Item 1. Business

General

Chromcraft Revington, Inc. ("Chromcraft Revington"), incorporated in 1992 under the laws of Delaware, is engaged in the design, manufacture and sale of residential and commercial furniture through its wholly-owned subsidiaries,

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Chromcraft Corporation ("Chromcraft"), Peters-Revington Corporation ("Peters-Revington"), Silver Furniture Co., Inc. ("Silver Furniture"), Cochrane Furniture Company, Inc. ("Cochrane Furniture") and Korn Industries, Incorporated ("Korn Industries"). Chromcraft Revington is headquartered in Delphi, Indiana.

In 1992, Chromcraft Revington acquired all of the outstanding common stock of Chromcraft and Peters-Revington from Consolidated Furniture Corporation (formerly Mohasco Corporation) pursuant to merger agreements. Concurrently, Chromcraft Revington completed its initial public offering and restructured its long-term debt. Chromcraft Revington had no operations prior to 1992. Chromcraft, located in Senatobia, Mississippi, manufactures casual dining and commercial furniture. Peters-Revington, located in Delphi, Indiana, manufactures occasional furniture. Chromcraft and Peters-Revington were both founded in 1946.

On April 3, 1995, Chromcraft Revington acquired Silver Furniture, a manufacturer and importer of occasional furniture. Silver Furniture has manufacturing and warehousing operations in Knoxville, Tennessee. On November 8, 1996, Chromcraft Revington acquired Cochrane Furniture, a manufacturer of dining room, bedroom and upholstered furniture. Cochrane Furniture has manufacturing facilities in Lincolnton and Warrenton, North Carolina. On September 2, 1999, Chromcraft Revington acquired Korn Industries, based in Sumter, South Carolina. Korn Industries manufactures and sells bedroom and dining room furniture through its Sumter Cabinet Company ("Sumter Cabinet") division.

On December 22, 2000, Chromcraft Revington received a proposal from Court Square Capital Limited ("Court Square Capital"), a unit of Citigroup, under which the holders of Chromcraft Revington's publicly traded shares would receive cash of \$10.30 per share in a transaction to take Chromcraft Revington private. The offer is contingent upon the execution of a definitive merger agreement, confirmatory due diligence and the approval of Chromcraft Revington's board of directors and stockholders. Court Square Capital owns 5,695,418 shares, or 59.5%, of Chromcraft Revington's common stock at December 31, 2000. An independent committee of Chromcraft Revington's board of directors is evaluating the proposal and has engaged ING Barings, LLC as its financial advisor to assist the committee in regard to the proposal.

Chromcraft Revington and its subsidiaries have several operating segments which are aggregated into one reportable segment, in accordance with Financial Accounting Standards Board Statement No. 131, "Disclosures about Segments of an Enterprise and Related Information." No material amount of Chromcraft Revington's sales is dependent upon a single customer. Sales outside of the United States represent approximately 1% of total sales.

Occasional furniture is manufactured primarily from American hardwoods, such as oak, cherry and maple. Many Peters-Revington table collections include twelve or more pieces in matching styles. In addition, different pieces of occasional furniture

incorporate the same design and styling themes, thereby enabling consumers to coordinate furniture for the same room. Peters-Revington's furniture is sold

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

in the United States and Canada through independent sales representatives primarily to independent furniture retailers.

Entry level-to-medium priced occasional tables and entertainment centers are designed, manufactured, imported and sold under the Silver Furniture brand name. These products are generally designed with a contemporary appeal, utilizing special finishes and unique styling. Silver Furniture tables are constructed using a variety of materials, including wood, medium-density fiber board, glass and metal. Internally designed imported occasional tables and parts are sourced mainly from factories located in the Far East and Mexico. Silver Furniture occasional furniture is sold primarily in the United States and Canada through company sales personnel to national and regional furniture retailers and through independent sales representatives to independent furniture retailers.

Solid wood bedroom furniture, primarily in oak, cherry, ash or maple, is manufactured and sold at medium price points under the Cochrane Furniture brand name and at mid-to-higher price points under the Sumter Cabinet brand name. Bedroom furniture includes beds, dressers, night stands, entertainment armoires and mirrors primarily in traditional styling. Cochrane Furniture and Sumter Cabinet bedroom furniture is sold through independent sales representatives to regional and independent furniture retail stores.

In 1999, Silver Furniture began selling bedroom furniture imported from the Far East. Silver Furniture's bedroom furniture is designed internally, mainly in traditional styling, and is sold primarily at medium price points through company sales personnel to national, regional and independent furniture retailers.

Dining Room Furniture

Casual dining furniture is manufactured and sold under the Chromcraft brand name. Casual dining furniture is designed for use in dining rooms, family rooms, recreation rooms, kitchens and apartments without formal dining areas. The product line consists primarily of coordinated dining suites in a contemporary or traditional style that include tables with laminated, wood or glass table tops, stationary and tilt-swivel chairs, pedestal chairs and barstools. Chairs are upholstered in a variety of fabrics and vinyls, while tables are manufactured from metal, wood, glass, faux marble and other materials, and come in a variety of shapes. Chromcraft competes at the medium-to-higher price points in casual dining. Chromcraft's casual dining furniture is sold in the United States through company sales personnel and independent sales representatives to national, regional, independent and specialty dining retail furniture stores.

Dining room furniture, primarily in oak, cherry, ash or maple, is manufactured and sold at medium price points under the Cochrane Furniture brand name and at mid-to-higher price points under the Sumter Cabinet brand name. Dining room furniture includes a broad line of tables, armed and side chairs, buffets, chinas and serving pieces, mainly in traditional or country styling. Cochrane Furniture dining room tables are offered in solid wood or a high pressure laminate table top. Sumter Cabinet dining room tables feature solid wood tops, leaves, and legs. Dining room furniture is sold primarily in the United States through independent sales representatives to regional and independent furniture retail stores.

Upholstered Furniture

Upholstered sofas, chairs and ottomans are manufactured and sold under the Cochrane Furniture brand name. Upholstered furniture is styled in traditional or contemporary patterns in a wide selection of fabrics using a heat tempered coil seat construction to evenly distribute body weight. Cochrane Furniture uses primarily hardwoods in the construction of its furniture frames. Seat

cushions are made with high-density, high-resilience polyurethane foam, wrapped in polyester fiber for consistent comfort. Cochrane Furniture's upholstered furniture is sold primarily at medium price points. Upholstered furniture is sold through independent sales representatives primarily to independent furniture retail stores.

3

Commercial Furniture

Commercial furniture, sold under the Chromcraft brand name, includes stationary and tilt-swivel office chairs, conference and meeting room tables and lounge-area seating products for airports and other public waiting areas. Chairs are offered in both contemporary and transitional styles and are upholstered in various grades and colors of fabric or leather. They include executive models with high backs, management models, ergonomic computer task chairs and secretarial models with no arm rests. Products are sold through company sales personnel and independent sales representatives to office product dealers, wholesalers/distributors and various contract customers.

Manufacturing

Manufacturing operations include cutting, shaping, sanding, finishing and final assembly of wood furniture, metal fabricating, plating, powder-coat painting, chair foam production for casual dining furniture and cutting and sewing of upholstery fabric. Cochrane Furniture and Sumter Cabinet also have rough mill operations and woodworking plants which process green lumber into parts for internal use.

Raw Materials

Major raw materials are wood, steel, fabrics, glass, medium-density fiber board, wood finishing materials, cartons, foam for cushions and paddings and mechanisms. Suppliers are selected for their ability to deliver high quality products on a timely basis and at competitive prices. Chromcraft Revington believes that supplies of raw materials are available in sufficient quantities from an adequate number of suppliers. No significant shortages of raw materials were experienced during 2000.

Inventory and Seasonal Requirements

Chromcraft Revington maintains a finished goods inventory for occasional, dining room and bedroom furniture in order to respond quickly to customer delivery needs. Most casual dining, upholstered and commercial furniture is made to customer specifications and, therefore, not carried in stock. A limited number of casual dining, upholstered and commercial furniture items are maintained for quick delivery programs. Sales have historically not been subject to material seasonal fluctuations.

Competition

Chromcraft Revington encounters domestic and import competition in the sale of all its products. Many of Chromcraft Revington's competitors, some of which are larger and have greater financial resources, produce a number of products which are not competitive with Chromcraft Revington's products. In many cases, such companies do not disclose the portion of their sales attributable to products similar to those manufactured by Chromcraft Revington. It is, therefore, impractical to state with any certainty Chromcraft Revington's relative position in a particular product line. Competition in Chromcraft

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Revington's products is in the form of the quality of its products, service and selling prices.

Backlog

Chromcraft Revington's backlog of sales orders was approximately \$22.1 million at December 31, 2000, as compared to approximately \$27.0 million at December 31, 1999. Order backlog at any particular time is not necessarily indicative of the level of future shipments.

4

Environment

Chromcraft Revington believes it is in compliance in all material respects with all federal, state and local environmental laws and regulations which impose limitations on the discharge of pollutants into the air and water, and establish standards for the treatment of hazardous wastes.

Employees

Chromcraft Revington employs a total of approximately 2,400 people. Production employees at Silver Furniture's Knoxville, Tennessee location are represented by a labor union under a collective bargaining agreement. Chromcraft Revington considers its relations with its employees to be good.

Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations

General

Chromcraft Revington designs, manufactures and sells residential and commercial furniture through its wholly-owned subsidiaries, Chromcraft, Peters-Revington, Silver Furniture, Cochrane Furniture and Korn Industries. Chromcraft Revington's operating results include the operations of Korn Industries, acquired September 2, 1999, from the date of its acquisition (see Note 3 to the consolidated financial statements). Korn Industries manufactures and sells bedroom and dining room furniture.

The following table sets forth the results of operations of Chromcraft Revington for the years ended December 31, 2000, 1999 and 1998 expressed as a percentage of sales.

	Year Ended December 31,		
	2000	1999	1998

2000 Compared to 1999

Consolidated sales for the year ended December 31, 2000 increased 5.7% to \$259,402,000 from \$245,385,000 reported in 1999. The sales increase was due to higher shipments of bedroom and commercial furniture, partially offset by lower occasional, dining room and upholstered furniture sales. Bedroom furniture shipments were boosted in 2000 from the Korn Industries acquisition. Sales in 2000 were negatively impacted by the U.S. economic slowdown. Chromcraft Revington's consolidated sales orders began to slow at the end of the second quarter of this year as compared to 1999. Weak retail conditions continued for the remainder of 2000. Occasional and dining room furniture shipments were also lower due to several major retailer bankruptcies and increased import and domestic competition. Higher commercial furniture shipments in 2000 were due, in part, to increased airport gate lounge seating and an improved office furniture market. Selling prices for 2000 were slightly higher as compared to the prior year.

Gross margin increased to \$62,237,000, or 24.0% of sales, in 2000, from \$56,974,000, or 23.2% of sales, in 1999. The higher gross margin percentage in 2000 was primarily due to lower material costs and improved manufacturing efficiencies. The lower material costs were due, in part, to sourcing of

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

furniture components from low-cost suppliers in the Far East. The inclusion of Korn Industries' operating results for the full year 2000 partially offset the gross margin percentage increase.

Selling, general and administrative expenses increased \$561,000 to \$34,901,000, or 13.5% of sales, in 2000 from \$34,340,000, or 14.0%, in 1999. Bad debt expense increased \$1,322,000 in 2000 as compared to 1999 primarily due to the bankruptcy of a major furniture retailer. The inclusion of Korn Industries' operating results in 2000 partially offset the selling, general and administrative expense percentage increase due to higher bad debt expense. The higher expense percentage in 1999 was due to a \$1,000,000 charge for employee termination and severance costs at Chromcraft.

8

Operating income for 2000 increased \$4,702,000 to \$27,336,000 from \$22,634,000 in 1999. The increase in operating income was primarily due to the Cochrane and Korn Industries subsidiaries.

Interest expense for the year ended December 31, 2000 was \$2,008,000 as compared to \$988,000 for the prior year period. The increase in interest expense for 2000 was primarily attributable to higher average bank borrowings due to the Korn Industries acquisition and purchases of common stock under Chromcraft Revington's share repurchase program. The average interest rate under the revolving credit facility was about 1% higher in 2000 as compared to 1999.

Chromcraft Revington's effective income tax rate was 39.0% for 2000 as compared to 39.6% for 1999. The decrease in the effective tax rate for 2000 was due to lower state income taxes.

Diluted earnings per share increased to \$1.57 in 2000 from \$1.22 in 1999. For the year ended December 31, 2000, shares used in computing diluted earnings per share decreased 8.1% to 9,847,000 from 10,720,000 for 1999. The share reduction in 2000 was primarily due to purchases of common stock under Chromcraft Revington's share repurchase program.

1999 compared to 1998

Consolidated sales increased 3.6% for the year ended December 31, 1999 to \$245,385,000 from \$236,744,000 for the year ended December 31, 1998. The increase in sales was primarily due to higher shipments of bedroom and dining room furniture, partially offset by lower shipments of upholstered, commercial and occasional furniture. The increase in bedroom and dining room shipments was due, in part, to the Korn Industries acquisition, which was completed September 2, 1999. The decrease in upholstered furniture shipments was primarily attributable to the repositioning of the product line price points and styling. Commercial furniture shipments were lower for 1999, as compared to 1998, due, in part, to a general softening in demand in the office furniture industry. Shipments of occasional furniture at Silver Furniture declined principally due to competitive price pressure.

Gross margin was \$56,974,000, or 23.2% of sales, in 1999 as compared to \$59,756,000, or 25.2% of sales, in 1998. Factors which contributed to the decrease in gross margin percentage included: manufacturing inefficiencies at Chromcraft due to a product mix change and employee attrition resulting from the tight labor market; unabsorbed fixed overhead due to the lower sales volume at Chromcraft and Silver Furniture; a \$400,000 write down of discontinued inventory at Chromcraft; and the inclusion of Korn Industries' operating results.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Selling, general and administrative expenses increased to \$34,340,000, or 14.0% of sales, for 1999 from \$31,964,000, or 13.5% of sales, for 1998. The percentage increase was primarily due to a \$1,000,000 charge for employee termination and severance costs at Chromcraft.

