**Item 2.01. Completion and Acquisition or Disposition of Assets**

On October 5, 2004, Kronos Incorporated (the Company) entered into an Acquisition Agreement (the Acquisition Agreement), by and among the Company, Kronos Acquisition Inc, a corporation organized under Canadian law and wholly-owned subsidiary of the Company (Kronos Sub), and AD OPT Technologies Inc., a corporation organized under Canadian law (AD OPT). AD OPT is a Montreal-based provider of advanced workforce planning and scheduling solutions. The Acquisition Agreement provided for a tender offer by Kronos Sub to the shareholders of AD OPT for 100% of the outstanding common shares of AD OPT at a per share price of CAN \$6.25. The Acquisition

## Edgar Filing: KRONOS INC - Form 8-K

Agreement further provided that all outstanding options to purchase common shares of AD OPT would be exercised prior to the closing of the tender offer or cancelled. The terms of the Acquisition Agreement, including the purchase price per share, were determined on the basis of arms-length negotiations.

In connection with the tender offer, Kronos entered into an agreement with Crescendo Partners II, L.P. ( Crescendo ), a 10.29% stockholder of AD OPT, whereby Crescendo agreed to tender all of its AD OPT common shares to Kronos Sub, subject to certain exceptions. Except for this agreement with Crescendo, neither the Company nor any of its directors, officers or, to its knowledge, affiliates, nor, to its knowledge, any associate of any such persons, had any material relationship with AD OPT at the time the parties entered into the Acquisition Agreement.

On November 18, 2004, the Company acquired, through Kronos Sub, 10,504,123 common shares of AD OPT, representing approximately 95.6% of the outstanding common shares, for an aggregate purchase price of CDN \$65,650,768 (USD \$55,079,316, calculated as of the closing date), representing CDN \$6.25 per common share. The purchase price was funded through the use of cash and investments shown on the Company's balance sheet. The Company intends to exercise its rights to acquire all AD OPT common shares that were not tendered to the Company through the compulsory acquisition provisions of the Canada Business Corporations Act. The Company anticipates that the aggregate purchase price for these common shares will be approximately CDN \$2,967,601 (approximately USD \$2,486,529).

A copy of the Acquisition Agreement is attached to the Company's Current Report on Form 8-K as Exhibit 2.1 filed with the SEC on October 5, 2004 and incorporated herein by reference. The foregoing summary of the Acquisition Agreement and the transactions contemplated thereby is not intended to be complete and is qualified in its entirety by the complete text of the Acquisition Agreement.

This Current Report on Form 8-K contains forward-looking statements about our business and our expectations, including statements relating to our intention to acquire the remaining outstanding common shares of AD OPT and the costs related thereto. Any such statements are subject to risk that could cause the actual results to vary materially from expectations.
