holders of Common Stock. Moreover, the issuance of Preferred Stock having general voting rights together with the Common Stock to persons friendly to the Board could make it more difficult to remove incumbent management and directors from office even if such changes would be favorable to shareholders generally. If shares of Preferred Stock are issued with conversion rights, the attractiveness of the Company to a potential tender offeror for the Common Stock may be diminished. The purchase of the additional shares of Common Stock or Preferred Stock necessary to gain control of the Company may increase the cost to a potential tender offeror and prevent the tender offer from being made even though such offer may have been desirable to many of the Common Stockholders. The ability of the Board, without any additional shareholder approval, to issue shares of the Company Preferred Stock with such rights, preferences, privileges and restrictions as determined by the Board could be employed as an antitakeover device.

The proposal for the authorization of flexible Preferred Stock does not reflect knowledge on the part of the Board of Directors or management of any proposed takeover or other attempt to acquire control of the Company. Management may in the future propose other measures designed to address hostile takeovers apart from those proposed in this Proxy Statement, if warranted from time to time in the judgment of the Board of Directors.

The Board believes that the financial flexibility offered by flexible Preferred Stock outweighs any of its disadvantages. To the extent issuance of flexible Preferred Stock may have antitakeover effects, such issued Preferred Stock may encourage persons seeking to acquire the Company to negotiate directly with the Board, enabling the Board to consider the proposed transaction and other strategic alternatives with adequate time and flexibility in order to discharge effectively its obligation to act on the proposed transaction in a manner that best serves all the shareholders' interests. It is also the Board's view that the existence of flexible Preferred Stock should not discourage anyone from proposing a merger or other transaction at a price reflective of the true value of the Company and which is in the best interests of its shareholders.

There are no present plans, understandings or agreements for, and the Company is not engaged in any negotiations that will involve, the issuance of flexible Preferred Stock. There are no plans to seek shareholder approval for the issuance of shares if the number of authorized shares is increased.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE PROPOSAL 4,
APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO AUTHORIZE FLEXIBLE PREFERRED
STOCK**

**PROPOSAL 5: APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO PROVIDE THAT THE
NUMBER OF DIRECTORS IS TO BE FIXED FROM TIME TO TIME BY RESOLUTION OF THE BOARD OF
DIRECTORS PURSUANT TO A RESOLUTION.**

Proposal 5 is an amendment to the articles of incorporation of the Company to provide that the number of directors is to be fixed from time to time by resolution of the Board of Directors pursuant to a resolution.

Exact language of the Current and Proposed Provision:

The certificate of incorporation currently provides:

The number of directors shall be five.

29

If the amendment is approved, the certificate of incorporation will be amended to provide:

The number of directors shall be fixed from time to time solely by resolution of the Board of Directors, acting by not less than a majority of the directors then in office.

Consequences of Shareholder Vote

If Proposal 5 is not approved, the current provision fixing the number of directors at five will remain unchanged.

Proposal 5 is not dependent on the vote with respect to any other proposal.

If Proposal 6, reincorporation in Delaware is approved and implemented, the provision in the Delaware certificate relating to the number of directors will depend on whether Proposal 5 is approved. If Proposal 5 is approved, the Delaware Certificate will contain a provision substantially the same as the language of Proposal 5. If it is not approved, the Delaware Certificate will contain a provision substantially the same as the current provision fixing the number at five.

Reason for the Recommended Change

The current provision fixes the number of directors at five. It does not allow the directors to increase the number of directors or decrease the number of directors. Under Idaho law, a vacancy in the Board of Directors does not impair the ability of the remaining board members to act as a board, although under Idaho law, if the number of directors is fixed in the bylaws, a quorum is a majority of such number. If the number is not fixed, a quorum is a majority of the directors then in office.

The Board of Directors believes that it would be a better practice to allow the directors to set the number of directors from time to time, expanding the size of the board if appropriate to bring on directors with knowledge and experience that could be useful to the Company and decreasing the size of the board as necessary on the creating of vacancies that will not soon be filled, thereby avoiding situations in which a quorum constitutes more than a simple majority of the directors then in office.

If Proposal 5 is approved, the Board of Directors currently intends to adopt a resolution fixing the number of directors at four.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE PROPOSAL 5, APPROVAL OF AN AMENDMENT TO THE IDAHO ARTICLES TO PROVIDE THAT THE NUMBER OF DIRECTORS IS TO BE FIXED FROM TIME TO TIME BY RESOLUTION OF THE BOARD OF DIRECTORS PURSUANT TO A RESOLUTION.

PROPOSAL 6: REINCORPORATION IN DELAWARE.

Proposal 6 is the merger of the Company with and into our wholly-owned subsidiary, Atlas Delaware, which was created for the merger. The purpose of the merger is to change our state of incorporation from Idaho to Delaware.

Consequences of Shareholder Vote

If Proposal 6 is approved and implemented, the terms of the certificate of incorporation for the Delaware corporation will depend on which if any of Proposals 2 through 5 which are approved.

If Proposal 6 is not approved, the Company will remain an Idaho corporation.

Proposal 6 is not dependent on the vote with respect to any other proposal, except as set forth above.

The address and telephone of principal executive offices of Atlas Delaware will be the same as the Company's.

At the effective time of the merger, the Company would file with the Delaware Secretary of State a certificate of incorporation that would govern the Company as a Delaware corporation, in substantially the form attached, with variations indicating alternative provisions as any or all proposals 2, 3, 4, and 5 are approved.

In addition, if Proposal 6 is approved, the bylaws of Atlas Delaware, the surviving Delaware corporation, will be in substantially the form attached hereto as Appendix C (the "Delaware Bylaws").

Copies of the Articles of Incorporation of the Company, as amended to date (the "Idaho Articles"), and the Bylaws of the Company, as amended to date (the "Idaho Bylaws"), are filed as Exhibits to our periodic reports with the U.S. Securities and Exchange Commission and are also available for inspection at the principal office of the Company. The Idaho Articles were filed as Exhibit 3.1 to Amendment No. 4 to Form SB-2 filed with the Commission on June 11, 2002. The Idaho Bylaws were filed as Exhibit 3(ii)1 to Form 8-K files on April 1, 2008. Copies will be sent to shareholders free of charge upon written request to the Company at 110 Greene Street, Suite 1101, New York, NY 10012.

Atlas Delaware was incorporated under Delaware law in August 2009, under the name of Atlas Mining Sub, Inc., as a wholly-owned subsidiary of the Company. As of the date and time immediately prior to the effective date of the reincorporation merger, if the reincorporation merger is effected, Atlas Delaware will not have any material assets or liabilities and will not have carried on any material business.

Management believes that reincorporation in Delaware is beneficial to the Company because Delaware corporate law is more comprehensive, widely used and extensively interpreted than other state corporate laws, including Idaho corporate law.

The Reincorporation Merger

The reincorporation merger would be effected pursuant to the Merger Agreement in substantially the form attached as Appendix A.

Upon completion of the reincorporation merger, the Company would cease to exist as a corporate entity and Atlas Delaware would continue to operate the business of the Company. The discussion of the reincorporation merger set forth below is qualified in its entirety by reference to the attached Merger Agreement.