Interest expense increased to \$988,000 in 1999 as compared to \$739,000 in 1998. The increase was due to higher average bank borrowings during 1999 attributable to the Korn Industries acquisition and the refinancing of Korn Industries' bank indebtedness under Chromcraft Revington's revolving credit facility. Weighted average interest rates were slightly lower in 1999 as compared to 1998.

Chromcraft Revington's effective income tax rate was 39.6% and 39.9% for the years ended December 31, 1999 and 1998, respectively. The decrease in the effective tax rate for 1999 was due to lower state income taxes.

Diluted earnings per share were \$1.22 in 1999 and \$1.41 in 1998. Average common shares used in the calculation of diluted earnings per share included dilutive potential common shares (stock options) of 272,000 in 1999 and 396,000

9

in 1998. Shares used in computing diluted earnings per share decreased 7.0% for 1999, to 10,720,000, from 11,533,000 for 1998. During 1999, Chromcraft Revington purchased, under a share repurchase program, 845,500 shares of its common stock.

Liquidity and Capital Resources

Operating activities provided \$16,647,000 of cash for the year ended December 31, 2000, an increase of \$1,890,000 from the amount provided in 1999. Cash generated from operating activities improved in 2000 primarily due to higher earnings and depreciation and amortization expense partially offset by an increase in working capital investment. Inventories increased \$4,929,000 during 2000 primarily due to the weak retail sales environment. Generally, inventories are purchased or produced based on internal sales forecasts which were higher than actual results. Chromcraft Revington adjusted production levels during the second half of 2000 to begin reducing inventory levels and expects to further reduce inventories in 2001. Accounts receivable decreased \$4,022,000 during 2000 due to the lower sales in the fourth quarter.

Investing activities used \$4,879,000 and \$10,971,000 of cash during the years ended December 31, 2000 and 1999, respectively. Capital expenditures, primarily for equipment purchases, were \$4,953,000 during 2000 as compared to \$3,630,000 during 1999. Chromcraft Revington expects capital expenditures during 2001 to be below \$4,000,000. Investing activities for 1999 include a cash payment to Korn Industries' stockholders and related acquisition expenses of \$8,525,000 and proceeds from asset disposals of \$1,184,000.

Financing activities used \$12,475,000 of cash during 2000, primarily to reduce bank indebtedness and to acquire shares of Chromcraft Revington's common stock. During 2000, Chromcraft Revington acquired, under its share repurchase program, 568,900 shares of its common stock for \$5,086,000.

Cash used in financing activities during 1999 totaled \$2,638,000. During 1999, Chromcraft Revington borrowed \$21,300,000 under its bank revolving credit facility in connection with the Korn Industries acquisition and the repurchase of Chromcraft Revington's common stock. As part of the acquisition, Korn Industries' bank indebtedness of \$13,517,000 was refinanced with borrowings under Chromcraft Revington's revolving credit facility. During 1999, Chromcraft Revington acquired, under its share repurchase program, 845,500 shares of its common stock for \$12,079,000.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Chromcraft Revington has a revolving credit facility with a commitment level of \$47,500,000 that matures in December 2005. The interest rate under the facility is based on floating rate indices or a bank prime lending rate. Total borrowings under the facility were \$19,200,000 at December 31, 2000. Unused capacity under the revolving credit facility, after reduction for outstanding letters of credit, was \$26,051,000 at the end of the year. Under the revolving credit facility, Chromcraft Revington has the option of increasing the facility commitment amount from \$47,500,00 to \$67,500,000. If the existing bank group elect not to participate in the increase, Chromcraft Revington can seek other potential lenders to fully commit to the requested increase.

Management expects that cash flow from operations and availability under the bank revolving credit facility will continue to be sufficient to meet future needs. Chromcraft Revington plans to grow its businesses internally and through acquisitions. Accordingly, Chromcraft Revington plans to retain cash in the business and currently does not anticipate paying cash dividends on its common stock. In 2001, absent further acquisitions, Chromcraft Revington expects to generate excess cash flow from operations, which will be used to reduce bank indebtedness, to repurchase its common stock, or for general corporate purposes.

First Quarter 2001 Outlook

Due to the weak retail sales environment, management anticipates that 2001 first quarter sales will be between 15% and 18% below last year's first quarter sales. Diluted earnings per share for the first quarter of 2001 are expected to be between \$.33 and \$.37, as compared to \$.49 in 1999.

Notes to Consolidated Financial Statements

Chromcraft Revington, Inc.
December 31, 2000

Note 1. Summary of Significant Accounting Policies

The consolidated financial statements include the accounts of Chromcraft Revington, Inc. and its wholly-owned subsidiaries. All significant intercompany accounts and transactions have been eliminated.

Chromcraft Revington manufactures and sells residential and commercial furniture. Products are sold primarily through furniture dealers throughout the United States and Canada. Chromcraft Revington has several operating segments which are aggregated into one reportable segment, in accordance with Financial Accounting Standards Board Statement No. 131, "Disclosures about Segments of an Enterprise and Related Information."

Use of Estimates

The preparation of the financial statements in accordance with generally accepted accounting principles requires management to make estimates and

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Inventories

All inventories (materials, labor and overhead) are valued at the lower of cost or market. Inventories valued using the last-in, first-out (LIFO) basis represent approximately 61% and 64% of total inventories at December 31, 2000 and 1999, respectively. Remaining inventories are valued using the first-in, first-out (FIFO) basis.

Property, Plant and Equipment

Property, plant and equipment is stated on the basis of cost. Depreciation is computed principally by the straight-line method for financial reporting purposes and by accelerated methods for tax purposes.

Revenue Recognition

Revenue from sales is recognized when the goods are shipped to the customer.

Intangibles

Intangible assets are stated on the basis of cost. The excess of purchase price over the fair value of net assets acquired (goodwill) and tradenames are being amortized on a straight-line basis over periods ranging from 15 to 40 years. Chromcraft Revington reviews the carrying value of goodwill whenever changes in circumstances indicate that the carrying amount may not be recoverable. When factors indicate that the recoverability of goodwill should be evaluated, Chromcraft Revington uses an estimate of the undiscounted cash flows of the acquired businesses in determining whether an impairment loss is required.

F-5

Deferred Income Taxes

Deferred income taxes are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Earnings per Share

Basic earnings per share is calculated based on the average number of common shares outstanding. Diluted earnings per share include dilutive potential common shares (stock options).

Stock Options

Chromcraft Revington applies Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees," and related Interpretations in accounting for stock options and discloses the fair value of options granted as permitted by Statement of Financial Accounting Standards No. 123,

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

"Accounting for Stock-Based Compensation."

Financial Instruments

The carrying amounts reported in the balance sheets for accounts receivable, accounts payable and borrowings under a bank revolving credit facility approximate their fair values. Concentration of credit risk with respect to trade accounts receivable is limited due to the large number of entities comprising Chromcraft Revington's customer base.

Note 2. Purchase Offer from Court Square Capital Limited

On December 22, 2000, Chromcraft Revington received a proposal from Court Square Capital Limited ("Court Square Capital"), a unit of Citigroup, under which the holders of Chromcraft Revington's publicly traded shares would receive cash of \$10.30 per share in a transaction to take Chromcraft Revington private. The offer is contingent upon the execution of a definitive merger agreement, confirmatory due diligence and the approval of Chromcraft Revington's board of directors and stockholders. Court Square Capital owns 5,695,418 shares, or 59.5%, of Chromcraft Revington's common stock at December 31, 2000. An independent committee of Chromcraft Revington's board of directors is evaluating the proposal and has engaged ING Barings, LLC as its financial advisor to assist the committee in regard to the proposal.

Note 3. Acquisition of Korn Industries, Incorporated

On September 2, 1999, CRI Corporation-Sumter, a wholly-owned subsidiary of Chromcraft Revington, Inc., acquired all of the outstanding common stock of Korn Industries, Incorporated ("Korn Industries") for \$8,525,000 in cash (including acquisition-related expenses) and the assumption of Korn Industries' liabilities. Korn Industries is headquartered in Sumter, South Carolina and manufactures and sells bedroom and dining room furniture through its Sumter Cabinet Company division. The operations of Korn Industries are included in the Consolidated Statements of Earnings commencing on September 2, 1999. The transaction was accounted for as a purchase and the purchase price has been allocated to assets acquired and liabilities assumed based on their fair

F-6

market values at the date of acquisition. The purchase price allocation was finalized during 2000, which resulted in an increase in goodwill of \$1,800,000. Goodwill and other intangibles are being amortized on a straight-line basis over periods ranging from 15 to 25 years.

The following unaudited pro forma results of operations for the year ended December 31, 1999 give effect to the Korn Industries acquisition as if it had occurred on January 1, 1999. The unaudited pro forma results of operations for the year ended December 31, 1998 combine the operating results of Korn Industries for the fiscal year ended November 28, 1998 and Chromcraft Revington's operating results for the year ended December 31, 1998 and give effect to the Korn Industries acquisition as if it had occurred at the beginning of the period.

In connection with the acquisitions of Cochrane Furniture and Korn Industries, Chromcraft Revington acquired federal and state net operating loss carryforwards ("NOL's") of \$5,173,000 and \$8,174,000, respectively, with expiration dates through 2010 and 2018, respectively. The use of the NOL's is limited to the future taxable earnings of the acquired companies.

Note 8. Revolving Credit Facility

In December 2000, Chromcraft Revington entered into an unsecured revolving loan facility (the "Facility") with a group of banks that allows it to borrow up to \$47,500,000 for working capital requirements, capital expenditures and acquisitions. At December 31, 2000, Chromcraft Revington had \$26,051,000 in availability under the Facility. The interest rate under the Facility is determined at the time of borrowing, at Chromcraft Revington's option, at the higher of the bank prime lending rate or Fed Funds rate plus .5%, or a rate based on the Fed Funds rate or the London Interbank Offered Rate (LIBOR). The weighted average interest rate on borrowings outstanding as of December 31, 2000 and 1999 was 7.42% and 5.12%, respectively. There is a commitment fee ranging from .125% to .225% (depending on a leverage ratio) on the unused portion of the credit line. Chromcraft Revington had outstanding letters of credit under the Facility of \$2,249,000 and \$2,432,000 at December 31, 2000 and 1999, respectively. The Facility expires December 31, 2005.

The Facility requires compliance with certain financial loan covenants related to net worth, interest and fixed charge coverages and debt leverage. At December 31, 2000, unrestricted retained earnings available for dividends were \$31,911,000.

Note 9. Earnings Per Share of Common Stock

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Weighted average shares used in the calculation of diluted earnings per share included dilutive potential common shares (stock options) of approximately 120,000, 272,000 and 396,000 for the years ended December 31, 2000, 1999 and 1998, respectively.

Certain stock options to purchase shares of common stock were outstanding during 2000, 1999 and 1998, but were not included in the computation of diluted earnings per share because the options' exercise prices were greater than the average market price of the common shares during those periods and, therefore, their effect would be antidilutive. Options excluded from the computation of diluted earnings per share and their weighted average exercise prices at December 31, 2000, 1999 and 1998 were 376,060 shares at \$13.48, 138,426 shares at \$16.85 and 58,000 shares at \$19.78, respectively.

Note 10. Stockholders' Equity

Chromcraft Revington is authorized to issue up to 100,000 shares of \$1.00 par value preferred stock, none of which is outstanding.

Chromcraft Revington effected a two-for-one stock split in the form of a 100% stock dividend to stockholders of record on May 27, 1998. The additional shares were distributed to stockholders on June 10, 1998. All references to the number of shares outstanding and per share amounts, where applicable, in the consolidated financial statements and notes reflect the stock split.

Chromcraft Revington has entered into a Registration Rights agreement dated April 23, 1992 (the "Agreement") between Chromcraft Revington and Court Square Capital Limited, which owned 5,695,418 shares, or 59.5%, of Chromcraft Revington's outstanding common stock at December 31, 2000. The Agreement permits Court Square Capital Limited and transferees, as defined, to request certain registration rights under the Securities Act of 1933 for all or part of its shares of common stock under certain conditions. In connection with such registrations as may occur, Chromcraft Revington will be obligated for the payment of all registration expenses incurred in the performance of, or compliance with, this Agreement, subject to certain limitations set forth therein.

Note 11. Employee Benefit Plans

Chromcraft Revington sponsors a number of tax-qualified defined contribution retirement and savings plans. Employees may be eligible to participate in one or more of these plans. Company contributions to these plans are based on either a percentage of an employee's compensation or a matching portion of the employee's contributions. The cost of these plans was \$1,235,000 in 2000, \$1,299,000 in 1999 and \$1,188,000 in 1998.

Chromcraft Revington also provides supplemental retirement benefits and "make up" benefits to key executives of Chromcraft Revington whose benefits are reduced by Internal Revenue Service Code restrictions. Contributions and expenses under these arrangements were \$198,000 in 2000, \$390,000 in 1999 and \$338,000 in 1998.

Note 12. Stock Options

Chromcraft Revington's 1992 Stock Option Plan, as amended, (the "Plan") provides for the granting of either incentive stock options ("ISO's") or stock options which do not qualify as incentive stock options ("non-ISO's"). The total number of shares of common stock which may be issued under stock options

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

granted pursuant to the Plan is 1,800,000 shares. ISO's granted under the Plan vest over no greater than a 10-year period, and are granted at exercise prices no less than the fair market value of Chromcraft Revington's common shares as of the date of grant.

F-10

Non-ISO's vest and are at exercise prices as determined by the compensation committee of the Board of Directors. At December 31, 2000 and 1999, there were 623,730 and 605,606 shares, respectively, available for future grants.

The estimated per share weighted average fair value of stock options granted during 2000, 1999 and 1998 was \$3.38, \$6.02 and \$7.85, respectively, on the date of grant. The fair value of stock options on the date of grant was estimated using the Black-Scholes model with the following weighted average assumptions:

	2000	1999	1998
Expected life (years)	6	6	6
Interest rate	6.8%	5.0%	5.7%
Volatility	27.5%	27.2%	27.8%

2.2.1. Revolving Commitment. Prior to maturity or Default, the principal amount of the Revolving Loans outstanding from time to time shall bear interest at a rate per annum equal

13

to the Alternate Base Rate, except that at the option of Borrower, exercised as provided in Section 2.5 hereof, interest may accrue prior to maturity on any Permissible Increment of outstanding Advances of the Revolving Loans at a per annum rate equal to (a) the Adjusted LIBOR plus the Applicable Margin, and/or (b) the Federal Funds Effective Rate plus the Applicable Margin. At the expiration of each LIBOR Interest Period on such Permissible Increment in the case of LIBOR Loans, or upon the next Banking Day in the case of Federal Funds Loans, unless, in each case, Borrower selects an Optional Rate as provided in Section 2.5 hereof, interest on such Permissible Increment shall again accrue at the Alternate Base Rate.

