Magic Software Delivers iBOLT Special Edition Integration Solution for SAP® Business One 2005

Support for Latest SMB Solution Well Received by SAP Partners

San Antonio, February 1, 2006- On the occasion of the SAP FKOM 2006 event, Magic Software Enterprises (NASDAQ: MGIC), today announced that it is shipping iBOLT Special Edition for SAP Business One 2005, the latest version of SAP's affordable, integrated solution for Small Business.

SAP Business One 2005 began shipping in November and Magic Software's iBOLT Special Edition began supporting the new version this month.

SAP Business One delivers a single, integrated solution that manages and connects critical operations including sales, finance, purchasing, inventory and manufacturing, the new version features enhancements based on direct feedback from small-business customers to enable faster installation, more intuitive use, global trade and easy Microsoft Excel™-based reporting and analytics. With iBOLT Special Edition, business processes running on specialized systems outside of SAP Business One can be easily integrated.

"We have seen rapid growth in the number of SAP Business One channel partners who have signed agreements with Magic Software in the United States and the rest of the world to offer iBOLT Special Edition to their SAP Business One customers," said Avigdor Luttinger, VP Marketing and Corporate Strategy for Magic Software. "With the release of our newest version for SAP Business One 2005, we reinforce our position as a leader in the delivery of straightforward, yet powerful business process integration technology."

Among the partners who have been signed as iBOLT Special Edition partners in the United States are: Express Information Systems, San Antonio, Texas; Apollo Consulting, San Francisco, Calif.; Beck Consulting, Alameda, Calif.; Accounting Micro Systems, San Francisco, Calif.; ASE-Inc., Kennesaw, Ga.; Business First, LLC, Crystal, Minn.; ITCC, Washington, D.C.; Netsirk Technologies, Sunrise, FL; Net.Standard, Kansas City, Kan.; and Sales Catalyst Consulting Group, LLC, Chicago, Ill.

SAP Business One (www.sap.com/solutions/smb/businessone) is an affordable, integrated business management solution designed specifically for small and midsize businesses. Exceptionally user-friendly and easily tailored to meet businesses' changing needs, SAP Business One delivers a unified picture of up-to-the-minute business information allowing users to achieve new levels of control and profitable growth. SAP's industry-leading integration tools for SAP Business One allow partners to seamlessly integrate additional functionality and solutions.

The iBOLT Special Edition for SAP (www.magicsoftware.com/ibolt) complements SAP's existing arsenal of cutting-edge development tools for SAP Business One. It enables SAP Business One customers to rapidly enhance their SAP Business One systems with a range of features - including extended workflows, composite applications, multi-channel access, unlimited interoperability and integration with other systems and platforms, as well as business activity and performance monitoring.