Pursuant to the Merger Agreement, each outstanding share of Common Stock, no par value per share, of Atlas Mining Company would be converted automatically into one share of Common Stock of Atlas Delaware upon the effective date of the reincorporation merger. The par value of the Common Stock would be no par value if Proposal 2 is not approved and \$.001 par value if Proposal 3 is approved. Each stock certificate representing issued and outstanding shares of Common Stock of Atlas would continue to represent the same number of shares of Common Stock of Atlas Delaware. If the Company and Atlas Delaware effect the reincorporation merger, stockholders of the Company would not need to exchange such shareholder's existing stock certificates of the Company for stock certificates of Atlas Delaware. Stockholders may, however, exchange such shareholder's certificates if they choose to do so. Assuming that the Company and Atlas Delaware effect the reincorporation merger, Atlas Delaware may decide to issue substitute stock certificates in the future to replace the current certificates that are outstanding. If Atlas Delaware were to decide to issue substitute stock certificates, Atlas Delaware would notify its stockholders.

Pursuant to the Merger Agreement, the Company and Atlas Delaware agree to take all actions that Delaware law and Idaho law require for the Company and Atlas Delaware to effect the reincorporation merger.

The Merger Agreement provides that the respective obligations of the Company and Atlas Delaware under the Merger Agreement are subject to the following conditions:

- The stockholders of the Company have approved, the Merger Agreement;
- Notices of the shareholder's intent to demand payment if the proposed action is effectuated have not been delivered with respect to more than 0.5% of the outstanding shares of Common Stock; and
- No court or governmental authority, whether by statute, rule, regulation, executive order, decree, ruling, injunction or other order, has prohibited, restrained, enjoined or restricted the consummation of the reincorporation merger.

If the Company and Atlas Delaware effect the reincorporation merger, (i) all employee benefit plans of the Company would be continued by Atlas Delaware, (ii) each stock option issued and outstanding whether pursuant to such plans or otherwise would be converted automatically into a stock option with respect to the same number of shares of Common Stock of Atlas Delaware, upon the same terms and subject to the same conditions as set forth in the applicable plan under which the award was granted and in the agreement reflecting the award, and (iii) each PIK Note would be assumed and the conversion rights would be converted automatically conversion rights with respect to the same number of shares of Common Stock of Atlas Delaware, upon the same terms and subject to the same conditions as set forth in the PIK Notes.

If the stockholders of the Company approve the reincorporation merger, the Company and Atlas Delaware plan to effect the reincorporation merger as soon as practicable after the 2009 Annual Meeting.

The Merger Agreement provides that the Board of Directors of either the Company or Atlas Delaware may abandon the reincorporation merger for any reason, notwithstanding shareholder approval.

If the stockholders do not approve the reincorporation merger, the Company and Atlas Delaware would not consummate the merger and the Company would continue to operate as an Idaho corporation.

Under Idaho law, stockholders of the Company may have appraisal rights with respect to the reincorporation proposal. See Dissenters or Appraisal Rights below.

Vote Required for the Reincorporation Proposal

Idaho law requires that the votes cast "for" must exceed the votes cast "against" to approve the Merger Agreement. Abstentions and broker non votes will not be counted. A vote in favor of the reincorporation proposal is a vote to approve the Merger Agreement and therefore the reincorporation merger. A vote in favor of the reincorporation proposal is also effectively a vote in favor of the Certificate of Incorporation of Atlas Delaware as set forth in Appendix B, subject as to alternative provisions as to whether any or all of proposals 2, 3, 4, or 5 are approved, and the Bylaws of Atlas Delaware, as set forth in Appendix C.

Principal Reasons for the Reincorporation Proposal

The Company was originally incorporated in Idaho on January 24, 1925. The laws of Idaho were apparently suitable for the Company's operations at the time.

The Board of Directors has determined that the legal structures of, and case law construing, Delaware law would better suit the current needs of the Company and its stockholders than Idaho law does. In particular, in the opinion of the Board of Directors,

-

More so than most states, including Idaho, Delaware has established progressive principles of corporate governance that the Company could draw upon when making business and legal decisions;

- Delaware provides a more appropriate and flexible corporate and legal environment in which to operate than currently exists in the State of Idaho and that the Company and its stockholders would benefit from such an environment; and

- The well-established body of case law construing Delaware law, which has developed over the last century, provides businesses with a greater degree of predictability than Idaho provides.

Additionally, management believes that, as a Delaware corporation, the Company would be better able to continue to attract and retain qualified directors and officers than it would be able to as an Idaho corporation, in part, because Delaware law provides more predictability with respect to the issues of what constitutes an actionable breach of fiduciary duties and the liability of directors and officers than Idaho law does. The increasing frequency of claims against directors and officers that are litigated has greatly expanded the risks to directors and officers of exercising their respective duties. The amount of time and money required to respond to and litigate such claims can be substantial. Although Idaho law and Delaware law both permit a corporation to include a provision in the corporation's articles of incorporation or certificate, as the case may be, that in certain circumstances reduces or limits the monetary liability of directors for breaches of fiduciary duty of care, Delaware law, as stated above, provides to directors and officers more predictability than Idaho does and, therefore, provides directors and officers of a Delaware corporation a greater degree of comfort as to such director's risk of liability than that afforded under Idaho law.

Antitakeover Implications

The Company is subject to the Idaho Control Share Acquisition Law, which is designed to protect minority shareholders in the event that a person acquires or proposes to acquire, directly or indirectly, by tender offer or otherwise, shares giving it at least 20%, at least 33 1/3% or more than 50% of the voting power in the election of directors. This law applies to a publicly held Idaho corporation which has at least 50 shareholders unless a provision in the corporation's bylaws or articles, adopted in accordance with this law, makes an express election not to be subject to this law. We do not have any such provisions in our articles or bylaws.

Under the Idaho Control Share Acquisition Law, an acquiring person is required to deliver to the corporation an information statement disclosing, among other things, the identity of the person, the terms of the acquisition or proposed acquisition, and the financing of this acquisition. An acquiring person cannot vote those shares acquired in a control share acquisition that exceed one of the cited thresholds unless a resolution approved by 66 2/3% of the voting power of all shares entitled to vote thereon, excluding shares held by the acquirer or an officer or director, approves of such voting power. At the request of the acquiring person, such a resolution must be put forth before shareholders at a special meeting held within 55 days after receipt of the information statement, provided that the acquiring person undertakes to pay the costs of the special meeting and delivers to the corporation copies of definitive financing agreements with responsible entities for any required financing of the acquisition. If an information statement has not been delivered to the corporation by the 10th day after the acquirer obtains shares in excess of one of the above thresholds, or the shareholders of the corporation have voted not to accord voting rights to the acquirer's shares, the corporation may redeem all, but not less than all, of the acquirer's shares at fair market value. Shares that are not accorded voting rights pursuant to this law regain their voting rights when acquired by another person in an acquisition that is not subject to this law.

The Company is also subject to the Idaho Business Combination Act, which prohibits a publicly held corporation from engaging in certain business combinations with an "interested shareholder" for a period of three years after the date of the transaction in which the person became an interested shareholder unless, among other things, (i) the corporation's articles of incorporation or bylaws include a provision, adopted in accordance with this law, that expressly provides that the corporation is not subject to the statute (we do not have any such provisions in our articles or bylaws), or (ii) a committee of the corporation's Board of Directors approves of the business combination or the acquisition of the shares before the date such shares were acquired. After the three year moratorium period, the corporation may not consummate a business combination unless, among other things, it is approved by the affirmative vote of the holders of at least two-thirds of the outstanding shares, other than those beneficially owned by the interested shareholder or an affiliate or associate thereof, entitled to vote or the business combination meets certain minimum price and form of payment requirements. An interested shareholder is defined to include, with certain

exceptions, any person who is the beneficial owner of 10% or more of the voting power of the outstanding voting shares of the corporation. Business combinations subject to this law include certain mergers, consolidations, recapitalizations, and reverse share splits.