2.2.2. Cash Management Line. Prior to maturity or Default, outstanding Advances under the Cash Management Line from time to time shall bear interest at a rate per annum equal to the Alternate Base Rate, except that at the option of Borrower, communicated by telephone or by telex, facsimile machine or other form of written or electronic communication delivered to Bank One, interest may accrue prior to maturity in minimum principal increments of One Hundred Thousand Dollars (\$100,000) of outstanding Advances of the Cash Management Line for a period until otherwise notified by Borrower at a per annum rate equal to the Applicable Margin plus the Adjusted LIBOR having a LIBOR Interest Period of one (1) month as determined by Bank One; provided, that such Adjusted LIBOR shall be re-priced on each Banking Day during such period. The Cash Management Line may also accrue interest at such interest rate as Borrower and Bank One mutually agree to in writing.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

2.2.3. General. Interest shall be due and payable for the exact number of days principal is outstanding and shall be calculated on the basis of a three hundred sixty (360) day year. Any change in the interest rates occasioned by a change in the Alternate Base Rate shall be effective on the same day as the change in the Alternate Base Rate. Subject to Section 8.5 hereof, notwithstanding the Required Lenders may allow the election of an Optional Rate under Section 2.5(a) hereof while there exists a Default, after the maturity of any Facility, whether by acceleration or otherwise, and while and so long as there shall exist any uncured Default under any Facility, the Facilities shall bear interest at a per annum rate equal to Three Percent (3%) above the otherwise applicable rates.

2.3. Payments of Principal and Interest.

2.3.1. Revolving Commitment. Interest only on the outstanding Advances of the Revolving Loans from time to time shall be due and payable throughout the term of the Revolving Commitment (a) on the first day of each calendar month with respect to each Alternate Base Rate Loan and Federal Funds Loan, and (b) on the last day of an applicable LIBOR Interest Period with respect to each LIBOR Loan and, in the case of a LIBOR Interest Period greater than three (3) months, at three (3) month intervals after the first day of such LIBOR Interest Period. Unless the Revolving Commitments are extended by the Lenders in their sole discretion, the entire principal balance of the Revolving Loans, together with all accrued and unpaid

14

interest thereon, and all fees and charges payable in connection therewith, shall be due and payable on December 31, 2005.

2.3.2. Cash Management Line. Interest only on the outstanding balance of the Cash Management Line from time to time shall be due and payable on the first day of each month. From time to time, Borrower shall make principal payments in respect of the Cash Management Line in an amount sufficient so that the outstanding principal balance of the Cash Management Line plus the outstanding balance of the Revolving Loans plus the face amounts of outstanding Letters of Credit and unreimbursed drawings thereunder does not exceed the aggregate Revolving Commitment. Unless the Cash Management Line is extended by Bank One, the entire principal balance of the Cash Management Line, together with all accrued and unpaid interest thereon, and all fees and charges payable in connection therewith, shall be due and payable on December 31, 2005.

2.3.3. Method of Payment. All payments of principal and interest hereunder shall be made by Borrower to the Agent at its main office in Indianapolis, Indiana by 12:00 Noon (Indianapolis time) on the date when due, and shall be applied pro rata among the Lenders in accordance with the outstanding principal amounts of the Facilities held by them. Each payment delivered to the Agent for the account of any Lender shall be delivered by the Agent for the account of any Lender no later than 2:00 p.m. (Indianapolis time) on the same day.

2.3.4. Banking Day. If any installment of principal or interest provided herein becomes due and payable on a date other than a Banking Day, the maturity of the installment of principal

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

or interest shall be extended to the next succeeding Banking Day, and interest shall be payable during such extension of maturity.

2.4. Method of Advance.

2.4.1. Revolving Commitment. As Borrower desires to obtain Revolving Loans hereunder, Borrower shall give the Agent notice of Borrower's intention to borrow pursuant to the Revolving Commitments by not later than 11:00 a.m. (Indianapolis time), on the proposed Banking Day of borrowing, subject to Section 2.5 hereof with respect to Optional Rate Advances and subject to compliance with Section 6.3 hereof. Each request once received by the Agent shall be irrevocable, subject to Section 2.5(h) hereof. Such notice may be made orally by an Authorized Officer, or upon a request transmitted to the Agent by telex, facsimile machine or other form of written electronic communication and signed by an Authorized Officer. The Agent may rely, without further inquiry, on all such requests which shall have been received by it in good faith by anyone reasonably believed to be an Authorized Officer. The Agent may require telephonic or other oral requests to be followed immediately by a written request. Each request shall in and of itself constitute a representation and warranty on behalf of Borrower that no Default or Unmatured Default has occurred and is continuing or would result from the making of the requested Advance and that the requested Advance shall not cause the principal balance of

15

the Revolving Loans to exceed the aggregate Revolving Commitments. The Agent shall notify the Lenders of Borrower's intent to borrow by 12:00 p.m. (Indianapolis time) on the proposed Banking Day of borrowing. Subject to the limitations of Section 2.1 hereof, the principal amount of each Revolving Loan made by each Lender shall be that portion of the aggregate loans made that the Revolving Commitment of such Lender bears to the aggregate of the Revolving Commitments of the Lenders. By 2:00 p.m. (Indianapolis time) on each such borrowing date, each Lender severally agrees to make its portion of the Revolving Loan then being made to Borrower by making available to the Agent, either by wire transfer to the Agent's main office in Indianapolis, Indiana, or by deposit to any correspondent account which Agent may maintain with that Lender, the amount to be advanced by such Lender. Borrower hereby authorizes the disbursement of each such Revolving Loan (other than Revolving Loans made by payment of Letters of Credit and other than Mandatory Fundings) by deposit to the account of Borrower with Bank One, and Bank One, as Agent, shall, by 2:30 p.m. (Indianapolis time) on the date received, credit the amount so received from each Lender to the account of Borrower with Bank One. The aggregate principal amount of Revolving Loans (other than Revolving Loans made by payment of Letters of Credit and other than Mandatory Fundings) made on any borrowing date shall be a minimum of Five Hundred Thousand Dollars (\$500,000) and in integral multiples of One Hundred Thousand Dollars (\$100,000). Notwithstanding the foregoing, Mandatory Fundings under the Revolving Loans shall be made in accordance with Section 2.1.2 hereof with respect to repayment of Cash Management Line Advances.

2.4.2. Cash Management Line. As Borrower desires to obtain Advances under the Cash Management Line hereunder, Borrower shall give the Agent and Bank One notice thereof by not

later than Noon (Indianapolis time), on the proposed Banking Day of borrowing. Each request once received by Bank One shall be irrevocable. Such notice may be made orally by an Authorized Officer, or upon a request transmitted to the Agent and Bank One by telex, facsimile machine or other form of written electronic communication and signed by an Authorized Officer. The Agent and Bank One may rely, without further inquiry, on all such requests which shall have been received by it in good faith by anyone reasonably believed to be an Authorized Officer. Bank One may require telephonic or other oral requests to be followed immediately by a written request. Each request shall in and of itself constitute a representation and warranty on behalf of Borrower that no Default or Unmatured Default has occurred and is continuing or would result from the making of the requested Advance. No requested Advance shall cause the principal balance of the Cash Management Line to exceed Five Million Dollars (\$5,000,000). Subject to borrowing availability, by 2:00 p.m. (Indianapolis time) on each such borrowing date, Bank One agrees to make its Advance under the Cash Management Line to Borrower by deposit to the account of Borrower with Bank One. The aggregate principal amount of Advances under the Cash Management Line made on any borrowing date shall be a minimum of One Hundred Thousand Dollars (\$100,000) and in integral multiples of One Hundred Thousand Dollars (\$100,000).

16

2.4.3. General. All Advances by the Lenders and payments by Borrower shall be recorded by the Lenders on their books and records, and the principal amount outstanding from time to time, plus interest payable thereon shall be determined from the books and records of the Lenders. The books and records of the Lenders shall be presumed prima facie correct as to such matters.

2.5. Procedures for Electing Optional Rates. Optional Rates may be elected only in accordance with the following procedures and subject to the other conditions contained in this Agreement:

(a) Unless the Required Lenders otherwise agree, no Optional Rate may be elected at any time a Default exists and unless the Agent otherwise agrees, no Optional Rate may be elected at any time an Unmatured Default exists.

(b) Borrower shall notify the Agent of its election or renewal of an Optional Rate prior to 11:00 a.m. (Indianapolis time) not less than three (3) Banking Days prior to the commencement of a LIBOR Interest Period with respect to LIBOR Loans, and the same Banking Day with respect to Federal Funds Loans, specifying (i) the election or renewal date, (ii) the amount of the Loan (or Loans taken together) elected or renewed which amount shall be in a Permissible Increment, and (iii) in the case of LIBOR Loans, the duration of the LIBOR Interest Period selected to apply thereto. The Agent shall immediately notify the Lenders whenever an Optional Rate is selected by Borrower.

(c) An election of an Optional Rate may be communicated by telephone or by telex, facsimile machine or other form of written electronic communication, or by a writing delivered to the Agent. Borrower shall confirm in writing any election communicated by telephone. The Agent shall be entitled to rely on any verbal communication of the election of an Optional Rate which is

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

received by a designated employee of the Agent from anyone reasonably believed in good faith by such employee to be authorized.

(d) Not more than Six (6) Optional Rate Advances may be selected at any one time to apply to outstanding Advances.

(e) Notwithstanding any other provision of this Agreement, in the event that the Agent determines (which determination if made in good faith shall be conclusive and binding upon Borrower) that by reason of circumstances affecting the London interbank market, adequate and reasonable means do not exist for ascertaining the LIBOR for any LIBOR Interest Period at a time when LIBOR Loans are outstanding, or quotations of interest rate for the relevant deposits referred to in definition of the Adjusted LIBOR are not being provided in the relevant amounts or for the relevant maturities for purposes of determining the rate of interest on a LIBOR Loan as provided herein, or if the Required Lenders determine (which determination if made in good faith shall be conclusive) that the relevant rates of interest referred to in the definition of the Adjusted LIBOR upon the

17

basis of which the rate of interest for any such type of Loan is to be determined, to not accurately cover the cost to the Lenders of making or maintaining such types of Loans, the Agent shall forthwith give notice of such determination, confirmed in writing, to Borrower. If such notice is given, (i) the obligation of the Lenders to make LIBOR Loans shall be suspended until the Agent notifies Borrower that the circumstances giving rise to such suspension no longer exists, and (ii) the then outstanding principal amount of each LIBOR Loan shall be converted, on the last day of the then current LIBOR Interest Period applicable to such Loan, to an Alternate Base Rate Loan (subject to selection of any other permitted Optional Rate hereunder, subject to the provisions of Sections 2.2 and 2.5 hereof).

(f) If any law or any governmental regulation, guideline or order or interpretation or application thereof by any Governmental Authority charged with the interpretation or administration thereof or compliance with any request or directive of any central bank or other Governmental Authority whether or not having the force of law (i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets held by, credit extended by, deposits with or for the account of, or other acquisition of funds by, any Lender (other than requirements expressly included herein in the determination of the applicable Optional Rate hereunder), or (ii) imposes upon any Lender any other condition or expense with respect to this Agreement, or the making, maintenance or funding of any part of the proceeds of an Optional Rate Advance or any security therefor; and the result of any of the foregoing is to increase the cost to, reduce the income receivable by, or impose any expense upon any Lender with respect to the outstanding balance of the Loans bearing interest at an Optional Rate or the making, maintenance or funding of any part thereof by an amount which any Lender deems to be material (any Lender being deemed for this purpose to have made, maintained or funded the proceeds of an Optional Rate Advance from certificates of deposit), such Lender shall from time to time notify Borrower of the amount

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

determined in good faith (using any averaging and attribution methods employed in good faith) by such Lender (which determination if made in good faith shall be conclusive and binding upon Borrower) to be necessary to compensate such Lender for such increase in cost, reduction in income or additional expense. Such amount shall be due and payable by Borrower to such Lender ten (10) Banking Days after such notice is given. A certificate as to the amount of such increase in cost, reduction in income or additional expense delivered by such Lender to Borrower shall be conclusive as to such amount due and payable.

(g) Any payment of the outstanding principal balance of a LIBOR Loan on a day other than the last day of the corresponding LIBOR Interest Period (whether or not such payment is mandatory or automatic and whether or not such payment is then due) shall be subject to contemporaneous payment of the Prepayment Premium if, at the time of prepayment, the Reinvestment Rate is less than the Adjusted LIBOR plus the Applicable Margin. If at the time of any voluntary or mandatory prepayment of any portion of the principal of any Loan, then any prepayment of principal will be applied first to the portion of a Loan or Loans on which interest accrues by reference to the Alternate Base Rate and the Federal

18

Funds Effective Rate and next to the portion or portions at which interest accrues by reference to the Adjusted LIBOR.

(h) In addition to the compensation required by Section 2.5 (f) and (g) hereof, Borrower shall indemnify each Lender (on a net basis) against any loss or expense (including loss of margin) which any Lender has sustained or incurred as a consequence of any attempt by Borrower to revoke (expressly, by later inconsistent notices or otherwise) in whole or in part any notice stated herein to be irrevocable (the Agent having in its sole discretion the option (a) to give effect to such attempted revocation and obtain indemnity under this Section 2.5(h), or (b) to treat such attempted revocation as having no force or effect, as if never made). If any Lender sustains or incurs any such loss or expense it shall notify Borrower of the amount determined in good faith by such Lender (which determination shall be presumed to be correct) to be necessary to indemnify such Lender for such loss or expense. Such amount shall be due and payable by Borrower to such Lender ten (10) Banking Days after such notice is given.

