On September 21, 2004, the operating subsidiaries of Denny's Corporation (the "Company"), Denny's, Inc. and Denny's Realty, Inc. (the "Borrowers"), entered into new senior secured credit facilities in an aggregate principal amount of \$420 million. The new credit facilities consist of a first

lien facility and a second lien facility. The new first lien facility consists of a \$225 million five-year term loan facility (the "Term Loan Facility") and a \$75 million four-year revolving credit facility, of which \$45 million is available for the issuance of letters of credit (the "Revolving Facility" and together with the Term Loan Facility, the "New First Lien Facility"). The second lien facility consists of an additional \$120 million six-year term loan facility ranking pari passu with the New First Lien Facility in right of payment, but being in a second lien position with respect to the collateral securing the New First Lien Facility (the "Second Lien Facility," and together with the New First Lien Facility, the "New Credit Facilities").

The Term Loan Facility will mature on September 30, 2009 and will amortize in equal quarterly installments at a rate equal to approximately 1% per annum (commencing March 31, 2005) with all remaining amounts due on the maturity date. The Revolving Facility will mature on September 30, 2008. The Second Lien Facility will mature on September 30, 2010 with no amortization of principal during the six year term.

The proceeds of loans made under the New Credit Facilities will be used (i) to repay all amounts owed under the Company's prior credit facility, (ii) to pay fees and expenses incurred in connection with certain of the Company's refinancing transactions, (iii) to repurchase or redeem a portion of the 11 1/4% Notes (as defined below) and all of the 12 3/4% Notes (as defined below), and (iv) with respect to the Revolving Facility and any remaining portion of the term loan facilities, for working capital and other general corporate purposes. Letters of credit issued under the Revolving Facility will be used by the Borrowers solely for general corporate purposes.

The interest rates under the New First Lien Facility will be as follows: At the option of the Borrowers, Adjusted LIBOR plus a spread of 3.25% per annum (3.50% per annum for the Revolving Facility) or ABR (the Alternate Base Rate, which is the highest of the Bank of America Prime Rate and the Federal Funds Effective Rate plus 1/2 of 1%) plus a spread of 1.75% per annum (2.0% per annum for the Revolving Facility). The interest rate on the Second Lien Facility, at the Borrowers' option, is Adjusted LIBOR plus a spread of 5.125% per annum or ABR plus a spread of 3.625% per annum.

The New Credit Facilities are guaranteed by the Company and its other subsidiaries and are secured by substantially all of the assets of the Company and its subsidiaries, including the stock of the Company's subsidiaries.

The Company will be required to make certain mandatory prepayments under certain circumstances and will have the option to make certain prepayments under the New Credit Facilities and may be assessed a prepayment premium upon optional or certain mandatory prepayments.

The New Credit Facilities include negative covenants that are usual for facilities and transactions of this type, including but not limited to limitations on dividends on capital stock; limitations on redemptions and repurchases of capital stock; limitations on prepayments, redemptions and repurchases of debt; limitations on liens, sale-leaseback transactions, loans, investments, debt (including hedging and other derivative agreements), operating leases, mergers, acquisitions and asset sales; limitations on transactions with affiliates; limitations on restrictions on liens and other restrictive agreements; limitations on changes in business conducted by the Company, the Borrowers and the Company's subsidiaries; limitations on assets of the Company and its wholly-owned subsidiary, Denny's Holdings, Inc. ("Denny's Holdings"); restrictions on changing fiscal year, accounting policies, and organizational, debt and other material agreements.