The application of the Idaho Control Share Acquisition Law and the Idaho Business Combination Law may have the effect of delaying, deferring or preventing a change of control of the Company.

The Delaware GCL has a provision called “Business Combinations with Interested Stockholders Act.” The Delaware provision is not applicable to corporations with less than 2,000 record stockholders, unless the corporation elects to be covered. Atlas Delaware has only about 1,560 record stockholders. Atlas Delaware has elected to be governed by the Business Combinations with Interested Stockholders Act. The Delaware GCL has no provision similar to the Idaho’s Control Share Acquisition Act.

The Delaware Business Combinations with Interested Stockholders Act generally operates to prevent a wide variety of transactions between the corporation, on one hand, and an “interested shareholder” and its affiliates, on the other hand. It generally prohibits a publicly held Delaware corporation from engaging in a “business combination” with an interested stockholder” for a period of three years after the date of the transaction in which the person became an interested stockholder, unless (i) prior to such date the Board of Directors of the corporation approved either the business combination or the transaction in which the person became an interested stockholder, (ii) upon consummation of the transaction that resulted in the stockholder becoming an interested stockholder, the interested stockholder owns at least 85% of the outstanding voting stock of the corporation excluding shares owned by officers or directors of the corporation and by certain employee stock plans, or (iii) on or after such date the business combination is approved by the Board of Directors of the corporation and by the affirmative vote of at least 66 2/3% of the outstanding voting stock of the corporation that is not owned by the interested stockholder. A “business combination” generally includes mergers, asset sales and similar transactions between the corporation and the interested stockholder, and other transactions resulting in a financial benefit to the stockholder. An “interested stockholder” is a person who, together with affiliates and associates, owns 15% or more of the corporation’s voting stock or who is an affiliate or associate of the corporation and, together with his affiliates and associates, has owned 15% or more of the corporation’s voting stock within three years.

Accordingly, the Delaware Business Combinations with Interested Stockholders Act can serve to provide Atlas Delaware with significantly more protections against unwanted takeovers than the Company has. The Board of Directors of the Company, however, is not proposing the reincorporation in order to prevent any known or suspected change in control of the Company and is not aware of any present attempt by any person to acquire control of the Company or to obtain representation on the Company’s Board of Directors.

No Change in the Board Members, Business, Management, or Employee Benefit Plans

The reincorporation proposal would affect only a change in the legal domicile of the Company and certain other changes of a legal nature, the most significant of which are described in this proxy statement. The proposed reincorporation merger would NOT result in any change in the business, management, fiscal year, assets or liabilities, or employee benefit plans. Assuming that the Company and Atlas Delaware effect the reincorporation merger, the directors and officers of the Company immediately prior to the effective date of the reincorporation merger will continue to be the directors and officers of Atlas Delaware. All stock options and convertible securities issued and outstanding would automatically be converted into a stock option or convertible securities with respect to the same number of shares of Atlas Delaware, upon the same terms and subject to the same conditions under which the award was granted and in the agreement reflecting the award. Approval of the reincorporation proposal would constitute approval of the assumption of these plans by Atlas Delaware. Assuming the Company and Atlas Delaware effect the reincorporation merger, Atlas Delaware would continue other employee benefit arrangements of the Company upon the terms and subject to the conditions currently in effect.

Comparison of Shareholder Rights Before and After the Reincorporation Merger

There are significant differences between the rights of our stockholders under,

- on one hand, the Delaware General Corporation Law (“Delaware GCL”), the Delaware Certificate of Incorporation (“Delaware Certificate”) and the Bylaws of the Delaware company (“Delaware Bylaws”) (collectively, such rights, the “Delaware Rights”); and,

- on the other hand, the Idaho Business Corporation Act (the “Idaho BCA”) and Company’s Amended Articles of Incorporation (“Idaho Articles”) and the current Bylaws (“Idaho Bylaws”) (collectively, such rights, the “Idaho Rights”).

Set forth below is a description that summarizes some significant differences in the Delaware Rights and the Idaho Rights.

The summary of the differences is significant because if the stockholders of the Company approve the reincorporation proposal and the reincorporation merger becomes effective, the Delaware Certificate and the Delaware Bylaws in effect immediately prior to the effective date of the reincorporation merger would become the certificate of incorporation and bylaws of Atlas Delaware. The Delaware Certificate with possible variations (depending on which, if any, of Proposals 2, 3, 4, or 5 are adopted) is attached as Appendix B. The Delaware Bylaws are attached as Appendix C. All statements in this proxy statement concerning such documents are qualified by reference to the complete provisions of the documents.

In addition to the differences described below, the Delaware Certificate and the Delaware Bylaws include certain technical differences from the Idaho Articles and Idaho Bylaws that constitute, in the opinion of the Board of Directors, insignificant differences between Delaware law and Idaho law.

The description below is not intended to be relied upon as a complete description of the differences, and is qualified in its entirety by reference to Idaho BCA, Delaware GCL, the Idaho Articles and Idaho Bylaws, and the Delaware Certificate and Delaware Bylaws.

The discussion below discusses the Idaho Rights as they currently exist and the Delaware Rights as they would exist if the reincorporation merger is approved. The discussion does not refer to such rights as they could be amended by amendments to, on one hand, the Delaware Certificate or Delaware Bylaws or, on the other hand, the Idaho Articles or Idaho Bylaws or by other factors not in existence or contemplated by the Board of Directors. Such amendments could include, among other things, a classified Board of Directors, cumulative voting, or changes from, or back to, default rules in the statute. Other factors not in existence or contemplated include the issuance of Preferred Stock. None of such amendments or other factors is currently contemplated by the Board of Directors.

ISSUES RELATING TO DIRECTORS

The number is fixed at five.

The Delaware rights will depend on whether Proposal 5 is approved.

(Article VI of the Idaho Articles)

If Proposal 5 is approved, the number can be fixed from time to time solely by resolution of the Board of Directors, acting by not less than a majority of the directors then in office.

If Proposal 5 is not approved, the number will remain fixed at five.

If Proposal 5 is approved, the Board of Directors currently intends to adopt a resolution fixing the number of directors at four.

Terms of the advance notice bylaws Advance notice bylaws are contained in the Idaho Bylaws and the Delaware Bylaws.

There are three major bases for comparing the Bylaws: the timing of shareholder notice, the content of the notice, and information to be provided by a person nominated as a director by a shareholder.

1. Timing of the shareholder's notice

In order to be timely, a shareholder's notice shall be delivered not later than the close of business on the 90th day prior to the first anniversary of the preceding year's annual meeting; however, that in the event that the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice must be delivered not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

DISSENTERS OR APPRAISAL RIGHTS ARE AVAILABLE UNDER IDAHO BCA FOR THE REINCORPORATION

Shareholders who follow the procedures set forth in Sections 30-1-1301 through 30-1-1331 of the Idaho Business Corporations Act, copies of which are annexed hereto as Appendix D, may be entitled to dissent from the reincorporation, and to obtain payment in cash for such shareholder's shares of the Company's Common Stock.

The following summary of the Idaho Business Corporations Act as it relates to dissenters' rights is not intended to be a complete statement such provisions and is qualified in its entirety by the reference to the copy of the applicable sections of the Idaho Business Corporations Act annexed hereto.