2.6. Fees.

2.6.1. Commitment Fee - Revolving Commitment. Borrower shall pay to the Agent, for the pro rata benefit of the Lenders, a Commitment Fee equal to the Applicable Fee on the average daily unborrowed portion of the Revolving Commitment from the date hereof to and including the termination of the Revolving Commitment Period, which fee shall be due and payable quarterly in arrears, within fifteen (15) days of receipt of an invoice therefor; provided, however, for purposes of calculating Bank One's pro rata share of the Commitment Fee due from Borrower, outstanding Advances under the Cash Management Line shall be deemed to count as borrowed under the Revolving Commitment. Such Commitment Fee shall be calculated on the basis of the actual number of days elapsed and a Three Hundred Sixty (360) day year.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

2.6.2. Agent Fee. Borrower shall pay the Agent an agent's fee, the terms and provisions of which fee shall be subject to a separate written agreement executed by the Agent and Borrower.

2.7. Reductions and Increases of Revolving Commitment.

2.7.1. Reductions. Borrower may permanently reduce the Revolving Commitments in whole, or in part ratably among the Lenders in integral multiples of Five Million Dollars (\$5,000,000), upon at least three (3) Banking Days' written notice to the Agent, which notice shall specify the amount of any such reduction, provided, however, that the amount of the Revolving Commitments may not be reduced below the aggregate principal amount of the outstanding Revolving Loan Advances plus the aggregate principal amount of the outstanding Cash Management Line Advances plus the face amount of any outstanding Letters of Credit and unreimbursed drawings thereunder.

19

2.7.2. Increases. Borrower may request to increase the Revolving Commitments (in integral multiples of Five Million Dollars (\$5,000,000)) up to an aggregate Revolving Commitment of Sixty-Seven Million Five Hundred Thousand Dollars (\$67,500,000) upon the same terms, provisions and pricing as provided in this Agreement. Each Lender shall have the option, but no obligation, to participate in accordance with its Pro Rata Share in the requested increase. If any Lender declines to participate in such requested increase, the other Lenders shall have the option to further participate in such amount. If a requested increase is not fully committed by the existing Lenders, the Agent may seek, after consultation with Borrower, other potential lenders to fully commit the requested increase. Notwithstanding the foregoing, Borrower's ability to request an increase in the Revolving Commitments under this Section 2.7.2 shall be limited to an amount equal to the difference between Twenty Million Dollars (\$20,000,000) and the amount by which Borrower has obtained alternative financing for general working capital purposes and/or acquisition financing from third party lenders or other Lenders outside the arrangements contemplated by this Agreement as permitted under Section 5.2.5(f) hereof. No requested increase in the Revolving Commitments under this Section 2.7.2 shall be effective until (a) an amendment to this Agreement, amending Schedule I hereto, has been executed by Borrower, the Agent and the Lenders providing any part of the increase in the Revolving Commitment, and (b) Borrower has executed new or replacement Notes in the principal amounts reflecting the increase in the Revolving Commitments.

2.8. Non-Receipt of Funds by the Agent.

(a) From the Lenders. Unless the Agent shall have received notice from a Lender by 2:00 p.m. on a proposed Banking Day on which such Lender is to provide funds to the Agent for a Loan to be made by such Lender that such Lender will not make available to the Agent such funds, the Agent may assume that such Lender has made such funds available to the Agent on the date of such Loan in accordance with this Agreement and the Agent in its sole discretion may, but shall not be obligated to, in reliance upon such assumption, make available to Borrower on such date a corresponding amount. If and to the extent such Lender has not

made such funds available to the Agent (and provided such Lender was given timely notice in accordance with this Agreement), such Lender agrees to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to Borrower until the date such amount is repaid to the Agent, at a rate per annum equal to the Federal Funds Effective Rate. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Loan for purposes of this Agreement. If such Lender does not pay such corresponding amount forthwith upon the Agent's demand therefor, the Agent shall promptly notify Borrower, and Borrower shall immediately pay such corresponding amount to the Agent with interest thereon, for each day from the date such amount is made available to Borrower until the date such amount is repaid to the Agent, at the rate of interest applicable at the time to the relevant Loan.

20

(b) From Borrower. Unless the Agent shall have received notice from Borrower prior to the date on which any payment is due to the Lenders hereunder that Borrower will not make such payment in full, the Agent may assume that Borrower has made such payment in full to the Agent on such date and the Agent in its sole discretion may, but shall not be obligated to, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent Borrower has not made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date the Agent recovers such amount at a rate per annum equal to the Federal Funds Effective Rate.

2.9. Issuance of Letters of Credit. Subject to the terms and conditions hereof, the LC Issuer agrees, upon receipt of a completed and executed proper application, to issue on behalf of the Lenders from time to time during the Revolving Commitment Period, commercial and standby Letters of Credit for the account of Borrower. The Letters of Credit shall not be payable to the beneficiary thereof less than One (1) Banking Day after presentment for payment. The commercial Letters of Credit shall have an expiration date not later than the earlier of six months from the date of issuance or one day before the expiration of the Revolving Commitment Period. The standby Letters of Credit shall have an expiration date not later than one day before the expiration of the Revolving Commitment Period. The aggregate of the Letters of Credit outstanding plus the aggregate amount of unreimbursed drawings under the Letters of Credit shall not exceed Seven Million Five Hundred Thousand Dollars (\$7,500,000). The amount of any Letter of Credit outstanding at any time for all purposes hereof shall be the maximum amount which could be drawn thereunder under any circumstances from and after the date of determination. Each Letter of Credit issued pursuant to this Agreement and each unreimbursed drawing thereunder shall count against and reduce the Revolving Commitments by the amount of such Letter of Credit outstanding unless and until such Letter of Credit expires by its terms or otherwise terminates or the amount of a drawing thereunder is reimbursed, in which event the Revolving Commitments shall be reinstated by the amount of such Letter of Credit or the amount of such reimbursement, as the case may be. Each such Letter of Credit shall conform to the general requirements of the LC Issuer for

the issuance of such credits, as to form and substance, shall be subject to the Uniform Customs and Practices for Documentary Credits (1993 Revision), International Chamber of Commerce Publication No. 500 and shall be a letter of credit which the LC Issuer may lawfully issue. Each payment of a Letter of Credit by the LC Issuer shall be reimbursed by Advances under the Revolving Commitments evidenced by the Revolving Notes. If and to the extent a drawing is at any time made under any Letter of Credit, the LC Issuer shall notify Borrower, the Agent and the other Lenders of such draw and Borrower agrees to pay to the LC Issuer immediately and unconditionally upon demand for reimbursement, in lawful money of the United States, an amount equal to each amount which shall be so drawn, together with interest from the date of such drawing to and including the date such payment is reimbursed to the LC Issuer or converted to Revolving Commitments as provided herein. Until demand for reimbursement, such interest shall be calculated at a variable rate per annum equal to the Alternate Base Rate, and interest shall be calculated after such demand at a variable

21

rate per annum equal to the Alternate Base Rate plus Three Percent (3%). All such interest shall be calculated on the basis that an entire year's interest is earned in Three Hundred Sixty (360) days. On the date of reimbursement, the LC Issuer shall notify the Agent and the other Lenders by 12:00 Noon (Indianapolis time) that Advances under the Revolving Commitments are required to reimburse the LC Issuer. Borrower hereby irrevocably authorizes the Lenders to refinance, without notice to Borrower, the reimbursement Obligation of Borrower arising out of any such drawing into Revolving Loans, evidenced by the Revolving Notes and for all purposes under, on and subject to the terms and conditions of this Agreement, but without regard to the conditions precedent to making an Advance under the Revolving Commitments or to any requirement of this Agreement that each Revolving Loan be in a minimum amount or multiple; provided, however, that an Advance under the Revolving Commitments in spite of Borrower's failure to satisfy any conditions precedent to making an Advance shall not constitute a waiver of any Default by the Lenders. This Agreement and the other Loan Documents shall supersede any terms of any letter of credit applications or other documents which are irreconcilably inconsistent with the terms hereof or thereof. By 2:00 p.m. (Indianapolis time) on each date the Lenders have received notice that Advances under the Revolving Commitments are required to reimburse the LC Issuer for draws under the Letters of Credit, each Lender severally agrees to make its portion of the Revolving Loans then being made by making available to the Agent, either by wire transfer to the Agent's main office in Indianapolis, Indiana, or by deposit to any correspondent account which the Agent may maintain with that Lender, the amount to be advanced by such Lender. By 2:30 p.m. (Indianapolis time) on each such date, the Agent shall reimburse the LC Issuer, but only from funds received by the Agent, the amount paid on Letters of Credit that date, either by wire transfer or by deposit to the LC Issuer's correspondent account with the Agent (or as otherwise agreed between the LC Issuer and the Agent).

2.10. Letters of Credit Participation and Fees. For administrative convenience, the LC Issuer shall issue the Letters of Credit for the account of Borrower pursuant to the arrangements set forth herein, and, the outstanding portion of each Letter of Credit shall be deemed to utilize a Pro Rata Share of the Revolving Commitment of each Lender. Each Lender severally agrees to participate in each Letter of Credit issued by the LC Issuer hereunder according to its Pro Rata Share of the Revolving Commitments. Each Lender's

participation shall be funded by funding its Pro Rata Share of the Revolving Commitments upon any drawing under any Letter of Credit not reimbursed the same day as a drawing thereunder by Borrower by 2:00 p.m. (Indianapolis time) by making such funds available to the Agent in accordance with Sections 2.4.1 and 2.9 hereof; and thereupon, each such Lender shall be entitled to, and the LC Issuer or the Agent, as applicable, shall remit to each such Lender, their respective Pro Rata Share of any amounts (including any interest thereon) received by the LC Issuer or the Agent, as applicable, in reimbursement of such drawing. The LC Issuer shall furnish to such Lenders, each time any Letter of Credit either is issued or drawn under (whether in whole or in part), a participation certificate showing the aggregate amount of the LC Issuer's Letters of Credit issued and unexpired or unfunded and the amount of their respective Pro Rata Share thereof. Borrower agrees to pay to the LC Issuer, Letter of Credit fees of One-Eighth Percent (1/8%) of the face amount of each commercial Letter of Credit (subject to a minimum fee in each case of Fifty Dollars (\$50) and the Applicable Fee per annum of the face amount of each standby Letter of Credit at the time of issuance. Borrower shall also pay a negotiating

22

fee equal to One-Eighth Percent (1/8%) for drafts of commercial Letters of Credit presented for payment (subject to a minimum fee in each case of Fifty Dollars (\$50)). Such Letter of Credit fees will be allocated among the Lenders in accordance with their respective Pro Rata Shares and will be remitted to the other Lenders (a) promptly by the LC Issuer with the participation certificate with respect to standby Letters of Credit, and (b) quarterly in arrears with respect to commercial Letters of Credit. The LC Issuer shall also be entitled to charge to Borrower and retain its standard and customary fees for the issuance of standby Letters of Credit, which fees shall be due and payable upon such issuance. Upon not less than one (1) day prior notice from the LC Issuer, Borrower authorizes the LC Issuer to collect such fees by deducting the amount thereof from the deposit account of Borrower.

2.11. Reimbursement of Letters of Credit. The obligation of Borrower to reimburse any drawing under any Letter of Credit shall be absolute, unconditional and irrevocable and shall be paid and performed strictly in accordance with the terms of this Agreement under all circumstances, whatsoever, including, without limitation, the following:

- (a) any lack of validity or enforceability of any Letter of Credit, or any Loan Document;
- (b) any amendment or waiver of or consent to departure from the terms of any Loan Document;
- (c) the existence of any claim, setoff, defense or other right which Borrower may have at any time against the beneficiary or any Letter of Credit, any transferee of any Letter of Credit, the Lenders or any other Person, whether in connection with the Loan Documents, such Letter of Credit, or any unrelated transaction;
- (d) any statement, draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect whatsoever;

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

(e) the surrender or impairment of any security for the performance or observance of the terms of the Loan Documents or such Letter of Credit; or

(f) any circumstance, happening or admission whatsoever, whether or not similar to any of the foregoing, including, without limitation, those matters described below.

The parties benefitted by any Letter of Credit shall be deemed to be the agents of Borrower, and except as expressly set forth herein, Borrower assumes all risks for their acts, omissions, or misrepresentations. Neither the LC Issuer nor any of its affiliates or correspondents shall be responsible for the validity, sufficiency, truthfulness or genuineness of any document required to draw under any Letter of Credit even if such document should in fact prove to be in any and all respects invalid, insufficient, fraudulent or forged, provided only that the document appears on its face to be in accordance with the terms of the Letter of Credit. The LC Issuer, its

23

affiliates and correspondents shall not be responsible for any failure of any draft to bear reference or adequate reference to the applicable Letter of Credit or for the failure of any Person to note the amount of any draft on any Letter of Credit or to surrender or take up any Letter of Credit, each of which provisions may be waived by the LC Issuer, or for errors, omissions, interruptions, or delays in transmission or delivery of any messages or documents. Without limiting the generality of the foregoing, Borrower agrees that any action taken by the LC Issuer or any of its affiliates or correspondents under or in connection with any Letter of Credit shall be binding upon Borrower and shall not put the LC Issuer or any such affiliates or correspondents under any such resulting liability to Borrower except in the case of gross negligence or willful misconduct. The LC Issuer shall not be liable for consequential damages or for any action or failure to take action under or in connection with any Letter of Credit except for any such action or failure to take action which constitutes gross negligence or willful misconduct. The LC Issuer is expressly hereby authorized to honor any request for payment which is made under or in compliance with the terms of any Letter of Credit without regard to and without any duty on its part to inquire into the existence of any disputes or controversies between Borrower and any beneficiary of any Letter of Credit or any other Person or into respective rights, duties or liabilities of any of them or whether any facts or occurrences represented in any of the documents presented under any Letter of Credit are true and correct. No Person, other than the parties hereto, shall have any rights of any nature under this Agreement or by reason hereof. The LC Issuer shall not be liable to the Lenders participating in any Letter of Credit except for gross negligence or willful misconduct in connection with such Letter of Credit. In no event shall the LC Issuer's reliance and payment against documents presented under a Letter of Credit appearing on its face to substantially comply with the terms thereof be deemed to constitute gross negligence or willful misconduct.

2.12. Use of Proceeds. The proceeds of Advances under the Revolving Commitment and the Cash Management Line shall be used for general working capital purposes of Borrower and its Subsidiaries, to fund acquisitions as permitted in this Agreement and for other proper corporate purposes not prohibited by this Agreement.

