ATWOOD ANNOUNCES CONTRACT COMMITMENT
FOR THE ATWOOD EAGLE

HOUSTON, TEXAS
26 November 2002
FOR IMMEDIATE RELEASE:

Atwood Oceanics, Inc. (a Houston based International Offshore Drilling Contractor - NYSE:ATW) announced today that the Company has a commitment from ESSO EXPLORATION ANGOLA (BLOCK 15) LIMITED to enter into a contract for the use of the ATWOOD EAGLE to drill three firm wells, plus options for four additional wells, off the coast of Angola. In accordance with the commitment, the Company has entered into a contract with a towing company to transport the rig from Greece to Angola, which is estimated to take 55 to 60 days, with the tow scheduled to commence around November 30, 2002. The contract, which should be formalized in December 2002, will provide for a dayrate of \$83,000 and will include a \$2.7 million mobilization payment. If all seven wells are drilled, it could take approximately one year to complete the drilling program.

Statements contained in this release with respect to the future are forward-looking statements. These statements reflect management's reasonable judgment with respect to future events. Forward-looking statements involve risks and uncertainties. Actual results could differ materially from those anticipated as a result of various factors; the Company's dependence on the oil and gas industry; the risks involved in upgrade to the Company's rigs; competition; operating risks; risks involved in foreign operations; risks associated with possible disruptions in operations due to terrorism; and governmental regulations and environmental matters. A list of additional risk factors can be found in the Company's Annual Report on Form 10-K for the year ended September 30, 2001, filed with the Securities and Exchange Commission.