1. Any shareholder who wishes to dissent to the reincorporation and obtain payment for such shareholder's shares must deliver to the Company before the vote is taken written notice of such shareholder's intent to demand payment for such shareholder's shares if the proposed action is effectuated, and the shareholder must not vote such shareholder's shares in favor of the proposed action. If a shareholder does not satisfy these requirements, they are not entitled to exercise such shareholder's dissenters' rights and to receive payment for such shareholder's shares. A shareholder's failure to vote against the reincorporation proposal will not constitute a waiver of the appraisal. A vote against the reincorporation proposal will not in itself be deemed to satisfy requirements the requirement to deliver written notice of intent to demand payment.

2. If the proposed corporate action is approved by the required vote at a meeting of shareholders, the Company is required to (and the Company will), within ten days after the corporate action is taken, deliver to those shareholders that have given prior written notice of such shareholder's intent to dissent and have refrained from voting in favor of the proposed action, a written notice which must:
 - (a) Specify the date of the first announcement to shareholders of the principal terms of the proposed corporate action ("Announcement Date") and require the shareholder asserting appraisal rights to certify:
 - (i) Whether or not beneficial ownership of those shares for which appraisal rights are asserted was acquired before the Announcement Date; and

That the shareholder did not vote for the transaction;
 - (ii)
 - (b) State where the demand for payment must be sent and where and when certificates for certificated shares must be deposited;
 - (c) Set a date by which the Company must receive the payment demand, which date may not be fewer than 40 nor more than 60 days after the date the notice by the Company is delivered ("Return Date");
 - (d) State that, if requested in writing, the Company will provide, to the shareholders so requesting, the number of shareholders who return the forms by the specified date and the total number of shares owned by them;
 - (e) State the date by which the notice to withdraw must be received, which date must be within twenty (20) days after the Return Date; and
 - (f) Be accompanied by a copy of the applicable sections of the Idaho BCA regarding appraisal.

3. A shareholder who receives notice described in paragraph (2) above and who wishes to exercise appraisal rights must certify on the form sent by the Company whether the beneficial owner of such shares acquired beneficial

ownership of the shares before the Announcement Date. In addition, a shareholder who wishes to exercise appraisal rights must execute and return the form and deposit the shareholder's certificates in accordance with the terms of the notice described in paragraph (2) above. A shareholder who has complied with such procedures may nevertheless decline to exercise appraisal rights and withdraw

from the appraisal process by so notifying the Company in writing by the date set forth in the notice described in paragraph (2) above. A shareholder who fails to so withdraw from the appraisal process may not thereafter withdraw without the Company's written consent. A shareholder who does not execute and return the form and deposit that shareholder's share certificates shall not be entitled to payment.

4. Within 30 days of the Return Date, the Company is required to (and the Company will), except as set forth in (5) below, remit to dissenters who have made demand and have deposited such shareholder's certificates, the amount which the Company estimates to be the fair value of the shares, with interest if any has accrued. The remittance shall be accompanied by:

- (a) the Company's closing balance sheet and statement of income for a fiscal year ending not more than 16 months before the date of remittance, and income statement for that year, a statement of changes in shareholders' equity for that year, and the latest available interim financial statements, if any;
- (b) A statement of the Company's estimate of fair value for the shares;
- (c) A statement that shareholders have the right to demand further payment and that if any shareholder does not do so within the time period specified therein, such shareholder shall be deemed to have accepted such payment in full satisfaction of the Company's obligations.

5. The Company may elect to withhold payment described in (4) from any shareholder who did not certify that beneficial ownership of all of the shareholder's shares for which appraisal rights are asserted was acquired before the Announcement Date. If the Company elected to withhold payment, it is required to (and the Company will), within thirty days after the Return Date, it must :

- (a) Provide the information referred to in paragraph 4(a) and (b);
- (b) Notify the shareholders that: they may accept the Company's estimate of fair value, plus interest, in full satisfaction of such shareholder's demands or demand appraisal as described in paragraph 6 below; those shareholders who wish to accept such offer must so notify the Company of such shareholder's acceptance of the Company's offer within thirty days after receiving the offer; and those shareholders who do not satisfy the requirements for demanding appraisal described in paragraph 6 below shall be deemed to have accepted the Company's offer. Within ten days after receiving the shareholder's acceptance, the Company must pay in cash the amount it offered to each shareholder who agreed to accept the Company's offer in full satisfaction of the shareholder's demand. Within forty days after sending the notice described, the Company must pay in cash the amount it offered to pay to each shareholder who do not satisfy the requirements for demanding appraisal described in paragraph 6 below.

6. A shareholder paid pursuant paragraph 4 above, who is dissatisfied with the amount of the payment must notify the Company in writing of that shareholder's estimate of the fair value of the shares and demand payment of that estimate plus interest, less any payment already made. A shareholder offered payment paragraph 5, who is dissatisfied with that offer must reject the offer and demand payment of the shareholder's stated estimate of the fair value of the shares plus interest. A shareholder who fails to notify the Company in writing of that shareholder's demand to be paid the shareholder's stated estimate of the fair value plus interest within thirty days after receiving the Company's payment or offer of payment under paragraphs 4 or 5, waives the right to demand payment under this section and shall be entitled only to the payment made or offered pursuant to those respective sections.

7. If a shareholder makes demand for payment under paragraph 6, which remains unsettled, the Company shall commence a proceeding within sixty days after receiving the payment demand and petition the court to determine the

fair value of the shares and accrued interest. If the Company does not commence the proceeding within the sixty-day period, it shall pay in cash to each shareholder the amount demanded, plus interest. Each shareholder made a party to the proceeding is entitled to judgment: (a) for the amount, if any, by which the court finds the fair value of the shareholder's shares, plus interest, exceeds the amount paid by the Company to the shareholder for such shares; or (b) for the fair value, plus interest, of the shareholder's shares for which the Company elected to withhold payment under paragraph 6.

ACCOUNTING TREATMENT OF THE REINCORPORATION MERGER

The reincorporation merger would be accounted for as a reverse merger whereby, for accounting purposes, the Company would be considered the acquirer and Atlas Delaware would be treated as the successor to the historical operations of the Company. Accordingly, the historical financial statements of the Company, which the Company previously reported to the Securities and Exchange Commission on Forms 10-K and 10-Q, among other forms, as of and for all periods through the date of this proxy statement, would be treated as the financial statements of Atlas Delaware.

REGULATORY APPROVAL

To the Company's knowledge, no regulatory or governmental approval or filings are necessary in connection with the consummation of the reincorporation merger. The only filings necessary in connection with the consummation of the reincorporation merger would be the filing of articles of merger with the Secretary of State of Idaho and the filing of a certificate of merger with the Secretary of State of Delaware.

CERTAIN FEDERAL INCOME TAX CONSEQUENCES

The Company has been advised by its counsel, K&L Gates LLP, that, for federal income tax purposes, no gain or loss would be recognized by the holders of the Common Stock of the Company a result of the consummation of the reincorporation merger and no gain or loss would be recognized by the Company or Atlas Delaware. In addition, counsel has advised the Company that each former holder of Common Stock of the Company would have the same basis in the Common Stock of Atlas Delaware received by such person pursuant to the reincorporation merger as such holder had in the Common Stock of the Company held by such person immediately prior to the consummation of the reincorporation merger, and such person's holding period with respect to such Common Stock of Atlas Delaware would include the period during which such holder held the corresponding Common Stock of Atlas, provided the latter was held by such person as a capital asset immediately prior to the consummation of the reincorporation merger.

State, local or foreign income tax consequences to stockholders may vary from the federal tax consequences described above.