2.13. Lending Installations. Each Lender may book its Loans and

its participation in any Letters of Credit and the LC Issuer may book the Letters of Credit at any Lending Installation selected by such Lender or the LC Issuer, as the case may be, and may change its Lending Installation from time to time. All terms of this Agreement shall apply to any such Lending Installation and the Loans, the Letters of Credit, participations in the Letters of Credit and any Notes issued hereunder shall be deemed held by each Lender or the LC Issuer, as the case may be, for the benefit of any such Lending Installation. Each Lender and the LC Issuer may, by written notice to the Agent and the Borrower in accordance with Section 10.11 hereof, designate replacement or additional Lending Installations through which Loans will be made by it or the Letters of Credit will be issued by it and for whose account Loan payments or payments with respect to the Letters of Credit are to be made.

24

SECTION 3

Guaranty

The Obligations of Borrower shall be unconditionally, jointly and severally guaranteed by the Guarantors pursuant to their respective Guaranty. In addition, any Subsidiary, created or acquired hereafter by Borrower or a Guarantor, shall execute and deliver to the Agent, upon the earlier of such acquisition or capitalization of such Subsidiary but in any event not later than the date Borrower obtains an Advance to be used in connection with, or related to, such Subsidiary, a Guaranty substantially in the form of Exhibit D hereto.

SECTION 4

Representations and Warranties

In order to induce the Lenders to enter into this Agreement and to make Loans pursuant to their Revolving Commitments and the Cash Management Line, and to issue Letters of Credit, Borrower represents and warrants to the Lenders, which representations and warranties will survive the delivery of the Notes, the making of the Loans and the establishment of the Facilities, that:

4.1. Due Organization. Borrower and each Subsidiary is a corporation duly organized, validly existing and in good standing (if applicable) under and by virtue of the laws of its state of incorporation.

4.2. Due Qualification. Borrower and each Subsidiary is qualified, in good standing (if applicable) and authorized to do business as a foreign corporation in such other states wherein the failure to so qualify would have a material adverse effect on its business.

4.3. Corporate Power. Borrower possesses the requisite power to enter into the Loan Documents, to borrow under the Loan Documents, to execute and deliver the Loan Documents and to perform its respective obligations thereunder.

4.4. Corporate Authority. Borrower has taken the necessary

corporate action to authorize the execution and delivery of the Loan Documents and the borrowings thereunder, and none of the provisions of the Loan Documents violates, breaches, contravenes, conflicts with, or causes a default under any provision of the articles of incorporation or by-laws of Borrower or any provision of any existing note, bond, mortgage, debenture, indenture, trust, license, lease, instrument, decree, order, judgment, or agreement to which Borrower is a party or by which it or its assets may be bound or affected. Each Guarantor has taken the necessary corporate action to authorize the execution and delivery of its Guaranty, and none of the provisions of the Guaranty violates, breaches, contravenes, conflicts with, or causes a default under any provision of the articles of incorporation or by-laws of any Guarantor or any provision of any existing note, bond, mortgage, debenture, indenture, trust, license, lease, instrument,

25

decree, order, judgment, or agreement to which such Guarantor is a party or by which it or its assets may be bound or affected.

4.5. Financial Statements. The Financial Statements were prepared in accordance with GAAP consistent with prior years, unless specifically otherwise noted thereon, and fairly present the financial condition of Borrower as of the date thereof and the results of its operations for the period then ended, and no material adverse change in the business, operations, financial condition, properties or prospects of Borrower has occurred since the date of the Financial Statements.

4.6. No Material Adverse Change. The information submitted by Borrower to the Lenders discloses all known or anticipated material liabilities, direct or contingent, of Borrower as of the dates thereof, and since such dates, there has been no material adverse change in Borrower's financial condition.

4.7. Subsidiaries. Except as set forth on Schedule 4.7 hereto, Borrower has no Subsidiaries or other ownership interest in any Person. Except as set forth on Schedule 4.7 hereto, there are no restrictions on Borrower or any of its Subsidiaries which prohibit or otherwise restrict the transfer of cash or other assets from any Subsidiary of Borrower to Borrower, other than prohibitions or restrictions existing under or by reason of (a) this Agreement, and (b) applicable law.

4.8. Binding Obligations. Each of the Loan Documents, when issued for value, will constitute legal, valid and binding obligations of Borrower and its Subsidiaries, as applicable, enforceable against Borrower and its Subsidiaries, as applicable, in accordance with its terms, except as the same may be limited by reorganization, bankruptcy, insolvency, moratorium or other laws affecting generally the enforcement of creditors' rights.

4.9. Marketable Title. Borrower and each subsidiary has good and marketable title to all of its real property and good title to all of its other properties and assets shown on the Financial Statements, except such properties or assets as have been disposed of since the date of such statements in the ordinary course of business. Except for Permitted Encumbrances, none of the assets of Borrower and its Subsidiaries are subject to any mortgage, pledge, security interest, title retention lien or other encumbrance. Except to evidence Permitted Encumbrances, no financing statement or similar instrument which names Borrower or its Subsidiaries as debtor or relates to any

of its property, has been filed in any state or other jurisdiction and remains unreleased, and Borrower has not signed any financing statement or similar instrument or security agreement authorizing the secured party thereunder to file any such financing statement or similar instrument.

4.10. Indebtedness. Except as shown on the Financial Statements, except trade debt incurred in the ordinary course of business since the date of the Financial Statements, except for Indebtedness of Borrower owed to a Guarantor and Indebtedness of a Guarantor owed to Borrower or another Guarantor, and except as shown on Schedule 4.10 hereto, Borrower and its Subsidiaries have no outstanding Indebtedness.

26

4.11. Default. Neither Borrower nor any of its Subsidiaries has committed or suffered to exist any default or any circumstance which with notice, lapse of time, or both, would constitute a default under the terms and conditions of any trust, debenture, indenture, note, bond, instrument, mortgage, lease, agreement, order, decree, or judgment to which Borrower or its Subsidiaries is a party or by which it or its assets may be bound or affected, which would have a material adverse effect upon the business, operations, financial condition, or properties of the Borrower and its Subsidiaries taken as a whole.

4.12. Tax Returns. All tax returns or reports of Borrower and its Subsidiaries required by law have been filed, and all taxes, assessments, contributions, fees and other governmental charges (other than those presently payable without penalty or interest and those currently being contested in good faith and against which adequate reserves have been established) upon Borrower, its Subsidiaries or their assets, properties or income, which are payable, have been paid.

4.13. Litigation. No litigation or proceeding of any Governmental Authority or other Person is presently pending or, to Borrower's knowledge, threatened, nor has any claim been asserted, against Borrower or its Subsidiaries which, if adversely determined, would materially affect the business, operations, financial condition, properties or prospects of Borrower and its Subsidiaries taken as a whole.

4.14. ERISA. Borrower and each ERISA Affiliate is in compliance in all material respects with all applicable provisions of ERISA, and neither Borrower nor any ERISA Affiliate has incurred any material liability to the PBGC. Neither a "reportable event", nor a "prohibited transaction", has occurred under, nor has there occurred any complete or partial withdrawal from, nor has there occurred any other event, which would constitute grounds for termination of or the appointment of a trustee to administer any "employee benefit plan" (including any "multi-employer plan") maintained for employees of Borrower or any ERISA Affiliate, all within the meanings ascribed by ERISA, which would have a material adverse effect upon the business, operations, financial condition or properties of the Borrower and its Subsidiaries taken as a whole.

4.15. Full Disclosure. No information, exhibit, memorandum, or report (excluding estimated future operating results and excluding information prepared by Persons other than Borrower and its employees and as designated as such by Borrower) furnished by Borrower to the Lenders in connection with the negotiation of the Facilities contains any material misstatement of fact, or omits to state any fact

necessary to make the statements contained therein not materially misleading. To Borrower's knowledge, there presently exists no fact or circumstance relative to Borrower, whether or not disclosed, which is presently anticipated to have a material adverse effect upon the business, operations, financial condition, properties or prospects of Borrower or the ability of Borrower to fully perform its respective obligations under the Loan Documents.

4.16. Contracts of Surety. Except for the endorsements of Borrower and its Subsidiaries of negotiable instruments for deposit or collection in the ordinary course of business and except for guaranties of trade debt of Subsidiaries and other operating obligations of Subsidiaries incurred in the ordinary course of

27

business, neither Borrower nor its Subsidiaries is a party to any contract of guaranty or surety.

4.17. Licenses. Borrower and each Subsidiary possesses such franchises, licenses, permits, patents, copyrights, trademarks, and consents of appropriate Governmental Authorities to own its property and as are necessary to carry on its business as presently conducted.

4.18. Compliance with Law. Borrower and each Subsidiary is in substantial compliance with all applicable requirements of law and of all Governmental Authorities noncompliance with which would have a materially adverse effect upon the business, operations, financial condition, properties or prospects of Borrower.

4.19. Force Majeure. Neither the business nor the properties of Borrower are presently affected by any fire, explosion, accident, strike, lockout or other labor dispute, drought, storm, hail, earthquake, embargo, act of God or of the public enemy or other casualty materially adversely affecting the business, operations, financial condition, properties or prospects of Borrower.

4.20. Margin Stock. Neither Borrower nor any of its Subsidiaries is engaged in the business of extending credit for the purpose of purchasing or carrying margin stock (within the meaning of Regulation U of the Board of Governors of the Federal Reserve System), and no part of the proceeds of the Facilities will be used, either directly or indirectly, for the purpose, whether immediate, incidental or remote, of purchasing or carrying any margin stock or of extending credit to others for the purpose of purchasing or carrying any margin stock, and Borrower shall furnish to the Lenders, upon its request, a statement in conformity with the requirements of Federal Reserve Board Form U-1 referred to in Regulation U. Further, no part of the proceeds of the Facilities will be used for any purpose that violates, or which is inconsistent with, the provisions of Regulations T, U or X of the Board of Governors.

4.21. Approvals. No authorization, consent, approval or any form of exemption of any Governmental Authority is required in connection with the execution and delivery by Borrower or its Subsidiaries, as applicable, of the Loan Documents, the borrowings and performance thereunder or the issuance of the Notes.

4.22. Insolvency. Neither Borrower nor any of its Subsidiaries is "insolvent" within the meaning of that term as defined in the Federal Bankruptcy Code and Borrower and each Subsidiary is able to pay its debts as they mature.

4.23. Regulation. Neither Borrower nor any of its Subsidiaries is an "investment company" within the meaning of the Investment Company Act of 1940, as amended, or a "holding company" or an "affiliate of a holding company" or a "subsidiary of a holding company" within the meanings of the Public Utility Holding Company Act of 1935, as amended.

28

4.24. Environmental Compliance. After the exercise of all requisite diligence, except as would not have a material adverse effect upon the business, operations, financial condition or properties of Borrower and its Subsidiaries taken as a whole, and except as disclosed in writing to Lender, Borrower and each Subsidiary is in compliance with all Environmental Laws, including, without limitation, all Environmental Laws in jurisdictions in which Borrower or such Subsidiary owns or operates, or has owned or operated, a facility or site, arranges or has arranged for disposal or treatment of hazardous substances, solid waste or other waste, accepts or has accepted for transport any hazardous substances, solid waste or other wastes or holds or has held any interest in real property or otherwise. No litigation or proceeding arising under, relating to or in connection with any Environmental Law is pending or, to Borrower's knowledge, threatened against Borrower or any Subsidiary, any real property which Borrower or any Subsidiary holds or has held an interest or any past or present operation of Borrower or any Subsidiary, which, if adversely determined, would have a material adverse effect upon the business, operations, financial condition or properties of the Borrower and its Subsidiaries taken as a whole. No release, threatened release or disposal or hazardous waste, solid waste or other wastes is occurring, or has occurred, on, under or to any real property in which Borrower or any Subsidiary holds any interest or performs any of its operations, in violation of any Environmental Law, which would have a material adverse effect upon the business, operations, financial condition or properties of the Borrower and its Subsidiaries taken as a whole. As used in this Section, "litigation or proceeding" means any demand, claim, notice, suit, suit in equity, action, administrative action, investigation or inquiry whether brought by a Governmental Authority or other Person.

4.25. General. All statements contained in any certificate or financial statement delivered by or on behalf of Borrower to the Lenders under any Loan Document shall constitute representations and warranties made by Borrower hereunder.

6.1.7. Regulation U. The Lenders shall have received such certificates and other documents as it shall have deemed reasonably appropriate as to compliance with Regulations T, U and X of the Board of Governors of the Federal Reserve System.

6.1.8. Compliance Certificate. A fully executed and completed Compliance Certificate.

37

6.1.9. Facility Fees. The fees described in Section 2.6 shall have been paid by Borrower to the Agent for the benefit of the Lenders.

6.1.11. Additional Documentation. The Lenders shall have received such other documents as the Lenders may reasonably request.

6.2. Conditions to Subsequent Advances. Prior to each subsequent Advance under the Facilities:

6.2.1. No Default. No Default or Unmatured Default shall have occurred and be continuing.

6.2.2. Representations and Warranties. Each representation and warranty contained in Section 4 shall be true and correct as of the date of such advance, except to the extent any such representation or warranty relates solely to an earlier date and except changes reflecting transactions permitted by this Agreement.

6.2.3. Legal Matters. All legal matters incident to the making of such Advance shall be reasonably satisfactory to the Lenders and its counsel.

6.2.4. Expenses. Borrower shall have reimbursed the Lenders for all legal fees and other reasonable expenses incurred by the Lenders after the date hereof in connection with the Facilities for which Borrower, pursuant to this Agreement, is responsible.

6.3. Special Conditions to Advances for Permitted Acquisitions. Prior to any Advance to be used for the purpose of funding a permitted acquisition or merger:

6.3.1. Written Requests. At least Five (5) Banking Days prior to Borrower's request for an Advance to be used for the purpose of funding a permitted acquisition or merger pursuant to Section 5.2.8 hereof, Borrower shall submit to the Agent and the Lenders a written request signed by an Authorized Officer setting forth the estimated total amount of the requested Advance and the proposed uses thereof. Borrower shall also submit with its request (a) a written memorandum in summary form describing the extent and material results of its due diligence with respect to the Person to be acquired (the "Target"), (b) copies of all annual financial statements for the last three (3) years of the Target, or, to the extent all such annual financial statements are not available, such other financial statements reasonably acceptable in form to the Required Lenders, (c) a pro forma consolidated balance sheet of Borrower giving effect to consummation of the proposed transaction, and (d) a duly

38

completed pro forma Compliance Certificate required by Section 5.2.8 hereof and such other information and materials as required by Section 5.2.8 hereof.

6.3.2. Acquisition Documents. As soon as practicable, but in any event at least Five (5) Banking Days prior to Borrower's request for an Advance to be used for the purpose of funding a permitted acquisition or merger pursuant to Section 5.2.8 hereof, Borrower shall provide the Agent with a copy of the letter of intent or term sheet of the proposed acquisition or merger. As soon as practicable, but in any event at least One (1) Banking Day prior to the proposed date of funding of such Advance, the Agent shall have received the definitive purchase agreement and

such other material acquisition documents governing the proposed acquisition of the Target. The Agent shall furnish such items it receives under this Section 6.3.2 to the Lenders as soon as practicable.

6.3.3. Representations of Target's Financial Statements. Borrower's submission of the items in Section 6.3.1 hereof shall constitute a representation by Borrower, to its actual knowledge, that (a) the information provided to the Lenders with respect to the proposed acquisition remains true and correct in all material respects as of the date of funding, (b) no material adverse change in the business of the Target (including the financial condition and/or assets to be acquired), has occurred since the date of the last financial statements furnished to the Lenders, and (c) the Target and Borrower (and its Subsidiaries, if applicable) have fully and timely complied with any applicable laws in connection with the contemplated acquisition.

6.3.4. Expenses. Subject to Section 11.8 hereof, Borrower shall have reimbursed the Lenders for all reasonable legal fees and other reasonable expenses incurred by the Lenders after the date hereof in connection with the Facilities.

6.4. General. Each request for an Advance under the Facilities shall constitute a representation and warranty by Borrower that the applicable conditions contained in this Section 6 have been satisfied.

SECTION 7

Default

The occurrence of any of the following events shall be deemed a Default hereunder:

(a) any representation or warranty made by or on behalf of Borrower, any Guarantor or any Affiliate to the Lenders under or in connection with any Loan Document, any Guaranty, or any subordination agreement shall be false in any material respect as of the date on which made;

39

(b) Borrower or any Guarantor fails to make any payment of principal of or interest on any of the Notes, or any fee or other payment Obligation within five (5) days after the same is due;

(c) the breach by Borrower of any of the covenants contained in Sections 5.1.2 through 5.1.11 which breach remains uncured for a period which is the earlier of thirty (30) days after the occurrence thereof or twenty (20) days after written notice to Borrower from the Lenders; or the breach by Borrower of any other covenant contained in Section 5 hereof;

(d) the breach by Borrower or any Guarantor of any other terms or provisions of the Loan Documents (other than a breach which constitutes a Default under Section 7(a), (b) or (c) above) not cured within thirty (30) days after written notice from the Agent or a Lender to Borrower specifying such breach;

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

(e) the failure of Borrower or any Guarantor to pay any other material Indebtedness when due or within any applicable grace or cure period, or the default by Borrower or any Guarantor in the performance of any other term, provision or condition contained in any agreement under which any such Indebtedness was created or is governed, the effect of which is to permit the holder or holders of such Indebtedness to cause such Indebtedness to become due prior to its stated maturity, unless such default is waived in writing by the holder or holders of such Indebtedness; or any such Indebtedness shall be validly declared to be due and payable or required to be prepaid (other than by a regularly scheduled payment) prior to the stated maturity thereof;

(f) Borrower or any Guarantor shall (i) have an order for relief entered with respect to it under the Federal Bankruptcy Code, (ii) not pay, or admit in writing its inability to pay, its debts generally as they become due, (iii) make an assignment for the benefit of creditors, (iv) apply for, seek, consent to, or acquiesce in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its property, (v) institute any proceeding seeking an order for relief under the Federal Bankruptcy Code or seeking to adjudicate it a bankrupt or insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors or fail to file an answer or other pleading denying the material allegations of any such proceeding filed against it, or (vi) suspend operations as presently conducted or discontinue doing business as an ongoing concern;

(g) without the application, approval or consent of Borrower or any Guarantor, a receiver, trustee, examiner, liquidator or similar official shall be appointed for Borrower or such Guarantor or any substantial part of its property, or a proceeding described in item (f) shall be instituted against Borrower or such Guarantor and such appointment continues undischarged or such proceeding continues undismitted or unstayed for a period of sixty (60) consecutive days;

(h) any Guaranty or any material provision thereof shall cease to be in full force or effect, or any Guarantor fails to promptly perform under its Guaranty, or any Guarantor terminates or revokes or attempts to terminate or revoke its Guaranty;

40

(i) any Governmental Authority shall condemn, seize or otherwise appropriate, or take custody or control of all or any substantial portion of the property of Borrower;

(j) Borrower or any Subsidiary shall fail within thirty (30) days to pay, bond or otherwise discharge any judgment or order for the payment of money in an amount equal to or greater than Three Hundred Thousand Dollars (\$300,000) which is not stayed on appeal or otherwise appropriately contested in good faith, or any attachment, levy or garnishment is issued against any property of Borrower or any Subsidiary;

(k) the expiration of sixty (60) days after the occurrence of a Change in Control, without the written consent of the Required Lenders; or

(l) there occurs a "reportable event" or a "prohibited

transaction" under, or any complete or partial withdrawal from, or any other event which would constitute grounds for termination of or the appointment of a trustee to administer, any "plan" maintained by Borrower or any ERISA Affiliate for the benefit of its "employees" (as such terms are defined in ERISA) which will have a material adverse effect on the financial condition of Borrower or any of its Subsidiaries.

SECTION 8

Remedy

8.1. Acceleration. If any Default described in Section 7, item (f) or (g) occurs, the commitments of the Lenders to make, renew or convert Advances of the Facilities, to accept drafts or to issue Letters of Credit hereunder shall automatically terminate and the Obligations (including, without limitation, the obligation to deposit with the Agent a sum equal to the aggregate face amount of the outstanding Letters of Credit pursuant to Section 8.2 hereof) shall immediately become due and payable without any election or action on the part of any Lender. If any other Default occurs, then upon the declaration of the Required Lenders or the Agent at the direction of the Required Lenders, the obligations of the Lenders to make, renew or convert Advances of the Facilities, to accept drafts and to issue Letters of Credit under this Agreement shall terminate and the Obligations (including, without limitation, the obligation to deposit with the Agent a sum equal to the aggregate face amount of the outstanding Letters of Credit pursuant to Section 8.2 hereof) shall immediately become due and payable. In either event, the Obligations shall become immediately due and payable without presentment, demand, protest or notice of any kind, all of which Borrower hereby expressly waives. The remedies of the Lenders specified in this Agreement and the other Loan Documents shall not be exclusive and the Lenders may avail themselves of any of the remedies provided by law as well as any equitable remedies available to the Lenders, and each and every remedy shall be cumulative and concurrent and shall be in addition to every other remedy now or hereafter existing at law or in equity.

41

8.2. Deposit to Secure Reimbursement Obligations. When any Default under Section 7(b) hereof has occurred and is continuing, or the Required Lenders (or the Agent at the direction of the Required Lenders) have declared any acceleration of the Obligations after the occurrence of any other Default, the Required Lenders or the Agent at the direction of the Required Lenders may demand that Borrower immediately pay to the Agent an amount equal to the aggregate outstanding amount of the Letters of Credit and Borrower shall immediately upon any such demand make such payment. Borrower hereby irrevocably grants to the Agent for the benefit of the Lenders a security interest in all funds deposited to the credit of or in transit to any deposit account or fund established pursuant to this Section 8.2, including, without limitation, any investment of such fund. Borrower hereby acknowledges and agrees that the Agent and the LC Issuer would not have an adequate remedy at law for failure by Borrower to honor any demand made under this Section 8.2 and that the Agent and the LC Issuer shall have the right to require Borrower specifically to perform its undertakings in this Section 8.2 whether or not any draws have been made under any Letter of Credit. In the event the Agent or the LC Issuer makes a demand pursuant to this

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

Section 8.2, and Borrower makes the payment demanded, the Agent agrees to invest the amount of such payment for the account of Borrower and at Borrower's risk and direction in short-term investments acceptable to the Agent.

8.3. Subrogation. The LC Issuer shall, to the extent of any payments made by the LC Issuer under any Letter of Credit, be subrogated to all rights of the beneficiary of such Letter of Credit as to all obligations of Borrower and its Subsidiaries with respect to which such payment shall have been made by the LC Issuer.

8.4. Preservation of Rights. No delay or omission of the Agent or any Lender to exercise any power or right under the Loan Documents shall impair such power or right or be construed to be a waiver of any Default or an acquiescence therein, and any single or partial exercise of any power or right shall not preclude other or further exercise thereof or the exercise of any other power or right. No Advance hereunder shall constitute a waiver of any of the conditions of any Lender's obligation to make further Advances, nor, in the event Borrower is unable to satisfy any such condition, shall a waiver of such condition in any one instance have the effect of precluding any Lender from thereafter declaring such inability to be a Default hereunder. No course of dealings shall be binding upon the Agent or any Lender.

8.5. Actions by the Agent/Default Rate. The Agent shall take such action with respect to a Default or a Unmatured Default as shall be reasonably directed in writing by the Required Lenders or all the Lenders, as applicable, provided, however, that, unless and until the Agent shall have received such direction, the Agent may take such action, or refrain from taking such action with respect thereto, as it shall deem advisable in the best interests of the Lenders. The Agent shall have no obligation to impose or collect the Default rate of interest as provided in Section 2.2.3 hereof unless and until instructed in writing by the Required Lenders, which written instruction shall include the Required Lenders' determination of the date of Default and the amount of interest due and payable by Borrower.

42

SECTION 9

The Agent

9.1. Appointment; Nature of Relationship. Bank One is hereby appointed by each of the Lenders as its contractual representative (herein referred to as the "Agent") hereunder and under each other Loan Document, and each of the Lenders irrevocably authorizes the Agent to act as the contractual representative of such Lender with the rights and duties expressly set forth herein and in the other Loan Documents. The Agent agrees to act as such contractual representative upon the express conditions contained in this Section 9. Notwithstanding the use of the defined term "Agent," it is expressly understood and agreed that the Agent shall not have any fiduciary responsibilities to any Lender by reason of this Agreement or any other Loan Document and that the Agent is merely acting as the contractual representative of the Lenders with only those duties as are expressly set forth in this Agreement and the other Loan Documents. In its capacity as the Lenders' contractual representative, the Agent (a) does not hereby assume any fiduciary

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

duties to any of the Lenders, (b) is a "representative" of the Lenders within the meaning of Section 9-105 of the Uniform Commercial Code, and (c) is acting as an independent contractor, the rights and duties of which are limited to those expressly set forth in this Agreement and the other Loan Documents. Each of the Lenders hereby agrees to assert no claim against the Agent on any agency theory or any other theory of liability for breach of fiduciary duty, all of which claims each Lender hereby waives.

9.2. Powers. The Agent shall have and may exercise such powers under the Loan Documents as are specifically delegated to the Agent by the terms of each thereof, together with such powers as are reasonably incidental thereto. The Agent shall have no implied duties to the Lenders, or any obligation to the Lenders to take any action thereunder except any action specifically provided by the Loan Documents to be taken by the Agent.

9.3. General Immunity. Neither the Agent nor any of its directors, officers, agents or employees shall be liable to Borrower, the Lenders or any Lender for any action taken or omitted to be taken by it or them hereunder or under any other Loan Document or in connection herewith or therewith except to the extent such action or inaction is determined in a final non-appealable judgment by a court of competent jurisdiction to have arisen from the gross negligence or willful misconduct of such Person.

9.4. No Responsibility for Loans, Recitals, etc. Neither the Agent nor any of its directors, officers, agents or employees shall be responsible for or have any duty to ascertain, inquire into, or verify (a) any statement, warranty or representation made in connection with any Loan Document or any borrowing hereunder; (b) the performance or observance of any of the covenants or agreements of any obligor under any Loan Document, including, without limitation, any agreement by an obligor to furnish information directly to each Lender; (c) the satisfaction of any condition specified in Section 6, except receipt of items required to be delivered solely to the Agent; (d) the existence or possible existence of any Default or Unmatured Default; (e) the validity, enforceability, effectiveness, sufficiency or genuineness of any Loan Document or any other instrument or writing

43

furnished in connection therewith; (f) the value, sufficiency, creation, perfection or priority of any lien in any collateral security; or (g) the financial condition of Borrower or any Guarantor of any of the Obligations or of any of Borrower's or any such Guarantor's respective Subsidiaries. The Agent shall have no duty to disclose to the Lenders information that is not required to be furnished by Borrower to the Agent at such time, but is voluntarily furnished by Borrower to the Agent (either in its capacity as Agent or in its individual capacity).

9.5. Action on Instructions of Lenders. The Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder and under any other Loan Document in accordance with written instructions signed by the Required Lenders, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all of the Lenders. The Lenders hereby acknowledge that the Agent shall be under no duty to take any discretionary action permitted to be taken by it pursuant to the provisions of this Agreement or any other Loan Document unless it shall be requested in writing to do so by the Required Lenders. The Agent shall be fully justified in

failing or refusing to take any action hereunder and under any other Loan Document unless it shall first be indemnified to its satisfaction by the Lenders pro rata against any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action.

9.6. Employment of Agents and Counsel. The Agent may execute any of its duties as Agent hereunder and under any other Loan Document by or through employees, agents, and attorneys-in-fact and shall not be answerable to the Lenders, except as to money or securities received by it or its authorized agents, for the default or misconduct of any such agents or attorneys-in-fact selected by it with reasonable care. The Agent shall be entitled to advice of counsel concerning the contractual arrangement between the Agent and the Lenders and all matters pertaining to the Agent's duties hereunder and under any other Loan Document.

9.7. Reliance on Documents; Counsel. The Agent shall be entitled to rely upon any Note, notice, consent, certificate, affidavit, letter, telegram, statement, paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, and, in respect to legal matters, upon the opinion of counsel selected by the Agent, which counsel may be employees of the Agent.