STOCKHOLDERS SHOULD CONSULT SUCH SHAREHOLDER'S OWN TAX ADVISERS AS TO THE EFFECT OF THE REINCORPORATION MERGER UNDER APPLICABLE FEDERAL, STATE, LOCAL OR FOREIGN INCOME TAX LAWS.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" PROPOSAL 6, APPROVAL OF THE REINCORPORATION OF THE COMPANY INTO THE STATE OF DELAWARE.

EXECUTIVE COMPENSATION

Introduction

The Board of Directors has not created a separate compensation committee or a charter for such committee and the Board of Directors as a whole acts as a compensation committee. The Board of Directors does not believe a separate compensation committee is needed in view of the size of the Company, the involvement of the Board of Directors in Company affairs, and the history and structure of executive compensation. Persons whose compensation is being determined or negotiated by the Board of Directors do not participate in the Board deliberations. The Board has not used compensation consultants.

Executive Compensation

The following Summary Compensation table contains information about the compensation received by the executive officers and highly paid employees for the fiscal years ended December 31, 2008 and December 31, 2007.

(1) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2008 fiscal year for the fair value of stock options granted to each individual in 2008 in accordance with SFAS 123(R). Pursuant to SEC rules, the amounts shown exclude the impact of estimated forfeitures related to service-based vesting conditions. These amounts reflect the Company's accounting expense for these awards, and do not correspond to the actual value that will be recognized by the named executive officers.

- (2) Mr. Lyon was appointed interim CEO on June 28, 2008 for six months. His appointment terminated on December 28, 2008. Initially, the employment contract provided for a monthly salary of \$12,500 to serve as President and Chief Executive Officer and the grant of five year options to purchase 50,000 shares at \$0.65 per share, the options vesting ratably and monthly over the employment period. The employment agreement was amended in September, 2008 to provide for a salary of \$18,000 per month and options to acquire an additional 25,000 at \$0.71 per share, such options vesting ratably and monthly.
- (3) The exercise prices were set at the market price of the common stock as of the day of grant except.
- (4) Mr. Jacobson was Chairman at all times during 2007 and during 2008 until June 28, 2008. He was CEO and President during the same period except for the period from July 9, 2007 to November 30, 2007. His employment agreement was in effect at all times. Mr. Jacobson resigned as Chairman, CEO and president on June 28, 2008.
- (5) Mr. Jacobson entered into a five year employment contract dated October 1, 2004 that provided for annual salaries of \$120,000, \$150,000, \$200,000, \$225,000, \$250,000 and provided for options to acquire up to 3,500,000 shares of common stock over a five year period at \$0.18 per share. 1.5 million options vested on January 1, 2005 and an additional 500,000 were scheduled to vest each January 1 thereafter. The closing market price on October 1, 2004 was \$0.295. The employment contract provided that in the event of termination by the Company for reasons other than theft or fraud, Mr. Jacobson would be entitled to two years salary, health benefits and vesting of unvested options and the ability to exercise options for two years after termination.
- (6) On December 12, 2008, Ronald Price resigned as a director of the Company pursuant to the terms of a separation agreement (the "Separation Agreement"). He was not an employee of the Company. He also resigned as an officer and director of Nano Clay & Technologies, Inc., a subsidiary of the Company that has been administratively dissolved. Pursuant to the Separation Agreement, Mr. Price is to render certain cooperation and services. Pursuant to the Agreement, until March 1, 2009, he was paid amounts equal to the compensation under his employment agreement with Nano Clay & Technologies, Inc., which was terminated by the Agreement (at the rate of \$200,000 per year). For the period from March 1, 2009 to February 28, 2010, he will be paid \$50,000, such amount is to be paid in monthly installments of \$4,167. Under the Separation Agreement, Mr. Price is subject to certain confidentiality and non-disparagement agreements and also to a non-compete agreement that expires in 2010.

Mr. Price entered into a three year employment contract dated March 9, 2006 that provided for annual salaries of \$150,000, \$175,000, \$200,000. The employment contract provided that in the event of termination by the Company for reasons other than just cause, Mr. Price would be entitled to six month's salary.

- (7) Mr. Weiss served as Chief Restructuring Officer from the period November 1, 2008 to May 1, 2009 and as a consultant thereafter. The Company entered into a Consulting Agreement (the "Consulting Agreement") with Mr. Weiss, a director, on November 1, 2008 pursuant to which Mr. Weiss served as Chief Restructuring Officer for a period of six months. The Consulting Agreement provided that Mr. Weiss' duties included: (i) oversight and management of (1) pending and anticipated securities, corporate, insurance and other significant litigation involving the Company or its affiliates, (2) the disposition of the contract mining business and such other businesses and entities in which the Company holds an interest as may be determined by the Board, and (3) such other matters as agreed upon by Mr. Weiss and the Board; (ii) advising the Board and senior management of the Company with respect to other significant restructuring matters, and (iii) such other duties and responsibilities on which the Board and the Consultant shall mutually agree.

The Consulting Agreement provided for compensation in the form of stock options and cash. The stock option compensation under the Agreement was 550,000 options to acquire Company common stock with an exercise price of \$0.70 per share and expiring in ten years. 250,000 options vested during the term of the Agreement and 300,000

options would vest at the end of the Agreement unless the Board determined that Mr. Weiss' performance was not satisfactory, in which case the number of options awarded was at the discretion of the Board. The reported closing price of the Company's stock on October 31, 2008 was \$0.28. The board concluded that Mr. Weiss' performance was more than satisfactory and thus 300,000 options vested at the end of the Consulting Agreement (for a total of 550,000 options as provided under the agreement). The cash

compensation under the Agreement was \$100,000 during the term of the Consulting Agreement plus a bonus of up to \$100,000, the award of which was dependent on a Board determination as to whether Mr. Weiss' performance was satisfactory and the amount of such bonus was at the discretion of the Board. The board determined that Mr. Weiss' performance was more than satisfactory thus the amount of the cash bonus was \$100,000 and the Board and Mr. Weiss agreed the amount would be payable in six monthly installments.

In addition, on May 1, 2009, Mr. Weiss agreed to review the documentation to be generated in connection with the negotiation of the final settlement agreements in the class action in which the Company was a defendant and the insurance coverage litigation involving the Company. As compensation for such services, the Board granted Mr. Weiss 100,000 options to acquire Company common stock with an exercise price of \$0.70 per share, expiring in ten years, and vesting on completion of the final settlement agreements. The reported closing price of the Company's stock on April 30, 2009 was \$0.49.

(8) Ms. Suveg entered into a three-year employment contract dated August 8, 2007 to serve as Chief Financial Officer at a salary of \$168,000. The employment contract called for the grant of options to purchase 250,000 shares at \$2.41 per share, 100,000 of which vested on the grant date and 100,000 and 50,000 were to vest on the first and second anniversaries. No options were exercised. The employment contract provided that in the event of termination by the Company for reasons other than theft of fraud, Ms. Suveg would be entitled to two years salary, health benefits and vesting of unvested options and the ability to exercise options for two years after termination. We treated Ms. Suveg's voluntary resignation as a breach of her employment agreement and we recognized no amounts for financial statement reporting purposes in accordance with SFAS 123(R) with respect to the option grants.

(9) Pursuant to her employment agreement, Ms. Suveg was designated as Chief Financial Officer from August 8, 2007 until November 13, 2007. She was not employed during the period from November 14, 2007 until November 30, 2007. While she was employed in 2007 and 2008, she functioned as principal financial officer. She resigned as interim corporate secretary on January 11, 2008. She terminated as an employee on March 31, 2009 although she continues as a consultant.