9.8. Agent's Reimbursement and Indemnification. The Lenders agree to reimburse and indemnify the Agent ratably in proportion to their respective Revolving Commitments (or, if the Revolving Commitments have been terminated, in proportion to their Revolving Commitments immediately prior to such termination) (a) for any amounts not reimbursed by Borrower for which the Agent is entitled to reimbursement by Borrower under the Loan Documents, (b) for any other expenses incurred by the Agent on behalf of the Lenders and not reimbursed by Borrower in connection with the preparation, execution, delivery, administration and enforcement of the Loan Documents (including, without limitation, for any expenses incurred by the Agent in connection with any dispute between the Agent and any Lender or between two or more of the Lenders), and (c) for any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind and nature whatsoever which may be imposed on, incurred by or asserted against the Agent and

44

not reimbursed by Borrower in any way relating to or arising out of the Loan Documents or any other document delivered in connection therewith or the transactions contemplated thereby (including, without limitation, for any such amounts incurred by or asserted against the Agent in connection with any dispute between the Agent and any Lender or between two or more of the Lenders), or the enforcement of any of the terms of the Loan Documents or of any such other documents, provided that no Lender shall be liable for any of the foregoing to the extent any of the foregoing is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Agent. The obligations of the Lenders under this Section 9.8 shall survive payment of the Obligations and termination of this Agreement.

9.9. Notice of Default. The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Unmatured Default hereunder unless the Agent has received written notice from a Lender or Borrower referring to this Agreement describing such Default

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

or Unmatured Default and stating that such notice is a "notice of default". In the event that the Agent receives such a notice, the Agent shall give prompt notice thereof to the Lenders.

9.10. Rights as a Lender. In the event the Agent is a Lender, the Agent shall have the same rights and powers hereunder and under any other Loan Document with respect to its Revolving Commitment and its Loans as any Lender and may exercise the same as though it were not the Agent, and the term "Lender" or "Lenders" shall, at any time when the Agent is a Lender, unless the context otherwise indicates, include the Agent in its individual capacity. The Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of trust, debt, equity or other transaction, in addition to those contemplated by this Agreement or any other Loan Document, with Borrower or any of its Subsidiaries in which Borrower or such Subsidiary is not restricted hereby from engaging with any other Person. The Agent, combined with its Affiliates, intends to retain (prior to any reductions pursuant to Section 2.7.1 hereof) a Revolving Commitment of not less than Twenty Million Dollars (\$20,000,000) or 42.1053% of the aggregate Revolving Commitments, whichever is less.

9.11. Lender Credit Decision. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on the financial statements prepared by Borrower and such other documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Loan Documents. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement and the other Loan Documents.

9.12. Successor Agent. The Agent may resign at any time by giving written notice thereof to the Lenders and Borrower, such resignation to be effective upon the appointment of a successor Agent or, if no successor Agent has been appointed, forty-five days after the retiring Agent gives notice of its intention to resign. The Agent may be removed at any time with or without cause by written notice

45

received by the Agent from the Required Lenders, such removal to be effective on the date specified by the Required Lenders. Upon any such resignation or removal, the Required Lenders, with the written consent of Borrower if no Default has occurred and is continuing, shall have the right to appoint, on behalf of Borrower and the Lenders, a successor Agent. If no successor Agent shall have been so appointed by the Required Lenders within thirty (30) days after the resigning Agent's giving notice of its intention to resign, then the resigning Agent may appoint, on behalf of Borrower and the Lenders, a successor Agent. Notwithstanding the previous sentence, the Agent may, with the written consent of Borrower if no Default has occurred and is continuing, but without the consent of any Lender, appoint any of its Affiliates which is a commercial bank as a successor Agent hereunder. If the Agent has resigned or been removed and no successor Agent has been appointed, the Lenders may perform all the duties of the Agent hereunder and Borrower shall, after written notice thereof from the Lenders, make all payments in respect of the Obligations to the applicable Lender and for all other purposes shall deal directly with the Lenders. No successor Agent shall be deemed to be appointed

hereunder until such successor Agent has accepted the appointment. Any such successor Agent shall be a commercial bank having capital and retained earnings of at least \$100,000,000. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning or removed Agent. Upon the effectiveness of the resignation or removal of the Agent, the resigning or removed Agent shall be discharged from its duties and obligations hereunder and under the Loan Documents. After the effectiveness of the resignation or removal of an Agent, the provisions of this Section 9 shall continue in effect for the benefit of such Agent in respect of any actions taken or omitted to be taken by it while it was acting as the Agent hereunder and under the other Loan Documents. In the event that there is a successor to the Agent by merger, or the Agent assigns its duties and obligations to an Affiliate pursuant to this Section 9.12, then the term "Prime Rate" as used in this Agreement shall mean the prime rate, base rate or other analogous rate of the new Agent.

9.13. Delegation to Affiliates. Subject to Section 9.12 hereof, Borrower and the Lenders agree that the Agent may delegate any of its duties under this Agreement to any of its Affiliates. Any such Affiliate (and such Affiliate's directors, officers, agents and employees) which performs duties in connection with this Agreement shall be entitled to the same benefits of the indemnification, waiver and other protective provisions to which the Agent is entitled under Sections 9 and 11 hereof.

SECTION 10

Benefit of Agreement; Assignment, Participations

10.1. Successors and Assigns. The terms and provisions of the Loan Documents shall be binding upon and inure to the benefit of Borrower and the Lenders and their respective successors and assigns, except that (a) Borrower shall not have the right to assign its rights or obligations under the Loan Documents, and (b) any assignment by any Lender must be made in compliance with Section 10.3 hereof. Notwithstanding clause (b) of this Section, any Lender may at any

46

time, without the consent of Borrower or the Agent, assign all or any portion of its rights under this Agreement and any Note to a Federal Reserve Bank; provided, however, that no such assignment to a Federal Reserve Bank shall release the transferor Lender from its obligations hereunder. The Agent may treat the Person which made any Loan or which holds any Note as the owner thereof for all purposes hereof unless and until such Person complies with Section 10.3 hereof in the case of an assignment thereof or, in the case of any other transfer, a written notice of the transfer is filed with the Agent. Any assignee or transferee of the rights to any Loan or any Note agrees by acceptance of such transfer or assignment to be bound by all the terms and provisions of the Loan Documents. Any request, authority or consent of any Person, who at the time of making such request or giving such authority or consent is the owner of the rights to any Loan (whether or not a Note has been issued in evidence thereof), shall be conclusive and binding on any subsequent holder, transferee or assignee of the rights to such Loan.

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

10.2. Participations.

10.2.1. Permitted Participants; Effect. Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time sell to one or more banks or other entities ("Participants") participating interests in any Loan owing to such Lender, any Note held by such Lender, any Revolving Commitment of such Lender or any other interest of such Lender under the Loan Documents. In the event of any such sale by a Lender of participating interests to a Participant, such Lender's obligations under the Loan Documents shall remain unchanged, such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, such Lender shall remain the owner of its Loans and the holder of any Note issued to it in evidence thereof for all purposes under the Loan Documents, all amounts payable by Borrower under this Agreement shall be determined as if such Lender had not sold such participating interests, and Borrower and the Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under the Loan Documents.

10.2.2. Voting Rights. Each Lender shall retain the sole right to approve, without the consent of any Participant, any amendment, modification or waiver of any provision of the Loan Documents other than any amendment, modification or waiver with respect to any Loan or Revolving Commitment in which such Participant has an interest which forgives principal, interest or fees or reduces the interest rate or fees payable with respect to any such Loan or Revolving Commitment, extends the Revolving Commitment Period, postpones any date fixed for any regularly-scheduled payment of principal of, or interest or fees on, any such Loan or Revolving Commitment, releases any Guarantor of any such Loan or releases all or substantially all of the collateral, if any, securing any such Loan.

10.2.3. Benefit of Setoff. Borrower agrees that each Participant shall be deemed to have the right of setoff provided in Section 11.19 hereof in respect of its participating interest in amounts owing under the Loan Documents to the same extent as if the amount of its participating interest were owing directly to it as a Lender under the Loan Documents, provided that each

47

Lender shall retain the right of setoff provided in Section 11.19 hereof with respect to the amount of participating interests sold to each Participant. The Lenders agree to share with each Participant, and each Participant, by exercising the right of setoff provided in Section 11.19 hereof, agrees to share with each Lender, any amount received pursuant to the exercise of its right of setoff, such amounts to be shared in accordance with Section 11.19 hereof as if each Participant were a Lender.

10.3. Assignments.

10.3.1. Permitted Assignments. Any Lender may, in the ordinary course of its business and in accordance with applicable law, at any time assign to one or more banks or other entities ("Purchasers") all or any part of its rights and obligations under the Loan Documents. Such assignment shall be substantially in the form of Exhibit E or in such other form as may be agreed

to by the parties thereto. The consent of Borrower and the Agent shall be required prior to an assignment becoming effective with respect to a Purchaser which is not a Lender or an Affiliate thereof; provided, however, that if a Default has occurred and is continuing, the consent of Borrower shall not be required. Such consents shall not be unreasonably withheld or delayed. Each such assignment shall (unless each of Borrower and the Agent otherwise consents) be in an amount not less than the lesser of (a) \$5,000,000 or (b) the remaining amount of the assigning Lender's Revolving Commitment (calculated as at the date of such assignment).

10.3.2. Effect; Effective Date. Upon (a) delivery to the Agent of an assignment, together with any consents required by Section 10.3.1 hereof, and (b) payment of a \$5,000 fee to the Agent for processing such assignment, such assignment shall become effective on the effective date specified in such assignment. Such assignment shall contain a representation by the Purchaser to the effect that none of the consideration used to make the purchase of the Revolving Commitment and Loans under the applicable assignment agreement are "plan assets" as defined under ERISA and that the rights and interests of the Purchaser in and under the Loan Documents will not be "plan assets" under ERISA. On and after the effective date of such assignment, such Purchaser shall for all purposes be a Lender party to this Agreement and any other Loan Document executed by or on behalf of the Lenders and shall have all the rights and obligations of a Lender under the Loan Documents, to the same extent as if it were an original party hereto, and no further consent or action by Borrower, the Lenders or the Agent shall be required to release the transferor Lender with respect to the percentage of the aggregate Revolving Commitment and Loans assigned to such Purchaser. Upon the consummation of any assignment to a Purchaser pursuant to this Section 10.3.2, the transferor Lender, the Agent and Borrower shall, if the transferor Lender or the Purchaser desires that its Loans be evidenced by Notes, make appropriate arrangements so that new Notes or, as appropriate, replacement Notes are issued to such transferor Lender and new Notes or, as appropriate, replacement Notes, are issued to such Purchaser, in each case in principal amounts reflecting their respective Revolving Commitments, as adjusted pursuant to such assignment.

48

10.4. Dissemination of Information. Borrower authorizes each Lender to disclose to any Participant or Purchaser or any other Person acquiring an interest in the Loan Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of Borrower and its Subsidiaries; provided that each Transferee and prospective Transferee agrees to be bound by Section 11.10 of this Agreement.

10.5. Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 11.24 hereof.

SECTION 11

General Provisions

11.1. Waivers, Amendments and Remedies. No delay or omission of the Lenders to exercise any right under the Loan Documents shall impair such right or be construed to be a waiver of any Default or an acquiescence therein, and any single or partial exercise of any such right shall not preclude other or further exercise thereof or the exercise of any other right. No waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Required Lenders, and, to the extent any rights or duties of the Agent may be affected thereby, the Agent; provided, however, that no waiver, amendment, modification, consent or other variation shall without consent of the Agent and each non Defaulting Lender with Obligations being directly affected thereby (a) authorize or permit the extension of time for paying the principal of, or interest on, the Obligations, or any fees payable thereunder, or any reduction in the principal amount thereof or a reduction in the rate of interest or fees thereon (other than as a result of waiving the applicability of any increase in the applicable interest rate upon Default or maturity), (b) amend (i) the respective percentages of the Lenders' Revolving Commitments (other than a change in a Lender's percentage by virtue of an increase in the Revolving Commitments under Section 2.7.2 that such Lender has elected not to participate), (ii) the definition of Required Lenders or the percentage of Lenders required to take or approve any action hereunder, or (iii) the provisions of this Section 11.1 or Sections 7 or 8.1, (c) release all or substantially all of the collateral subject to any Loan Document, if any, or release any Guarantor from its Guaranty, or (d) waive, amend, or modify any other provision of the Loan Documents which creates an obligation on the part of Borrower to indemnify the Agent or any Lender or to pay money to the Agent or any Lender. Any such waiver, amendment, modification or consent shall be effective only in the specific instance and for the specific purpose for which given. All remedies contained in the Loan Documents or by law afforded shall be cumulative and all shall be available to the Lenders until the Obligations have been paid in full.

49

11.2. Survival of Representations. All representations and warranties of Borrower contained in the Loan Documents shall survive delivery of the Notes and the making of the Facilities.

11.3. Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, the Lenders shall not be obligated to extend credit to Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

11.4. Taxes. Any taxes (excluding taxation of the overall net income of the Lenders) payable or ruled payable by any Governmental Authority in respect of the Loan Documents shall be paid by Borrower, together with interest and penalties, if any.

11.5. Choice of Law. The Loan Documents (other than those containing a contrary express choice of law provision) and the rights and obligations of the parties thereunder and hereunder shall be governed by, and construed and interpreted in accordance with the laws of the State of Indiana (but giving effect to federal laws applicable

to national Lenders), notwithstanding the fact that Indiana conflict of law rules might otherwise require the substantive rules of law of another jurisdiction to apply. Borrower hereby consents to the jurisdiction of any state or federal court located within Marion County, Indiana. All service of process may be made by messenger, certified mail, return receipt requested or by registered mail directed to Borrower at the addresses indicated aside its signature to this Agreement, and Borrower otherwise waives personal service of any and all process made upon Borrower. Borrower waives any objection which Borrower may have to any proceeding commenced in a federal or state court located within Marion County, Indiana, based upon improper venue or forum non conveniens. Nothing contained in this Section shall affect the right of the Lenders to serve legal process in any other manner permitted by law or to bring any action or proceeding against Borrower or its property in the courts of any other jurisdiction.

11.6. Headings. Section headings in the Loan Documents are for convenience of reference only and shall not govern the interpretation of any of the provisions of the Loan Documents.

11.7. Entire Agreement. The Loan Documents embody the entire agreement and understanding among Borrower, the Agent and the Lenders and supersede all prior agreements and understandings among Borrower, the Agent and the Lenders relating to the subject matter thereof.

11.8. Expenses. Borrower shall reimburse the Agent for any and all reasonable out-of-pocket expenses (including attorneys' fees for the Agent), paid or incurred by the Agent in connection with the preparation, negotiation, review, execution, delivery, amendment, modification and administration of the Facilities and/or the Loan Documents. Borrower shall reimburse the Agent and the Lenders for reasonable out-of-pocket expenses paid or incurred by the Lenders in connection with charges incurred pursuant to Section 5.1.6 hereof after a Default as provided therein. The Agent shall use its best effort to provide advance notice to Borrower prior to the incurrence of such expenses. Borrower shall reimburse the Agent and the Lenders for any and all reasonable costs, charges and out-of-pocket expenses (including attorneys' fees and time charges of attorneys for the Agent and the Lenders), paid or incurred by the Agent and/or the Lenders in

50

connection with the collection and enforcement of the Facilities and/or the Loan Documents. The Lenders may pay or deduct from the loan proceeds any of such expenses, and any proceeds so applied shall be deemed to be advances under this Agreement evidenced by the Notes and secured by the Loan Documents, and shall bear interest at the rate of interest provided in the Notes.

11.9. Indemnification. Borrower agrees to indemnify the Lenders, and their successors and assigns (including any permitted purchaser of a participation in the Facilities), and their directors, officers and employees, against all losses, claims, costs, damages, liabilities and expenses, including, without limitation, all expenses of litigation or preparation therefor (a "Loss"), which they may pay or incur in connection with or arising out of the direct or indirect application of the proceeds of the Facilities hereunder, except for any Loss caused by the Lenders' gross negligence or wilful misconduct. The indemnity set forth herein shall be in addition to any other Obligations of Borrower to the Lenders hereunder or at common law or otherwise, and shall survive any termination of this Agreement, the

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

expiration of the obligation of the Lenders to make the Facilities and the payment of all Obligations.

11.10. Confidentiality. The Lenders agree to treat all information received by them in connection with the Loan Documents (except such information which is generally available or has been made available to the public) as confidential, provided, however, that nothing in this Section shall prohibit the Lenders from, or subject the Lenders to liability for, disclosing any such information to any Governmental Authority to whose jurisdiction the Lenders may be subject, and provided further that the Lenders may provide such information, with Borrower's consent, to proposed purchasers of or participants in the Facilities.

11.11. Giving Notice. Any notice required or permitted to be given under this Agreement may be, and shall be deemed effective if made in writing and delivered to the recipient's address, telex number or facsimile number addressed to Borrower at the address specified opposite its signature below, or if addressed to the Agent or the Lenders at the addresses indicated on Schedule I hereto, by any of the following means: (a) hand delivery, (b) United States first class mail, postage prepaid, (c) registered or certified mail, postage prepaid, with return receipt requested, (d) by a reputable rapid delivery service, or (e) by telegraph or telex when delivered to the appropriate office for transmission, charges prepaid, with request for assurance of receipt in a manner typical with respect to communication of that type. Notice made in accordance with this Section shall be deemed given upon receipt if delivered by hand or wire transmission, three (3) Banking Days after mailing if mailed by first class, registered or certified mail, or one (1) Banking Day after deposit with an overnight courier service if delivered by overnight courier. Borrower, the Agent and the Lenders may each change the address for service of notice upon it by a notice in writing to the other parties hereto.

11.12. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one agreement, and any of the parties hereto may execute this Agreement by signing any such counterpart. This Agreement shall be effective when it has been executed by Borrower, the Agent and the Lenders.

51

11.13. Incorporation by Reference. All Exhibits and Schedules hereto are incorporated herein by this reference. Each of the other Loan Documents shall be made subject to all of the terms, covenants, conditions, obligations, stipulations and agreements contained in this Agreement to the same extent and effect as if fully set forth therein, and this Agreement is made subject to all of the terms, covenants, conditions, obligations, stipulations and agreements contained in the other Loan Documents to the same extent and effect as if fully set forth therein. The provisions of this Agreement, including, without limitation, provisions relating to maintenance of insurance, are in addition to, and not a limitation upon, the requirements of any other Loan Document, any guaranty or any subordination agreement.

11.14. Time of Essence. Time is of the essence under the Loan Documents.

11.15. No Joint Venture. Notwithstanding anything to the contrary herein contained or implied, the Lenders, by this Agreement,

or by any action pursuant hereto, shall not be deemed to be a partner of, or a joint venturer with, Borrower, and Borrower hereby indemnifies and agrees to defend and hold the Lenders harmless, including the payment of reasonable attorneys' fees, from any Loss resulting from any judicial construction of the parties' relationship as such.

11.16. Severability. In the event any provision of this Agreement or any of the Loan Documents shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not affect the validity, enforceability or legality of the remaining provisions hereof or thereof, all of which shall continue unaffected and unimpaired thereby.

11.17. Waiver of Setoff. Borrower agrees that it will not exercise any right of setoff on any of the Notes or assert any claim for reduction or credit against any of the Notes except when actual payment has been made.

11.18. Gender. As used herein, the masculine gender shall be deemed to include the feminine and the neuter and the singular number shall also include the plural.

11.19. Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence of a Default, each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to Borrower or to any other Person, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special) and any other Indebtedness at any time held or owing by such Lender or any affiliate of such Lender (including, without limitation, by branches and agencies of such Lender or any affiliate of such Lender wherever located) to or for the credit or the account of Borrower against and on account of the Obligations and liabilities of Borrower to such Lender under this Agreement or under any of the other Loan Documents, including, without limitation, all interests in Obligations of Borrower purchased by such Lender pursuant to Section 11.22 hereof, and all other claims of any nature or description arising out of or connected with this Agreement or any other Loan,

52

irrespective of whether or not such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured.

11.20. Lenders Not in Control. None of the covenants or other provisions contained in the Loan Documents shall, or shall be deemed to, give the Lenders the rights or power to exercise control over the affairs and/or management of Borrower, the power of the Lenders being limited to the right to exercise the remedies provided in the Loan Documents, provided, however, that if the Lenders become the owner of any stock or other equity interest in any Person, whether through foreclosure or otherwise, the Lenders shall be entitled (subject to requirements of law) to exercise such legal rights as they may have by virtue of being the owner of such stock or other equity interest in such Person.

11.21. Additional Amounts Payable. If any change or the enactment, adoption or judicial or administrative interpretation of any law, regulation, treaty, guideline or directive (including,

without limitation, Regulation D of the Board of Governors of the Federal Reserve System) either (a) subjects any Lender or any applicable Lending Installation or the LC Issuer to any additional tax, duty, charge, deduction or withholding with respect to any of the Facilities (other than a tax measured by the net or gross income of such Lender), or (b) imposes or increases any reserve, special deposit or similar requirement on account of any of the Facilities not otherwise provided in this Agreement or (c) imposes increased minimum capital requirements on any Lender or any applicable Lending Installation or the LC Issuer on account of its issuing or maintaining any of the Facilities; and if any of the foregoing (i) results in an increase to such Lender or the applicable Lending Installation or the LC Issuer in the cost of issuing or maintaining any of the Facilities, or making any payment on account of any of the Facilities, (ii) reduces the amount of any payment receivable by such Lender or the applicable Lending Installation or the LC Issuer under this Agreement with respect to any of the Facilities, (iii) requires such Lender or the applicable Lending Installation or the LC Issuer to make any payment calculated by reference to the gross amount of any sum received or paid by such Lender or the applicable Lending Installation or the LC Issuer pursuant to any of the Facilities, or (iv) reduces the rate of return on such Lender's or the applicable Lending Installation or the LC Issuer's capital to a level below that which such Lender or the applicable Lending Installation or the LC Issuer could otherwise have achieved (taking into consideration such party's policies with respect to Capital Adequacy), then Borrower shall pay to such Lender or the applicable Lending Installation or the LC Issuer, as additional compensation for the Facilities, such amounts as will compensate such Lender or the applicable Lending Installation or the LC Issuer for such increased cost, payment or reduction. Within twenty (20) days after (a) the initial demand therefor and (b) presentation by a Lender of a certificate to Borrower containing a statement of the cause of such increased cost, payment or reduction and a calculation of the amount thereof (which statement and calculation shall be presumed prima facie to be correct), Borrower shall pay the additional amount payable measured from the date such change, enactment, adoption or interpretation first affects such Lender or the applicable Lending Installation or the LC Issuer.

11.22. Adjustments. If any Lender (a "Benefitted Lender") shall at any time receive any payment (other than regularly scheduled payments of principal and interest prior to any Default) of all or any

part of its Facilities hereunder, or interest thereon (whether by set-off or otherwise) in a greater proportion than its Pro Rata Share, such Benefitted Lender shall purchase for cash from the other Lenders such portions of the other Lenders' Notes, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause the Benefitted Lender to share the excess payment or benefits of such collateral or proceeds ratably with the other Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from the Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned to the extent of such recovery, but without interest. Borrower agrees that each Lender so purchasing a portion of another Lender's Notes may exercise all rights of payment (including, without limitation, rights of set-off) with respect to such portion as fully as if such Lender were the direct holder of such portion.

11.23. Application of Proceeds. Notwithstanding any contrary provision of any other Loan Document, after the occurrence of a Default and acceleration of the Obligations, including, without limitation, any proceeds of collateral and recoveries under the Guaranty, shall be applied by the Agent to payment of the Obligations in the following order:

(a) First, to payment of all reasonable costs and reasonable expenses of the Agent and the Lenders incurred in connection with the preservation, collection and enforcement of the Obligations;

(b) Second, to the payment of that portion of the Obligations constituting accrued and unpaid interest and fees, pro rata among the Lenders in accordance with their Pro Rata Shares;

(c) Third, to the payment of the principal amount of the Obligations, pro rata among the Lenders in accordance with their Pro Rata Shares;

(d) Fourth, to the payment of any other Obligations not referred to above to the Agent or any of the Lenders as may be properly payable; and

(e) Fifth, the balance, if any, after all the Obligations have been satisfied, shall be returned to the Borrower.

11.24. Foreign Lender Withholding Tax. Each Lender represents and warrants to the Agent that under applicable law and treaties no taxes are required to be withheld by the Agent with respect to any payments to be made to such Lender under this Agreement and further agrees to provide such required United States tax forms or comparable statements to evidence its exemption from withholding tax in accordance with applicable United States laws and regulations, and agrees to comply from time to time with all applicable United States laws and regulations with regard to such withholding tax exemptions.

54

11.25. Replacement of Lenders. (a) (i) If any Lender becomes a Defaulting Lender or otherwise defaults in its obligations to make Loans, (ii) if any Lender refuses to consent to certain proposed changes, waivers, discharges or terminations with respect to this Agreement which have been approved by the Required Lenders as provided in Section 11.1 hereof, or (iii) upon a Lender charging to Borrower increased costs in excess of those being generally charged by the other Lenders, Borrower shall have the right, in accordance with the requirements of Section 10.3 hereof, if no Default will exist after giving effect to such replacement, to replace such Lender (the "Replaced Lender") with an Eligible Transferee or Eligible Transferees, none of which shall constitute a Defaulting Lender at the time of replacement (collectively, the "Replacement Lender"), reasonably acceptable to the Agent and Bank One, provided that at the time of any replacement pursuant to this Section, the Replacement Lender shall enter into one or more assignments as provided in Section 10.3 hereof pursuant to which the Replacement Lender shall acquire all the Revolving Commitments and outstanding Loans of, and in each case participation in Letters of Credit by, the Replaced Lender and, in connection therewith, shall pay to the Replaced Lender in respect thereof an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of

Edgar Filing: CHROMCRAFT REVINGTON INC - Form 10-K

the Replaced Lender and (B) an amount equal to all accrued, but theretofore unpaid, fees owing to the Replaced Lender and (C) all obligations of Borrower owing to the Replaced Lender (other than those specifically described in clause (A) above in respect of which the assignment purchase price has been, or is concurrently being, paid) shall be paid in full to such Replaced Lender concurrently with such replacement.

11.26. Relationship of Parties; Mutual Release of Consequential Damages. The relationship between Borrower and the Lenders and the Agent shall be solely that of borrower and lender. Neither the Agent nor any Lender shall have any fiduciary responsibilities to Borrower. Neither the Agent nor any Lender undertakes any responsibility to Borrower to review or inform Borrower of any matter in connection with any phase of Borrower's business or operations. Neither the Agent, any Lender nor Borrower shall have any liability with respect to, and Borrower, each Lender and the Agent hereby waives, releases and agrees not to sue for, any special or consequential damages suffered by it in connection with, arising out of, or in any way related to the Loan Documents or the transactions contemplated thereby.

11.27. Waiver of Jury Trial. THE LENDERS, THE AGENT AND BORROWER, AFTER CONSULTING OR HAVING HAD THE OPPORTUNITY TO CONSULT WITH COUNSEL, KNOWINGLY, VOLUNTARILY, INTENTIONALLY, UNCONDITIONALLY AND IRREVOCABLY WAIVE ANY RIGHT ANY OF THEM MAY HAVE TO A TRIAL BY JURY IN ANY LITIGATION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR ANY OF THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT OR ANY COURSE OF CONDUCT, DEALING, STATEMENTS (WHETHER ORAL OR WRITTEN), OR ACTIONS OF ANY OF THEM. NEITHER THE LENDERS, THE AGENT NOR BORROWER SHALL SEEK TO CONSOLIDATE, BY COUNTERCLAIM OR OTHERWISE, ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT BE OR HAS NOT BEEN WAIVED. THESE PROVISIONS SHALL NOT BE DEEMED TO HAVE BEEN MODIFIED IN ANY

RESPECT OR RELINQUISHED BY EITHER THE LENDERS, THE AGENT OR BORROWER EXCEPT BY A WRITTEN INSTRUMENT EXECUTED BY THE LENDERS, THE AGENT AND BORROWER. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE LENDERS TO PROVIDE THE FINANCING GOVERNED BY THIS AGREEMENT.