INDEPENDENT AUDITOR

PMB Helin Donovan, LLP was selected by our Board of Directors as the Company's independent accountant for the fiscal year ending December 31, 2008 and for the fiscal year ending December 31, 2009. Representatives of PMB Helin Donovan will not be attending the shareholder meeting.

Changes in Registrant's Certifying Accountant

As noted in the Company's Form 8-K filed with the SEC on August 27, 2008, on August 20, 2008, Company dismissed Chisholm, Bierwolf & Nilson, LLC ("Chisholm") as independent auditors.

The decision to change accountants was approved by the Board of Directors. Chisholm was not the auditor with respect to and hence rendered no report on Company financials for the years ended December 31, 2007 or 2008. With respect to financial statements for periods for which Chisholm acted as independent auditor, it did not render a report containing an adverse opinion or a disclaimer of opinion, or an opinion that was qualified or modified as to uncertainty, audit scope, or accounting principles.

The decision to dismiss Chisholm was approved by the Board of Directors of the Company on recommendation of a special committee of the Board of Directors.

There were no disagreements with Chisholm on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Chisholm, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

On August 21, 2008, the Company retained PMB Helin Donovan LLP ("PMB") as independent auditors for the purposes of auditing the financial statements. PMB's reports on the financial statements for the periods ending December 31, 2007 and 2008 were included in the Annual Reports for the periods ending December 31, 2007 and 2008.

The Company provided Chisholm with a copy of the disclosures made above in the accounting section hereof and in a letter addressed to the Securities and Exchange Commission, Chisholm stated that it was "in agreement with only those statements...as they relate to our firm."

The Company has provided PMB Helin Donovan with a copy of the disclosures made in the Accounting section hereof and requested that Chisholm furnish it with a letter addressed to the Securities and Exchange Commission stating whether it agrees with such statements and, if not, stating the respects in which it does not agree.

Fees payable to PMB

The following table presents fees for audit services rendered by PMB Helin Donovan, the independent auditor for the audit of the Company's annual consolidated financial statements for the years ended December 31, 2008 and 2007.

| Tax Fees (2) | - 0 - | - 0 - |

| Total | \$ 44,338 | \$ 48,912 |

(1) Fees for audit services billed or expected to be billed relating to fiscal 2007 consisted of (a) audit of the Company's financial statements, (b) reviews of the Company's quarterly financial statements, statutory and regulatory audits, consents and other services related to SEC matters, (c) audit of the Company's internal control over financial reporting with the objective of obtaining reasonable assurance about whether effective control over financial reporting was maintained in all material respects, and (d) attestation of management's assessment of internal control, as required by the Sarbanes-Oxley Act of 2002, Section 404.

Fees for audit services billed or expected to be billed relating to fiscal 2008 consisted of (a) audit of the Company's financial statements, and (b) reviews of the Company's quarterly financial statements, statutory and regulatory audits, consents and other services related to SEC matters.

(2) Tax fees represent the aggregate fees paid for professional services, principally including fees for tax compliance and tax advice.

(3) All other fees represent the aggregate fees paid for products and services that are not included in the "Audit fees," "Audi-related fees," and "Tax fees" sections. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal registered public accounting firm's independence.

PROPOSALS OF SHAREHOLDERS FOR 2010 ANNUAL MEETING

Shareholders who, in accordance with SEC Rule 14a-8, wish to present proposals for inclusion in the proxy materials to be distributed in connection with next year's Annual Meeting Proxy Statement must submit such shareholder's proposals so that they are received at the Company's principal executive offices no later than the close of business on December 1, 2009. As the rules of the SEC make clear, simply submitting a proposal does not guarantee that it will be included.

Shareholders who wish make nominations not pursuant to SEC Rule 14a-8 must provide notice within 10 days after the public announcement of the 2010 annual meeting date. To be in proper form, a shareholder's notice must include the specified information concerning the proposal or nominee as described in our Bylaws. A shareholder who wishes to submit a proposal or nomination is encouraged to seek independent counsel about our Bylaw and SEC requirements.

The Company will not consider any proposal or nomination that does not meet the Bylaw and SEC requirements for submitting a proposal or nomination.

OTHER MATTERS

The Board of Directors knows of no other business that will be presented at the meeting. If any other business is properly brought before the meeting, it is intended that proxies in the enclosed form will be voted in respect thereof in accordance with the judgment of the persons voting the proxies.

Whether you intend to be present at this meeting or not, you are urged to return your proxy promptly.

2. Conversion of Securities on Merger.

2.1 Effect of Merger on Capital Stock. Each share of Merging Corporation's common stock, no par value per share (other than shares ("Dissenting Shares") that are owned by shareholders ("Dissenting Shareholders") that are entitled to and properly exercise appraisal rights pursuant Chapter 13 of the Idaho Business Corporation Act), issued and outstanding immediately before the Effective Date shall, by virtue of the Merger and without any action on the part of the holder thereof, be converted into and become one (1) validly issued, fully paid and nonassessable share of Surviving Corporation's common stock, \$0.001 par value per share (the "Surviving Corporation Stock"). Each share of Surviving Corporation's common stock issued and outstanding immediately before the Effective Date of the Merger shall be canceled without any consideration being issued or paid therefore, without any further action on the part of the holder thereof.

2.2 Effect of Merger on Options and PIK Notes. Each option of the Merging Corporation issued and outstanding immediately prior to the Effective Date shall be (a) converted into and shall be an identical security of the Surviving Corporation subject to the same agreement and terms as then exist with respect thereto, and (b) otherwise in the case of securities to acquire common stock of the Merging Corporation, converted into the identical right to acquire the same number of shares of Surviving Corporation Stock as the number of shares of common stock of the Merging Corporation that were acquirable pursuant to such option, warrant or other security. Each 10% PIK Election Convertible Note of the Merging Corporation issued and outstanding immediately prior to the Effective Date shall be (a) converted into and shall be an identical security of the Surviving Corporation subject to the same agreement and terms as then exist with respect thereto, and (b) otherwise in the case of securities to acquire common stock of the

2.3 Certificates. At and after the Effective Date, all of the outstanding certificates which immediately prior thereto represented shares of Merging Corporation stock (other than Dissenting Shares), or options, warrants or other securities of the Merging Corporation, shall be deemed for all purposes to evidence ownership of and to represent the shares of Surviving Corporation Stock, or options, warrants or other securities of Surviving Corporation, as the case may be, into which the shares of Merging Corporation stock, or options, warrants or other securities of the Surviving Corporation, as the case may be, represented by such certificates have been converted as herein provided and shall be so registered on the books and records of the Surviving Corporation or its transfer agent. The registered owner of any such outstanding certificate shall, until such certificate shall have been surrendered for transfer or otherwise accounted for to the Surviving Corporation or its transfer agent, have and be entitled to exercise any voting and other rights with respect to, and to receive any dividends and other distributions upon, the shares of Surviving Corporation Stock, or options, warrants or other securities of Surviving Corporation, as the case may be, evidenced by such outstanding certificate, as above provided.

2.4 Appraisal Rights. No Dissenting Shareholder shall be entitled to shares of Surviving Corporation Stock hereunder if the holder thereof shall have failed to perfect or shall have effectively withdrawn or lost such holder's right to appraisal under the Idaho Business Corporation Act, and any Dissenting Shareholder shall be entitled to receive only the payment provided by the Idaho Business Corporation Act with respect to Dissenting Shares owned by such Dissenting Shareholder. If any person or entity who otherwise would be deemed a Dissenting Shareholder shall have failed to properly perfect or shall have effectively withdrawn or lost the right to appraisal with respect to any shares which would be Dissenting Shares but for that failure to perfect or withdrawal or loss of the right to appraisal, such Dissenting Shares shall thereupon be treated as though such Dissenting Shares had been converted into shares of Surviving Corporation Stock.

3. Foreign Qualification. Surviving Corporation covenants and agrees, to the extent required by applicable law, to register or qualify, as applicable, to do business as a foreign corporation in those states in which Merging Corporation is qualified to do business immediately prior to the Effective Date.

4.3 Governmental Approvals; No Restraints. No statute, rule, regulation, executive order, decree, ruling, injunction or other order (whether temporary, preliminary or permanent) shall have been enacted, entered, promulgated or enforced by any court or governmental authority of competent jurisdiction that prohibits, restrains, enjoins or restricts the consummation of the Merger.

5. Amendment. The respective Boards of Directors of the Constituent Corporations may amend this Merger Agreement at any time prior to the Effective Date, provided that an amendment made subsequent to the approval of the Merger by the stockholders of Merging Corporation shall not (a) alter or change the amount or kind of shares, securities, cash, property or rights to be received under this Merger Agreement by the shareholders of Merging Corporation; (b) alter or change any term of the Certificate of Incorporation of Surviving Corporation; or (c) alter or change any of the terms and conditions of this Merger Agreement if such alteration or change would adversely affect the shareholders of Merging Corporation.

Article I

1. Place of Meeting. Meetings of the stockholders shall be held at the registered office of the Corporation in Delaware, or at such other place within or without the State of Delaware as may be designated by the Board of Directors or the stockholders.
2. Annual Meeting. The annual meeting of the stockholders shall be held on such date and at such time and place as the Board of Directors may designate. The date, place and time of the annual meeting shall be stated in the notice of such meeting delivered to or mailed to stockholders. At such annual meeting the stockholders shall elect directors, in accordance with the requirements of the Certificate of Incorporation, and transact such other business as may properly be brought before the meeting.
3. Quorum. The holders of stock representing a majority of the voting power of all shares of stock issued and outstanding and entitled to vote, present in person or by proxy, shall be requisite for and shall constitute a quorum of all meetings of the stockholders, except as otherwise provided by law, by the Certificate of Incorporation or by these By-laws. If a quorum shall not be present at any meeting of the stockholders, the stockholders present in person or by proxy and entitled to vote shall, by the vote of holders of stock representing a majority of the voting power of all shares present at the meeting, have the power to adjourn the meeting from time to time in the manner provided in paragraph 4 of Article I of these By-laws until a quorum shall be present.
4. Adjournments. Any meeting of stockholders, annual or special, may adjourn from time to time to reconvene at the same or some other place, and notice need not be given of any such adjourned meeting if the time and place thereof are announced at the meeting at which the adjournment is taken. At the adjourned meeting the Corporation may transact any business which might have been transacted at the original meeting. If the adjournment is for more than thirty days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder of record entitled to vote at the meeting.
5. Voting; Proxies. At each meeting of the stockholders of the Corporation, every stockholder having the right to vote may authorize another person to act for him or her by proxy. Such authorization must be in writing and executed by the stockholder or his or her authorized officer, director, employee, or agent. To the extent permitted by law, a stockholder may authorize another person or persons to act for him or her as proxy by transmitting or authorizing the transmission of a telegram, cablegram or other means of electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission provided that the telegram, cablegram or electronic transmission either sets forth or is submitted with information from which it can be determined that the telegram, cablegram or other electronic transmission was authorized by the stockholder. A copy, facsimile transmission or other reliable reproduction of a writing or transmission authorized by this paragraph 5 of Article I may be substituted for or used in lieu of the original writing or electronic transmission for

any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile transmission or other reproduction shall be a complete reproduction of the entire original writing or transmission. No proxy authorized hereby shall be voted or acted upon more than three years from its date, unless the proxy provides for a longer period. No ballot, proxies or votes, nor any revocations thereof or changes thereto shall be accepted after the time

set for the closing of the polls pursuant to paragraph 11 of Article I of these By-laws unless the Court of Chancery upon application of a stockholder shall determine otherwise. Each proxy shall be delivered to the inspectors of election prior to or at the meeting. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as long as, it is coupled with an interest sufficient in law to support an irrevocable power. A stockholder may revoke any proxy which is not irrevocable by attending the meeting and voting in person or by filing an instrument in writing revoking the proxy or by filing a subsequent duly executed proxy with the Secretary of the Corporation. Unless a greater number of affirmative votes is required by the Certificate of Incorporation, these By-laws, the rules or regulations of any stock exchange applicable to the Corporation, or as otherwise required by law or pursuant to any regulation applicable to the Corporation, if a quorum exists at any meeting of stockholders, stockholders shall have approved any matter, other than the election of directors, if the votes cast by stockholders present in person or represented by proxy at the meeting and entitled to vote on the matter in favor of such matter exceed the votes cast by such stockholders against such matter. A nominee for director shall be elected to the Board of Directors by a plurality of the votes cast at any meeting of stockholders.

6. Notice. Written notice of an annual or special meeting shall be given to each stockholder entitled to vote thereat, not less than ten nor more than sixty days prior to the meeting. If mailed, such notice shall be deemed to be given when deposited in the mail, postage prepaid, directed to the stockholder at his or her address as it appears on the records of the Corporation.
7. Inspectors of Election. The Corporation shall, in advance of any meeting of stockholders, appoint one or more inspectors of election to act at the meeting and make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. In the event that no inspector so appointed or designated is able to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspector or inspectors so appointed or designated shall (i) ascertain the number of shares of capital stock of the Corporation outstanding and the voting power of each such share, (ii) determine the shares of capital stock of the Corporation represented at the meeting and the validity of proxies and ballots, (iii) count all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares of capital stock of the Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification shall specify such other information as may be required by law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of the Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.
8. Stock List. At least ten days before every meeting of the stockholders a complete list of the stockholders entitled to vote at said meeting, arranged in alphabetical order, with the post office address of each, and the number of shares held by each, shall be prepared by the Secretary. Such list shall be open to the examination of any stockholder for any purpose germane to the meeting, during ordinary business hours at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at the place where the meeting is to be held for said ten days, and shall be produced and kept at the time and place of meeting during the whole time thereof and subject to the inspection of any stockholder who may be present. The original or duplicate stock ledger shall be provided at the time and place of each meeting and shall be the only evidence as to who are the stockholders entitled to examine the list of stockholders or to vote in person or by proxy at such meeting.

9. **Special Meetings.** Special meetings of the stockholders for any purpose or purposes may be called by the Chair of the Board, and shall be called by the Chair of the Board, if any, the President, or the Secretary at the request in writing of a majority of the Board of Directors or one or more record holders of shares of stock of the Corporation representing in the aggregate not less than twenty percent (20%) of the total number of shares of stock entitled to vote on the matter or matters to be brought before the proposed special meeting. A stockholder request for a special meeting shall be directed to the Secretary and shall be signed by each stockholder, or a duly authorized agent of such stockholder, requesting the special meeting and shall be accompanied by a notice setting forth the information required by paragraph 13 of this Article or paragraph 13 of Article II of these By-laws, as applicable, as to any nominations proposed to be presented and any other business proposed to be conducted at such special meeting and as to the stockholder(s) requesting the special meeting, as well as the written questionnaire and written representation and agreement required by paragraph 15 of Article II of these By-laws from any nominee for election as a director of the Corporation. A special meeting requested by stockholders shall be held at such date, time and place within or without the state of Delaware as may be designated by the Board of Directors; provided, however, that the date of any such special meeting shall be not more than ninety (90) days after the request to call the special meeting by one or more stockholders who satisfy the requirements of this paragraph 9 of Article I is received by the Secretary. Notwithstanding the foregoing, a special meeting requested by stockholders shall not be held if: (i) the stated business to be brought before the special meeting is not a proper subject for stockholder action under applicable law, or (ii) the Board of Directors has called or calls for an annual meeting of stockholders to be held within ninety (90) days after the Secretary receives the request for the special meeting and the Board of Directors determines in good faith that the business of such annual meeting includes (among any other matters properly brought before the annual meeting) the business specified in the stockholder's request. A stockholder may revoke a request for a special meeting at any time by written revocation delivered to the Secretary, and if, following such revocation, there are un-revoked requests from stockholders holding in the aggregate less than the requisite number of shares entitling the stockholders to request the calling of a special meeting, the Board of Directors, in its discretion, may cancel the special meeting. If none of the stockholders who submitted the request for a special meeting appears or sends a qualified representative to present the nominations proposed to be presented or other business proposed to be conducted at the special meeting, the Corporation need not present such nominations or other business for a vote at such meeting. Business transacted at all special meetings shall be confined to the matters stated in the notice of special meeting. Business transacted at a special meeting requested by stockholders shall be limited to the matters described in the special meeting request; provided, however, that nothing herein shall prohibit the Board of Directors from submitting matters to the stockholders at any special meeting requested by stockholders. The Chair of a special meeting shall determine all matters relating to the conduct of the meeting, including, but not limited to, determining whether any nomination or other item of business has been properly brought before the meeting in accordance with these By-laws, and if the Chair should so determine and declare that any nomination or other item of business has not been properly brought before the special meeting, then such business shall not be transacted at such meeting.
10. **Organization.** Meetings of stockholders shall be presided over by the Chair of the Board, if any, or in his or her absence by a Chair designated by the Board of Directors, or in the absence of such designation by a Chair chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the Chair of the meeting may appoint any person to act as secretary of the meeting.
11. **Conduct of Meetings.** The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at such meeting by the person presiding over the meeting. The Board of Directors of the Corporation may adopt by resolution such rules or regulations for the conduct of meetings of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board of Directors, the chair of any meeting of stockholders shall have the right and authority to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such chair, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether

adopted by the Board of Directors or prescribed by the chair of the meeting, may include, without limitation, the following: (1) the establishment of an agenda or order of business for the meeting; (2) rules and procedures for

C-66

maintaining order at the meeting and the safety of those present; (3) limitations on attendance at or participation in the meeting, to stockholders of record of the Corporation, their duly authorized and constituted proxies or such other persons as the chair shall permit; (4) restrictions on entry to the meeting after the time fixed for the commencement thereof, and (5) limitations on the time allotted to questions or comments by participants. Unless, and only to the extent, determined by the Board of Directors or the chair of the meeting, meetings of stockholders shall not be required to be held in accordance with rules of parliamentary procedure.

Article II

Directors.

1. **Number; Election; Term.** The number of directors which shall constitute the whole Board shall be fixed from time to time solely by resolution of the Board, acting by the vote of not less than a majority of the directors then in office. The remaining directors of the Corporation shall cause any such vacancy to be filled in accordance with these By-laws within a reasonable period of time. Any director so chosen shall hold office until the next election of the class for which such director shall have been chosen and until his successor shall be elected and qualified.
4. **Organizational Meeting.** The Board of Directors shall meet for the purpose of organization, the election of officers and the transaction of other business, after each annual election of directors on the day and at the place of the annual meeting or at next regular or special meeting of the Board. Notice of such meeting need not be given. Such meeting may be held at any other time or place which shall be specified in a notice given as hereinafter provided for special meetings of the Board of Directors or in a consent and waiver of notice thereof signed by all of the directors.
5. **Regular Meetings.** Regular meetings of the Board may be held without notice at such time and place either within or without the State of Delaware as shall from time to time be determined by the Board.

9. Presence at Meeting. Members of the Board of Directors or any committee designated by such Board may participate in the meeting of said Board or committee by means of conference telephone or similar communications equipment by means of which all persons in the meeting can hear each other and participate. The ability to participate in a meeting in the above manner shall constitute presence at said meeting for purposes of a quorum and any action thereat.

10. Action Without Meetings. Any action required or permitted to be taken at any meeting of the Board of Directors or any committee designated by such Board may be taken without a meeting, if all members of the Board or committee consent thereto in writing and the writing or writings are filed with the minutes of the proceedings of the Board or committee.

11. Eligibility to Make Nominations. Nominations of candidates for election as directors at an annual meeting of stockholders or a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting (an "Election Meeting") may be made (1) by any stockholder entitled to vote at such Election Meeting only in accordance with the procedures established by paragraph 13 of this Article II, or (2) by the Board of Directors. Such notice must be received by the Secretary not later than the following dates: (1) with respect to an annual meeting of stockholders, by the close of business 60 days in advance of the anniversary of the previous year's annual meeting if such meeting is to be held on a day which is more than 7 and within 30 days preceding the anniversary of the previous year's annual meeting, (2) 90 days in advance of the anniversary of the previous year's annual meeting if such meeting is to be held (a) less than 7 days preceding the anniversary of the previous year's annual meeting or (b) on or after the anniversary of the previous year's annual meeting; and (3) with respect to any other annual meeting of stockholders or a special meeting of stockholders at which directors are to be elected pursuant to the Corporation's notice of meeting, by the close of business on the tenth day following the date of public disclosure of the date of such meeting. The Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of such nominee.

13. Compliance with Procedures. If the Chair of the Election Meeting determines that a nomination of any candidate for election as a director was not made in accordance with the applicable provisions of these By-laws, such nomination shall be void, provided, however, that nothing in these By-laws shall be deemed to limit any class voting rights upon the occurrence of dividend arrearages provided to holders of Preferred Stock. Notwithstanding anything in these By-laws to the contrary, unless otherwise required by law, if a Proponent intending to make a nomination at an annual or special meeting pursuant to paragraph 13 of this Article II does not provide the information required under clauses (b) through (d) of subparagraph (vii) of paragraph 13 of this Article II to the Corporation promptly following the later of the record date or the date notice of the record date is first publicly disclosed, or the Proponent (or a qualified representative of the Proponent) does not appear at the meeting to present the nomination, such nomination shall be disregarded, notwithstanding that proxies in respect of such nomination may have been received by the Corporation.

indemnified. Payment of such expenses incurred by other employees and agents of the Corporation may be made by the Board of Directors in its discretion upon such terms and conditions, if any, as it deems appropriate.

C-73

3. Claims. If a claim for indemnification or payment of expenses (including attorneys' fees) under this Article is not paid in full within sixty days after a written claim therefor has been received by the Corporation the claimant may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Corporation shall have the burden of proving that the claimant was not entitled to the requested indemnification or payment of expenses under applicable law.

5. Other Indemnification. The corporation's obligation, if any, to indemnify any person who was or is serving at its request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust, enterprise or non-profit entity shall be reduced by any amount such person may collect as indemnification from such other corporation, partnership, joint venture, trust, non-profit entity, or other enterprise.
